You are one Stupid dude.... What's your point? To prove you're a certified Moron. I was on your side, but this proves you're an idiot..... and not to be trusted or believed. Are you sure your parents took the "baby" home or the "afterbirth"???? You are showing no intellect at all with these useless posts. Your character is in question as an Amateur Radio Operator. Can Amateur Radio afford to have you as a representative of what an American Operator is??? I say no... Beware!!!

* PLEASE NOTE: The report "could" contain "Pirate/SLIM" operations or more likely a "BUSTED CALLSIGN". As always, you never know - "Work First Worry Later" (WFWL).

2008 A SPOTLESS YEAR! Lee, KH6BZF/7J1AAP, propagation guru, informed OPDX that "We have experienced some very Sunspot lacking days during 2008." There were 272 spotless days out of the 366 days (Leap Year) or 74.37% of the year's days! August and December were the worst months with 31 and 28 spotless days, respectively. June and November were the best months with 19 and 15 spotless days, respectively. The rest of the

months (of the year) were all in the twenties.

2008 DX SOUND BITES! Tom, K8CX, has done it again. He has provided DXers with 120 memorable DX sound clips from 2008. Visit Tom's famous "HAM GALLERY" Web at: http://hamgallery.com/dx2008
While there also check out some of his other features on his Web page, such as: Rare DX Sound Clips of the past, QSL Card Museum, Dayton Photo Galleries and Tribute to Silent Key Ham Operators.

2009 DX MARATHON (Now Underway!). John, K9EL, Program Manager of the CQ DX Marathon, reports: "The 2009 edition of CQ Magazine's 2009 edition of the DX Marathon is now underway! Each year from January 1 to December 31, CQ Magazine sponsors a challenge to work as many countries and zones as possible in the calendar year. For complete rules and submission information, please see our web site at: www.dxmarathon.com. The 2009 official DX Marathon score sheet is now available for download. Remember to submit your 2008 scores by January 31, 2009."

3B7, ST. BRANDON ISLAND (Update - Also 3B6 and 3B9). Ron, K5XK, updates OPDX that Rachid, 3B8FQ, reports that his working trip to St. Brandon Island (3B7), may be rescheduled for February. His earlier 3B7FQ operation was cancelled due to transportation problems. He is also planning a personal holiday with ham gear to Rodriguez Island (3B9), in July, and a return trip to Agalega Island (3B6) in November. The callsigns will be 3B7FQ, 3B9FQ, and 3B6FQ. QSL all three operations via K5XK at his new address per instructions on QRZ.com. More details will be provided as they become available. Meanwhile, Rachid is often active on all bands, 40-10 meters using CW and SSB (from Mauritius).

8Q, MALDIVES. Just a reminder that Andy, G7COD, will be operational for his fifth time from the Island of Embudu in the Kaafu Atoll (AS-013) using the callsign 8Q7AK between January 11-27th (2009). Activity will be CW and SSB on 40-10 meters including 30/17/12 meters. He plans to be operational every day from approximately 0730-0830z, 0900-1030z, 1300-1500z and 1730-1800z. Suggested frequencies are:
CW - 7003, 10103, 14003, 18073, 21003 and 24893 kHz (+/- for QRM)
SSB - 7063, 14147, 18133, 21253 and 24953 kHz (+/- 10 kHz)
For comprehensive details on QSL information etc, please check 8Q7AK on QRZ.COM.

A35, TONGA (6m History Continues). Paul, A35RK, continues to be active on 6m enjoying the sporadic E season in the South Pacific. As well as making the first A3/VK 6m digital QSOs on December 26th and the 27th, Paul made the first 6m A3/ZL digital QSO with Duncan, ZL3JT, followed on the 28th with John, ZL3AAU. A35RK to ZL3JT on RTTY is another 6m "first" in amateur radio milestones.

A35, TONGA. World traveller and Uruguay DX Group member Bert, CX3AN, will be active as A35HA from Tonga's main island, Tongatapu (OC-049) for one week starting February 14th. He informs OPDX that he will be active on 40-6 meters with a special emphasis on 30/17 meters using CW and SSB, and only 100 watts from his Icom 706 into dipole antennas.

His activity will be limited because he will be on a family holiday trip. Bert will be operating alone this time, not like other trips where his good friend Mario, CX4CR, usually would join him. QSL via CX3AN.

ANTARCTICA/POLAR WEB INFORMATION. Members of the "French Polar Team" have been putting together some interesting information/pictures (with music) of the different polar and sub-Antarctic regions. The Web page also has details on how to achieve their "Polar Trophy". They have created the Polar Trophy with the aim to stimulate the radio contacts with these regions as well as with the polar ships. This challenge is also sub-divided into the Antarctic Challenge and the Arctic Challenge. Visit this interesting Web page at: http://www.french-polar-team.fr/index.php

CY0, SABLE ISLAND (DXpedition Postponed). Duane Traver, WV2B, the CY0 DXpedition Team Leader, sent out a press release on January 1st, that states the following (edited):

"Dear Fellow DXers,
Reluctantly, due to the current U.S. economic situation, the DXpedition team has decided to postpone the CY0 DXpedition planned for 2009. While we are hopeful to reorganize the DXpedition {possibly for 2010}, we have decided that rather than tie up the funds so graciously made available by our sponsors, we will return donations received so the sponsorship may be available to other DXpeditions for this year. Any sponsoring organization may feel free to contact me with any questions regarding the matter. We are hopeful that our kind sponsors will be willing to renew their sponsorship when the Dxpedition is able to be reorganized in the future. The sabledx.com website will remain functional for the time being. Wishing all good DX and 73.
Sincerely, Duane Traver, WV2B Team Leader"

LOG ONLINE. The log for the special event station 4A1DXXE is now available online at:
http://www.dxxe.org/logsearch/index.php?cmd=preselect&log=4A1DXXE
It is planned to update the online log once a day until activity ends. QSL for 4A1DXXE is via N7RO or LoTW.

NO LONGER THE QSL MANAGER FOR CT3BX. Hermann, HB9CRV, announced that as of December 31st, 2008, he is no longer the QSL manager of CT3BX. No new QSL Manager has been nominated and the logs are closed.

QSL UPDATES FOR HC8N and K5S (NA-082). Randy, W5UE, reports that all direct requests received for HC8N as of December 19th, have been answered and are in the mail. The remaining incoming QSLs of 2008 for HC8N should

be in the mail by January 5th. QSL cards for K5S/K5Z, East Ship Island, MS (IOTA NA-082) activity in October have been received from the printer and direct requests have started going out. The K5S team was expected to have a "QSL Party" on January 3rd and the remaining direct requests received to date should be answered then. Randy states, "I have also started accepting online requests for direct cards for stations I manage. The process is fairly simple. Make an online donation via PayPal to cover my postage/card costs and send me QSO data via E-mail. My hope is that this method will be more cost effective and efficient for both you and me as manager. Please see my Web page for details at: http://w5ue.net/qsl-w5ue.html
I welcome any feedback you might have on this process. Bureau requests are now being answered via the GlobalQSL service. Several thousand backlogged HC8N requests have already been entered and should be finding their way into the bureau system soon. I apologize for my lack of bureau responses since hurricane Katrina... this should put me back on track."

HAVE PATIENCE! QSL cards are still being received for the many UA4WHX operations. Vlad is still sending them out.

After 13 years of providing hams with no cost web space, e-mail forwarding and mailing list services through QSL.net and QTH.net, I have decided to retire. All QSL.net and QTH.net servers and Internet connections at my home QTH are being turned down.
Scott, KA9FOX, has graciously decided to pick up where I left off, and he is in the process of migrating all services to new hardware. See below (on <http://www.qsl.net/index.html>) for an update on the status of the migration.
I want to thank all of you for all of your support over the years, and I hope that you will support Scott as he takes over the reigns.

TS7, TUNISIA (Update/IOTA Op). Members of the France Provins ARC (F6KOP) and some international operators will activate Kerkennah Island (AF-073) using the callsign TS7C between January 8-19th (2009). This 12 day operation would not be possible without the help of Mustapha, DL1BDF. According to the latest press release (edited) by Maurice, F5NQL: "All the luggage is packed and sorted by 25kg parcels (one per operator). Mustapha, DL1BDF, team member, was a great help to so we could obtain

the use of the special callsign TS7C. As indicated in "Press Release No.1, some new comers in the DXpedition have been included in the team, to permit them to get some more skill, operating side by side with long time experienced DXpeditioners. They are the future operators of F6KOP next expeditions. We ask your indulgence for them; they are learning what to do in the pile-ups, and for some of them, TS7C will be their first DXpedition. We will stay on Chergui Island (IOTA AF-073 and WLOTA 3459), in the Kerkennah Group. Their departure is scheduled from Paris, on January 8th, in the early morning. The team will begin to set-up the first station immediately when they arrive at the Kerkennah Hotel. So, the first signals are expected the same day at the end of the afternoon or early in the evening. The departure from Kerkennah is scheduled very early in the morning of the 19th. So the operation end will happen sometime around 1800 or 1900z, in the evening of the 18th. As usual, one station will continue to be on the air in the evening as late as possible. For the new bands and/or modes hunters, we will be operating on the HF bands, 160-10m, using CW, SSB, FM, and the Digital modes (RTTY, PSK31, BPSK, SSTV). We will pay special attention on the lower bands, 160/80m. Of course you'll find operators on the other bands and modes. Six stations will operate at the same time, 24 hours a day. Sometimes it will be possible to hear TS7C on the same band but different modes. The antenna farm will consist of vertical and wire antennas for the lower bands and Spiderbeams for 40-10m. Since the first press release the team had to be changed a little. The complete team going to Tunisia has been finalized and the team consists of the following:

TVO:n OL-1 revision j&#65533;lkeen laitosta ruvettiin runnomaan torstaista 29.05-08 valtakunnan verkkoon sormet ristiss&#65533; kyyn&#65533;rp&#65533;it&#65533; my&#65533;ten. Eli vaikka koneen verkkotuottotaso oli vasta 60 % teholla p&#65533;&#65533;tti s&#65533;&#65533;din nostaa tahtigenun magnetoinnin t&#65533;ysille. Seurauksena +250 % ylij&#65533;nniteterssi. Joka ry&#65533;st&#65533;ytti putkikiskolinjojen 20kV j&#65533;nnitteet 50kV r&#65533;iskeeseen! T&#65533;m&#65533; kohtalokas j&#65533;nnitepiikki aiheutti muuntajien kautta l&#65533;pi koko voimalan muuntajien taa noin 1,3 kertaisen j&#65533;nnitenousun v&#65533;litt&#65533;m&#65533;sti. Oi ja voi kun ne puolestaan oli mitoitettu halpuus- ja huonoussyist&#65533; ydintyyliin kest&#65533;m&#65533;&#65533;n vain 1,2kertaiset j&#65533;nnitepiikit. 100kV ja 400kV linjat soihtur&#65533;iskeell&#65533; laukomaan ylij&#65533;nnitteest&#65533; irti.

Laitos paniikkiajolla pikasulkuun ja taas ydintyyliin elint&#65533;rke&#65533;&#65533; ekovesienergiaa, tuulivoimaa, bioenergiavarmennusta ja jopa Lapijoen S&#65533;hk&#65533;n tuottamille ekovesienergioille kultaa t&#65533;rke&#65533;mpi tarve pelastamaan TUTUSTI kiinailmi&#65533;lt&#65533; puolta Suomea! No Onneksi sit&#65533; ydinrikostyylisest&#65533; vuosien disinfon&#65533;lvinn&#65533;st&#65533; huolimatta yh&#65533; edes maassamme jossain on. Suurtuhoa ei ydininsin&#65533;&#65533;rien yll&#65533;tykseksi viel&#65533;k&#65533;&#65533;n tullut. Mutta toki koska kyseess&#65533; on ydinvoimala niin kiinailmi&#65533;estopumppujen ekovesi py&#65533;ritti kyll&#65533; niit&#65533; reaktorin j&#65533;lkij&#65533;&#65533;hdytteeksi, mutta miltei kaikki muu kyll&#65533; kylm&#65533;sti r&#65533;j&#65533;hti paskaksi. Toki koska kyseess&#65533; on ydinyhti&#65533; TVO my&#65533;s n&#65533;ist&#65533; elint&#65533;rkeist&#65533; pumpuista paskaksi useita, siit&#65533; my&#65533;hemmin. Kerrattakoon, ett&#65533; JUURI t&#65533;t&#65533; alasajokatastrofia varten IAEA vaatii OL-1 laitoksen 870MW rinnalle totaalihaaskuuseen +10 %, eli 87MW y&#65533;t&#65533;ip&#65533;iv&#65533;&#65533; tauottoman aputukis&#65533;&#65533;t&#65533;vesis&#65533;hk&#65533;varannon. Joka siis meni miltei osasekunneissa miltei KAIKKI k&#65533;ytt&#65533;&#65533;n OL-1 laitoksen pumppuihin, omak&#65533;ytt&#65533;ihin, valoihin, tuuletuksiin ja lukuisten tuotantoturva-apukoneitten k&#65533;ytt&#65533;&#65533;n. Koska ydinvoimala ei toimi on kaukaa tuotu apus&#65533;hk&#65533; elinehto sanoo IAEA/USA:n ydinturvavaateet!

Mm. laitoksen 6 elint&#65533;rkeist&#65533; kierr&#65533;tysvesipumpuista r&#65533;j&#65533;hti per&#65533;ti 33 %! Niin ik&#65533;&#65533;n my&#65533;s esimerkiksi elint&#65533;rke&#65533;n peruss&#65533;hk&#65533;verkon takaavista ns. UPS. elektroniikkayksik&#65533;ist&#65533; subeissa A, B, C ja D r&#65533;j&#65533;hti k&#65533;ytt&#65533;kuolioon joka.. TOINEN! tasasuuntausyksik&#65533;ist&#65533; useammista tuli my&#65533;s l&#65533;hinn&#65533; mustaamakakaraa. Massoittain mm. kortteja, laitteistoja, kasap&#65533;in elint&#65533;rkeit&#65533; turvayksikk&#65533;j&#65533;, s&#65533;hk&#65533;systeemej&#65533; massoittain tuhoutui osasekunneissa. N&#65533;in toki k&#65533;y vain ydinvoimaloissamme, ei ikin&#65533; muualla. Jopa ydinvoimalan ns. "kalibraatiolaitoshuonessysteemeist&#65533;" haihtui t&#65533;st&#65533; maailmasta miltei kaikki erikoisregulaattoreista. Koska takapotkuj&#65533;nnitepiikki p&#65533;&#65533;si KAIKKIIN ydinvoimalan turva, suoja, apu, apuapu ja my&#65533;s nelikertavarmennettuihin apuapuapu.yksikk&#65533;ihin samalla kertaa! Mekamoka taas kerran! Vaan ei t&#65533;ss&#65533; mit&#65533;&#65533;n, kun alkupaloiksi!

Noin 2v sitten Ruotsissa oli ydinvoimalassa kas hienoa TISMALLEEN samanlainen tilanne! Katastrofin todenn�k�isyytt� Suomen sisarlaitoksissa silloin synk�nkiivaasti kyseltiin. Ydinhuijarina kunnostautunut TVO kylm�n viile�sti tapansa mukaan ved�tti vitosella ja kertoili satuinaan, ettei k�y meill� tuollaista IKIN�! Vain pari vuotta ja T�YSIN sama toistuu.. ..UuuUPS! No aina voi tietysti est�� faktan vuodon Suomen ydintiedotusmonopoleissamme! Vai voiko en��, kun edes MIN� faktat kirjoitan?)

Ehk� kuvaavinta tilanteessa on, ett� vain p�iv� ennen katastrofiaan TVO:n OL-1 laitos oli ollut jo megapaniikissa kun sen koeajamista 8 erillisest� dieselapuh�t�paniikkiturva-ajoista ep�onnistui uskomattomat 4kpl. No l�ytyi mit� lie 3 paskaksi mennytt� dieselapugenujen starttia ja ydintyyliin jotain "ihan pient�". Olivat kuulema STUK:n "apurit" juosseet edellisen p�iv�n ristiin ja rastiin jo silloin. Kun j�lleen kerran TVO:n tyyliin alkoi t�m� varsinainen ISO megakatastrofi Ruotsin kloonina niin sent��n oli STUK:n porukoilta tullut kaikkien yll�tykseksi samalla m��r�ys leikata paniikissa MY�S OL-2 laitoksen tehoista kymmeni� prosentteja. Koska katastrofitoisto my�s siell� ja pahempana olisi selvi�!

Tilanne on se, ett� samaan hy�myyn pukkasi asiallinen (M-poverin alan miesten lakko p��lle ja muuta pient�). Molemmat TVO:n loppunajetut paskalinkot py�rii viimeisell� kuilulla. No joo OL-1 on ihan paska. Oikeastaan vain Herra tiet�� onko siin� kunnossa oikeastaan en�� juuri muut kuin ulkopellit ja maalit, noin vapaatulkintana!) Jos Suomi olisi Ruotsin kaltainen sivistysmaa t�m�n toisto, toistetun j�lleen kerran v�h�lt� piti tilanteen ja jatketun ydinved�tyksen j�lkeen laitosta hoideltaisiin pomokurinpalautuksin ymp�ri korvia kuukausista toisen ja tarkoissa kontrolleissa. Mietitt�isiin TAATUSTI jopa k�ytt�kieltoja ja vastaavia. Mutta koska Suomessa ydintyyliimme on pesiytynyt tapa kuitata kaikki mahdollinen ja miltei mahdoton olan kohautuksella, niin hyv� jos tuskin viikko "valohoitoa" ja surutta usvaa putkeen!((

PS. On enemm�n kuin t�rke��, ett� edes JOKU uskaltaa, osaa, pystyy kertomaan n�ist� ydinkatastrofeistamme mm. nettiin aidon konstailemattomasti ja turhempia sensuroimatta. Joten odotellaan, josko jo taas ensi viikolla on seuraava ydinvoimalamme paskana, tai ei j�� en�� edes l�helt� pitiin, vaan uidaan siihen SUUREEN!

Taloudellisia ja terveydellisi&#65533; m&#65533;&#65533;ri&#65533; ei edes uskalleta julkisuuteen laskea.

Ranskan j&#65533;lleenk&#65533;sittelykuningas La Haguen uhkapeli:
Tarkoituksena akujaan k&#65533;sitell&#65533; miltei yksin&#65533;&#65533;nRanskan omien vanhojen grafiittikaasureaktorien k&#65533;ytettyj&#65533; polttoaineita. Joiden radioaktiivisuus on vain viidennes verrattuna kevytvesireaktorin j&#65533;tteen s&#65533;teilyyn!! HAO j&#65533;lleenk&#65533;sitteli viimeksi mainittua vain 2-kuukautta 1976. 1977 lopulla laajennettiin, mutta todettiin heti riitt&#65533;m&#65533;tt&#65533;m&#65533;ksi ydintyyliin. L&#65533;heinen Cherbourgin kaupungin valtuusto on ilmoittanut kaikin keinoin vastustavansa laajentamisia!

*L&#65533;nsisaksalaisen ydinkriitikon Robert Jungin mukaan La Haguen ymp&#65533;rist&#65533; on sek&#65533; maalla, ett&#65533; merell&#65533; radioaktiivisesti saastunut. H&#65533;n kertoo, ett&#65533; kriittisten tiedemiesten ryhm&#65533; on todennut l&#65533;heisell&#65533; maa-alueella 10-20 kertaa virallisesti sallittuja s&#65533;teilyarvoja suurempia arvoja. Ranskan virannomaiset ovat jyrk&#65533;sti kiist&#65533;neet t&#65533;llaiset faktat, joita my&#65533;s La Haugessa k&#65533;yneet ruotsalaiset lehtimiehet ovat tuoneet julki.

*Toki Saksassa ja Ruotsissa tiedettiin ranskalaisen ydinfarssin olevan joutsenlaulusaan jo silloin. Nyky&#65533;&#65533;n Euroopan kaikki uraani l&#65533;hetet&#65533;&#65533;n kiltisti jo vuosikausia v&#65533;hin &#65533;&#65533;nin ja noloina Ven&#65533;j&#65533;n Majakin, joka sekin laitos lopetetaan t&#65533;n&#65533; vuona 2008 Putinin mukaan. Maailmassa ei Englannin Sellafieldin ydinonnettomuuden j&#65533;lkeen ole k&#65533;yt&#65533;nn&#65533;ss&#65533; toimivaa j&#65533;lleenk&#65533;sittelylaitosta pian kuin Japanissa. Lis&#65533;ksi kun viime vuona j&#65533;lleenk&#65533;sittelev&#65533; laserisotoopikoe meni persiilleen aiotun 90% saannon romahdettua 11% murskalukuun on aiheen k&#65533;sittely ollut tabu. Kas ydinalalla ei ole sen enemp&#65533;&#65533; energiapositiivista uraanikiloa en&#65533;&#65533; ikin&#65533; k&#65533;ytett&#65533;&#65533;v&#65533;n&#65533;&#65533;n. Ei kierr&#65533;tysuraania, eik&#65533; siis en&#65533;&#65533; edes kierr&#65533;tysplutoniumiakaan mist&#65533;&#65533;n! Mutta kuten alan ideologia on aina ollut kaikki totuus kiellet&#65533;&#65533;n vaikka syd&#65533;n m&#65533;rk&#65533;nisi.- Ja toden totta kaltaiseni ydinalan yyberosaajat on niit&#65533; aniharvoja jotka faktoja kasvavasti

maailmaamme jalosti jakaa. Joten ollaas hei kuulkaas siel&#65533; vaan kuulolla. Ja kuunnellaan mit&#65533; viisauksia my&#65533;s Antti Vahteralla on meille esitt&#65533;&#65533;!!

Thanks to the Northern Ohio Amateur Radio Society, Northern Ohio DX Association, Ohio/Penn PacketCluster Network, AB5K & the AR TelNet Clusters Network, K4UEE and W0GJ for the following DX information.

The following press releases were provided by Bob Allphin/K4UEE and Glenn Johnson/W0GJ.

FOR IMMEDIATE RELEASE

January 6th, 2009
Desecheo 2009 Press Release #3

During the week of December 17-21, six members of the February 2009 Desecheo DXpedition team met in Puerto Rico. The team spent the first evening with local DXers and members of the Puerto Rico Amateur Radio League and enjoyed a wonderful dinner and a night of fellowship. The hospitality was gracious and very much appreciated.

The following day the team visited US Fish and Wildlife Headquarters in Boqueron and met with the Chief Refuge Manager and law enforcement personnel. Later that day, the DXpedition team members underwent UXO (unexploded ordnance) training. The following morning, Friday, Dec. 19th, they accompanied U.S. Fish & Wildlife law enforcement and UXO personnel to Desecheo. The campsite and antenna fields were thoroughly swept for UXO and several areas were found suspicious. These areas were clearly marked, mapped by GPS and declared off limits for the DXpedition. USFWS will allow antennas on the ridge above the helicopter pad, thus providing a clear shot to EU, NA and JA. Other antennas will be located on the beach below the helicopter pad. The only radio operation that was conducted was to test a 2m link to Puerto Rico. After three hours on the Island, the team endured a rough passage back to the mainland.

Logistics and staging of equipment is ongoing and will be complete before the team arrives in Puerto Rico on Feb. 7th. The team will transit to Desecheo on Feb. 12 to begin the two-week operation. Eight HF stations plus 6 meters will be operational. An incredible array of antennas has

been planned. Transportation and logistics have been arranged for a fast deployment and quick appearance on the air.

The Desecheo 2009 team wishes to thank our sponsors for their generous support. Special thanks go to North American and Japanese DX clubs and individual DXers. Their support has been especially noteworthy.

Fundraising continues.if you or your Club would like to help out, please go to www.kp5.us/help.htm. While on the team website, click the "Pictures" menu button and check out the pictures taken on the recent reconnaissance trip to Desecheo.

73,

Co-leaders:
Bob Allphin, K4UEE
Glenn Johnson, W0GJ

I've ready your crap on the internet. It is trash like you are. You're just
another punk. It's really amazing punks like you write in a post things
that you would never say in person. And before you accuse me of SPAMMING
make Damn sure what you're talking about ASSHOLE! From the looks of it you
are probably a sock puppet but I'm sure you don't even know what that means.

Oli taas h�rski ved�tys ydinalaltamme. Eli ei antanut Kalli julkisuuteen edes sit� laajasti tunnettua faktaa, ett� h�nen mm. 60v juhlat j�rjesti, kas kummaa TVO! Olisi toimittajilta kyll� ollut minimi vaatia edes n�in r�ike�� faktaa esille.

Mutta kuten olemme saaneet tottua ydinhallinnon tekemiin r�t�s/lahjusjuttuep�ilyihin ei maassamme tietysti kukaan yksinkertaisesti uskalla kajota. Ei vaikka kyseess� oli siis juttu, joka on laajasti jo nyt paikkakunnilla tiedossa.

No toki Lipposen kaltaiset massarahavirrat ydinalalta on klassikkoja ja niin maare perusteellisen hiljaa ollaan mm. Lipposen nykyrahoittajan ydinalan lonkeroista my�s n�iss�. Sopii kysy�, ett� halutaanko totuutta ydinkorruptiomme tasoista oikeasti edes etsi�?(

Hello,

I tried to help but I'm not sure exactly what you need? Are
you looking for a Ham Transverter? I don't know that much about Ham radio
but I am interested in learning more and getting my license in the future.
I am pretty good at finding most anything on the Internet. I need to know
exactly what you want or need. Also it would be helpful if you remembered
any part of the company name or the company who manufactured what you are
looking for. And what is sat work? Are you talking about satellite? If
you can give me more information I will try to help you.

Future ham radio operator,

Jeb

Fingridist&#65533; ydinupottaja.

07.06.2008 oli n&#65533;emm&#65533; turhaa etsi&#65533; edes lehdist&#65533; p&#65533;iv&#65533;&#65533; aiemmin julkaistua ilouutista energiamarkkinoiltamme. Jotain todella outoa tiedotussensuuripakoa Suomen ydinhallinnoltamme taas. Ja koska muut tiedoitusv&#65533;lineet j&#65533;lleen n&#65533;ist&#65533; uskalla rivin rivi&#65533; julkaista nin toki kaikki j&#65533;&#65533; taas ydintutusti niille jotka osaa ja uskaltaa, silvuplee arvon lukijani.

Jos katsomme s&#65533;hk&#65533;laskujamme huomaamme miten itse s&#65533;hk&#65533;n hinta on tuskin samaa luokkaa kuin massiivinen yht&#65533; suuri osuus s&#65533;hk&#65533;n siirtokustannusten kanssa. Kun EU m&#65533;&#65533;r&#65533;si Fingrigin s&#65533;hk&#65533;nsiirtobisneksest&#65533; poistettavaksi Fortumin, TVO:n ja t&#65533;m&#65533;nkaltaiset pelk&#65533;st&#65533;&#65533;n niinik&#65533;&#65533; energiantuotantoyhti&#65533;t oli se enemm&#65533;n kuin shokki ydinalamme rahoituksille. Mik&#65533;&#65533;n nimitt&#65533;in t&#65533;ss&#65533; s&#65533;hk&#65533;bisneksess&#65533; ei ole niin tuottavaa kuin siirtoverkkofirmamojen loputon ja takuuvarmistettu rahantulo siirtomaksuineen ilman kilpailupeikkoja. Ydinyhti&#65533;t mm. Fortum ovat omistamalla s&#65533;hk&#65533;verkkomonopoleja kyenneet k&#65533;ytt&#65533;m&#65533;&#65533;n ilmaiseksi omaa s&#65533;hk&#65533;verkko-osuuttaan laistaakseen kilpailevia energiafirmoista t&#65533;ysin poiketen huikeita ydinsiirtos&#65533;hk&#65533;monopolilaskuja. Viel&#65533; kuppaamaan muilta s&#65533;hk&#65533;yhti&#65533;ilt&#65533; rahat pois!

Kyseess&#65533; on EU.n tulkinnan mukaan h&#65533;rskein mahdollinen markkinav&#65533;&#65533;ristysmekaniikka my&#65533;s ydinyhti&#65533;monopoleillemme. Ja siksi niiden markkinam&#65533;&#65533;r&#65533;&#65533;vyydest&#65533; ly&#65533;d&#65533;&#65533;n kerralla p&#65533;&#65533;t&#65533; poikki, t&#65533;ss&#65533; ja nyt! Eli jatkossa se m&#65533;k&#65533; lihottaa ydinyhti&#65533;it&#65533;mme Fortumeja ja muita muutetaan plusalkumerkist&#65533; miinusmerkkiseksi valtaisaksi menon loiser&#65533;ksi. Kuvaavaa tilanteelle on se, ett&#65533; uutista ja sen taustoja ei maassamme lehtiyhti&#65533;t uskalla lainkaan julkaista, ei juuri edes muut. Mutta Fortumi mainittiin ja mm. TVO jos mik&#65533; on nimenomaan EU:n mainitsema PELKK&#65533; energiantuotantoyhti&#65533; jos mik&#65533;! Joten maamme ydinyhti&#65533;t saa niin rankasti jopa EU:lta lunta tupaan, ett&#65533; kenties kovasti enteellisesti TVO:n johtajaportaasta alkoi asian julkitulosta ankarankova rotaatiopakohyllytyst&#65533; jo perjantaista 06.06. El&#65533;mme todella mielenkiintoisia aikoja ja n&#65533;ytt&#65533;&#65533; ydinvaltiomonopoleilla olevan enemm&#65533;n kuin hikist&#65533; jatkotaivalta ankarasti tiedossa. Ehk&#65533; tosiaan alkaa p&#65533;iv&#65533; paistamaan ja asiallisuus ly&#65533;m&#65533;&#65533;n v&#65533;kisin ydinmonopolejamme h&#65533;rskeine ydinaikeineen ahtaalle!)

Thanks "an old friend' turns out it's not
http://www.downeastmicrowave.com/ but a good choise, the one
i saw had a digital frequency readout on it which i thought was

pretty cool and really set it appart

jeb thanks for the offer to help, yes sat was my abbreviation
for satelite and yes this is a ham group so the transverter
was for ham use, unf I don't remember any of the other stuff that
you were requesting I just sorta stumbled accross the page few
weeks ago book marked it for later use and now it's lost realize
it's not much to google, as I tried but someone might be
familiar with that brand

FOR IMMEDIATE RELEASE: January 13, 2009

CQ to Accept eQSL Confirmations for Award Credit
Hicksville, NY and Bedford, TX, January 13, 2009) - CQ magazine will accept contact confirmations made on the eQSL.cc electronic confirmation system for its operating awards effective immediately, CQ Editor Rich Moseson, W2VU, and eQSL Founder and Webmaster Dave Morris, N5UP, announced today.

There will be certain limitations and procedural differences for different awards, at least to start. Only confirmations from "Authenticity Guaranteed" members of eQSL will be accepted, and in accordance with existing eQSL policy, a membership level of bronze or higher is required in order to participate in award programs via eQSL.

"This is the first time that CQ has formally accepted anything other than traditional paper QSL cards for its awards," said Moseson. "We have been working with Dave Morris and his team for several months to assure that the integrity of our awards programs will be protected and to create

mechanisms to make it easy for both award applicants and award managers to use eQSL credits toward our awards. All of our award managers have been involved in this process and support this action."

"We want to express our great appreciation to Dave and his team for their willingness to do whatever was necessary to make this agreement possible," Moseson added. "It has been a pleasure working with them and we look forward to a long-lasting relationship."

"We are pleased to be adding CQ to the top of our list of amateur organizations that accept electronic QSLs," said Morris. "CQ has some of the most highly sought-after awards, and we have been working behind the scenes for years to create credit submission mechanisms that would ensure the integrity of their programs without introducing any additional labor for the award managers. We believe the electronic QSL can drastically reduce costs, and the award application mechanisms we have developed will provide for more efficient processing at reduced cost for both the applicant and the award manager."

Applicants for the CQ DX and CQ DX Field Awards must print out their eQSLs and submit them along with their traditional QSLs to a CQ checkpoint or to CQ DX Awards Manager Billy Williams, N4UF. eQSL has an automated process in place for applicants for CQ's Worked All Zones, WPX and USA-Counties awards. N5UP explains how that will work for the applicant:

"The applicant goes to the My Awards screen. He clicks on the particular award he wants to apply for. This brings up a list of the credits our system 'thinks' he is entitled to. There are checkboxes that allow him to check which ones he wants to use, and we automatically pre-fill one credit per category so he doesn't have to do anything if he wants to take the defaults. At the bottom of the screen are two buttons: 'Submit to CQ' and 'Print Paper Application'."

The "submit" button will place all the selected QSOs into a file for the award manager to access, while the "print" button will generate a printed list to be submitted along with the traditional application. PLEASE NOTE that ALL applicants must send the award fee payment to the CQ Award Manager, regardless of how the application is submitted. Some CQ award managers are now accepting PayPal; see individual award web pages for details. All awards will continue to accept traditional QSLs as well as eQSLs. For the USA-Counties Award (USA-CA), applicants must note on their record books (or printouts) whether each county has been confirmed traditionally (with an "X" to the right of the entry) or electronically (with an "E" next to the entry).

For more information on eQSL, visit: http://www.eQSL.cc
For more information on CQ awards, visit the awards page on the CQ website at <http://www.cq-amateur-radio.com/>. Please note that the award rules posted on the website have not yet been updated to reflect the acceptance of eQSLs. This will be done as soon as possible, but the policy takes effect immediately.

That reply (which you sent in response to 3 other posts including mine)
doesn't seem relevant to my post.

But if you mean that the text I quoted is in the "european mode", then it
looks like the "european mode" of the 14th century.

>Ya que, es ï¿½sta misma sangre bendita del Seï¿½or Jesucristo, su
>Hijo amado, la cual nos mantiene vivos hoy en dï¿½a y en toda
>la tierra, para muy pronto, si nuestro Dios nos se tarda mï¿½s,
>entonces regresar a nuestras vidas normales del paraï¿½so y del
>nuevo reino celestial, como La Nueva Jerusalï¿½n Dios, la que
>desciende del cielo. Y si ï¿½sta misma sangre sagrada y antigua
>del paraï¿½so viene a ti, mi estimado hermano, asï¿½ como vino en
>su dï¿½a a Adï¿½n y a Eva, entonces no cometas el mismo error y
>rebeliï¿½n de nuestros progenitores celestiales, al no comer y
>beber del ï¿½rbol de la vida, sino has todo lo contrario, y
>acï¿½ptala en tu vida ilimitadamente.
>
>Porque si aceptas a Jesucristo como tu ï¿½rbol de la vida y de
>salud infinita de tu corazï¿½n y de tu alma, entonces los
>poderes sobrenaturales de la misma sangre sagrada y antigua
>del paraï¿½so, comenzara a bendecir tu vida (y la de los tuyos
>tambiï¿½n), como jamï¿½s has sido bendecido en toda tu vida y en
>la eternidad venidera. En realidad, sï¿½lo la sangre del Seï¿½or
>Jesucristo es la mejor para el hombre, la mujer, el niï¿½o y la
>niï¿½a de la humanidad entera, para perdonar pecados y
>limpiarlos de los poderes terribles de las enfermedades, de
>las cuales azotan el corazï¿½n, el alma y la vida humana, de
>parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por ejemplo.
>
>Es por eso, que el que no tiene la sangre bendita y antigua
>del paraï¿½so obrando en sus poderes y autoridades celestiales
>de parte de nuestro Padre Celestial, entonces es muy fï¿½cil
>atacado por el poder del enemigo y de sus muchas tinieblas,
>para que su corazï¿½n, su espï¿½ritu, su alma y su cuerpo
>enfermen, y mueran en las tinieblas. Porque todo aquel que
>enferma y muere, entonces enferma y muere en las profundas
>tinieblas del pecado de Lucifer y de sus ï¿½ngeles caï¿½dos, para
>descender a su lugar eterno, en el bajo mundo del mï¿½s allï¿½,
>como el abismo, el infierno y posteriormente, despuï¿½s del
>juicio: la segunda muerte final de su alma perdida, el lago
>de fuego.
>

>TENEMOS PERDï¿½N DE PECADO, Sï¿½LO EN LA SANGRE DE JESUCRISTO
>
>Por esta razï¿½n, sï¿½lo en el Seï¿½or Jesucristo tenemos redenciï¿½n
>celestial e infinita para nuestras almas, por medio de su
>sangre, el perdï¿½n de nuestras transgresiones de la Ley del
>Paraï¿½so, segï¿½n las riquezas de su gracia, la cual hizo
>sobreabundar en todo poder y entendimiento para con cada uno
>de nosotros, en la tierra y en la eternidad, tambiï¿½n. Es por
>eso, que la sangre del Seï¿½or Jesucristo jamï¿½s debe de faltar
>en nuestras vidas dï¿½a a dï¿½a; nuestro Dios nos la entrego en
>su abundancia infinita, para que jamï¿½s nos falte ninguna de
>sus muchas bendiciones y poderes sobrenaturales, para
>derrotar al enemigo, en todo momento de nuestras vidas, por
>la tierra y en el mï¿½s allï¿½, tambiï¿½n.
>
>Porque la verdad fue para Adï¿½n, la cual no entendiï¿½ jamï¿½s y
>hasta que fue demasiado tarde, que el ï¿½nico poder
>sobrenatural del mï¿½s allï¿½, como en el paraï¿½so, por ejemplo,
>que le podï¿½a librar de cada una de las artimaï¿½as de Lucifer,
>como sus mentiras y demï¿½s maldades mortales, era la misma
>sangre bendita del ï¿½rbol de la vida. Porque sï¿½lo en el fruto
>del ï¿½rbol de la vida hay poder para el corazï¿½n, para el alma
>y para el cuerpo de Adï¿½n y de cada uno de sus descendientes,
>en el paraï¿½so y en toda la creaciï¿½n celestial, eternamente y
>para siempre, desde hoy mismo y hasta la nueva eternidad
>venidera de Dios y de su humanidad infinita.
>
>Ademï¿½s, fue por esta razï¿½n, de que Dios requiriï¿½ de Adï¿½n y de
>cada uno de sus descendientes, comenzando con Eva, por
>ejemplo, de que tenï¿½an que comer y beber siempre del fruto
>del ï¿½rbol de la vida, el Seï¿½or Jesucristo, en el epicentro
>del paraï¿½so, para que sus cuerpos perennemente se mantuviesen
>con esa vitalidad infinita, del reino celestial. Hoy en dï¿½a,
>lo mismo es verdad para todo hombre, mujer, niï¿½o y niï¿½a de
>todas las familias de las naciones del mundo entero, de los
>que ya han vivido sus vidas, de los que aun estï¿½n viviendo
>sus vidas y de los que han de venir a vivir sus vidas en la
>tierra, en edades futuras, por ejemplo.
>
>Es decir, que la sangre del Seï¿½or Jesucristo jamï¿½s debiï¿½
>faltar para Adï¿½n y Eva en el paraï¿½so, si realmente querï¿½an
>seguir viviendo con Dios y con sus huestes de ï¿½ngeles
>gloriosos y sumamente honrados, del reino de los cielos. Por
>lo tanto, lo mismo es verdad para con nosotros en toda la
>tierra, en esta hora del dï¿½a y por siempre ha de ser verdad,
>igual, en la nueva vida celestial del nuevo reino celestial y
>de su ï¿½rbol de vida infinita, rodeado por siempre de sus
>huestes celestiales y de naciones de gentes redimidas por su
>sangre infinita.
>

>En vista de que, la sangre del Seï¿½or Jesucristo jamï¿½s perdiï¿½
>ningï¿½n valor espiritual para con Dios en el paraï¿½so, como en
>el dï¿½a que Adï¿½n y Eva la rechazaron en sus vidas, al no comer
>del fruto del ï¿½rbol de vida, la sangre viva e infinita del
>nuevo reino venidero. Ni tampoco ha perdido ningï¿½n valor
>espiritual el Seï¿½or Jesucristo en nuestras vidas humanas,
>sino que todo lo contrario; realmente, la sangre de Cristo ha
>ganado mï¿½s valor que antes en el corazï¿½n de los ï¿½ngeles del
>cielo y asï¿½ tambiï¿½n en los corazones de los hombres, mujeres,
>niï¿½os y niï¿½as de la humanidad entera, aunque jamï¿½s le han
>visto.
>
>Y, hoy en dï¿½a, esta misma sangre viva e infinita toca la
>puerta de tu corazï¿½n, mi estimado hermano y mi estimada
>hermana, para perdonar tus pecados, librarte de todas tus
>culpas y males eternos, para que no pierdas ninguna de las
>bendiciones de tu Padre Celestial que estï¿½ en los cielos, por
>ejemplo. Ademï¿½s, este es un valor espiritual de perdiï¿½n,
>bendiciï¿½n, sanidad y de salvaciï¿½n de nuestras almas, en la
>tierra y en el paraï¿½so, llena de sus muchas y mï¿½s ricas
>gloriosas bendiciones de nuestro Padre Celestial, de su Hijo
>amado, de su Espï¿½ritu Santo y de sus millares de ï¿½ngeles,
>arcï¿½ngeles, serafines, querubines y demï¿½s seres santos del
>reino celestial.
>
>Es decir, tambiï¿½n, que cada vez que la sangre del Seï¿½or
>Jesucristo se manifiesta en nuestras vidas, entonces mucho
>mï¿½s de ella llegamos a conocer en nuestros corazones, en
>nuestras almas, en nuestros espï¿½ritus y cuerpos humanos, en
>la tierra y en el paraï¿½so, como en el nuevo reino celestial:
>La Nueva Jerusalï¿½n Santa e Infinita del cielo, por ejemplo.
>Porque la verdad es que aun no conocemos muchos de los
>poderes y autoridades sobrenaturales de la sangre viviente
>del Seï¿½or Jesucristo, para bendecir nuestras vidas terrenales
>y celestiales, tambiï¿½n, como en el mï¿½s allï¿½, de la nueva era
>venidera de Dios y de sus huestes celestiales, del nuevo
>reino de los cielos.
>
>En la medida en que, sabemos muy bien que la sangre del Seï¿½or
>Jesucristo perdona pecados, bendice profundamente y sana las
>almas, los espï¿½ritus y los cuerpos humanos de los hombres,
>mujeres, niï¿½os y niï¿½as de la humanidad entera, sin jamï¿½s
>dejar sin su bendiciï¿½n a ninguno de ellos, en toda la
>creaciï¿½n terrenal y celestial, a la misma vez. Y, ademï¿½s,
>sobre todas las cosas, la sangre de Jesucristo tiene poder
>para levantarnos de entre los muertos y volver a vestir
>nuestros huesos, con carne, mï¿½sculos, ï¿½rganos y piel, como
>Dios nos formo, tal como siempre hemos sido (y seremos), como
>hombres y mujeres, en nuestras nuevas vidas infinitas, de la
>eternidad venidera del nuevo reino celestial, por ejemplo.

>
>Porque la verdad es tambiï¿½n que la sangre viva del Seï¿½or
>Jesucristo tiene cada una de "todas las informaciones
>genï¿½ticas" de cada hombre, mujer, niï¿½o y niï¿½a de la humanidad
>entera, para volverlo a bendecir en su cuerpo, alma y
>espï¿½ritu humano con mucha mï¿½s gloria que antes, aun mucho
>mayores que Adï¿½n y Eva, en el paraï¿½so, por ejemplo. Por lo
>tanto, la sangre del Seï¿½or Jesucristo es tan importante en la
>vida de la humanidad entera, por muchas razones, de la misma
>manera que fue tan importante para Adï¿½n y Eva, por ejemplo,
>para que no pequen jamï¿½s, sino que obedezcan y vivan por
>siempre sus vidas eternas con su Dios y con su Jesucristo, en
>el cielo.
>
>Y sin la sangre viva e infinita del Seï¿½or Jesucristo,
>entonces no hay expiaciï¿½n de pecado alguno para ningï¿½n
>hombre, mujer, niï¿½o y niï¿½a, de todas las familias, razas,
>pueblos, linajes, tribus y reinos del mundo entero, desde los
>dï¿½as del paraï¿½so y hasta la nueva eternidad venidera. En
>realidad, todo hombre y toda mujer moririï¿½ infinitamente en su
>corazï¿½n, luego en su alma y finalmente en su cuerpo y
>espï¿½ritu humano, hasta que muerda el polvo de la muerte, en
>la tierra y en el mï¿½s allï¿½, tambiï¿½n, como en el infierno o el
>lago de fuego, la segunda muerte del ï¿½ngel caï¿½do y del alma
>perdida.
>
>Pero aunque esto siempre ha sido la ley de la vida en la
>tierra, desde que el hombre vive en ella, realmente volverï¿½ a
>ver la vida, sï¿½ en su corazï¿½n y durante los dï¿½as de su vida:
>Honro al Seï¿½or Jesucristo, delante de Dios y de su Espï¿½ritu
>Santo, para gloria y para honra infinita de su nombre
>sagrado. Porque esta es la promesa de vida y de salvaciï¿½n
>infinita que Dios le ofreciï¿½ primero a Adï¿½n y para todo aquel
>que ame y honre por siempre a su Hijo amado, en su espï¿½ritu y
>en su vida, con tan sï¿½lo creer en su corazï¿½n e invocar con
>sus labios su perdï¿½n de pecados y salvaciï¿½n de su vida.
>
>Entonces es importante que todo corazï¿½n del hombre, mujer,
>niï¿½o y niï¿½a de toda la tierra, honre el nombre sagrado del
>Seï¿½or Jesucristo, para que la sangre viviente del pacto
>eterno comience a vivir en su corazï¿½n, en su alma, en su
>espï¿½ritu y en su cuerpo humano, para sanarlo de sus males y
>hasta que regrese al paraï¿½so. Porque es sï¿½lo lo que la sangre
>del Seï¿½or Jesucristo ha hecho en nuestros corazones, almas,
>cuerpos y espï¿½ritus humanos, lo que realmente nos darï¿½
>poderes especiales y sobrenaturales, desde hoy mismo, para
>poder volver a nuestros hogares celestiales del paraï¿½so, al
>lado de nuestro Dios y de su ï¿½rbol de vida, nuestro redentor
>infinito, ï¿½el Seï¿½or Jesucristo!
>

>JESï¿½S NACIï¿½ DE UNA VIRGEN Y NOS DIO SU SANGRE VIVA E INFINITA
>
>Pero cuando se acerco la riqueza de la eternidad, entonces
>Dios enviï¿½ al Seï¿½or Jesucristo, nacido de virgen y bajo la
>Ley de Moisï¿½s y de Israel, tambiï¿½n, para que redimiese a los
>que viviï¿½an bajo la maldiciï¿½n de la Ley, a fin de que sean
>hechos legï¿½timamente hijos de Dios, para la nueva vida
>infinita del nuevo reino celestial. Porque nuestro Dios jamï¿½s
>se tarda en enviar a su Hijo amado a Israel, para redimirnos
>de los poderes terribles del pecado, por haber transgredido
>en contra de la Ley del paraï¿½so, al no comer del fruto de la
>vida eterna, la sangre viva e infinita del pacto eterno, por
>rebeldï¿½a de sus progenitores celestiales, Adï¿½n y Eva, por
>ejemplo.
>
>De suerte que, el servir a Dios es ï¿½nicamente comer del fruto
>de la vida, eso es todo (o el todo de todo) para nosotros
>vivir; es decir, tambiï¿½n, que el servir a Dios es cumplir y
>exaltar por siempre su Ley Santa y Eternamente honrada, la
>del paraï¿½so y la de la tierra escogida de Canaï¿½n, Israel, por
>ejemplo. Es mï¿½s, para nuestro Padre Celestial el cumplir y
>honrar su Ley Sagrada es comer y beber de ella, del pan y de
>la copa de vino, su Hijo amado, ï¿½el Seï¿½or Jesucristo!, para
>alejarnos de las tinieblas y entrar a la luz mï¿½s brillante
>que el Sol, el Mesï¿½as de la nueva eternidad venidera.
>
>Es decir, tambiï¿½n, que el creer en el Seï¿½or Jesucristo, como
>su Hijo amado, es comer y beber de la Ley del paraï¿½so y de la
>vida eterna del nuevo reino celestial, hoy en dï¿½a y por
>siempre en el infinito. Dado que, la nueva eternidad
>celestial de Dios es La misma Nueva Jerusalï¿½n Eterna, la que
>Dios soï¿½ï¿½ desde siempre con el hombre y sus ï¿½ngeles de toda
>la vida, la que desciende del cielo mï¿½s alto que el cielo de
>los ï¿½ngeles, por ejemplo. Por lo tanto, para nuestro Padre
>Celestial el amar y honrar su Ley Sagrada es verdaderamente
>amarle a ï¿½l, en el espï¿½ritu y en la verdad infinita de su
>fruto del ï¿½rbol de la vida eterna; es decir, amarle sï¿½lo en
>la sangre viva e infinita del pacto eterno del hombre del
>mundo y de su Mesï¿½as, ï¿½el Seï¿½or Jesucristo!
>
>Entonces, hoy en dï¿½a, ï¿½ste fruto de la vida eterna de Dios y
>del Seï¿½or Jesucristo para cada uno de sus hijos e hijas, de
>todas las razas, pueblos, linajes, tribus y reinos del mundo
>entero, comenzando con Adï¿½n y Eva en el paraï¿½so, por ejemplo,
>es la sangre antigua del ï¿½rbol de la vida, su Hijo amado, ï¿½el
>Mesï¿½as! Porque para nuestro Padre Celestial su ï¿½rbol de la
>sangre viva e infinita es la Ley de Moisï¿½s y de Israel, o a
>la inversa, la Ley del paraï¿½so es su ï¿½rbol de la sangre viva
>e infinita de la vida eterna, ï¿½el Mesï¿½as!, para ï¿½ngeles del
>cielo, para la tierra y para la nueva creaciï¿½n venidera del

>nuevo angelical.
>
>Es por eso, que esta Ley Celestial de la sangre y del ï¿½rbol
>de la vida, para bien de todo ï¿½ngel del cielo y asï¿½ tambiï¿½n
>para todo hombre, mujer, niï¿½o y niï¿½a de la humanidad entera,
>no la cambia nadie, jamï¿½s; porque escrito estï¿½ en las
>Escrituras antiguas: la vida estï¿½ en la sangre del ser
>viviente. Porque desde el dï¿½a que Adï¿½n y Eva pecaron en
>contra de Dios, desde entonces violaron la Ley Infinita de
>sus vidas, en esta vida y en la venidera, tambiï¿½n, para no
>volver a ver la vida jamï¿½s, por sus culpas y por sus pecados;
>pero esto no cambio la Ley Divina en ninguno de sus muchos y
>gloriosos significados.
>
>Realmente, la Ley permaneciï¿½ santa, perfecta, pura y muy
>gloriosa, por cierto, en el paraiï¿½so y en todos los lugares
>del reino de los cielos y hasta que entrï¿½ en la tierra por
>vez primera, desde las alturas del Sinaï¿½, en el desierto de
>Egipto, cuando los hebreos caminaban hacia la tierra
>prometida, para poseerla y entonces ver al Mesï¿½as. Y esto es
>algo que Dios ha deseado hacer tambiï¿½n en el corazï¿½n de cada
>hombre, mujer, niï¿½o y niï¿½a de la humanidad entera, sin hacer
>jamï¿½s excepciï¿½n de persona alguna, pero el espï¿½ritu de error
>de las mentiras de Lucifer y de la serpiente aun luchan en
>contra de Dios y de su Ley Sagrada, para mal de muchos.
>
>Es por eso, que la Ley de Dios no ha sido honrada, ni
>exaltada, ni exclamada como tal por el pecador, vil, criminal
>y pagano de toda la tierra, sino que la verdad es otra,
>totalmente contraria a la voluntad perfecta de nuestro Dios
>que estï¿½ sentado en su trono de gloria infinita en los
>cielos, y lo ve todo. En realidad, todas estas gentes
>pecadoras, viles, mentirosas, criminales, hacedoras de la
>maldad, lo que han hecho, a travï¿½s de los tiempos, realmente
>es deshonrar cada palabra, cada letra, cada tilde y cada
>significado infinito, de la Ley de Dios y de la vida eterna
>de todo ser viviente del cielo y de la creaciï¿½n.
>
>Pero nuestro Dios, en su sabidurï¿½a infinita ha vencido ï¿½ste
>terrible mal en el corazï¿½n de los hombres, mujeres, niï¿½os y
>niï¿½as de la humanidad entera, al escribir su Ley Sagrada en
>sus corazones y con su dedo santo, tambiï¿½n, para que los
>pecadores siempre se acuerden de ella, y asï¿½ ya no sigan
>haciendo sus mismas maldades de siempre. Entonces nuestro
>Dios, cuando llego su dï¿½a seï¿½alado, enviï¿½ a su ï¿½rbol de vida,
>su Hijo amado, para que naciese del vientre virgen de la hija
>de David, por el poder sobrenatural de su Espï¿½ritu, para que
>a los nueve meses nos diese un Cordero Sagrado y bajo la Ley,
>para que nos rescate de sus poderes y maldiciones infinitas.
>

>Porque cada uno de nosotros, de todas las familias, razas,
>pueblos, linajes, tribus y reinos de la humanidad entera,
>realmente teni¿½a que ser rescatado de nuestros pecados, por
>Jesucristo, no tanto de nuestras tumbas en las profundas
>tinieblas del mundo, eso ya lo hizo nuestro Dios en el
>principio, sino del mismo vientre de nuestras madres, pero
>virgen, esta vez. Es por eso, que el nacimiento del Sei¿½or
>Jesucristo tenia que ser un nacimiento del vientre virgen de
>una de las hijas de David, de la tribu de Judi¿½ y de la Casa
>de Israel, solamente y en su di¿½a, ni mi¿½s ni menos, para
>cumplir las Escrituras, para gloria infinita de nuestro Padre
>Celestial que esti¿½ en los cielos. Y Dios lo tenia que hacer
>asi¿½ todo muy bien, en el vientre virgen de la joven hebrea,
>para vencer a las tinieblas y redimir a todo hombre, mujer,
>nii¿½o y nii¿½a de la humanidad entera, y asi¿½ no se pierda nadie
>en sus profundas tinieblas de su tumba comi¿½n o del fuego del
>infierno, por ejemplo.
>
>Porque nadie nos podi¿½a redimir de los poderes terribles de la
>maldicii¿½n y de la muerte infinita de la Ley Inquebrantable y
>Sagrada del parai¿½so, sino era el mismo fruto de la vida, la
>sangre del Sei¿½or Jesucristo o, en otras palabras, la sangre
>viva e infinita del i¿½rbol de la vida de la Nueva Jerusali¿½n
>Santa e Infinita. Porque es el espi¿½ritu de la sangre del
>cuerpo del i¿½rbol de la vida que le da vida a todo hombre,
>mujer, nii¿½o y nii¿½a de toda la tierra, comenzando con Adi¿½n y
>Eva, en el parai¿½so, por ejemplo.
>
>Por ello, i¿½ste fue el i¿½nico fruto de la vida del i¿½rbol de
>Dios, el cual Dios mismo le ofreci¿½ a Adi¿½n comer y beber para
>que vea la vida, en la tierra sagrada del parai¿½so y en toda
>la nueva tierra y bendita del nuevo reino celestial, como La
>Nueva Jerusali¿½n que desciende del mi¿½s alli¿½ de la antigi¿½edad.
>Porque en la mente y en el corazi¿½n de Dios, desde los
>primeros di¿½as de la antigi¿½edad, ya estaba soi¿½ando en la
>creaci¿½n de una Nueva Jerusali¿½n Santa, Perfecta e Infinita,
>en los cielos mi¿½s alto que los i¿½ngeles y de la humanidad
>entera --humanidad la cual crearï¿½a posteriormente en su
>imagen y conforme a su semejanza sagrada--.
>
>Aqui¿½ es cuando nuestro Dios pensi¿½ en ti, por vez primera,
>para rescatarte de las tinieblas del vientre de la virgen,
>con su Ley Bendita, la cual se quebri¿½ en las manos de Moisi¿½s
>y descendii¿½ al abismo a esperar por Cristo, para que la
>levantase al cielo con los poderes de la sangre viva e
>infinita en tu corazi¿½n. Es por esta razi¿½n, que es muy
>importante que ti¿½ mismo creas en tu corazi¿½n y confieses con
>tus labios, la verdad redentora del Sei¿½or Jesucristo viviendo
>en tu alma, mi estimado hermano, para que entonces por los
>poderes de la sangre viva e infinita te eleven al paraï¿½so,

>hoy y en tu ultimï¿½ dï¿½a de vida en el mundo.
>
>Y si ya has pasado de la vida al polvo de la muerte, entonces
>en su gran dï¿½a de la resurrecciï¿½n de los muertos, Dios mismo
>te levantara de nuevo a la vida de la tierra y del nuevo
>reino celestial, para que vivas infinitamente, en donde
>comenzaste a dar tus primeros pasos de vida en el paraï¿½so,
>por ejemplo. Es decir, que si has creï¿½do en Jesucristo y
>confesado con tus labios su verdad y su justicia, entonces en
>la resurrecciï¿½n, Dios mismo con los poderes sobrenaturales de
>la sangre viva te levantara de regreso a tu hogar infinito,
>para vivir con tus progenitores celestiales, Adï¿½n y Eva, para
>que veas y sientas tu verdadera vida, como nunca antes.
>
>Dado que, para esta vida celestial, es por la cual que Dios
>te ha creado del polvo de la tierra en sus manos sagradas,
>para que comas y bebas por siempre de su fruto de vida
>eterna, la sangre y el cuerpo bendito del ï¿½rbol de la vida,
>su fruto de vida infinita, su "Cordero Escogido", ï¿½el Seï¿½or
>Jesucristo! Porque como Jesucristo no ha existido alguien
>mayor que ï¿½l, en el cielo ni menos en la tierra, para
>redimirte, sanarte, purificarte, santificarte y elevarte al
>paraï¿½so para que vivas tu verdadera vida, no la de la tierra,
>sino la de Dios, junto con ï¿½l y con sus huestes celestiales,
>sï¿½lo en el poder de la sangre del pacto eterno.
>
>JESï¿½S ESTï¿½ CON SU SANGRE EN EL LUGAR SANTï¿½SIMO, PARA DARNOS
>SALVACIï¿½N INFINITA
>
>Entonces nuestro Seï¿½or Jesucristo entrï¿½ de una vez por todas
>y para siempre en el lugar santï¿½simo del altar celestial de
>nuestro Padre Celestial, logrando asï¿½ eterna salvaciï¿½n de
>nuestras almas infinitas, ya no mediante sangre de machos
>perfectos y sin tacha alguna en sus cuerpos de cabrunos ni de
>corderos ni de toros, sino mediante su propia sangre
>hacedora. Porque es la sangre sagrada y antigua del paraï¿½so,
>la que hace la diferencia entre Dios y el hombre, la mujer,
>el niï¿½o y la niï¿½a de la humanidad entera, para perdonar
>pecados y bendecir sus vidas, en un momento de oraciï¿½n y de
>fe, en el nombre del Seï¿½or Jesucristo, en la tierra y para la
>nueva eternidad venidera.
>
>Y sin ï¿½sta sangre bendita de su corazï¿½n y de su cuerpo santo,
>nuestro Jesucristo no podï¿½a entrar al lugar santï¿½simo del
>altar celestial de Dios, sino que tenia que permanecer fuera
>de ï¿½l, como todo ser viviente que aun no ha recibiï¿½ los
>beneficios y bendiciones de fe, de la sangre del pacto
>eterno, entre Dios y el hombre. Entonces fue por esta razï¿½n,
>que Jesucristo tenia que descender del cielo, para entrar en
>el vientre virgen, de una de las hijas de David, para que a

>los nueve meses, nos diese aquel corazï¿½n y cuerpo santo,
>lleno de la sangre redentora y del pacto eterno entre Dios y
>el hombre de la tierra, para entra al lugar santï¿½simo.
>
>Ademï¿½s, sï¿½lo asï¿½ entonces podamos cada uno de nosotros, de
>todas las familias, razas, pueblos, linajes, tribus y reinos
>del mundo entero, tener acceso al lugar santï¿½simo de Dios en
>el cielo, con tan sï¿½lo creer en nuestros corazones y confesar
>con nuestros labios: la verdad y la justicia infinita que
>agradan al corazï¿½n de nuestro Padre Celestial, eternamente. Y
>esto es que el Seï¿½or Jesucristo es su Hijo y SEï¿½OR de la
>nueva vida eterna del nuevo reino de los cielos, como en el
>paraï¿½so y como en La Nueva Jerusalï¿½n Celestial, por ejemplo,
>para todo ï¿½ngel y para todo hombre, mujer, niï¿½o y niï¿½a del
>mundo, sï¿½lo fiel en su corazï¿½n a la sangre viva e infinita.
>
>En la medida en que, todos los que quieran ver la nueva vida
>eterna, en el nuevo reino de los cielos, entonces tienen que
>haber sido bendecidos, lavados y purificados en la sangre
>sagrada del gran rey Mesï¿½as de todos los tiempos, el Hijo
>amado de Dios, ï¿½el Seï¿½or Jesucristo! Porque ha sido nuestro
>Seï¿½or Jesucristo quien realmente subiï¿½ al cielo desde
>nuestras tumbas, al lugar santï¿½simo del altar de nuestro
>Creador para interceder, mediar y reconciliarnos con ï¿½l, por
>medio de los poderes sobrenaturales de su misma sangre
>santï¿½sima, la cual deja correr para bien de muchos y el fin
>del pecado, sobre la cruz del Gï¿½lgota, por ejemplo.
>
>Y desde el dï¿½a que el Seï¿½or Jesucristo le puso fin al pecado
>de Adï¿½n y de cada uno de sus descendientes, entonces la
>muerte y sus enfermedades ya no tiene poder alguno sobre
>ninguno de nosotros, de los que hemos creï¿½do e invocado con
>nuestros labios su nombre redentor, para perdï¿½n de pecados y
>salvaciï¿½n infinita de nuestras vidas. Porque desde el dï¿½a que
>comenzamos a creer e invocar su nombre, entonces se cumple la
>Escritura, en donde dice, que todo aquel que invoque su
>nombre bendito serï¿½ salvo en los ï¿½ltimos dï¿½as del poder del
>pecado y de su muerte eterna, en la tierra y en el mï¿½s allï¿½,
>como en el infierno o el lago de fuego.
>
>Porque todo aquel que no recibiï¿½ al Seï¿½or Jesucristo en su
>corazï¿½n, entonces su nombre no estï¿½ escrito en "el libro de
>la vida"; por lo tanto, su vida corre el peligro de terminar
>entre las llamas ardientes de la ira de Dios, en el infierno
>y para finalmente caer en el lago de fuego, en el mï¿½s allï¿½.
>Sin embargo, si lo contrario fuese verdad en tu vida, mi
>estimado hermano, de que el espï¿½ritu de fe, de la sangre viva
>e infinita del Seï¿½or Jesucristo ha entrado en tu corazï¿½n y en
>toda tu vida, tambiï¿½n, entonces comenzaras a ser bendecido
>por ella con muchos de sus poderes sobrenaturales de

>milagros, maravillas y hasta prodigios, tambiï¿½n.
>
>Porque es el espï¿½ritu de fe, en la sangre bendita del Seï¿½or
>Jesucristo, la cual realmente nos da poder y muchos bienes
>sobrenaturales para protegernos dï¿½a y noche de los males del
>pecado y de las profundas tinieblas del enemigo infinito de
>nuestras almas eternas, en la tierra y en el paraï¿½so,
>tambiï¿½n, para la eternidad venidera. Es decir, tambiï¿½n de que
>Dios mismo te protegerï¿½, como protege a sus ï¿½ngeles
>celestiales de los males de Lucifer y de sus ï¿½ngeles caï¿½dos,
>por amor infinito de su corazï¿½n sagrado hacia la verdad y la
>justicia infinita de la sangre gloriosa y eternamente
>milagrosa del fruto de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>Jesucristo!
>
>Por ende, nada ni nadie podrï¿½ realmente hacerte ningï¿½n mal en
>todos los dï¿½as de tu vida por la tierra, si el espï¿½ritu de la
>sangre del Seï¿½or Jesucristo reina en tu corazï¿½n, para cumplir
>cada una de las promesas divinas, hecha a sus amados de la
>antigï¿½edad de Israel, desde el comienzo de las cosas, por
>amor a ti. Y esto es de perdï¿½n de pecados, protecciï¿½n
>infinita de los males del enemigo en sus vidas y alcanzar las
>mï¿½s ricas y gloriosas bendiciones de la nueva vida celestial
>e infinita del nuevo reino de Dios, en la tierra y en el
>cielo, tambiï¿½n, para la nueva eternidad venidera de ï¿½ngeles y
>de su eterna humanidad regenerada.
>
>Porque tanto como los ï¿½ngeles del cielo y asï¿½ tambiï¿½n la
>humanidad entera ha sido bendecida y regenerada inmensamente
>por tan sï¿½lo ingerir vida del fruto de la vida eterna, el
>Seï¿½or Jesucristo, ya sea para los millares de ï¿½ngeles en el
>cielo o para los hombres, mujeres, niï¿½os y niï¿½as de toda la
>tierra, tambiï¿½n, por ejemplo. Porque es la sangre viva e
>infinita del paraï¿½so, el fruto de la vida, del ï¿½rbol de Dios,
>el Seï¿½or Jesucristo, la cual realmente alimenta el corazï¿½n,
>el alma, el espï¿½ritu y el cuerpo humano de Adï¿½n y de la
>humanidad entera, de todas las naciones de la tierra y del
>nuevo reino celestial, tambiï¿½n, por supuesto, para la
>eternidad.
>
>Entonces tenemos la confianza en nuestros corazones eternos,
>de que el Seï¿½or Jesucristo ascendiï¿½ al cielo, para entrar al
>lugar santï¿½simo del altar de Dios, no con la sangre de los
>corderos, toros y cabrï¿½os de Israel de la antigï¿½edad o de
>siempre, sino con su misma sangre bendita, la cual nos da
>vida y salud en abundancia, infinitamente. Es por eso, que
>desde la antigï¿½edad y hasta nuestros dï¿½as, tenemos al Seï¿½or
>Jesucristo delante de Dios y ante su altar del cielo,
>intercediendo por el bienestar de cada uno de nosotros, de
>todas las familias, razas, pueblos, linajes, tribus y rï¿½enos

>de la tierra, de los que hemos creï¿½do e invocado su nombre
>salvador con nuestros labios.
>
>Para que entonces nuestro Padre Celestial ya no vea nuestros
>pecados y sus muchas tinieblas en nuestras vidas, sino sï¿½lo
>al Seï¿½or Jesucristo bendiciï¿½ndonos dï¿½a y noche con su sangre
>viva e infinita, llena de verdad y de justicia celestial,
>para nuestros corazones y para nuestras nuevas vidas
>celestiales del nuevo reino de los cielos, en la nueva
>eternidad infinita. Por consiguiente, ï¿½sta sangre viva y
>real, llenara nuestros corazones y nuestras venas de nuestros
>cuerpos de vida y de la misma salud celestial e infinita de
>nuestro Padre Celestial y de su ï¿½rbol de la vida, su Hijo
>amado, el gran rey Mesï¿½as, ï¿½el Seï¿½or Jesucristo!, en los dï¿½as
>venideros, si permanecemos fiel, a su sangre expiatoria y
>reconciliadora.
>
>Y desde entonces llegaremos a ser esos hombres y mujeres
>completamente formados, en el Espï¿½ritu y en el amor infinito
>de Dios y de su Seï¿½or Jesucristo, para jamï¿½s volver a conocer
>el mal del pecado ni ninguna de sus enfermedades terribles,
>de nuestros corazones y de nuestras almas, en la tierra y en
>el paraï¿½so, eternamente y para siempre. Realmente seremos
>hechos, como Dios mismo lo dispuso en el comienzo de todas
>las cosas, en su imagen y conforme a su semejanza santa,
>perfecta y sin igual alguna, gracias a la sangre viva e
>infinita del ï¿½rbol de la vida, viviendo en nuestros corazones
>y en nuestras almas regeneradas, para la vida infinita del
>nuevo reino celestial.
>
>Y, a partir de aquel dï¿½a en adelante, sï¿½lo conoceremos la
>felicidad celestial de vivir con nuestro Padre Celestial, su
>Espï¿½ritu Santo y su Hijo amado, el Seï¿½or Jesucristo, rodeado
>por siempre de sus huestes de ï¿½ngeles celestiales y de su
>nueva humanidad infinita de todos los tiempos, para jamï¿½s
>volvernos a separar de ï¿½l, en la eternidad venidera. Y es
>precisamente esta vida y ï¿½ste dï¿½a celestial, ya muy cercano,
>por cierto, por los cuales tu corazï¿½n y tu alma siempre te lo
>han requerido de ti, pero sin tï¿½ saberles responder
>adecuadamente, porque no conocï¿½as a Cristo, tu ï¿½nica verdad y
>justicia salvadora de tu vida, en la tierra y en el paraï¿½so,
>tambiï¿½n, para siempre.
>
>LA SANGRE VIVA E INFINITA TE AMA
>
>
>La sangre del ï¿½rbol de la vida clama por ti, desde la
>fundaciï¿½n de la roca eterna, en donde se derramo hasta llegar
>a las profundas tinieblas de las tumbas de los pecadores y
>pecadoras de la humanidad, para reclamar por tu vida y por tu

>salvaciï¿½n infinita. Y desde aquel dï¿½a, como en el Tercer Dï¿½a
>subiï¿½ de regreso a la tierra sagrada que te vio nacer del
>polvo de la tierra, en las manos de Dios, para seguir
>clamando por ti y por tu salvaciï¿½n, pero esta vez, desde el
>epicentro del lugar santï¿½simo de nuestro Padre Celestial, en
>el cielo.
>
>Porque la verdad es que el amor de nuestro Padre Celestial
>hacia el hombre y su humanidad infinita es mayor que todos
>los sentimientos de su corazï¿½n y de sus cosas muy gloriosas y
>grandiosas del reino de los cielos y de sus ï¿½ngeles sumamente
>gloriosos y eternamente honrados delante de su presencia
>sagrada. Y es por este amor, que nuestro Dios dio su misma
>vida santa, para redimirnos a cada uno de nosotros, de los
>males del pecado y de su muerte infinita, en el mï¿½s allï¿½,
>como en el infierno o el lago de fuego, por ejemplo, la
>segunda muerte del alma rebelde al fruto de vida, la sangre
>hacedora / restauradora.
>
>Ademï¿½s, este fruto de vida del paraï¿½so es la misma sangre
>viva e infinita que nuestro salvador, Jesucristo, el Mesï¿½as,
>dejo correr sobre los ï¿½rboles cruzados, secos y sin vida de
>Adï¿½n y Eva, sobre la cima de la roca eterna, en las afueras
>de Jerusalï¿½n, para ponerle fin al pecado y al ï¿½ngel de la
>muerte, en tu vida. Para que de esta manera, el pecado y sus
>poderes de las profundas tinieblas del mï¿½s allï¿½ ya no tengan
>ningï¿½n poder sobre ninguno de nosotros, en todos los lugares
>de la tierra y aun en el mï¿½s allï¿½, tambiï¿½n, con el ï¿½ngel de
>la muerte, como en el bajo mundo de las almas perdidas de los
>pecadores, por ejemplo.
>
>Porque con la sangre viva e infinita, el pecado y el ï¿½ngel de
>la muerte ya no pueden tocar ni tener efecto alguno, en
>nuestros corazones, en nuestras almas, en nuestros cuerpos,
>ni menos en nuestras vidas, en la tierra y en el mï¿½s allï¿½,
>como en el paraï¿½so o como en La Nueva Jerusalï¿½n Sagrada e
>Infinita del cielo. En realidad, el poder de la sangre del
>Seï¿½or Jesucristo en nuestras vidas no la entiende ningï¿½n ser
>humano, con su corazï¿½n y con su mente pecadora, sï¿½lo nuestro
>Padre Celestial y su Espï¿½ritu Santo; ni aun los ï¿½ngeles
>pueden entender los poderes y autoridades sobrenaturales de
>la sangre del Seï¿½or Jesucristo, en sus mentes y en sus
>corazones.
>
>Los ï¿½ngeles sï¿½lo se admiran de la gloria infinita que ven en
>ella, cuando toca el corazï¿½n y la vida de cada hombre, mujer,
>niï¿½o y niï¿½a de la humanidad entera, para redimirlos del poder
>del pecado y de sus males eternos, como la muerte en el
>infierno o la muerte infinita, en el lago de fuego, por
>ejemplo. Realmente, los poderes sobrenaturales de la sangre

>que Jesucristo derrama sobre la cima de la roca eterna, en
>las afueras de Jerusalï¿½n, sï¿½lo son para los que aman a Dios y
>a su Espï¿½ritu Santo, en sus corazones, en su espï¿½ritu y en su
>verdad, para dejar atrï¿½s las tinieblas y vivir la luz de la
>vida del paraï¿½so infinitamente.
>
>Por lo tanto, nosotros estamos llamados por Dios mismo, de la
>misma manera que llama a Adï¿½n a comer y beber de su fruto del
>ï¿½rbol de la vida, es decir, de la sangre viva e infinita de
>la nueva vida, del nuevo reino celestial, para gloria y para
>honra perdurable de ï¿½l mismo y de su Espï¿½ritu Santo. Porque
>de otra manera, ninguno de nosotros, al igual que Adï¿½n y Eva,
>jamï¿½s podremos realmente ver ni menos conocer la vida
>inmortal del paraï¿½so, por la cual Dios nos saco del polvo de
>la muerte, para formarnos en su imagen y conforme a su
>semejanza, para vivir con ï¿½l y conocerle como tal, como
>nuestro Creador, en la inmensidad.
>
>Por ello, nuestro Dios desea que cada uno de nosotros le
>conozcamos a ï¿½l, de la misma manera, como su Hijo amado
>siempre le ha conocido desde tiempos inmemoriales y hasta
>nuestros dï¿½as, por ejemplo. Es por eso, que en el principio
>nuestro Dios nos creo en sus mismas manos y no en las manos
>de los ï¿½ngeles o de otros seres celestiales, para entonces
>crearnos a su perfecciï¿½n infinita de su imagen y conforme a
>su semejanza celestial, con el fin de que le conozcamos algï¿½n
>dï¿½a, como hoy en dï¿½a, por ejemplo.
>
>Porque sin la imagen y semejanza celestial de Dios, entonces
>nosotros no hubiï¿½semos jamï¿½s conocido al Seï¿½or Jesucristo, ni
>a su Espï¿½ritu Santo ni mucho menos a ï¿½l, como nuestro Padre
>Celestial, Fundador del cielo y de la tierra, ï¿½el
>Todopoderoso! Entonces en el dï¿½a de nuestra formaciï¿½n era
>indispensable para Dios formarnos en los poderes gloriosos y
>sobrenaturales de la sangre viva e infinita del ï¿½rbol de la
>vida, Jesucristo, el Mesï¿½as, para que nosotros vivamos por
>siempre de su fruto de vida celestial, la sangre del pacto
>eterno entre ï¿½l y el hombre, la del Gï¿½lgota, por ejemplo.
>
>Ya que, si Dios nos hubiese creado en la imagen y semejanza
>de los ï¿½ngeles del cielo, lo cual hubiese sido muy loable y
>glorioso, tambiï¿½n, pero jamï¿½s asï¿½ de loable o asï¿½ de
>glorioso, como la misma imagen y semejanza celestial de
>nuestro Padre Celestial, el Dios del cielo y de toda la
>tierra. Y si Dios nos hubiese creado en las manos de otros
>seres, como corderos, becerros, toros, en fin, como
>cualquiera de los animales del paraï¿½so o de la tierra,
>entonces no tendrï¿½amos el potencial en nuestros corazones de
>conocerle a ï¿½l, en su imagen y conforme a su semejanza, cï¿½mo
>sï¿½lo Cristo le conoce, desde siempre, y por los siglos.

>
>Es decir, que los animales sï¿½lo pueden conocer a los
>animales, en su imagen y semejanza de cada uno de ellos
>mismos; y asï¿½ tambiï¿½n los ï¿½ngeles del cielo, por ejemplo,
>segï¿½n sean sus rangos de gloria y de perfecciï¿½n celestial,
>como arcï¿½ngeles a arcï¿½ngeles, serafines a serafines,
>querubines a querubines y demï¿½s seres santos del reino. Como
>por ejemplo, el becerro se identifica con su igual, es decir,
>otro becerro; y, ademï¿½s, pueden vivir juntos en sus manadas,
>sin ningï¿½n problema alguno y hasta se procrean mutuamente en
>grandes nï¿½meros, si se los deja a vivir a su manera natural
>de vivir, por ejemplo.
>
>Pues asï¿½ tambiï¿½n los toros y las vacas, estos animales se
>identifican el uno al otro y viven en sus manadas por la
>tierra, en paz, en tranquilidad y felices de estar juntos. Lo
>mismo podrï¿½amos decir, por cualquier otro animal del aire, de
>la tierra y del mar, cada uno de ellos se identifica en su
>imagen y segï¿½n su semejanza, y viven juntos y felices todas
>sus vidas y sin ningï¿½n problema.
>
>Pues el hombre tambiï¿½n con Dios y con su Jesucristo viviendo
>en su corazï¿½n, siempre llenos de los frutos de vida y de
>salud eterna de su Espï¿½ritu Santo, porque hemos sido creados
>en las manos sagradas de Dios, para vivir en su imagen y
>conforme a su semejanza infinita y celestial, en la tierra y
>en el paraï¿½so. Pues entonces, nosotros hemos salido de Dios y
>de Cristo o del ï¿½rbol de la vida eterna, por su sangre y por
>su Espï¿½ritu Santo, tambiï¿½n, por ejemplo, para vivir la vida
>del paraï¿½so y no tanto (o jamï¿½s) la vida pecadora y rebelde a
>Dios, la del fruto prohibido del ï¿½rbol de la ciencia, del
>bien y del mal.
>
>Ahora, si Dios nos hubiese creado en las manos de Lucifer,
>por ejemplo, entonces seriamos formados conforme a su imagen
>y semejanza, algo terrible e impensable; y si hubiese sido
>asï¿½, entonces seriamos mï¿½s diablos que ï¿½l mismo, sin igual
>alguno en toda la inmensidad celestial y terrenal de la
>creaciï¿½n de Dios. Es mï¿½s, ni Lucifer mismo nos hubiese
>soportado tanto, como Dios lo ha hecho a travï¿½s de los
>tiempos y hasta nuestros dï¿½as, pues, nos hubiese matado hace
>mucho tiempo ya, para no sufrir nuestros pecados, maldades y
>hasta quien sabe que otras cosas mï¿½s terribles, de las cuales
>destrozarï¿½an su corazï¿½n, para no desearnos volver a ver mï¿½s.
>
>Pero gracias a Dios que no hemos sido creados en la imagen y
>semejanza de ï¿½ngeles, ni de animales, ni mucho menos en las
>manos de Lucifer, sino que fuimos creados en las manos
>sagradas de Dios y de su ï¿½rbol de vida eterna, para ser
>llenos por siempre de su Espï¿½ritu Eterno. Porque es la

>llenura del Espï¿½ritu de Dios, la que nos da vida, hoy en dï¿½a
>y por siempre en la eternidad venidera, de la misma manera
>que el Espï¿½ritu de Dios tuvo que entrar en el vientre virgen
>de la joven hebrea, para darnos al Mesï¿½as.
>
>Y luego el Espï¿½ritu Santo de Dios tuvo que levantar al Tercer
>Dï¿½a al Seï¿½or Jesucristo de entre los muertos, despuï¿½s de
>haber vivido toda su vida fiel a la Ley del paraï¿½so como el
>Mesï¿½as, para volver a darnos vida infinitamente a cada uno de
>nosotros, de todas las familias, razas, pueblos, linajes,
>tribus y reinos de la tierra. Entonces nuestro Dios nos crea
>en su espï¿½ritu de amor sobrenatural y eterno, y ï¿½ste es el
>mismo amor por el cual ha conocido desde siempre a su Hijo
>amado, el Seï¿½or Jesucristo y a su Espï¿½ritu Santï¿½simo, desde
>los primeros dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por
>ejemplo.
>
>Para que hoy en dï¿½a, nosotros tambiï¿½n vivamos con ï¿½l y
>finalmente le conozcamos a travï¿½s de los tiempos de la
>eternidad venidera, tal como ï¿½l siempre ha sido (y ha de ser)
>para con nosotros, en la tierra y en la nueva vida infinita
>del nuevo reino de los cielos. Y cuando lleguemos a conocer a
>nuestro Padre Celestial, como ha sido conocido por el Seï¿½or
>Jesucristo y su Espï¿½ritu Santo, entonces entenderemos todo lo
>importante que ha sido desde siempre: la sangre del pacto
>eterno entre Dios y el hombre de la humanidad entera, para
>librarnos de las tinieblas y ver sï¿½lo por la luz de Cristo,
>infinitamente.
>
>Es por esta razï¿½n, que la sangre viva e infinita del ï¿½rbol de
>la vida nos libra de los males del pecado y de sus muchas
>enfermedades de nuestros corazones, de nuestros espï¿½ritus y
>cuerpos humanos y celestiales, si tan sï¿½lo amamos a nuestro
>Dios, en el espï¿½ritu y en la verdad infinita de nuestro
>nombre salvador, ï¿½el Seï¿½or Jesucristo! Y, hoy mï¿½s que nunca,
>el espï¿½ritu de la sangre viva e infinita del ï¿½rbol de la vida
>te llama a Dios, para que te acerques y seas hecho libre,
>limpio, purificado y santificado de tus pecados y sus
>tinieblas profundas del mï¿½s allï¿½, para que sï¿½lo veas la vida
>infinita del nuevo reino de los cielos, perpetuamente.
>
>El amor (Espï¿½ritu Santo) de nuestro Padre Celestial y de su
>Jesucristo es contigo.
>
>
>ï¿½Cultura y paz para todos, hoy y siempre!
>
>
>Dï¿½gale al Seï¿½or, nuestro Padre Celestial, de todo corazï¿½n, en
>el nombre del Seï¿½or Jesucristo: Nuestras almas te aman,

>Seï¿½or. Nuestras almas te adoran, Padre nuestro. Nuestras
>almas te rinden gloria y honra a tu nombre y obra santa y
>sobrenatural, en la tierra y en el cielo, tambiï¿½n, para
>siempre, Padre Celestial, en el nombre de tu Hijo amado, el
>Seï¿½or Jesucristo.
>
>LOS ï¿½DOLOS SON UNA OFENSA / AFRENTA A LA LEY PERFECTA DE DIOS
>
>Es por eso que los ï¿½dolos han sido desde siempre: un tropiezo
>a la verdad de Dios y al poder de Dios en tu vida. Un
>tropiezo eterno, para que la omnipotencia de Dios no obre en
>tu vida, de acuerdo a la voluntad perfecta del Padre
>Celestial y de su Espï¿½ritu Eterno. Pero todo esto tiene un
>fin en tu vida, en ï¿½sta misma hora crucial de tu vida. Has de
>pensar quizï¿½ que el fin de todos los males de los ï¿½dolos
>termine, cuando llegues al fin de tus dï¿½as. Pero esto no es
>verdad. Los ï¿½dolos con sus espï¿½ritus inmundos te seguirï¿½n
>atormentando dï¿½a y noche entre las llamas ardientes del fuego
>del infierno, por haber desobedecido a la Ley viviente de
>Dios. En verdad, el fin de todos estos males estï¿½ aquï¿½
>contigo, en el dï¿½a de hoy. Y ï¿½ste es el Seï¿½or Jesucristo.
>Cree en ï¿½l, en espï¿½ritu y en verdad. Usando siempre tu fe en
>ï¿½l, escaparas los males, enfermedades y los tormentos eternos
>de la presencia terrible de los ï¿½dolos y de sus huestes de
>espï¿½ritus infernales en tu vida y en la vida de cada uno de

>en el reino de Dios su Ley santa es de dï¿½a en dï¿½a honrada y

>ï¿½ngeles. Y tï¿½ con los tuyos, mi estimado hermano, mi estimada
>hermana, has sido creado para honrar y exaltar cada letra,
>cada palabra, cada oraciï¿½n, cada tilde, cada categorï¿½a de

>Sï¿½LO ESTA LEY (SIN ROMPERLA) ES LA LEY VIVIENTE DE DIOS
>
>Esta es la ï¿½nica ley santa de Dios y del Seï¿½or Jesucristo en
>tu corazï¿½n, para bendecirte, para darte vida y vida en
>abundancia, en la tierra y en el cielo para siempre. Y te ha
>venido diciendo asï¿½, desde los dï¿½as de la antigï¿½edad, desde
>los lugares muy altos y santos del reino de los cielos:
>
>PRIMER MANDAMIENTO: "No tendrï¿½s otros dioses delante de mï¿½".
>
>SEGUNO MANDAMIENTO: "No te harï¿½s imagen, ni ninguna semejanza

>de lo que estï¿½ arriba en el cielo, ni abajo en la tierra, ni
>en las aguas debajo de la tierra. No te inclinarï¿½s ante ellas
>ni les rendirï¿½s culto, porque yo soy Jehovï¿½ tu Dios, un Dios
>celoso que castigo la maldad de los padres sobre los hijos,
>sobre la tercera y sobre la cuarta generaciï¿½n de los que me
>aborrecen. Pero muestro misericordia por mil generaciones a
>los que me aman y guardan mis mandamientos".
>
>TERCER MANDAMIENTO: "No tomarï¿½s en vano el nombre de Jehovï¿½
>tu Dios, porque ï¿½l no darï¿½ por inocente al que tome su nombre
>en vano".
>
>CUARTO MANDAMIENTO: "Acuï¿½rdate del dï¿½a del sï¿½bado para
>santificarlo. Seis dï¿½as trabajarï¿½s y harï¿½s toda tu obra, pero
>el sï¿½ptimo dï¿½a serï¿½ sï¿½bado para Jehovï¿½ tu Dios. No harï¿½s en
>ese dï¿½a obra alguna, ni tï¿½, ni tu hijo, ni tu hija, ni tu
>siervo, ni tu sierva, ni tu animal, ni el forastero que estï¿½
>dentro de tus puertas. Porque en seis dï¿½as Jehovï¿½ hizo los
>cielos, la tierra y el mar, y todo lo que hay en ellos, y
>reposï¿½ en el sï¿½ptimo dï¿½a. Por eso Jehovï¿½ bendijo el dï¿½a del
>sï¿½bado y lo santificï¿½".
>
>QUINTO MANDAMIENTO: "Honra a tu padre y a tu madre, para que

>
>SEXTO MANDAMIENTO: "No cometerï¿½s homicidio".
>
>SEPTIMO MANDAMIENTO: "No cometerï¿½s adulterio".
>
>OCTAVO MANDAMIENTO: "No robarï¿½s".
>
>NOVENO MANDAMIENTO: "No darï¿½s falso testimonio en contra de

>
>DECIMO MANDAMIENTO: "No codiciarï¿½s la casa de tu prï¿½jimo; no
>codiciarï¿½s la mujer de tu prï¿½jimo, ni su siervo, ni su

>
>Entrï¿½gale tu atenciï¿½n al Espï¿½ritu de Dios y dï¿½shazte de todos

>de los tuyos, tambiï¿½n. Hazlo asï¿½ y sin mas demora alguna, por
>amor a la Ley santa de Dios, en la vida de cada uno de los

>ï¿½dolos y de sus imï¿½genes de talla, aunque tï¿½ no lo veas asï¿½,
>en ï¿½sta hora crucial para tu vida y la vida de los tuyos,
>tambiï¿½n. Y tï¿½ tienes el poder, para ayudarlos a ser libres de
>todos estos males, de los cuales han llegado a ellos, desde
>los dï¿½as de la antigï¿½edad, para seguir destruyendo sus vidas,

>en el dï¿½a de hoy. Y Dios no desea continuar viendo estos
>males en sus vidas, sino que sï¿½lo ï¿½l desea ver vida y vida en
>abundancia, en cada naciï¿½n y en cada una de sus muchas

>
>Esto es muy importante: Oremos junto, en el nombre del Seï¿½or

>
>Padre nuestro que estï¿½s en los cielos: santificada sea la

>los ocï¿½anos alaban y honran dï¿½a y noche: el nombre bendito de
>Dios y de su Hijo amado, el Seï¿½or Jesucristo, para que ï¿½sta

>para que no sufra y muera mï¿½s, sino que vea la vida eterna de
>su Dios y de su ï¿½rbol de vida, el Seï¿½or Jesucristo. Porque la
>lucha de la creaciï¿½n de Dios y de sus muchas cosas, grandes y
>pequeï¿½as del cielo y de la tierra, es para escapar de las

>
>Y la ï¿½nica manera que toda la creaciï¿½n ha de escapar los

>alaben y honren sin cesar, el nombre bendito de nuestro Dios

>del espï¿½ritu de error de Lucifer y de sus ï¿½ngeles caï¿½dos,
>para seguir haciendo mï¿½s daï¿½o al nombre santo de nuestro

>
>Seres creados, como ï¿½ngeles del cielo y hombres y sus reinos
>de animales de toda la tierra, en sus diferentes gï¿½neros del
>aire, de la tierra y del mar, tambiï¿½n. Fue por esta razï¿½n,
>que nuestro Dios comenzï¿½ a derramar del Espï¿½ritu de vida, de
>la sangre santa de su ï¿½rbol de vida, desde su lugar santo del
>reino, como desde el paraï¿½so, por ejemplo, gï¿½nesis 1:2, para
>subyugar a cada una de estas profundas tinieblas, de gran

>
>Profundas tinieblas del mï¿½s allï¿½ que habitan, por ejemplo, en

>
>Porque la alabanza al nombre santo de nuestro Dios y de su
>Hijo amado, el Seï¿½or Jesucristo, trae dï¿½a y noche a nuestras
>vidas mï¿½s y mï¿½s bendiciones de maravillas, de milagros y de
>prodigios en los cielos y en la tierra, para que nuestros

>
>Es por esta razï¿½n, que el honrar y exaltar el nombre bendito
>de nuestro Dios dï¿½a y noche, en nuestros corazones y en
>nuestras almas eternas, es de suma importancia para el
>crecimiento espiritual, corporal e intelectual de nuestras

>Y esto ha de ser realmente en tu nuevo lugar eterno, junto

>para honrar la sangre del pacto que se habï¿½a derramado sobre

>Todo era gloria, en aquella tarde: Los sacerdotes levitas

>DIGNO DE SUPREMA GLORIA Y HONRA ES NUESTRO DIOS

>Ademï¿½s, has de gozarte como los ï¿½ngeles, por ejemplo, en

>
>Y esta gloria de nuestros corazones hacia nuestro Dios y
>Fundador de nuestras vidas no se la merece nadie mï¿½s que ï¿½l,
>que estï¿½ sentado en su trono de la gracia y de la

>nuestro Dios y a nuestro salvador de nuestras vidas (del
>poder del pecado y de la muerte del castigo eterno, como el

>
>Pero nuestro Dios no nos ha creado para la gloria del fuego
>eterno del mï¿½s allï¿½, del infierno o del lago de fuego, por

>Por esta razï¿½n, el Espï¿½ritu de Dios lucha dï¿½a y noche, desde
>los dï¿½as del gï¿½nesis de todas las cosas, para que no sea asï¿½

>Jesucristo, pues entonces ahora el Espï¿½ritu Santo nos las
>entregara en su momento justo y sin mï¿½s demora alguna.
>Ciertamente el Espï¿½ritu Santo nos las ha de entregar una a
>una cada dï¿½a y cada noche de nuestras vidas por la tierra y
>hasta que finalmente entremos de lleno, a nuestras vidas
>reales del nuevo reino de los cielos, como en el paraiï¿½so o
>como en nuestra nueva ciudad celestial, La Jerusalï¿½n Santa e
>Infinita del cielo.
>
>Y estas son bendiciones celestiales, que nuestro Padre
>Celestial nos ha entregado a nosotros, para disfrutarlas dï¿½a
>y noche en nuestros corazones y en nuestras vidas de nuestro
>diario vivir por la tierra, para que seamos felices con ï¿½l y
>con su palabra santa, si tan sï¿½lo creemos en ï¿½l, por medio de
>su Hijo amado, el Seï¿½or Jesucristo. Y asï¿½ cada uno de
>nosotros, en nuestros millares, de todas las familias, razas,
>pueblos, linajes, tribus y reinos de la tierra, podrï¿½amos
>realmente servir y alabar por siempre a nuestro Dios y a su
>Hijo amado, el Seï¿½or Jesucristo, en nuestros corazones y en
>nuestras almas, para entonces poder vivir nuestras vidas,

>como se vive en el cielo, por ejemplo.
>
>De otra manera, seguirï¿½amos viviendo en nuestros pecados para
>finalmente caer en nuestro mal eterno, en la tierra y en el
>infierno tambiï¿½n, en el mï¿½s allï¿½. Y Dios no nos ha creado a
>nosotros, ni menos nos ha entregado de su imagen y de su
>semejanza santa, para ser luego echados al mundo de los
>muertos, de las almas perdidas eternamente y para siempre en
>sus maldades y en sus muchos pecados, en contra de Dios y de
>su Hijo amado, el Seï¿½or Jesucristo.
>
>Porque la verdad es que nuestro Dios nos ha creado para que
>seamos como sus ï¿½ngeles santos, pero con mayores poderes de
>honra, de santidad y de gloria infinita, para exaltar y para
>honrar su nombre santo, en la tierra y en el paraï¿½so,
>tambiï¿½n, hoy en dï¿½a y para siempre, en la eternidad venidera
>del nuevo reino celestial. Porque nuestro Dios ha estado
>buscando desde siempre mayores glorias de santidades y de
>honras a su nombre sagrado, jamï¿½s alcanzadas por los ï¿½ngeles,
>del reino de los cielos, pero esta vez las ha encontrado en
>la tierra.
>
>Esta vez, con los hombres, mujeres, niï¿½os y niï¿½as, de toda la
>tierra, fieles a ï¿½l, por medio de la vida y del nombre
>sagrado de su Hijo amado, el Seï¿½or Jesucristo, instalado en
>sus corazones, entonces esto ha de ser posible, hoy y por
>siempre, en la eternidad venidera, del nuevo reino celestial,
>alcanzar nuevas glorias del mï¿½s allï¿½. Entonces grande es
>nuestro Dios y digno de suprema alabanza y honras eternas,
>desde lo profundo de nuestros corazones, para traspasar
>cielos y horizontes de la nueva eternidad venidera de nuestro
>Dios y su ï¿½rbol de vida eterna, rodeada de ï¿½ngeles y de su
>humanidad infinita.
>
>Infinita humanidad del cielo, redimida por el espï¿½ritu de fe,
>de la sangre santï¿½sima del pacto eterno, entre Dios y el
>hombre de la tierra, porque el hombre y la mujer que Dios ha
>creado con todos sus hijos e hijas, no ha de morir jamï¿½s,
>sino todo lo contrario. Cada uno de ellos ha de ver la vida
>eterna, para honrar y para alabar a su Dios y Fundador de su
>vida, por los siglos de los siglos, en la tierra y en el
>nuevo reino de los cielos, como los ï¿½ngeles lo han hecho a
>travï¿½s de los siglos y hasta nuestros tiempos, por ejemplo.
>
>LA CREACIï¿½N ANUNCIA LA OBRA DE LAS MANOS DE DIOS
>
>Es por eso, que los cielos cuentan la gloria de Dios, y el
>firmamento anuncia la obra de sus manos sagrada dï¿½a y noche
>ante la vista atï¿½nita de los ï¿½ngeles del reino y de todos los
>hombres, mujeres, niï¿½os y niï¿½as de la humanidad entera, en

>toda la tierra. Porque aun el universo con sus millares de
>estrellas, planetas, lunas y demï¿½s seres celestiales del
>infinito no se cansan jamï¿½s de contar de la gloria de Dios, a
>todos los que los ven desde la distancia de la tierra y hasta
>donde su vista los pueda divisar en toda la inmensidad
>celestial, por ejemplo.
>
>En realidad, estos seres celestiales de la inmensidad: alaban
>y honran al Rey de reyes y SEï¿½OR de Seï¿½ores, ï¿½el Seï¿½or
>Jesucristo! Porque todo lo que ha sido hecho fue hecho por
>medio de ï¿½l, y nada de lo que ha sido hecho, en el cielo y en
>la tierra, en verdad, no ha sido hecho jamï¿½s sin ï¿½l. Porque
>sï¿½lo en ï¿½l estï¿½ la verdad, la vida, el camino, la sabidurï¿½a,
>la honra, el poder, la alabanza, el triunfo, la victoria, la
>adoraciï¿½n, la autoridad y la inteligencia perfecta para hacer
>todas las cosas de las que se ven y de las que no (se ven) en
>el cielo y por toda la tierra, tambiï¿½n.
>
>Es por esta razï¿½n, que nuestro Padre Celestial en el dï¿½a que
>decidiï¿½ crear al hombre de la tierra con sus manos santas,
>entonces le dijo a su Hijo amado, el Seï¿½or Jesucristo con su
>Espï¿½ritu Santo: Descendamos a la tierra y hagamos al hombre
>en nuestra imagen y conforme a nuestra semejanza. Y asï¿½ fue,
>en aquel dï¿½a histï¿½rico nuestro Dios crea al hombre con sus
>manos santas, por medio de aquel que vive en el cielo y en la
>tierra, el Santo de Israel y de la humanidad entera, ï¿½el
>Seï¿½or Jesucristo!
>
>Es por eso, que los apï¿½stoles y asï¿½ tambiï¿½n toda la gente y
>los discï¿½pulos, cuando veï¿½an a Jesucristo, no veï¿½an en ï¿½l a
>un extraï¿½o, sino a alguien en su imagen y en su semejanza
>humana, con quien se identificaban mutuamente, sin ninguna
>dificultad visible. Pues asï¿½ es nuestro salvador celestial,
>el mismo del ayer, de hoy y de siempre, en el paraï¿½so, en la
>tierra y hoy en dï¿½a, otra vez en el nuevo reino del cielo.
>Pero estï¿½ vez, en nuevas tierra con nuevos cielos adornado
>con mansiones celestiales, para todos los hombres, mujeres,
>niï¿½os y niï¿½as de la tierra, que aman a su Dios y Creador de
>sus vidas, por medio de ï¿½l, su Hijo amado, el ï¿½rbol de la
>vida, ï¿½el Seï¿½or Jesucristo!
>
>Y, hoy en dï¿½a, como en aï¿½os anteriores, nuestro Padre
>Celestial ha deseado formar una nueva vida celestial para sus
>hijos e hijas de todas las familias, razas, pueblos, linajes,
>tribus y reinos de la tierra, para que le sirvan y le adoren
>por siempre, por medio de su Hijo amado, el Seï¿½or Jesucristo.
>Porque todo lo que nuestro Dios ha de crear de nuevo, ha de
>ser como siempre, como en el principio de todas las cosas, en
>el cielo y en la tierra, por medio de la vida y del nombre
>sagrado de su ï¿½rbol de vida eterna, su Hijo amado, ï¿½el Seï¿½or

>Jesucristo!
>
>Y sin Jesucristo, nada de lo que Dios desee crear en el cielo
>y en la tierra lo podrï¿½ lograr jamï¿½s. Es por esta razï¿½n, que
>el Seï¿½or Jesucristo es de suma importancia en el corazï¿½n y en
>la vida, de cada uno de los ï¿½ngeles y asï¿½ tambiï¿½n de todos
>los hombres, mujeres, niï¿½os y niï¿½as de la humanidad entera,
>para entonces Dios mismo poder regenerarnos, reformarnos, y
>darnos una nueva vida infinitamente feliz, como la de sus
>sueï¿½os, como ejemplo.
>
>Y esta es una nueva vida, totalmente llena de verdad y de
>justicia celestial, para vivirla para nuestro Dios y para su
>gran rey Mesï¿½as, su Hijo amado, el Seï¿½or Jesucristo, en la
>tierra y en su nuevo reino celestial, en el mï¿½s allï¿½. En
>donde los que habitan allï¿½, desde tiempos antiguos y hasta
>nuestros dï¿½as, por ejemplo, honran y adoran el nombre sagrado
>de nuestro Dios y de nuestro Seï¿½or Jesucristo, para
>glorificar sus vidas por siempre sï¿½lo en la verdad de la
>palabra viva y de la gran obra infinita y sobrenatural de
>redimir a la humanidad entera, de la muerte infernal.
>
>Porque es muy importante que dï¿½a y noche, el nombre sagrado
>de nuestro Dios sea honrado y exaltado, en nuestros corazones
>y en nuestras vidas, para que las fuerzas de las profundas
>tinieblas, entonces dejen de ser en todos los lugares de la
>tierra: y la tierra sea igual que el cielo en vida, ni mï¿½s ni
>menos, para siempre. Y sï¿½lo asï¿½ entonces nuestros corazones y
>nuestras almas eternas sean libres para servir y para amar
>mucho mï¿½s que antes a nuestro Dios y a su Hijo amado, el
>Seï¿½or Jesucristo, todos los dï¿½as de nuestras existencias, en
>la tierra y en el paraï¿½so tambiï¿½n, para miles de siglos
>venideros de su nueva eternidad celestial, por ejemplo.
>
>Es por esta razï¿½n, tambiï¿½n, que los cielos y sus seres
>celestiales, de los que se ven y como de los que no (se ven),
>en sus millares e incontables, en toda la inmensidad,
>anuncian en todo momento de la grandeza y de la gloria
>infinita de su Fundador, el Todopoderoso, el Omnipotente.
>Para que los ï¿½ngeles del cielo y asï¿½ tambiï¿½n los hombres,
>mujeres, niï¿½os y niï¿½as, entonces reciban ï¿½ste gran ejemplo,
>de honrar y de exaltar aquel que los creo y los puso en su
>curso de vida, para que verdaderamente conozcan la vida real
>de su Hacedor, no en las tinieblas del enemigo, sino en la
>luz de su Hijo.
>
>Entonces todos los seres creados por Dios, como ï¿½ngeles del
>reino y asï¿½ tambiï¿½n hombres, mujeres, niï¿½os y niï¿½as del
>mundo, estï¿½n llamados, desde el momento de su creaciï¿½n, como
>seres vivientes, ha honrar y ha exaltar el nombre de su Dios,

>para que sus vidas crezcan no en las tinieblas del enemigo,
>sino en la luz de su Jesucristo. Y, por todo ello, no hay
>mejor manera de exaltar y de honrar a nuestro Padre
>Celestial, sino no es creyendo en ï¿½l, por medio de la vida y
>de la sangre bendita de su pacto eterno, ï¿½el Seï¿½or
>Jesucristo!
>
>Porque ha sido su Hijo amado, el Seï¿½or Jesucristo, quien
>realmente ha cumplido toda su voluntad perfecta para bien de
>muchos y alabanzas santas a su nombre sagrado, en la tierra y
>en el paraï¿½so, tambiï¿½n. Por lo tanto, ha sido el Seï¿½or
>Jesucristo, la alabanza perfecta de nuestras almas eternas,
>quien verdaderamente se ha "levantado victorioso" en el
>Tercer Dï¿½a de la resurrecciï¿½n, para darle vida y salud eterna
>en abundancia, a todo aquel que crea a su Dios, por medio del
>Seï¿½or Jesucristo, ï¿½nicamente.
>
>Ya que, fuera del Seï¿½or Jesucristo, entonces no hay alabanza
>alguna posible para el corazï¿½n del ï¿½ngel del cielo y asï¿½
>tambiï¿½n para el corazï¿½n del hombre, de la mujer, del niï¿½o y
>de la niï¿½a de la humanidad entera. Entonces hoy mï¿½s que
>nunca, nuestro Dios desea que todos nosotros aprendamos de su
>creaciï¿½n y de su firmamento en general, los cuales nos llaman
>dï¿½a y noche y sin cesar, ha servirle y ha honrarle a ï¿½l, en
>el espï¿½ritu y en la verdad de su vida santa y eternamente
>honrada de su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>
>Por cuanto, hemos sido creados por su corazï¿½n santo, para que
>le seamos por siempre sï¿½lo obedientes a ï¿½l, por medio de su
>Jesucristo. De otra manera, jamï¿½s podrï¿½amos obedecerle a ï¿½l y
>asï¿½ cumplir su mï¿½s santa y perfecta voluntad en nuestras
>vidas, en el paraï¿½so, en la tierra y de nuevo de regreso al
>paraï¿½so, a nuestra nueva vida infinita de su nuevo reino
>celestial, como en su flamante tierra nueva con nuevos
>cielos, La Gran Jerusalï¿½n del cielo, por ejemplo.
>
>Y los antiguos entendï¿½an muy bien a nuestro Dios, y como
>llevar acabo su voluntad santa y perfecta en sus corazones,
>para alcanzar una vida mejor y superior en la tierra y en el
>paraï¿½so, tambiï¿½n, de regreso otra vez a la presencia de Dios
>y de su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo. Pues asï¿½
>nuestro Padre Celestial ha redimido del poder del pecado y de
>su muerte eterna, a todo pecador y a toda pecadora de la
>humanidad entera. Y, hoy en dï¿½a, si tï¿½ le obedeces tambiï¿½n a
>ï¿½l, como los demï¿½s lo han hecho a travï¿½s de los tiempos y
>hasta nuestros dï¿½as, por ejemplo, entonces tï¿½ mismo has de
>ver al Hijo de Dios en cualquier dï¿½a, como Nabucodonosor lo
>vio en su dï¿½a.
>
>EL REY DE BABILONIA VIO AL HIJO DE DIOS Y SE SALVO

>
>Por ejemplo, vemos como Nabucodonosor, rey de Babilonia,
>alababa, exaltaba y glorificaba al Rey de los cielos, porque
>todas sus obras eran para ï¿½l, verdad infinita y sus caminos
>justicia para todos los hombres, mujeres, niï¿½os y niï¿½as de
>sus tierras y de la humanidad entera, de aquellos dï¿½as y de
>siempre, tambiï¿½n. Porque sï¿½lo nuestro Padre Celestial puede
>humillar a los que andan con soberbia delante de su presencia
>santa, en el paraï¿½so y por toda la tierra, tambiï¿½n.
>
>Realmente, Nabucodonosor era un hombre impï¿½o, desde los
>primeros dï¿½as de su reinado; ï¿½l no conocï¿½a a Dios en su
>corazï¿½n, porque "nadie le habï¿½a enseï¿½ado la verdad y la
>justicia infinita de su corazï¿½n de creer, en el Hijo de Dios,
>para ser redimido de sus pecados y de su muerte segura en el
>infierno, en el mï¿½s allï¿½". Nabucodonosor creï¿½a que todo lo
>que tenia en su reino se lo merecï¿½a muy bien, porque habï¿½a
>trabajado por todo ello, en toda su vida; ademï¿½s, habï¿½a
>derrotado a naciones y a sus ejï¿½rcitos por doquier, como a
>Israel, por ejemplo; por lo tanto, su reino era grande y
>fuerte entre los pueblos de la tierra, en aquellos dï¿½as.
>
>Pero Nabucodonosor jamï¿½s se habï¿½a tropezado con siervos de
>Dios, que verdaderamente amaban su palabra y su nombre
>sagrado, a pesar de cualquier oposiciï¿½n, por mï¿½s terrible que
>fuese, en la tierra y aun hasta del mï¿½s allï¿½, tambiï¿½n. Y a
>ellos, Nabucodonosor quiso hacerlos sus siervos, para que
>adorasen a su estatua de oro puro. Esta era una estatua muy
>grande que habï¿½a enviado a sus escultores ha construir,
>porque la habï¿½a visto en uno de sus sueï¿½os.
>
>Por lo tanto, su corazï¿½n estaba fascinado por ella, y deseaba
>tener una igual en todo su reino, como la adoraciï¿½n ï¿½nica de
>su corazï¿½n equivocado (y eternamente perdido sin Cristo en su
>vida). Para que todos los que vivan con ï¿½l, entonces se
>arrodillen ante ella y le rindan gloria y honra, como uno de
>sus dioses (o el dios de sus propias vidas), por ejemplo,
>cuando lo contrario era la verdad. Y esto era que sï¿½lo el
>Dios del cielo y de toda la tierra es realmente el Dios
>soberano de toda vida del hombre y de toda la tierra y de sus
>cosas, tambiï¿½n, asï¿½ como en el reino de los cielos, desde los
>dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por ejemplo.
>
>Entonces los Babilonios, como gentiles que eran, tenï¿½an que
>obedecer al mandato de Nabucodonosor, para no ser condenados
>a muerte; es mï¿½s, ellos no podï¿½an quejarse ni menos escapar
>ï¿½ste decreto tan apremiante para sus vidas, especialmente
>para los judï¿½os que se encontraban en cautiverio entre ellos,
>en aquellos dï¿½as, por ejemplo, y con la Ley Celestial en sus
>corazones. Y unos judï¿½os, como todos los demï¿½s, no quisieron

>obedecer el edicto del rey; ellos pensaban que aunque estaban
>en cautiverio, sï¿½lo tenï¿½an que seguir y servirle al Dios de
>sus padres, es decir, al Dios de Abraham, de Isaac y de
>Jacobo, por ejemplo.
>
>Ya que, este es uno de los primeros mandamientos de sus Ley
>Divina, no arrodillarse ante ningï¿½n ï¿½dolo en toda la tierra,
>por ejemplo, para honrarle como a su Dios. Porque sï¿½lo un
>Dios tienen en sus vidas, en el paraï¿½so y en la tierra; y
>este es el SEï¿½OR Fundador del cielo y de la tierra; tambiï¿½n,
>conocido como el Seï¿½or Todopoderoso, por ejemplo, por todos
>los hebreos de la antigï¿½edad y de toda la vida, tambiï¿½n. Por
>lo tanto, cuando Sadrac, Mesac y Abed-negï¿½ se negaron
>rendirle honor a la estatua de oro, del rey de Babilonia,
>entonces ï¿½l se enoja con ellos; no sï¿½lo con Sadrac, Mesac y
>Abed-negï¿½, sino con todos los hebreos y hasta con el Dios del
>cielo y de la tierra, tambiï¿½n.
>
>Por lo tanto, Nabucodonosor querï¿½a ver que se negasen a
>obedecer su edicto delante de su presencia y de sus
>oficiales, tambiï¿½n. Entonces los mando a buscar, para ver si
>desobedecï¿½an su palabra delante de su presencia y de su
>trono, como rey supremo de todo el reino de Babilonia. Y
>cuando Sadrac, Mesac y Abed-negï¿½ llegaron ante Nabucodonosor,
>entonces los oficiales les quisieron hacer que ellos
>admitiesen que iban a obedecer el edicto del rey.
>
>Y ellos les respondieron, diciï¿½ndole a Nabucodonosor, que no
>podï¿½an obedecer su ley, de humillarse ante su estatua de oro,
>porque es contrario a la Ley del Dios del cielo y de la
>tierra. Y cuando el rey oyï¿½ estas palabras de los labios de
>los tres hebreos, entonces se enojo mucho mï¿½s que antes; y
>ordeno de inmediato a sus oficiales a que calentaran mucho
>mï¿½s que antes el horno, para echarlos a ellos en ï¿½l, por
>haber desobedecido su mandato.
>
>No importa, les contestaron los hebreos al rey Nabucodonosor,
>por cuanto mï¿½s ordenes calentar tu horno, por haber
>quebrantado tu edicto, nosotros vamos a seguir sirviï¿½ndole al
>Dios de nuestros padres aun entre el fuego candente de tu
>horno, seï¿½or rey de Babilonia. Y el horno fue calentado siete
>veces mï¿½s que antes, que cuando los soldados babilonios los
>tomaron en sus manos para echarlos, a los tres hebreos, en el
>fuego del horno, entonces por el poder del fuego ellos fueron
>consumidos y muertos inmediatamente, pero no los hebreos.
>
>Los hebreos entraron en el fuego del horno y caminaban con
>aquel que los protegï¿½a del mal de sus enemigos; ï¿½ste ser era
>"el Cordero de Dios", a quien le habï¿½an ofrecido sus ofrendas
>de paz y de amor a su Dios en el cielo; ï¿½ste es aquel de la

>sangre del pacto eterno de Israel y del mundo entero. Y
>cuando Nabucodonosor veï¿½a a sus hombres muertos en el suelo y
>a los hebreos con una cuarta persona, que danzaba y alaba
>dentro del fuego del horno al Dios del cielo, entonces se
>maravillo mucho; y no podï¿½a creer lo que veï¿½a con sus ojos.
>
>Entonces Nabucodonosor les pregunto a sus oficiales: ï¿½No
>hemos echado tres hebreos al fuego del horno? Y si lo hemos
>hecho asï¿½: ï¿½Por quï¿½ entonces veo un cuarto ser moviï¿½ndose con
>ellos en el fuego? Y ï¿½ste cuarto pararse ser como el Hijo de
>Dios. Porque ni ï¿½l ni los tres hebreos se queman en el fuego,
>sino que siguen danzando y alabando el nombre de su Dios,
>como si no estuviese sucediï¿½ndole nada malo con ninguno de
>ellos.
>
>Al momento, Nabucodonosor se acerca mï¿½s al horno, pero el
>fuego no le hace daï¿½o tampoco, como a sus hombres que
>murieron al instante calcinados, ante la intensidad del ardor
>del fuego, por ejemplo, en donde habï¿½an echado a Mesac,
>Sadrac y Abed-negï¿½, sin piedad alguna en sus corazones, a sus
>muertes seguras del horno extremadamente violento. Entonces
>Nabucodonosor se queda parado en su lugar, a la entrada del
>horno, mirando hacia los hebreos y el cuarto de entre ellos,
>que se pareci¿½a como al Hijo de Dios en sus ojos y en su
>corazï¿½n, tambiï¿½n, pero no sufrï¿½a daï¿½o alguno por causa del
>fuego aun cuando ardï¿½a violentamente para quitarle la vida al
>momento.
>
>Y mirando aun hacia dentro del fuego, entonces Nabucodonosor
>llama a los hebreos, y les pide que salgan del horno. Mesac,
>Sadrac y Abed-negï¿½ salieron caminando del horno, sin que el
>fuego les haya hecho ningï¿½n mal alguno, ni a sus cuerpos ni a
>sus vestiduras; ellos estaban parados ante el rey, libres y
>limpios de toda culpa de pecado o de haber quebrantado alguna
>ley de Dios o del hombre de toda la tierra.
>
>Y el Hijo de Dios no permaneciï¿½ en el fuego del horno, sino
>que se volviï¿½ a hacer invisible ante los ojos de
>Nabucodonosor y de su gente de Babilonia. Y Nabucodonosor les
>dijo a los hebreos, desde hoy mismo toda Babilonia se ha de
>postrar ante el Dios de Sadrac, Mesac y Abed-negï¿½, y el que
>no lo haga que muera entonces. Por lo tanto, como la orden
>del rey de Babilonia era apremiante, entonces no sï¿½lo los de
>Babilonia ahora servï¿½an al Dios de Abraham, de Isaac y de
>Jacobo, sino todas las naciones alrededor y hasta aun las muy
>lejanas tambiï¿½n.
>
>Porque ï¿½ste incidente de haber echado a los hebreos en el
>horno, para que mueran quemados y no murieron, sino que sus
>hombres fueron los que el fuego del horno mata delante de sus

>ojos y de su gente, tambiï¿½n. Y como tambiï¿½n Nabucodonosor y
>su gente vieron al Hijo de Dios que se moviï¿½a con los hebreos,
>para alabar y para honrar el nombre bendito de sus padres,
>entre en medio del ardor, del fuego violento, entonces no
>podï¿½an negarlo sino sï¿½lo aceptarlo en sus corazones y en sus
>vidas para servirle al Dios, del cielo y de la tierra.
>
>Y desde aquel dï¿½a en adelante, toda Babilonia y las naciones
>aledaï¿½as: alababan y honraban al Hijo de Dios, que habï¿½a
>redimido a Israel de la casa de su cautiverio y a Mesac,
>Sadrac y Abed-negï¿½ de una muerte segura, en el horno candente
>y mortal de Babilonia. Pues asï¿½ tambiï¿½n todo hombre, mujer,
>niï¿½o y niï¿½a de la humanidad entera, tiene que alabar y honrar
>aquel que estuvo muerto, pero que vive por los siglos de los
>siglos, el Hijo de Dios, ï¿½el Santo de Israel y de la
>humanidad entera!
>
>Porque asï¿½ con su sangre redimiï¿½ a Israel de su cautiverio
>eterno en Egipto, y luego redimiï¿½ muchas veces a Israel de
>sus enemigos, por el desierto, como por ejemplo, con Mesac,
>Sadrac y Abed-negï¿½ que no dejo que el fuego del horno los
>quemase, sino que estuvo con ellos hasta que fueron
>liberados. Pues asï¿½ tambiï¿½n ha de ser contigo, mi estimado
>hermano y mi estimada hermana, para redimirte del cautiverio
>del pecado y para salvarte del fuego eterno del infierno,
>aunque hayas sido echado en ï¿½l, por las manos de los enemigos
>de Dios y del nombre sagrado de su Hijo amado, ï¿½el Seï¿½or
>Jesucristo!
>
>LA ALABANZA A TU DIOS, TE HA DE LLENAR DE LA GLORIA CELESIAL
>
>Es por esta razï¿½n, que los ï¿½ngeles, arcï¿½ngeles, serafines,
>querubines y demï¿½s seres santos de nuestro Padre Celestial:
>alaban y honran su nombre sagrado, desde el comienzo de sus
>dï¿½as y hasta nuestros dï¿½as, tambiï¿½n, en el cielo y en el
>resto de su creaciï¿½n. Y porque ellos alaban y honran el
>nombre de nuestro Padre Celestial dï¿½a y noche y sin cesar,
>entonces sus corazones y sus espï¿½ritus celestiales son
>repletos de la gloria divina, de la presencia de Dios, de su
>Espï¿½ritu Santo y de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>Jesucristo!
>
>Y es ï¿½sta gloria, de alabar y de honrar a su Dios, es que los
>hace a cada uno de ellos eternamente gloriosos y, a la vez,
>les da esa distinciï¿½n particular de sus vidas celestiales, en
>el reino de los cielos, por ejemplo, que los hace ver, como
>grandes y sumamente santï¿½simos, ante los ojos de toda la
>creaciï¿½n. Pues asï¿½ tambiï¿½n el hombre, la mujer, el niï¿½o y la
>niï¿½a de la tierra, cada uno de ellos es lleno del Espï¿½ritu de
>Dios, cada vez que exalta el nombre de su Dios y de su

>Jesucristo en su corazï¿½n, para gloria y para honra eterna de
>la vida santa de su Dios, en los cielos.
>
>Esto fue lo que le sucediï¿½ a Moisï¿½s, por ejemplo, despuï¿½s de
>haber hablado con Dios sobre el Sinaï¿½, por cuarenta dï¿½as y
>cuarenta noches; al bajar del Monte su rostro resplandecï¿½a
>con una gloria jamï¿½s vista por los hombres; y Moisï¿½s tuvo que
>ponerse un velo sobre su rostro, porque su rostro
>resplandecï¿½a con una gloria estelar. Pues asï¿½ tambiï¿½n el
>hombre, de hoy y de siempre, si tan sï¿½lo le es fiel a su
>Dios, alabï¿½ndole y rindiï¿½ndole gloria y honra a su nombre
>santo, en su corazï¿½n y en su alma eterna, tambiï¿½n, dï¿½a a dï¿½a
>y por siempre, en todos los lugares de la tierra y del
>paraï¿½so, en el cielo.
>
>En la medida en que, la alabanza, al nombre sagrado de
>nuestro Dios y de su Jesucristo, es para nosotros, tambiï¿½n,
>los que amamos y honramos a nuestro Dios, en nuestras vidas y
>en todos los lugares de la tierra. Porque cada alabanza del
>corazï¿½n y del alma del hombre es realmente un paso mï¿½s hacia
>el crecimiento espiritual de su vida, en la tierra y en el
>paraï¿½so, de igual forma, para jamï¿½s volver a ser el pecador
>de toda la tierra de siempre, que todo mundo conocï¿½a, por
>ejemplo, en el mundo de la mentira y del mal.
>
>Porque las alabanzas de nuestros corazones y de nuestros
>labios, hacia nuestro Padre Celestial que estï¿½ en los cielos,
>son para que nuestros corazones no solamente crezcan cada vez
>mï¿½s hacia el conocimiento santo y perfecto de su nombre
>sagrado, sino tambiï¿½n para que nuestras almas sean felices
>con ï¿½l y con su Espï¿½ritu Santo, en donde sea que vivamos.
>Porque la felicidad del corazï¿½n y del alma del hombre, de la
>mujer, del niï¿½o y de la niï¿½a, de todas las familias, razas,
>pueblos, linajes, tribus y reinos de la tierra, es muy
>importante para nuestro Dios y para su Hijo amado, el Seï¿½or
>Jesucristo, para que su Espï¿½ritu Santo obre con sus dones
>sobrenaturales en nuestras vidas.
>
>Y asï¿½ ayudarnos a crecer, a cada uno de nosotros, en nuestros
>millares, en todos los lugares de la tierra, en sus
>maravillas, en sus milagros y en sus prodigios terrenales y
>celestiales: porque cada una de estas bendiciones celestiales
>en nuestras vidas es muy importante, para nosotros poder
>vivir nuestras vidas normalmente, en la tierra y en el
>paraï¿½so. Porque para vivir nuestras vidas, en un mundo como
>el de hoy en dï¿½a, por ejemplo, se necesita poder, mucho poder
>del cielo.

The Greenlight Lounge
Phone: 906-523-4417
22095 7th St
Chassell, MI 49916

Be sure to bring yer cents of humor with you.

Instead of karaoke, the Greenlight has a thespian showcase ever Saturday nite at 10 pm sharp. Each year they have a different theme for the showcase, and this year the theme is Native American berdaches and their customs and costumes. Right now, the thespian who has won the last fifty showcases is Mr. Morkie, and so he is Greenlight's reigning champion and the one to beat.

Besides that, the Greenlight has an enema room with its own beer keg and floor drain so that you can enjoy beer yer own way. This is a feature to be found in no other U.P. bar.

We have fun, fun, fun, fun, fun ever Saturday night. Be thier or be square.

>>espï¿½ritu de error, cuando nosotros estamos vivos y nuestros

>>nombres escritos en "el libro de la vida", porque hemos
>>creï¿½do a la verdad y a la justicia del Espï¿½ritu Santo de
>>Dios.
>>
>>Y esta verdad y justicia del Espï¿½ritu de Dios se hizo
>>realidad en nuestras vidas, cuando descendiï¿½ del cielo y se
>>introdujo en el vientre virgen de la hija de David, de la
>>Casa de Israel, para entregarnos ese corazï¿½n y cuerpo
>>sagrado, lleno de la vida de la sangre viva e infinita, la
>>cual nos redimirï¿½a del pecado infinitamente. Porque era sï¿½lo
>>el Hijo de Dios, el Seï¿½or Jesucristo, quien descenderï¿½a del
>>paraï¿½so, para vivir entre nosotros y asï¿½ cumplir y hasta
>>honrar infinitamente la Ley de Dios y de Moisï¿½s, no sï¿½lo en
>>su corazï¿½n, sino tambiï¿½n en el corazï¿½n de cada hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, para bien de muchos.
>>
>>Aquï¿½ se cumpliï¿½ la promesa hecha por Dios a los antiguos, de
>>que ï¿½l mismo escribirï¿½a su Ley Celestial en los corazones de
>>todos los hombres de la tierra, con su propia mano, para que
>>sea cumplida y mï¿½s no deshonrada. Deshonrado su Ley Sagrada,
>>como siempre lo han hecho los rebeldes a Dios y a su gran rey
>>Mesï¿½as, como Adï¿½n y Eva en el paraï¿½so o como en Israel, por
>>ejemplo, desde el mismo dï¿½a que la recibieron de manos de
>>Moisï¿½s, para encender la ira de Dios en contra de ellos
>>mismos.
>>
>>Encender la ira divina, por sus pecados y rebeliones
>>infinitas de un becerro de oro en sus manos, al cual adoraban
>>como su libertador, en vez, de honrar y exaltar en sus
>>corazones, aquel que vive infinitamente y tiene con ï¿½l, en su
>>corazï¿½n y en su cuerpo inmolado, la sangre viva e infinita
>>que limpia el alma del pecado. Entonces en ï¿½ste dï¿½a terrible
>>para la historia de la humanidad, el hombre ciego y pecador
>>peca en contra Dios y de la sangre viva e infinita, al creer
>>en su corazï¿½n y confesar con sus labios, de que habï¿½a sido
>>ese ï¿½dolo de oro de cuatro patas, el que los habï¿½a liberado
>>de las manos crueles de sus enemigos.
>>
>>Realmente este fue un pecado terrible en contra de la sangre
>>bendita, del ï¿½rbol de la vida del paraï¿½so, por la cual Dios
>>no querï¿½a perdonar; pero como su misericordia fue mayor que
>>su ira, entonces decidiï¿½ posponer el castigo de ï¿½ste terrible
>>pecado para el juicio final de todas las cosas, en el ï¿½ltimo
>>dï¿½a de la tierra. Y, hoy en dï¿½a, ï¿½sta misma sangre viva e
>>infinita, clama por ti, mi estimado hermano y mi estimada
>>hermana, no sï¿½lo para perdonar tus pecados, lo cual es muy
>>importante para ver la vida eterna y sus riquezas, pero para
>>sanar tu vida y protegerte de los males de tus enemigos, como
>>Lucifer y su serpiente antigua, por ejemplo.
>>

>>En vista de que, tus enemigos son muchos y no se han cansado
>>de atacarte dï¿½a y noche, desde el dï¿½a que comenzaron a atacar
>>a Adï¿½n y a Eva en el paraï¿½so, en el mï¿½s allï¿½, por ejemplo, en
>>donde empezï¿½ tu misma vida con tu pecado original, la que
>>vives hoy en dï¿½a, en la tierra. Entonces la sangre viva del
>>paraï¿½so clama por ti (y por los tuyos tambiï¿½n), para
>>despertarte de tus tinieblas y de tu ceguera espiritual y
>>veas a Cristo Jesï¿½s, tu ï¿½nico verdadero amigo en esta tierra
>>y en tu nueva vida venidera del nuevo reino celestial, para
>>llenar tu corazï¿½n y tu alma de la luz de su sangre milagrosa.
>>
>>Y lo ï¿½nico que tienes que hacer para responder a su llamado,
>>realmente, es aceptarla en tu vida, al orar a nuestro Dios
>>que estï¿½ en los cielos, en el nombre sagrado de su Hijo
>>amado, el Seï¿½or Jesucristo, para que perdone tus pecados y te
>>bendiga desde el mismo cielo y paraï¿½so del ï¿½rbol Vivo con sus
>>bendiciones infinitas. Y asï¿½ Dios mismo llene tu vida de su
>>nueva luz celestial e infinita de su ï¿½rbol Viviente, su Hijo
>>amado, el Mesï¿½as, para que las tinieblas de tus males de
>>siempre, como los que agobian tu corazï¿½n, tu mente, tu alma,
>>tu espï¿½ritu y tu cuerpo humano, entonces se vayan de tu vida
>>y no vuelvan mï¿½s a ti.
>>
>>JESUCRISTO SE DIO ASIMISMO, PARA LIMPIARNOS CON SU SANGRE
>>
>>Al que no conociï¿½ pecado, por nosotros el SEï¿½OR le hizo
>>pecado para que descendiese hasta la pobreza de nuestras
>>vidas y asï¿½ entonces levantarnos de la nada: a la gloria mï¿½s
>>sublime del cielo y de toda la nueva vida del SEï¿½OR y de sus
>>huestes angelicales. Con el propï¿½sito de que cada uno de
>>nosotros, en nuestros millares, de todas las razas, linajes,
>>pueblos, familias, tribus y reinos de la tierra, entonces sea
>>hecho verdad y justicia de Dios, sï¿½lo posible en ï¿½l, en su
>>Hijo muy amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Porque era necesario que nuestro Padre Celestial nos salvase
>>del poder del pecado y de sus muchas tinieblas, por medio de
>>una vida santa y sumamente honrada, la cual descendiese de
>>las riquezas del cielo a la pobreza de la tierra, para no
>>sï¿½lo regresar al paraï¿½so, sino mucho mï¿½s que esto. Y esto fue
>>realmente para vivir una vida sana, santa y saludable, como
>>ninguna otra, en sus nuevas tierras con nuevos cielos, en el
>>nuevo reino celestial, en donde la pobreza y la maldad del
>>pecado y de sus profundas tinieblas de Lucifer y de sus
>>ï¿½ngeles caï¿½dos no existen, para siempre, en ningï¿½n ser creado
>>del SEï¿½OR.
>>
>>Por lo tanto, un cordero o un becerro o un toro de las
>>manadas israelï¿½es no podï¿½an satisfacer los requisitos de una
>>vida sana, santa y eternamente saludable y apta para vivir

>>con nuestro Dios y sus huestes de ï¿½ngeles gloriosos de la
>>nueva vida perenne, del nuevo reino celestial, como La Nueva
>>Jerusalï¿½n Santa e infinita, por ejemplo. En verdad, nos
>>encontrï¿½bamos en un lï¿½o muy serio y sin salida alguna, en
>>todos nuestros contornos de todo lo que es (y ha de ser)
>>nuestra vida humana, en toda la vida del mundo entero, para
>>escapar los males del pecado y de su muerte eterna, no sï¿½lo
>>en la tierra sino tambiï¿½n del infierno infinitamente violento
>>y tormentoso.
>>
>>Tenï¿½amos nuestra sangre llena de pecados, mentiras y las
>>maldiciones de enfermedades y de muertes terribles de parte
>>de Lucifer y de su corazï¿½n perdido en tinieblas y destrucciï¿½n
>>eterna para cada uno de nosotros, comenzando con Adï¿½n y Eva,
>>por ejemplo, por haber comido del fruto prohibido, en vez,
>>del fruto del ï¿½rbol de la vida, infinita de Dios. De hecho,
>>ï¿½sta misma sangre nuestra tenia que ser reemplazada o
>>regenerada por una sangre buena, que no sï¿½lo nos borre,
>>limpie y purifique de nuestros pecados y de sus muchas
>>profundas tinieblas de enfermedades que vienen a nosotros del
>>mï¿½s allï¿½, de parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por
>>ejemplo, sino mucho mï¿½s que esto.
>>
>>Y esto era que la nueva sangre, no podï¿½a ser de la tierra o
>>de cualquier animal de sacrificio o de hombres, sino del
>>mismo paraï¿½so, para darnos poder y vida en abundancia, para
>>nosotros entonces poder vivir nuestras vidas, por las cuales
>>fuimos creados en Dios y en su Espï¿½ritu Santo, para sï¿½lo
>>vivirla por su ï¿½rbol Viviente, Jesucristo. Porque no es
>>posible que sangres de animales de sacrificio u hombres
>>pecadores de la tierra nos puedan dar de sus sangres, para
>>nosotros entonces poder ser hechos libres de nuestros pecados
>>y males eternos, en la tierra y en el mï¿½s allï¿½, tambiï¿½n, y
>>asï¿½ poder entrar a la nueva vida infinita del nuevo reino de
>>los cielos.
>>
>>Esto no es asï¿½, para ningï¿½n hombre, mujer, niï¿½o y niï¿½a de la
>>humanidad entera, porque no existe sangre de animal o humana
>>que nos pueda llevar de regreso a la vida celestial de la
>>antigï¿½edad, la del paraï¿½so de Adï¿½n y Eva, por ejemplo.
>>Entonces la ï¿½nica sangre que nos podï¿½a (y aun nos puede)
>>limpiar, santificar, sanar y llenar de vida en abundancia,
>>realmente, es la misma sangre gloriosa de nuestro Seï¿½or
>>Jesucristo, el ï¿½rbol de la vida eterna del paraï¿½so y de toda
>>la nueva creaciï¿½n de Dios y de sus huestes celestiales, en la
>>tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Es por eso, que el SEï¿½OR desde el principio le requiriï¿½ a
>>Adï¿½n y a Eva comer y beber solamente del fruto del ï¿½rbol de
>>la vida, para que de esta manera ï¿½nica, no sï¿½lo se pudiera

>>quedar a vivir en el paraï¿½so, sino que ambos crecerï¿½an
>>espiritualmente hasta llegar a ser tan santos y gloriosos,
>>como su mismo Creador. Porque para esto Dios mismo los saco
>>con sus propias manos del fondo de las profundas tinieblas de
>>la tierra, para formarlos con la ayuda idï¿½nea de su Espï¿½ritu
>>Santo, en su imagen y conforme a su semejanza sagrada, "sï¿½lo
>>posible", por medio del fruto del ï¿½rbol de la vida, su
>>"Cordero Escogido y su sangre bendita", ï¿½el Seï¿½or Jesucristo!
>>
>>Puesto que, es la sangre del Seï¿½or Jesucristo, la del ï¿½rbol
>>de la vida, la que nos lleva de regreso al paraï¿½so y nos
>>permite permanecer a vivir en ella con Dios y sus ï¿½ngeles
>>celestiales, para no sï¿½lo comer y beber del Seï¿½or Jesucristo,
>>sino tambiï¿½n de los frutos de los millares de ï¿½rboles que
>>existen en el paraï¿½so. Porque la sangre del hombre y de la
>>mujer tienen que ser compatibles con la sangre del ï¿½rbol de
>>la vida de Dios, para entonces quedarse a vivir en el
>>paraï¿½so, de otra manera, no es posible la vida para ningï¿½n
>>ser viviente, como el pecador o la pecadora vivir en el cielo
>>y con su Dios.
>>
>>Entonces viviremos en el paraï¿½so para comer y beber sï¿½lo del
>>ï¿½rbol de la vida y de sus millares de frutos y ï¿½rboles
>>creados por Dios y su Espï¿½ritu, los cuales sï¿½lo nos hacen
>>bien y, a la vez, nos dan salud infinita en nuestras sangres
>>y en nuestros cuerpos espirituales y glorificados, en la
>>sangre bendita de nuestro Jesucristo. Porque la verdad es que
>>el ï¿½rbol de la ciencia del bien y del mal ha de estar ahï¿½, en
>>su lugar, en el epicentro del paraï¿½so, pero ya no nos harï¿½
>>mï¿½s daï¿½o, como se lo hizo a Adï¿½n y a Eva primero, por
>>desobediencia a la palabra bendita del SEï¿½OR, por ejemplo.
>>
>>Realmente, viviremos felices y libres del mal del pecado y de
>>su muerte, porque Lucifer ya no existirï¿½ mï¿½s, como hoy en dï¿½a
>>vive aun, a pesar de la gran derrota que sufriï¿½ delante del
>>SEï¿½OR y del Seï¿½or Jesucristo, en el dï¿½a de la crucifixiï¿½n y
>>de la resurrecciï¿½n de entre los muertos en el Tercer Dï¿½a, por
>>ejemplo. Entonces como Dios mismo hizo al Seï¿½or Jesucristo
>>que sufriera el poder del pecado y de su mal eterno en el
>>madero, aunque jamï¿½s peco, para que entonces descendiera a la
>>terrible pobreza de nuestro estado espiritual del infierno, y
>>desde ahï¿½ levantarnos muy alto y hasta la nueva vida infinita
>>del nuevo reino celestial, en el mï¿½s allï¿½.
>>
>>Ademï¿½s, nuestro Dios hizo todo este gran milagro, sï¿½lo en la
>>vida de su Hijo amado, por el poder sobrenatural de su misma
>>sangre viviente, viviendo en el corazï¿½n de cada uno de los
>>hombres, mujeres, niï¿½os y niï¿½as de las naciones, para
>>entonces cumplir la Ley del paraï¿½so y asï¿½ darle vida nueva a
>>su humanidad infinita y celestial. Porque a parte de eso,

>>ningï¿½n ser viviente podï¿½a realmente conocer a su ï¿½rbol de
>>vida y de salud infinita, para entonces regresar a su vida
>>normal del cielo y vivir eternamente en la verdad y en la
>>justicia gloriosa y sumamente honrada de su Creador, ï¿½el
>>Todopoderoso de Israel y de la humanidad entera!
>>
>>Esto era totalmente imposible para la vida de la humanidad
>>entera, sin Cristo Jesï¿½s en su sangre, sea quien sea la
>>persona del ayer y de hoy en dï¿½a, en toda la creaciï¿½n de
>>Dios, en el paraï¿½so y en toda la tierra, tambiï¿½n. Por eso,
>>damos gracias a nuestro Padre Celestial por ofrecerle su
>>fruto del ï¿½rbol de la vida a Adï¿½n y a cada uno de sus
>>descendientes, tambiï¿½n, de todas las razas, pueblos, linajes,
>>tribus y reinos del mundo entero, comenzando con Eva, por
>>supuesto, para alcanzar como hoy mismo, por ejemplo, el bien
>>perdido de la vida eterna del paraï¿½so.
>>
>>Ya que, es ï¿½sta misma sangre bendita del Seï¿½or Jesucristo, su
>>Hijo amado, la cual nos mantiene vivos hoy en dï¿½a y en toda
>>la tierra, para muy pronto, si nuestro Dios nos se tarda mï¿½s,
>>entonces regresar a nuestras vidas normales del paraï¿½so y del
>>nuevo reino celestial, como La Nueva Jerusalï¿½n Dios, la que
>>desciende del cielo. Y si ï¿½sta misma sangre sagrada y antigua
>>del paraï¿½so viene a ti, mi estimado hermano, asï¿½ como vino en
>>su dï¿½a a Adï¿½n y a Eva, entonces no cometas el mismo error y
>>rebeliï¿½n de nuestros progenitores celestiales, al no comer y
>>beber del ï¿½rbol de la vida, sino has todo lo contrario, y
>>acï¿½ptala en tu vida ilimitadamente.
>>
>>Porque si aceptas a Jesucristo como tu ï¿½rbol de la vida y de
>>salud infinita de tu corazï¿½n y de tu alma, entonces los
>>poderes sobrenaturales de la misma sangre sagrada y antigua
>>del paraï¿½so, comenzara a bendecir tu vida (y la de los tuyos
>>tambiï¿½n), como jamï¿½s has sido bendecido en toda tu vida y en
>>la eternidad venidera. En realidad, sï¿½lo la sangre del Seï¿½or
>>Jesucristo es la mejor para el hombre, la mujer, el niï¿½o y la
>>niï¿½a de la humanidad entera, para perdonar pecados y
>>limpiarlos de los poderes terribles de las enfermedades, de
>>las cuales azotan el corazï¿½n, el alma y la vida humana, de
>>parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por ejemplo.
>>
>>Es por eso, que el que no tiene la sangre bendita y antigua
>>del paraï¿½so obrando en sus poderes y autoridades celestiales
>>de parte de nuestro Padre Celestial, entonces es muy fï¿½cil
>>atacado por el poder del enemigo y de sus muchas tinieblas,
>>para que su corazï¿½n, su espï¿½ritu, su alma y su cuerpo
>>enfermen, y mueran en las tinieblas. Porque todo aquel que
>>enferma y muere, entonces enferma y muere en las profundas
>>tinieblas del pecado de Lucifer y de sus ï¿½ngeles caï¿½dos, para
>>descender a su lugar eterno, en el bajo mundo del mï¿½s allï¿½,

>>como el abismo, el infierno y posteriormente, despuï¿½s del
>>juicio: la segunda muerte final de su alma perdida, el lago
>>de fuego.
>>
>>TENEMOS PERDï¿½N DE PECADO, Sï¿½LO EN LA SANGRE DE JESUCRISTO
>>
>>Por esta razï¿½n, sï¿½lo en el Seï¿½or Jesucristo tenemos redenciï¿½n
>>celestial e infinita para nuestras almas, por medio de su
>>sangre, el perdï¿½n de nuestras transgresiones de la Ley del
>>Paraï¿½so, segï¿½n las riquezas de su gracia, la cual hizo
>>sobreabundar en todo poder y entendimiento para con cada uno
>>de nosotros, en la tierra y en la eternidad, tambiï¿½n. Es por
>>eso, que la sangre del Seï¿½or Jesucristo jamï¿½s debe de faltar
>>en nuestras vidas dï¿½a a dï¿½a; nuestro Dios nos la entrego en
>>su abundancia infinita, para que jamï¿½s nos falte ninguna de
>>sus muchas bendiciones y poderes sobrenaturales, para
>>derrotar al enemigo, en todo momento de nuestras vidas, por
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Porque la verdad fue para Adï¿½n, la cual no entendiï¿½ jamï¿½s y
>>hasta que fue demasiado tarde, que el ï¿½nico poder
>>sobrenatural del mï¿½s allï¿½, como en el paraï¿½so, por ejemplo,
>>que le podï¿½a librar de cada una de las artimaï¿½as de Lucifer,
>>como sus mentiras y demï¿½s maldades mortales, era la misma
>>sangre bendita del ï¿½rbol de la vida. Porque sï¿½lo en el fruto
>>del ï¿½rbol de la vida hay poder para el corazï¿½n, para el alma
>>y para el cuerpo de Adï¿½n y de cada uno de sus descendientes,
>>en el paraï¿½so y en toda la creaciï¿½n celestial, eternamente y
>>para siempre, desde hoy mismo y hasta la nueva eternidad
>>venidera de Dios y de su humanidad infinita.
>>
>>Ademï¿½s, fue por esta razï¿½n, de que Dios requiriï¿½ de Adï¿½n y de
>>cada uno de sus descendientes, comenzando con Eva, por
>>ejemplo, de que tenï¿½an que comer y beber siempre del fruto
>>del ï¿½rbol de la vida, el Seï¿½or Jesucristo, en el epicentro
>>del paraï¿½so, para que sus cuerpos perennemente se mantuviesen
>>con esa vitalidad infinita, del reino celestial. Hoy en dï¿½a,
>>lo mismo es verdad para todo hombre, mujer, niï¿½o y niï¿½a de
>>todas las familias de las naciones del mundo entero, de los
>>que ya han vivido sus vidas, de los que aun estï¿½n viviendo
>>sus vidas y de los que han de venir a vivir sus vidas en la
>>tierra, en edades futuras, por ejemplo.
>>
>>Es decir, que la sangre del Seï¿½or Jesucristo jamï¿½s debiï¿½
>>faltar para Adï¿½n y Eva en el paraï¿½so, si realmente querï¿½an
>>seguir viviendo con Dios y con sus huestes de ï¿½ngeles
>>gloriosos y sumamente honrados, del reino de los cielos. Por
>>lo tanto, lo mismo es verdad para con nosotros en toda la
>>tierra, en esta hora del dï¿½a y por siempre ha de ser verdad,
>>igual, en la nueva vida celestial del nuevo reino celestial y

>>de su ï¿½rbol de vida infinita, rodeado por siempre de sus
>>huestes celestiales y de naciones de gentes redimidas por su
>>sangre infinita.
>>
>>En vista de que, la sangre del Seï¿½or Jesucristo jamï¿½s perdiï¿½
>>ningï¿½n valor espiritual para con Dios en el paraï¿½so, como en
>>el dï¿½a que Adï¿½n y Eva la rechazaron en sus vidas, al no comer
>>del fruto del ï¿½rbol de vida, la sangre viva e infinita del
>>nuevo reino venidero. Ni tampoco ha perdido ningï¿½n valor
>>espiritual el Seï¿½or Jesucristo en nuestras vidas humanas,
>>sino que todo lo contrario; realmente, la sangre de Cristo ha
>>ganado mï¿½s valor que antes en el corazï¿½n de los ï¿½ngeles del
>>cielo y asï¿½ tambiï¿½n en los corazones de los hombres, mujeres,
>>niï¿½os y niï¿½as de la humanidad entera, aunque jamï¿½s le han
>>visto.
>>
>>Y, hoy en dï¿½a, esta misma sangre viva e infinita toca la
>>puerta de tu corazï¿½n, mi estimado hermano y mi estimada
>>hermana, para perdonar tus pecados, librarte de todas tus
>>culpas y males eternos, para que no pierdas ninguna de las
>>bendiciones de tu Padre Celestial que estï¿½ en los cielos, por
>>ejemplo. Ademï¿½s, este es un valor espiritual de perdï¿½n,
>>bendiciï¿½n, sanidad y de salvaciï¿½n de nuestras almas, en la
>>tierra y en el paraï¿½so, llena de sus muchas y mï¿½s ricas
>>gloriosas bendiciones de nuestro Padre Celestial, de su Hijo
>>amado, de su Espï¿½ritu Santo y de sus millares de ï¿½ngeles,
>>arcï¿½ngeles, serafines, querubines y demï¿½s seres santos del
>>reino celestial.
>>
>>Es decir, tambiï¿½n, que cada vez que la sangre del Seï¿½or
>>Jesucristo se manifiesta en nuestras vidas, entonces mucho
>>mï¿½s de ella llegamos a conocer en nuestros corazones, en
>>nuestras almas, en nuestros espï¿½ritus y cuerpos humanos, en
>>la tierra y en el paraï¿½so, como en el nuevo reino celestial:
>>La Nueva Jerusalï¿½n Santa e Infinita del cielo, por ejemplo.
>>Porque la verdad es que aun no conocemos muchos de los
>>poderes y autoridades sobrenaturales de la sangre viviente
>>del Seï¿½or Jesucristo, para bendecir nuestras vidas terrenales
>>y celestiales, tambiï¿½n, como en el mï¿½s allï¿½, de la nueva era
>>venidera de Dios y de sus huestes celestiales, del nuevo
>>reino de los cielos.
>>
>>En la medida en que, sabemos muy bien que la sangre del Seï¿½or
>>Jesucristo perdona pecados, bendice profundamente y sana las
>>almas, los espï¿½ritus y los cuerpos humanos de los hombres,
>>mujeres, niï¿½os y niï¿½as de la humanidad entera, sin jamï¿½s
>>dejar sin su bendiciï¿½n a ninguno de ellos, en toda la
>>creaciï¿½n terrenal y celestial, a la misma vez. Y, ademï¿½s,
>>sobre todas las cosas, la sangre de Jesucristo tiene poder
>>para levantarnos de entre los muertos y volver a vestir

>>nuestros huesos, con carne, mï¿½sculos, ï¿½rganos y piel, como
>>Dios nos formo, tal como siempre hemos sido (y seremos), como
>>hombres y mujeres, en nuestras nuevas vidas infinitas, de la
>>eternidad venidera del nuevo reino celestial, por ejemplo.
>>
>>Porque la verdad es tambiï¿½n que la sangre viva del Seï¿½or
>>Jesucristo tiene cada una de "todas las informaciones
>>genï¿½ticas" de cada hombre, mujer, niï¿½o y niï¿½a de la humanidad
>>entera, para volverlo a bendecir en su cuerpo, alma y
>>espï¿½ritu humano con mucha mï¿½s gloria que antes, aun mucho
>>mayores que Adï¿½n y Eva, en el paraï¿½so, por ejemplo. Por lo
>>tanto, la sangre del Seï¿½or Jesucristo es tan importante en la
>>vida de la humanidad entera, por muchas razones, de la misma
>>manera que fue tan importante para Adï¿½n y Eva, por ejemplo,
>>para que no pequen jamï¿½s, sino que obedezcan y vivan por
>>siempre sus vidas eternas con su Dios y con su Jesucristo, en
>>el cielo.
>>
>>Y sin la sangre viva e infinita del Seï¿½or Jesucristo,
>>entonces no hay expiaciï¿½n de pecado alguno para ningï¿½n
>>hombre, mujer, niï¿½o y niï¿½a, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos del mundo entero, desde los
>>dï¿½as del paraï¿½so y hasta la nueva eternidad venidera. En
>>realidad, todo hombre y toda mujer morirï¿½ infinitamente en su
>>corazï¿½n, luego en su alma y finalmente en su cuerpo y
>>espï¿½ritu humano, hasta que muerda el polvo de la muerte, en
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n, como en el infierno o el
>>lago de fuego, la segunda muerte del ï¿½ngel caï¿½do y del alma
>>perdida.
>>
>>Pero aunque esto siempre ha sido la ley de la vida en la
>>tierra, desde que el hombre vive en ella, realmente volverï¿½ a
>>ver la vida, sï¿½ en su corazï¿½n y durante los dï¿½as de su vida:
>>Honro al Seï¿½or Jesucristo, delante de Dios y de su Espï¿½ritu
>>Santo, para gloria y para honra infinita de su nombre
>>sagrado. Porque esta es la promesa de vida y de salvaciï¿½n
>>infinita que Dios le ofreciï¿½ primero a Adï¿½n y para todo aquel
>>que ame y honre por siempre a su Hijo amado, en su espï¿½ritu y
>>en su vida, con tan sï¿½lo creer en su corazï¿½n e invocar con
>>sus labios su perdï¿½n de pecados y salvaciï¿½n de su vida.
>>
>>Entonces es importante que todo corazï¿½n del hombre, mujer,
>>niï¿½o y niï¿½a de toda la tierra, honre el nombre sagrado del
>>Seï¿½or Jesucristo, para que la sangre viviente del pacto
>>eterno comience a vivir en su corazï¿½n, en su alma, en su
>>espï¿½ritu y en su cuerpo humano, para sanarlo de sus males y
>>hasta que regrese al paraï¿½so. Porque es sï¿½lo lo que la sangre
>>del Seï¿½or Jesucristo ha hecho en nuestros corazones, almas,
>>cuerpos y espï¿½ritus humanos, lo que realmente nos darï¿½
>>poderes especiales y sobrenaturales, desde hoy mismo, para

>>poder volver a nuestros hogares celestiales del paraï¿½so, al
>>lado de nuestro Dios y de su ï¿½rbol de vida, nuestro redentor
>>infinito, ï¿½el Seï¿½or Jesucristo!
>>
>>JESï¿½S NACIï¿½ DE UNA VIRGEN Y NOS DIO SU SANGRE VIVA E INFINITA
>>
>>Pero cuando se acerco la riqueza de la eternidad, entonces
>>Dios enviï¿½ al Seï¿½or Jesucristo, nacido de virgen y bajo la
>>Ley de Moisï¿½s y de Israel, tambiï¿½n, para que redimiese a los
>>que viviï¿½an bajo la maldiciï¿½n de la Ley, a fin de que sean
>>hechos legï¿½timamente hijos de Dios, para la nueva vida
>>infinita del nuevo reino celestial. Porque nuestro Dios jamï¿½s
>>se tarda en enviar a su Hijo amado a Israel, para redimirnos
>>de los poderes terribles del pecado, por haber transgredido
>>en contra de la Ley del paraï¿½so, al no comer del fruto de la
>>vida eterna, la sangre viva e infinita del pacto eterno, por
>>rebeldiï¿½a de sus progenitores celestiales, Adiï¿½n y Eva, por
>>ejemplo.
>>
>>De suerte que, el servir a Dios es ï¿½nicamente comer del fruto
>>de la vida, eso es todo (o el todo de todo) para nosotros
>>vivir; es decir, tambiï¿½n, que el servir a Dios es cumplir y
>>exaltar por siempre su Ley Santa y Eternamente honrada, la
>>del paraï¿½so y la de la tierra escogida de Canaï¿½n, Israel, por
>>ejemplo. Es miï¿½s, para nuestro Padre Celestial el cumplir y
>>honrar su Ley Sagrada es comer y beber de ella, del pan y de
>>la copa de vino, su Hijo amado, ï¿½el Seï¿½or Jesucristo!, para
>>alejarnos de las tinieblas y entrar a la luz miï¿½s brillante
>>que el Sol, el Mesiï¿½as de la nueva eternidad venidera.
>>
>>Es decir, tambiï¿½n, que el creer en el Seï¿½or Jesucristo, como
>>su Hijo amado, es comer y beber de la Ley del paraï¿½so y de la
>>vida eterna del nuevo reino celestial, hoy en diï¿½a y por
>>siempre en el infinito. Dado que, la nueva eternidad
>>celestial de Dios es La misma Nueva Jerusaliï¿½n Eterna, la que
>>Dios soiï¿½iï¿½ desde siempre con el hombre y sus iï¿½ngeles de toda
>>la vida, la que desciende del cielo miï¿½s alto que el cielo de
>>los iï¿½ngeles, por ejemplo. Por lo tanto, para nuestro Padre
>>Celestial el amar y honrar su Ley Sagrada es verdaderamente
>>amarle a iï¿½l, en el espiï¿½ritu y en la verdad infinita de su
>>fruto del iï¿½rbol de la vida eterna; es decir, amarle siï¿½lo en
>>la sangre viva e infinita del pacto eterno del hombre del
>>mundo y de su Mesiï¿½as, iï¿½el Seiï¿½or Jesucristo!
>>
>>Entonces, hoy en diï¿½a, iï¿½ste fruto de la vida eterna de Dios y
>>del Seiï¿½or Jesucristo para cada uno de sus hijos e hijas, de
>>todas las razas, pueblos, linajes, tribus y reinos del mundo
>>entero, comenzando con Adiï¿½n y Eva en el paraiï¿½so, por ejemplo,
>>es la sangre antigua del iï¿½rbol de la vida, su Hijo amado, iï¿½el
>>Mesiï¿½as! Porque para nuestro Padre Celestial su iï¿½rbol de la

>>sangre viva e infinita es la Ley de Moisï¿½s y de Israel, o a
>>la inversa, la Ley del paraï¿½so es su ï¿½rbol de la sangre viva
>>e infinita de la vida eterna, ï¿½el Mesï¿½as!, para ï¿½ngeles del
>>cielo, para la tierra y para la nueva creaciï¿½n venidera del
>>nuevo angelical.
>>
>>Es por eso, que esta Ley Celestial de la sangre y del ï¿½rbol
>>de la vida, para bien de todo ï¿½ngel del cielo y asï¿½ tambiï¿½n
>>para todo hombre, mujer, niï¿½o y niï¿½a de la humanidad entera,
>>no la cambia nadie, jamï¿½s; porque escrito estï¿½ en las
>>Escrituras antiguas: la vida estï¿½ en la sangre del ser
>>viviente. Porque desde el dï¿½a que Adï¿½n y Eva pecaron en
>>contra de Dios, desde entonces violaron la Ley Infinita de
>>sus vidas, en esta vida y en la venidera, tambiï¿½n, para no
>>volver a ver la vida jamï¿½s, por sus culpas y por sus pecados;
>>pero esto no cambio la Ley Divina en ninguno de sus muchos y
>>gloriosos significados.
>>
>>Realmente, la Ley permaneciï¿½ santa, perfecta, pura y muy
>>gloriosa, por cierto, en el paraï¿½so y en todos los lugares
>>del reino de los cielos y hasta que entrï¿½ en la tierra por
>>vez primera, desde las alturas del Sinaï¿½, en el desierto de
>>Egipto, cuando los hebreos caminaban hacia la tierra
>>prometida, para poseerla y entonces ver al Mesï¿½as. Y esto es
>>algo que Dios ha deseado hacer tambiï¿½n en el corazï¿½n de cada
>>hombre, mujer, niï¿½o y niï¿½a de la humanidad entera, sin hacer
>>jamï¿½s excepciï¿½n de persona alguna, pero el espï¿½ritu de error
>>de las mentiras de Lucifer y de la serpiente aun luchan en
>>contra de Dios y de su Ley Sagrada, para mal de muchos.
>>
>>Es por eso, que la Ley de Dios no ha sido honrada, ni
>>exaltada, ni exclamada como tal por el pecador, vil, criminal
>>y pagano de toda la tierra, sino que la verdad es otra,
>>totalmente contraria a la voluntad perfecta de nuestro Dios
>>que estï¿½ sentado en su trono de gloria infinita en los
>>cielos, y lo ve todo. En realidad, todas estas gentes
>>pecadoras, viles, mentirosas, criminales, hacedoras de la
>>maldad, lo que han hecho, a travï¿½s de los tiempos, realmente
>>es deshonrar cada palabra, cada letra, cada tilde y cada
>>significado infinito, de la Ley de Dios y de la vida eterna
>>de todo ser viviente del cielo y de la creaciï¿½n.
>>
>>Pero nuestro Dios, en su sabidurï¿½a infinita ha vencido ï¿½ste
>>terrible mal en el corazï¿½n de los hombres, mujeres, niï¿½os y
>>niï¿½as de la humanidad entera, al escribir su Ley Sagrada en
>>sus corazones y con su dedo santo, tambiï¿½n, para que los
>>pecadores siempre se acuerden de ella, y asï¿½ ya no sigan
>>haciendo sus mismas maldades de siempre. Entonces nuestro
>>Dios, cuando llego su dï¿½a seï¿½alado, enviï¿½ a su ï¿½rbol de vida,
>>su Hijo amado, para que naciese del vientre virgen de la hija

>>de David, por el poder sobrenatural de su Espï¿½ritu, para que
>>a los nueve meses nos diese un Cordero Sagrado y bajo la Ley,
>>para que nos rescate de sus poderes y maldiciones infinitas.
>>
>>Porque cada uno de nosotros, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos de la humanidad entera,
>>realmente tenï¿½a que ser rescatado de nuestros pecados, por
>>Jesucristo, no tanto de nuestras tumbas en las profundas
>>tinieblas del mundo, eso ya lo hizo nuestro Dios en el
>>principio, sino del mismo vientre de nuestras madres, pero
>>virgen, esta vez. Es por eso, que el nacimiento del Seï¿½or
>>Jesucristo tenia que ser un nacimiento del vientre virgen de
>>una de las hijas de David, de la tribu de Judï¿½ y de la Casa
>>de Israel, solamente y en su dï¿½a, ni mï¿½s ni menos, para
>>cumplir las Escrituras, para gloria infinita de nuestro Padre
>>Celestial que estï¿½ en los cielos. Y Dios lo tenia que hacer
>>asï¿½ todo muy bien, en el vientre virgen de la joven hebrea,
>>para vencer a las tinieblas y redimir a todo hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, y asï¿½ no se pierda nadie
>>en sus profundas tinieblas de su tumba comï¿½n o del fuego del
>>infierno, por ejemplo.
>>
>>Porque nadie nos podï¿½a redimir de los poderes terribles de la
>>maldiciï¿½n y de la muerte infinita de la Ley Inquebrantable y
>>Sagrada del paraï¿½so, sino era el mismo fruto de la vida, la
>>sangre del Seï¿½or Jesucristo o, en otras palabras, la sangre
>>viva e infinita del ï¿½rbol de la vida de la Nueva Jerusalï¿½n
>>Santa e Infinita. Porque es el espï¿½ritu de la sangre del
>>cuerpo del ï¿½rbol de la vida que le da vida a todo hombre,
>>mujer, niï¿½o y niï¿½a de toda la tierra, comenzando con Adï¿½n y
>>Eva, en el paraï¿½so, por ejemplo.
>>
>>Por ello, ï¿½ste fue el ï¿½nico fruto de la vida del ï¿½rbol de
>>Dios, el cual Dios mismo le ofreciï¿½ a Adï¿½n comer y beber para
>>que vea la vida, en la tierra sagrada del paraï¿½so y en toda
>>la nueva tierra y bendita del nuevo reino celestial, como La
>>Nueva Jerusalï¿½n que desciende del mï¿½s allï¿½ de la antigï¿½edad.
>>Porque en la mente y en el corazï¿½n de Dios, desde los
>>primeros dï¿½as de la antigï¿½edad, ya estaba soï¿½ando en la
>>creaciï¿½n de una Nueva Jerusalï¿½n Santa, Perfecta e Infinita,
>>en los cielos mï¿½s alto que los ï¿½ngeles y de la humanidad
>>entera --humanidad la cual crearï¿½a posteriormente en su
>>imagen y conforme a su semejanza sagrada--.
>>
>>Aquï¿½ es cuando nuestro Dios pensï¿½ en ti, por vez primera,
>>para rescatarte de las tinieblas del vientre de la virgen,
>>con su Ley Bendita, la cual se quebrï¿½ en las manos de Moisï¿½s
>>y descendiï¿½ al abismo a esperar por Cristo, para que la
>>levantase al cielo con los poderes de la sangre viva e
>>infinita en tu corazï¿½n. Es por esta razï¿½n, que es muy

>>importante que tï¿½ mismo creas en tu corazï¿½n y confieses con
>>tus labios, la verdad redentora del Seï¿½or Jesucristo viviendo
>>en tu alma, mi estimado hermano, para que entonces por los
>>poderes de la sangre viva e infinita te eleven al paraï¿½so,
>>hoy y en tu ultimï¿½ dï¿½a de vida en el mundo.
>>
>>Y si ya has pasado de la vida al polvo de la muerte, entonces
>>en su gran dï¿½a de la resurrecciï¿½n de los muertos, Dios mismo
>>te levantara de nuevo a la vida de la tierra y del nuevo
>>reino celestial, para que vivas infinitamente, en donde
>>comenzaste a dar tus primeros pasos de vida en el paraï¿½so,
>>por ejemplo. Es decir, que si has creï¿½do en Jesucristo y
>>confesado con tus labios su verdad y su justicia, entonces en
>>la resurrecciï¿½n, Dios mismo con los poderes sobrenaturales de
>>la sangre viva te levantara de regreso a tu hogar infinito,
>>para vivir con tus progenitores celestiales, Adï¿½n y Eva, para
>>que veas y sientas tu verdadera vida, como nunca antes.
>>
>>Dado que, para esta vida celestial, es por la cual que Dios
>>te ha creado del polvo de la tierra en sus manos sagradas,
>>para que comas y bebas por siempre de su fruto de vida
>>eterna, la sangre y el cuerpo bendito del ï¿½rbol de la vida,
>>su fruto de vida infinita, su "Cordero Escogido", ï¿½el Seï¿½or
>>Jesucristo! Porque como Jesucristo no ha existido alguien
>>mayor que ï¿½l, en el cielo ni menos en la tierra, para
>>redimirte, sanarte, purificarte, santificarte y elevarte al
>>paraï¿½so para que vivas tu verdadera vida, no la de la tierra,
>>sino la de Dios, junto con ï¿½l y con sus huestes celestiales,
>>sï¿½lo en el poder de la sangre del pacto eterno.
>>
>>JESï¿½S ESTï¿½ CON SU SANGRE EN EL LUGAR SANTï¿½SIMO, PARA DARNOS
>>SALVACIï¿½N INFINITA
>>
>>Entonces nuestro Seï¿½or Jesucristo entrï¿½ de una vez por todas
>>y para siempre en el lugar santï¿½simo del altar celestial de
>>nuestro Padre Celestial, logrando asï¿½ eterna salvaciï¿½n de
>>nuestras almas infinitas, ya no mediante sangre de machos
>>perfectos y sin tacha alguna en sus cuerpos de cabrunos ni de
>>corderos ni de toros, sino mediante su propia sangre
>>hacedora. Porque es la sangre sagrada y antigua del paraï¿½so,
>>la que hace la diferencia entre Dios y el hombre, la mujer,
>>el niï¿½o y la niï¿½a de la humanidad entera, para perdonar
>>pecados y bendecir sus vidas, en un momento de oraciï¿½n y de
>>fe, en el nombre del Seï¿½or Jesucristo, en la tierra y para la
>>nueva eternidad venidera.
>>
>>Y sin ï¿½sta sangre bendita de su corazï¿½n y de su cuerpo santo,
>>nuestro Jesucristo no podï¿½a entrar al lugar santï¿½simo del
>>altar celestial de Dios, sino que tenia que permanecer fuera
>>de ï¿½l, como todo ser viviente que aun no ha recibiï¿½ los

>>beneficios y bendiciones de fe, de la sangre del pacto
>>eterno, entre Dios y el hombre. Entonces fue por esta razï¿½n,
>>que Jesucristo tenia que descender del cielo, para entrar en
>>el vientre virgen, de una de las hijas de David, para que a
>>los nueve meses, nos diese aquel corazï¿½n y cuerpo santo,
>>lleno de la sangre redentora y del pacto eterno entre Dios y
>>el hombre de la tierra, para entra al lugar santï¿½simo.
>>
>>Ademï¿½s, sï¿½lo asï¿½ entonces podamos cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y reinos
>>del mundo entero, tener acceso al lugar santï¿½simo de Dios en
>>el cielo, con tan sï¿½lo creer en nuestros corazones y confesar
>>con nuestros labios: la verdad y la justicia infinita que
>>agradan al corazï¿½n de nuestro Padre Celestial, eternamente. Y
>>esto es que el Seï¿½or Jesucristo es su Hijo y SEï¿½OR de la
>>nueva vida eterna del nuevo reino de los cielos, como en el
>>paraï¿½so y como en La Nueva Jerusalï¿½n Celestial, por ejemplo,
>>para todo ï¿½ngel y para todo hombre, mujer, niï¿½o y niï¿½a del
>>mundo, sï¿½lo fiel en su corazï¿½n a la sangre viva e infinita.
>>
>>En la medida en que, todos los que quieran ver la nueva vida
>>eterna, en el nuevo reino de los cielos, entonces tienen que
>>haber sido bendecidos, lavados y purificados en la sangre
>>sagrada del gran rey Mesï¿½as de todos los tiempos, el Hijo
>>amado de Dios, ï¿½el Seï¿½or Jesucristo! Porque ha sido nuestro
>>Seï¿½or Jesucristo quien realmente subiï¿½ al cielo desde
>>nuestras tumbas, al lugar santï¿½simo del altar de nuestro
>>Creador para interceder, mediar y reconciliarnos con ï¿½l, por
>>medio de los poderes sobrenaturales de su misma sangre
>>santï¿½sima, la cual deja correr para bien de muchos y el fin
>>del pecado, sobre la cruz del Gï¿½lgota, por ejemplo.
>>
>>Y desde el dï¿½a que el Seï¿½or Jesucristo le puso fin al pecado
>>de Adï¿½n y de cada uno de sus descendientes, entonces la
>>muerte y sus enfermedades ya no tiene poder alguno sobre
>>ninguno de nosotros, de los que hemos creï¿½do e invocado con
>>nuestros labios su nombre redentor, para perdï¿½n de pecados y
>>salvaciï¿½n infinita de nuestras vidas. Porque desde el dï¿½a que
>>comenzamos a creer e invocar su nombre, entonces se cumple la
>>Escritura, en donde dice, que todo aquel que invoque su
>>nombre bendito serï¿½ salvo en los ï¿½ltimos dï¿½as del poder del
>>pecado y de su muerte eterna, en la tierra y en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego.
>>
>>Porque todo aquel que no recibiï¿½ al Seï¿½or Jesucristo en su
>>corazï¿½n, entonces su nombre no estï¿½ escrito en "el libro de
>>la vida"; por lo tanto, su vida corre el peligro de terminar
>>entre las llamas ardientes de la ira de Dios, en el infierno
>>y para finalmente caer en el lago de fuego, en el mï¿½s allï¿½.
>>Sin embargo, si lo contrario fuese verdad en tu vida, mi

>>estimado hermano, de que el espï¿½ritu de fe, de la sangre viva
>>e infinita del Seï¿½or Jesucristo ha entrado en tu corazï¿½n y en
>>toda tu vida, tambiï¿½n, entonces comenzaras a ser bendecido
>>por ella con muchos de sus poderes sobrenaturales de
>>milagros, maravillas y hasta prodigios, tambiï¿½n.
>>
>>Porque es el espï¿½ritu de fe, en la sangre bendita del Seï¿½or
>>Jesucristo, la cual realmente nos da poder y muchos bienes
>>sobrenaturales para protegernos dï¿½a y noche de los males del
>>pecado y de las profundas tinieblas del enemigo infinito de
>>nuestras almas eternas, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para la eternidad venidera. Es decir, tambiï¿½n de que
>>Dios mismo te protegerï¿½, como protege a sus ï¿½ngeles
>>celestiales de los males de Lucifer y de sus ï¿½ngeles caï¿½dos,
>>por amor infinito de su corazï¿½n sagrado hacia la verdad y la
>>justicia infinita de la sangre gloriosa y eternamente
>>milagrosa del fruto de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Por ende, nada ni nadie podrï¿½ realmente hacerte ningï¿½n mal en
>>todos los dï¿½as de tu vida por la tierra, si el espï¿½ritu de la
>>sangre del Seï¿½or Jesucristo reina en tu corazï¿½n, para cumplir
>>cada una de las promesas divinas, hecha a sus amados de la
>>antigï¿½edad de Israel, desde el comienzo de las cosas, por
>>amor a ti. Y esto es de perdï¿½n de pecados, protecciï¿½n
>>infinita de los males del enemigo en sus vidas y alcanzar las
>>mï¿½s ricas y gloriosas bendiciones de la nueva vida celestial
>>e infinita del nuevo reino de Dios, en la tierra y en el
>>cielo, tambiï¿½n, para la nueva eternidad venidera de ï¿½ngeles y
>>de su eterna humanidad regenerada.
>>
>>Porque tanto como los ï¿½ngeles del cielo y asï¿½ tambiï¿½n la
>>humanidad entera ha sido bendecida y regenerada inmensamente
>>por tan sï¿½lo ingerir vida del fruto de la vida eterna, el
>>Seï¿½or Jesucristo, ya sea para los millares de ï¿½ngeles en el
>>cielo o para los hombres, mujeres, niï¿½os y niï¿½as de toda la
>>tierra, tambiï¿½n, por ejemplo. Porque es la sangre viva e
>>infinita del paraï¿½so, el fruto de la vida, del ï¿½rbol de Dios,
>>el Seï¿½or Jesucristo, la cual realmente alimenta el corazï¿½n,
>>el alma, el espï¿½ritu y el cuerpo humano de Adï¿½n y de la
>>humanidad entera, de todas las naciones de la tierra y del
>>nuevo reino celestial, tambiï¿½n, por supuesto, para la
>>eternidad.
>>
>>Entonces tenemos la confianza en nuestros corazones eternos,
>>de que el Seï¿½or Jesucristo ascendiï¿½ al cielo, para entrar al
>>lugar santiï¿½simo del altar de Dios, no con la sangre de los
>>corderos, toros y cabrï¿½os de Israel de la antigï¿½edad o de
>>siempre, sino con su misma sangre bendita, la cual nos da
>>vida y salud en abundancia, infinitamente. Es por eso, que

>>desde la antigï¿½edad y hasta nuestros dï¿½as, tenemos al Seï¿½or
>>Jesucristo delante de Dios y ante su altar del cielo,
>>intercediendo por el bienestar de cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y rï¿½enos
>>de la tierra, de los que hemos creï¿½do e invocado su nombre
>>salvador con nuestros labios.
>>
>>Para que entonces nuestro Padre Celestial ya no vea nuestros
>>pecados y sus muchas tinieblas en nuestras vidas, sino sï¿½lo
>>al Seï¿½or Jesucristo bendiciï¿½ndonos dï¿½a y noche con su sangre
>>viva e infinita, llena de verdad y de justicia celestial,
>>para nuestros corazones y para nuestras nuevas vidas
>>celestiales del nuevo reino de los cielos, en la nueva
>>eternidad infinita. Por consiguiente, ï¿½sta sangre viva y
>>real, llenara nuestros corazones y nuestras venas de nuestros
>>cuerpos de vida y de la misma salud celestial e infinita de
>>nuestro Padre Celestial y de su ï¿½rbol de la vida, su Hijo
>>amado, el gran rey Mesï¿½as, ï¿½el Seï¿½or Jesucristo!, en los dï¿½as
>>venideros, si permanecemos fiel, a su sangre expiatoria y
>>reconciliadora.
>>
>>Y desde entonces llegaremos a ser esos hombres y mujeres
>>completamente formados, en el Espï¿½ritu y en el amor infinito
>>de Dios y de su Seï¿½or Jesucristo, para jamï¿½s volver a conocer
>>el mal del pecado ni ninguna de sus enfermedades terribles,
>>de nuestros corazones y de nuestras almas, en la tierra y en
>>el paraï¿½so, eternamente y para siempre. Realmente seremos
>>hechos, como Dios mismo lo dispuso en el comienzo de todas
>>las cosas, en su imagen y conforme a su semejanza santa,
>>perfecta y sin igual alguna, gracias a la sangre viva e
>>infinita del ï¿½rbol de la vida, viviendo en nuestros corazones
>>y en nuestras almas regeneradas, para la vida infinita del
>>nuevo reino celestial.
>>
>>Y, a partir de aquel dï¿½a en adelante, sï¿½lo conoceremos la
>>felicidad celestial de vivir con nuestro Padre Celestial, su
>>Espï¿½ritu Santo y su Hijo amado, el Seï¿½or Jesucristo, rodeado
>>por siempre de sus huestes de ï¿½ngeles celestiales y de su
>>nueva humanidad infinita de todos los tiempos, para jamï¿½s
>>volvernos a separar de ï¿½l, en la eternidad venidera. Y es
>>precisamente esta vida y ï¿½ste dï¿½a celestial, ya muy cercano,
>>por cierto, por los cuales tu corazï¿½n y tu alma siempre te lo
>>han requerido de ti, pero sin tï¿½ saberles responder
>>adecuadamente, porque no conocï¿½as a Cristo, tu ï¿½nica verdad y
>>justicia salvadora de tu vida, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para siempre.
>>
>>LA SANGRE VIVA E INFINITA TE AMA
>>
>>

>>La sangre del ï¿½rbol de la vida clama por ti, desde la
>>fundaciï¿½n de la roca eterna, en donde se derramo hasta llegar
>>a las profundas tinieblas de las tumbas de los pecadores y
>>pecadoras de la humanidad, para reclamar por tu vida y por tu
>>salvaciï¿½n infinita. Y desde aquel dï¿½a, como en el Tercer Dï¿½a
>>subiï¿½ de regreso a la tierra sagrada que te vio nacer del
>>polvo de la tierra, en las manos de Dios, para seguir
>>clamando por ti y por tu salvaciï¿½n, pero esta vez, desde el
>>epicentro del lugar santï¿½simo de nuestro Padre Celestial, en
>>el cielo.
>>
>>Porque la verdad es que el amor de nuestro Padre Celestial
>>hacia el hombre y su humanidad infinita es mayor que todos
>>los sentimientos de su corazï¿½n y de sus cosas muy gloriosas y
>>grandiosas del reino de los cielos y de sus ï¿½ngeles sumamente
>>gloriosos y eternamente honrados delante de su presencia
>>sagrada. Y es por este amor, que nuestro Dios dio su misma
>>vida santa, para redimirnos a cada uno de nosotros, de los
>>males del pecado y de su muerte infinita, en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego, por ejemplo, la
>>segunda muerte del alma rebelde al fruto de vida, la sangre
>>hacedora / restauradora.
>>
>>Ademï¿½s, este fruto de vida del paraï¿½so es la misma sangre
>>viva e infinita que nuestro salvador, Jesucristo, el Mesï¿½as,
>>dejo correr sobre los ï¿½rboles cruzados, secos y sin vida de
>>Adï¿½n y Eva, sobre la cima de la roca eterna, en las afueras
>>de Jerusalï¿½n, para ponerle fin al pecado y al ï¿½ngel de la
>>muerte, en tu vida. Para que de esta manera, el pecado y sus
>>poderes de las profundas tinieblas del mï¿½s allï¿½ ya no tengan
>>ningï¿½n poder sobre ninguno de nosotros, en todos los lugares
>>de la tierra y aun en el mï¿½s allï¿½, tambiï¿½n, con el ï¿½ngel de
>>la muerte, como en el bajo mundo de las almas perdidas de los
>>pecadores, por ejemplo.
>>
>>Porque con la sangre viva e infinita, el pecado y el ï¿½ngel de
>>la muerte ya no pueden tocar ni tener efecto alguno, en
>>nuestros corazones, en nuestras almas, en nuestros cuerpos,
>>ni menos en nuestras vidas, en la tierra y en el mï¿½s allï¿½,
>>como en el paraï¿½so o como en La Nueva Jerusalï¿½n Sagrada e
>>Infinita del cielo. En realidad, el poder de la sangre del
>>Seï¿½or Jesucristo en nuestras vidas no la entiende ningï¿½n ser
>>humano, con su corazï¿½n y con su mente pecadora, sï¿½lo nuestro
>>Padre Celestial y su Espï¿½ritu Santo; ni aun los ï¿½ngeles
>>pueden entender los poderes y autoridades sobrenaturales de
>>la sangre del Seï¿½or Jesucristo, en sus mentes y en sus
>>corazones.
>>
>>Los ï¿½ngeles sï¿½lo se admiran de la gloria infinita que ven en
>>ella, cuando toca el corazï¿½n y la vida de cada hombre, mujer,

>>niï¿½o y niï¿½a de la humanidad entera, para redimirlos del poder
>>del pecado y de sus males eternos, como la muerte en el
>>infierno o la muerte infinita, en el lago de fuego, por
>>ejemplo. Realmente, los poderes sobrenaturales de la sangre
>>que Jesucristo derrama sobre la cima de la roca eterna, en
>>las afueras de Jerusalï¿½n, sï¿½lo son para los que aman a Dios y
>>a su Espï¿½ritu Santo, en sus corazones, en su espï¿½ritu y en su
>>verdad, para dejar atrï¿½s las tinieblas y vivir la luz de la
>>vida del paraï¿½so infinitamente.
>>
>>Por lo tanto, nosotros estamos llamados por Dios mismo, de la
>>misma manera que llama a Adï¿½n a comer y beber de su fruto del
>>ï¿½rbol de la vida, es decir, de la sangre viva e infinita de
>>la nueva vida, del nuevo reino celestial, para gloria y para
>>honra perdurable de ï¿½l mismo y de su Espï¿½ritu Santo. Porque
>>de otra manera, ninguno de nosotros, al igual que Adï¿½n y Eva,
>>jamï¿½s podremos realmente ver ni menos conocer la vida
>>inmortal del paraï¿½so, por la cual Dios nos saco del polvo de
>>la muerte, para formarnos en su imagen y conforme a su
>>semejanza, para vivir con ï¿½l y conocerle como tal, como
>>nuestro Creador, en la inmensidad.
>>
>>Por ello, nuestro Dios desea que cada uno de nosotros le
>>conozcamos a ï¿½l, de la misma manera, como su Hijo amado
>>siempre le ha conocido desde tiempos inmemoriales y hasta
>>nuestros dï¿½as, por ejemplo. Es por eso, que en el principio
>>nuestro Dios nos creo en sus mismas manos y no en las manos
>>de los ï¿½ngeles o de otros seres celestiales, para entonces
>>crearnos a su perfecciï¿½n infinita de su imagen y conforme a
>>su semejanza celestial, con el fin de que le conozcamos algï¿½n
>>dï¿½a, como hoy en dï¿½a, por ejemplo.
>>
>>Porque sin la imagen y semejanza celestial de Dios, entonces
>>nosotros no hubiï¿½semos jamï¿½s conocido al Seï¿½or Jesucristo, ni
>>a su Espï¿½ritu Santo ni mucho menos a ï¿½l, como nuestro Padre
>>Celestial, Fundador del cielo y de la tierra, ï¿½el
>>Todopoderoso! Entonces en el dï¿½a de nuestra formaciï¿½n era
>>indispensable para Dios formarnos en los poderes gloriosos y
>>sobrenaturales de la sangre viva e infinita del ï¿½rbol de la
>>vida, Jesucristo, el Mesï¿½as, para que nosotros vivamos por
>>siempre de su fruto de vida celestial, la sangre del pacto
>>eterno entre ï¿½l y el hombre, la del Gï¿½lgota, por ejemplo.
>>
>>Ya que, si Dios nos hubiese creado en la imagen y semejanza
>>de los ï¿½ngeles del cielo, lo cual hubiese sido muy loable y
>>glorioso, tambiï¿½n, pero jamï¿½s asï¿½ de loable o asï¿½ de
>>glorioso, como la misma imagen y semejanza celestial de
>>nuestro Padre Celestial, el Dios del cielo y de toda la
>>tierra. Y si Dios nos hubiese creado en las manos de otros
>>seres, como corderos, becerros, toros, en fin, como

>>cualquiera de los animales del paraï¿½so o de la tierra,
>>entonces no tendrï¿½amos el potencial en nuestros corazones de
>>conocerle a ï¿½l, en su imagen y conforme a su semejanza, cï¿½mo
>>sï¿½lo Cristo le conoce, desde siempre, y por los siglos.
>>
>>Es decir, que los animales sï¿½lo pueden conocer a los
>>animales, en su imagen y semejanza de cada uno de ellos
>>mismos; y asï¿½ tambiï¿½n los ï¿½ngeles del cielo, por ejemplo,
>>segï¿½n sean sus rangos de gloria y de perfecciï¿½n celestial,
>>como arcï¿½ngeles a arcï¿½ngeles, serafines a serafines,
>>querubines a querubines y demï¿½s seres santos del reino. Como
>>por ejemplo, el becerro se identifica con su igual, es decir,
>>otro becerro; y, ademï¿½s, pueden vivir juntos en sus manadas,
>>sin ningï¿½n problema alguno y hasta se procrean mutuamente en
>>grandes nï¿½meros, si se los deja a vivir a su manera natural
>>de vivir, por ejemplo.
>>
>>Pues asï¿½ tambiï¿½n los toros y las vacas, estos animales se
>>identifican el uno al otro y viven en sus manadas por la
>>tierra, en paz, en tranquilidad y felices de estar juntos. Lo
>>mismo podrï¿½amos decir, por cualquier otro animal del aire, de
>>la tierra y del mar, cada uno de ellos se identifica en su
>>imagen y segï¿½n su semejanza, y viven juntos y felices todas
>>sus vidas y sin ningï¿½n problema.
>>
>>Pues el hombre tambiï¿½n con Dios y con su Jesucristo viviendo
>>en su corazï¿½n, siempre llenos de los frutos de vida y de
>>salud eterna de su Espï¿½ritu Santo, porque hemos sido creados
>>en las manos sagradas de Dios, para vivir en su imagen y
>>conforme a su semejanza infinita y celestial, en la tierra y
>>en el paraï¿½so. Pues entonces, nosotros hemos salido de Dios y
>>de Cristo o del ï¿½rbol de la vida eterna, por su sangre y por
>>su Espï¿½ritu Santo, tambiï¿½n, por ejemplo, para vivir la vida
>>del paraï¿½so y no tanto (o jamï¿½s) la vida pecadora y rebelde a
>>Dios, la del fruto prohibido del ï¿½rbol de la ciencia, del
>>bien y del mal.
>>
>>Ahora, si Dios nos hubiese creado en las manos de Lucifer,
>>por ejemplo, entonces seriamos formados conforme a su imagen
>>y semejanza, algo terrible e impensable; y si hubiese sido
>>asï¿½, entonces seriamos mï¿½s diablos que ï¿½l mismo, sin igual
>>alguno en toda la inmensidad celestial y terrenal de la
>>creaciï¿½n de Dios. Es mï¿½s, ni Lucifer mismo nos hubiese
>>soportado tanto, como Dios lo ha hecho a travï¿½s de los
>>tiempos y hasta nuestros dï¿½as, pues, nos hubiese matado hace
>>mucho tiempo ya, para no sufrir nuestros pecados, maldades y
>>hasta quien sabe que otras cosas mï¿½s terribles, de las cuales
>>destrozarï¿½an su corazï¿½n, para no desearnos volver a ver mï¿½s.
>>
>>Pero gracias a Dios que no hemos sido creados en la imagen y

>>semejanza de ï¿½ngeles, ni de animales, ni mucho menos en las
>>manos de Lucifer, sino que fuimos creados en las manos
>>sagradas de Dios y de su ï¿½rbol de vida eterna, para ser
>>llenos por siempre de su Espï¿½ritu Eterno. Porque es la
>>llenura del Espï¿½ritu de Dios, la que nos da vida, hoy en dï¿½a
>>y por siempre en la eternidad venidera, de la misma manera
>>que el Espï¿½ritu de Dios tuvo que entrar en el vientre virgen
>>de la joven hebrea, para darnos al Mesï¿½as.
>>
>>Y luego el Espï¿½ritu Santo de Dios tuvo que levantar al Tercer
>>Dï¿½a al Seï¿½or Jesucristo de entre los muertos, despuï¿½s de
>>haber vivido toda su vida fiel a la Ley del paraï¿½so como el
>>Mesï¿½as, para volver a darnos vida infinitamente a cada uno de
>>nosotros, de todas las familias, razas, pueblos, linajes,
>>tribus y reinos de la tierra. Entonces nuestro Dios nos crea
>>en su espï¿½ritu de amor sobrenatural y eterno, y ï¿½ste es el
>>mismo amor por el cual ha conocido desde siempre a su Hijo
>>amado, el Seï¿½or Jesucristo y a su Espï¿½ritu Santï¿½simo, desde
>>los primeros dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por
>>ejemplo.
>>
>>Para que hoy en dï¿½a, nosotros tambiï¿½n vivamos con ï¿½l y
>>finalmente le conozcamos a travï¿½s de los tiempos de la
>>eternidad venidera, tal como ï¿½l siempre ha sido (y ha de ser)
>>para con nosotros, en la tierra y en la nueva vida infinita
>>del nuevo reino de los cielos. Y cuando lleguemos a conocer a
>>nuestro Padre Celestial, como ha sido conocido por el Seï¿½or
>>Jesucristo y su Espï¿½ritu Santo, entonces entenderemos todo lo
>>importante que ha sido desde siempre: la sangre del pacto
>>eterno entre Dios y el hombre de la humanidad entera, para
>>librarnos de las tinieblas y ver sï¿½lo por la luz de Cristo,
>>infinitamente.
>>
>>Es por esta razï¿½n, que la sangre viva e infinita del ï¿½rbol de
>>la vida nos libra de los males del pecado y de sus muchas
>>enfermedades de nuestros corazones, de nuestros espï¿½ritus y
>>cuerpos humanos y celestiales, si tan sï¿½lo amamos a nuestro
>>Dios, en el espï¿½ritu y en la verdad infinita de nuestro
>>nombre salvador, ï¿½el Seï¿½or Jesucristo! Y, hoy mï¿½s que nunca,
>>el espï¿½ritu de la sangre viva e infinita del ï¿½rbol de la vida
>>te llama a Dios, para que te acerques y seas hecho libre,
>>limpio, purificado y santificado de tus pecados y sus
>>tinieblas profundas del mï¿½s allï¿½, para que sï¿½lo veas la vida
>>infinita del nuevo reino de los cielos, perpetuamente.
>>
>>El amor (Espï¿½ritu Santo) de nuestro Padre Celestial y de su
>>Jesucristo es contigo.
>>
>>
>>ï¿½Cultura y paz para todos, hoy y siempre!

>>
>>
>>Dï¿½gale al Seï¿½or, nuestro Padre Celestial, de todo corazï¿½n, en
>>el nombre del Seï¿½or Jesucristo: Nuestras almas te aman,
>>Seï¿½or. Nuestras almas te adoran, Padre nuestro. Nuestras
>>almas te rinden gloria y honra a tu nombre y obra santa y
>>sobrenatural, en la tierra y en el cielo, tambiï¿½n, para
>>siempre, Padre Celestial, en el nombre de tu Hijo amado, el
>>Seï¿½or Jesucristo.
>>
>>LOS ï¿½DOLOS SON UNA OFENSA / AFRENTA A LA LEY PERFECTA DE DIOS
>>
>>Es por eso que los ï¿½dolos han sido desde siempre: un tropiezo
>>a la verdad de Dios y al poder de Dios en tu vida. Un
>>tropiezo eterno, para que la omnipotencia de Dios no obre en
>>tu vida, de acuerdo a la voluntad perfecta del Padre
>>Celestial y de su Espï¿½ritu Eterno. Pero todo esto tiene un
>>fin en tu vida, en ï¿½sta misma hora crucial de tu vida. Has de
>>pensar quizï¿½ que el fin de todos los males de los ï¿½dolos
>>termine, cuando llegues al fin de tus dï¿½as. Pero esto no es
>>verdad. Los ï¿½dolos con sus espï¿½ritus inmundos te seguirï¿½n
>>atormentando dï¿½a y noche entre las llamas ardientes del fuego
>>del infierno, por haber desobedecido a la Ley viviente de
>>Dios. En verdad, el fin de todos estos males estï¿½ aquï¿½
>>contigo, en el dï¿½a de hoy. Y ï¿½ste es el Seï¿½or Jesucristo.
>>Cree en ï¿½l, en espï¿½ritu y en verdad. Usando siempre tu fe en
>>ï¿½l, escaparas los males, enfermedades y los tormentos eternos
>>de la presencia terrible de los ï¿½dolos y de sus huestes de
>>espï¿½ritus infernales en tu vida y en la vida de cada uno de
>>los tuyos tambiï¿½n, en la eternidad del reino de Dios. Porque
>>en el reino de Dios su Ley santa es de dï¿½a en dï¿½a honrada y
>>exaltada en gran manera, por todas las huestes de sus santos
>>ï¿½ngeles. Y tï¿½ con los tuyos, mi estimado hermano, mi estimada
>>hermana, has sido creado para honrar y exaltar cada letra,
>>cada palabra, cada oraciï¿½n, cada tilde, cada categorï¿½a de
>>bendiciï¿½n terrenal y celestial, cada honor, cada dignidad,
>>cada seï¿½orï¿½o, cada majestad, cada poder, cada decoro, y cada
>>vida humana y celestial con todas de sus muchas y ricas
>>bendiciones de la tierra, del dï¿½a de hoy y de la tierra santa
>>del mï¿½s allï¿½, tambiï¿½n, en el reino de Dios y de su Hijo
>>amado, ï¿½el Seï¿½or Jesucristo!, ï¿½El Todopoderoso de Israel y de
>>las naciones!
>>
>>Sï¿½LO ESTA LEY (SIN ROMPERLA) ES LA LEY VIVIENTE DE DIOS
>>
>>Esta es la ï¿½nica ley santa de Dios y del Seï¿½or Jesucristo en
>>tu corazï¿½n, para bendecirte, para darte vida y vida en
>>abundancia, en la tierra y en el cielo para siempre. Y te ha
>>venido diciendo asï¿½, desde los dï¿½as de la antigï¿½edad, desde
>>los lugares muy altos y santos del reino de los cielos:

>>
>>PRIMER MANDAMIENTO: "No tendrï¿½s otros dioses delante de mï¿½".
>>
>>SEGUNO MANDAMIENTO: "No te harï¿½s imagen, ni ninguna semejanza
>>de lo que estï¿½ arriba en el cielo, ni abajo en la tierra, ni
>>en las aguas debajo de la tierra. No te inclinarï¿½s ante ellas
>>ni les rendirï¿½s culto, porque yo soy Jehovï¿½ tu Dios, un Dios
>>celoso que castigo la maldad de los padres sobre los hijos,
>>sobre la tercera y sobre la cuarta generaciï¿½n de los que me
>>aborrecen. Pero muestro misericordia por mil generaciones a
>>los que me aman y guardan mis mandamientos".
>>
>>TERCER MANDAMIENTO: "No tomarï¿½s en vano el nombre de Jehovï¿½
>>tu Dios, porque ï¿½l no darï¿½ por inocente al que tome su nombre
>>en vano".
>>
>>CUARTO MANDAMIENTO: "Acuï¿½rdate del dï¿½a del sï¿½bado para
>>santificarlo. Seis dï¿½as trabajarï¿½s y harï¿½s toda tu obra, pero
>>el sï¿½ptimo dï¿½a serï¿½ sï¿½bado para Jehovï¿½ tu Dios. No harï¿½s en
>>ese dï¿½a obra alguna, ni tï¿½, ni tu hijo, ni tu hija, ni tu
>>siervo, ni tu sierva, ni tu animal, ni el forastero que estï¿½
>>dentro de tus puertas. Porque en seis dï¿½as Jehovï¿½ hizo los
>>cielos, la tierra y el mar, y todo lo que hay en ellos, y
>>reposï¿½ en el sï¿½ptimo dï¿½a. Por eso Jehovï¿½ bendijo el dï¿½a del
>>sï¿½bado y lo santificï¿½".
>>
>>QUINTO MANDAMIENTO: "Honra a tu padre y a tu madre, para que
>>tus dï¿½as se prolonguen sobre la tierra que Jehovï¿½ tu Dios te
>>da".
>>
>>SEXTO MANDAMIENTO: "No cometerï¿½s homicidio".
>>
>>SEPTIMO MANDAMIENTO: "No cometerï¿½s adulterio".
>>
>>OCTAVO MANDAMIENTO: "No robarï¿½s".
>>
>>NOVENO MANDAMIENTO: "No darï¿½s falso testimonio en contra de
>>tu prï¿½jimo".
>>
>>DECIMO MANDAMIENTO: "No codiciarï¿½s la casa de tu prï¿½jimo; no
>>codiciarï¿½s la mujer de tu prï¿½jimo, ni su siervo, ni su
>>sierva, ni su buey, ni su asno, ni cosa alguna que sea de tu
>>prï¿½jimo".
>>
>>Entrï¿½gale tu atenciï¿½n al Espï¿½ritu de Dios y dï¿½shazte de todos
>>estos males en tu hogar, en tu vida y en la vida de cada uno
>>de los tuyos, tambiï¿½n. Hazlo asï¿½ y sin mas demora alguna, por
>>amor a la Ley santa de Dios, en la vida de cada uno de los
>>tuyos. Porque ciertamente ellos desean ser libres de sus
>>ï¿½dolos y de sus imï¿½genes de talla, aunque tï¿½ no lo veas asï¿½,

>>en ï¿½sta hora crucial para tu vida y la vida de los tuyos,
>>tambiï¿½n. Y tï¿½ tienes el poder, para ayudarlos a ser libres de
>>todos estos males, de los cuales han llegado a ellos, desde
>>los dï¿½as de la antigï¿½edad, para seguir destruyendo sus vidas,
>>en el dï¿½a de hoy. Y Dios no desea continuar viendo estos
>>males en sus vidas, sino que sï¿½lo ï¿½l desea ver vida y vida en
>>abundancia, en cada naciï¿½n y en cada una de sus muchas
>>familias, por toda la tierra.
>>
>>Esto es muy importante: Oremos junto, en el nombre del Seï¿½or
>>Jesucristo. Vamos todos a orar juntos, por unos momentos. Y
>>digamos juntos la siguiente oraciï¿½n de Jesucristo delante de
>>la presencia santa del Padre Celestial, nuestro Dios y
>>salvador de todas nuestras almas:
>>
>>ORACIï¿½N DEL PERDï¿½N
>>
>>Padre nuestro que estï¿½s en los cielos: santificada sea la
>>memoria de tu nombre que mora dentro de Jesucristo, tu hijo
>>amado. Venga tu reino, sea hecha tu voluntad, como en el
>>cielo asï¿½ tambiï¿½n en la tierra. El pan nuestro de cada dï¿½a,
>>dï¿½noslo hoy. Perdï¿½nanos nuestras deudas, como tambiï¿½n
>>nosotros perdonamos a nuestros deudores. Y no nos metas en
>>tentaciï¿½n, mas lï¿½branos del mal. Porque tuyo es el reino, el
>>poder y la gloria por todos los siglos. Amï¿½n.
>>
>>Porque si perdonï¿½is a los hombres sus ofensas, vuestro Padre
>>Celestial tambiï¿½n os perdonarï¿½ a vosotros. Pero si no
>>perdonï¿½is a los hombres, tampoco vuestro Padre os perdonarï¿½
>>vuestras ofensas.
>>
>>Por lo tanto, el Seï¿½or Jesï¿½s dijo, "Yo soy el CAMINO, y la
>>VERDAD, y la VIDA ETERNA; nadie PUEDE VENIR al PADRE SANTO,
>>sino es POR Mï¿½". Juan 14:
>>
>>NADIE Mï¿½S TE PUEDE SALVAR.
>>
>>ï¿½CONFï¿½A EN JESï¿½S HOY!
>>
>>MAï¿½ANA QUIZAS SEA DEMASIADO TARDE.
>>
>>YA MAï¿½ANA ES DEMASIADO TARDE PARA MUCHOS, QUE NO LO SEA PARA
>>TI Y LOS TUYOS, EN EL Dï¿½A DE HOY.
>>
>>- Reconoce que eres PECADOR en necesidad, de ser SALVO de
>>ï¿½ste MUNDO y su MUERTE.
>>
>>Dispï¿½nte a dejar el pecado (arrepiï¿½ntete):
>>
>>Cree que Jesucristo muriï¿½ por ti, fue sepultado y resucito al

>>tercer dï¿½a por el Poder Sagrado del Espï¿½ritu Santo y deja que
>>entrï¿½ en tu vida y sea tu ï¿½NICO SALVADOR Y SEï¿½OR EN TU VIDA.
>>
>>QUIZï¿½ TE PREGUNTES HOY: ï¿½QUE ORAR? O ï¿½Cï¿½MO ORAR? O ï¿½QUï¿½
>>DECIRLE AL SEï¿½OR SANTO EN ORACIï¿½N? -HAS LO SIGUIENTE, y di:
>>Dios mï¿½o, soy un pecador y necesito tu perdï¿½n. Creo que
>>Jesucristo ha derramado su SANGRE PRECIOSA y ha muerto por mi
>>pecado. Estoy dispuesto a dejar mi pecado. Invito a Cristo a
>>venir a mi corazï¿½n y a mi vida, como mi SALVADOR.
>>
>>ï¿½Aceptaste a Jesï¿½s, como tu Salvador? ï¿½Sï¿½ _____? O ï¿½No
>>_____?
>>
>>ï¿½Fecha? ï¿½Sï¿½ ____? O ï¿½No _____?
>>
>>Si tu respuesta fue Si, entonces esto es solo el principio de
>>una nueva maravillosa vida en Cristo. Ahora:
>>
>>Lee la Biblia cada dï¿½a para conocer mejor a Cristo. Habla con
>>Dios, orando todos los dï¿½as en el nombre de JESï¿½S. Bautï¿½zate
>>en AGUA y en El ESPï¿½RITU SANTO DE DIOS, adora, reï¿½nete y
>>sirve con otros cristianos en un Templo donde Cristo es
>>predicado y la Biblia es la suprema autoridad. Habla de
>>Cristo a los demï¿½s.
>>
>>Recibe ayuda para crecer como un nuevo cristiano. Lee libros
>>cristianos que los hermanos Pentecostï¿½s o pastores del
>>evangelio de Jesï¿½s te recomienden leer y te ayuden a entender
>>mï¿½s de Jesï¿½s y de su palabra sagrada, la Biblia. Libros
>>cristianos estï¿½n disponibles en gran cantidad en diferentes
>>temas, en tu librerï¿½a cristiana inmediata a tu barrio,
>>entonces visita a las librerï¿½as cristianas con frecuencia,
>>para ver que clase de libros estï¿½n a tu disposiciï¿½n, para que
>>te ayuden a estudiar y entender las verdades de Dios.
>>
>>Te doy las gracias por leer mï¿½ libro que he escrito para ti,
>>para que te goces en la verdad del Padre Celestial y de su
>>Hijo amado y asï¿½ comiences a crecer en ï¿½l, desde el dï¿½a de
>>hoy y para siempre.
>>
>>El salmo 122, en la Santa Biblia, nos llama a pedir por la
>>paz de Jerusalï¿½n dï¿½a a dï¿½a y sin cesar, en nuestras
>>oraciones. Porque ï¿½sta es la tierra, desde donde Dios lanzo
>>hacia todos los continentes de la tierra: todas nuestras
>>bendiciones y salvaciï¿½n eterna de nuestras almas vivientes. Y
>>nos dice Dios mismo, en su Espï¿½ritu Eterno: "Vivan tranquilos
>>los que te aman. Haya paz dentro de tus murallas y
>>tranquilidad en tus palacios, Jerusalï¿½n". Por causa de mis
>>hermanos y de mis amigos, dirï¿½ yo: "Haya paz en ti, siempre
>>Jerusalï¿½n". Por causa de la casa de Jehovï¿½ nuestro Dios, en

>>el cielo y en la tierra: implorarï¿½ por tu bien, por siempre.
>>
>>El libro de los salmos 150, en la Santa Biblia, declara el
>>Espï¿½ritu de Dios a toda la humanidad, diciï¿½ndole y
>>asegurï¿½ndole: - Quï¿½ todo lo que respira, alabe el nombre de
>>Jehovï¿½ de los Ejï¿½rcitos, ï¿½el Todopoderoso! Y esto es, de toda
>>letra, de toda palabra, de todo instrumento y de todo
>>corazï¿½n, con su voz tiene que rendirle el hombre: gloria y
>>loor al nombre santo de Dios, en la tierra y en las alturas,
>>como antes y como siempre, por la eternidad.

544. Re: (IV&#65533;N): ALABANDO A DIOSaaa

>>formar en sus manos santas, sino mucho mï¿½s que esto.
>>
>>Realmente, nuestro Dios desea ver a Adï¿½n y a cada uno de sus
>>descendientes en toda la tierra y en el reino celestial
>>igual, ni mï¿½s ni menos, en la perfecciï¿½n infinita de santidad
>>y de gloria como su Hijo amado, como sus ï¿½ngeles, como su
>>Espï¿½ritu Santo y hasta como ï¿½l mismo si fuese posible hacerlo
>>asï¿½, por ejemplo. Y todo esto es posible sï¿½lo con creer en
>>nuestros corazones y asï¿½ confesar con nuestros labios: el
>>nombre sagrado de su Hijo amado, su fruto de vida y de
>>medicina eterna para el corazï¿½n y para el alma viviente de
>>cada hombre, mujer, niï¿½o y niï¿½a de la humanidad entera, hoy
>>en dï¿½a y por siempre, en la eternidad venidera del nuevo
>>reino de los cielos.
>>
>>Porque asï¿½ como nuestro Dios es santo, entonces nosotros
>>tambiï¿½n somos santos y Lucifer es el ï¿½nico mentiroso que muy
>>pronto ha de ir a su lugar eterno, en el mï¿½s allï¿½ del mï¿½s
>>allï¿½, al lago de fuego, su segunda muerte final de su
>>espï¿½ritu malvado. Y esta muerte final del ï¿½ngel de la muerte
>>y de Lucifer, como tambiï¿½n de cada uno de sus ï¿½ngeles caï¿½dos,
>>es el Seï¿½or Jesucristo.
>>
>>Porque el Seï¿½or Jesucristo fue quien le dijo a Lucifer, en el
>>dï¿½a que triunfaba sobre ï¿½l y su reino inicuo: "Muerte, Yo soy
>>tu muerte". Porque todo lo que no es santo ha de morir, tarde
>>o temprano, pero finalmente muere, para que no vuelva a
>>existir jamï¿½s para ofender a Dios. Por lo tanto, el fin de
>>todo pecado ha llegado al hombre y tambiï¿½n a todos los impï¿½os
>>del mï¿½s allï¿½, como Lucifer y cada uno de sus ï¿½ngeles caï¿½dos,
>>en sus millares, como en el bajo mundo del infierno, por
>>ejemplo. Y sï¿½lo los que alaban y honran a su Dios por
>>Jesucristo, han de vivir, ï¿½ngeles del cielo y hombres del
>>paraï¿½so y de la tierra, de siempre.
>>
>>Por lo tanto, nuestro Dios es santo, porque por siempre ha
>>habitado entre las alabanzas de su pueblo y de los que aman
>>el nombre sagrado de su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>Porque nuestro Dios estï¿½ en los cielos y nosotros en la
>>tierra. Por eso, ï¿½l ve dï¿½a y noche todo lo que sucede con el
>>nombre de su Hijo amado, en nuestros corazones y en nuestras
>>vidas, porque para nuestro Dios no hay nada oculto debajo del
>>cielo ni menos en la tierra, sino que todo estï¿½ expuesto
>>claramente ante sus ojos.
>>
>>Y es ï¿½l quien busca dï¿½a y noche que los corazones de los
>>hombres, mujeres, niï¿½os y niï¿½as de la humanidad entera,
>>honren y exalten su nombre santo, con sus corazones llenos
>>del espï¿½ritu de fe, del nombre sagrado de su Hijo amado. Para
>>ï¿½l entonces poder bendecirlos a cada uno de ellos, con

>>grandes poderes sobrenaturales del cielo, de su nueva vida
>>infinita del mï¿½s allï¿½, como la nueva ciudad del gran rey
>>Mesï¿½as, su ï¿½rbol de vida, ï¿½el Seï¿½or Jesucristo!
>>
>>Ya que, asï¿½ como los ï¿½ngeles del cielo tienen que ser
>>bendecidos por los poderes sobrenaturales de los dones de su
>>Espï¿½ritu Santo, pues asï¿½ tambiï¿½n todo aquel que le ame, en el
>>espï¿½ritu y en la justicia redentora de su fruto de vida
>>eterna, el Seï¿½or Jesucristo, su Hijo amado. Por ello, todo
>>aquel que desee "encontrarlo en su vida", entonces lo ha de
>>encontrar en las alabanzas de glorias y de honras de su
>>corazï¿½n, levantadas hacia el cielo, hacia el trono sagrado de
>>su Dios y Creador de su vida, ï¿½el Todopoderoso de Israel y de
>>la humanidad entera!, para que bendita su vida eternamente y
>>para siempre.
>>
>>En vista de que, el Dios del cielo y de la tierra ha de venir
>>a la vida del hombre y ha de entrar en ï¿½l o en ella, si tan
>>sï¿½lo le alaba y le honra con su corazï¿½n, lleno del nombre
>>sagrado de su Hijo amado, el Seï¿½or Jesucristo. Porque para
>>nuestro Padre Celestial no existe mayor alabanza, gloria y
>>honra del ï¿½ngel del cielo y asï¿½ tambiï¿½n del hombre, de la
>>mujer, del niï¿½o y de la niï¿½a de toda la tierra, que no sea
>>ï¿½nicamente ï¿½el Seï¿½or Jesucristo!
>>
>>Por lo tanto, el que desee exaltarle a ï¿½l, como a su Dios y
>>salvador de su vida, en la tierra y en el paraï¿½so, tambiï¿½n,
>>para miles de siglos venideros, en el nuevo reino de Dios y
>>de sus huestes celestiales, entonces tiene que hacerlo por el
>>amor sobrenatural de su ï¿½rbol de vida eterna, el Seï¿½or
>>Jesucristo. Porque sï¿½lo asï¿½, o de esta manera ï¿½nica, ha de
>>llegar al corazï¿½n y a la vida del hombre nuestro Dios y su
>>Hijo amado, el Seï¿½or Jesucristo, para entrar y quedarse con
>>cada uno de ellos, en sus millares, en toda la tierra.
>>
>>Y asï¿½ habitar con cada uno de ellos, como su Dios y Fundador
>>real de sus vidas celestiales, de la misma manera que ï¿½l ha
>>habitado con sus ï¿½ngeles, arcï¿½ngeles, serafines, querubines y
>>demï¿½s seres santos del reino de los cielos, en el mï¿½s allï¿½,
>>por ejemplo, desde los primeros dï¿½as de la antigï¿½edad y hasta
>>nuestros dï¿½as. Es por esta razï¿½n, tambiï¿½n, que los cielos
>>hablan de la gloria infinita de nuestro Padre Celestial, y su
>>inmensidad confirma del poder y de la sabiduriï¿½a sobrenatural
>>de la mente y de las manos de ï¿½l y de su Hijo amado, el Seï¿½or
>>Jesucristo.
>>
>>En la medida en que, todo lo que nuestro Dios ha creado en
>>los cielos y en la tierra, tambiï¿½n, lo ha hecho con la
>>presencia y asistencia constante de su Espï¿½ritu Santo y de su
>>Hijo amado, el Seï¿½or Jesucristo. Porque sin ï¿½l, nada de lo

>>que Dios ha creado por su palabra y con sus manos, pudo haber
>>sido posible jamï¿½s, en el reino de los cielos con los ï¿½ngeles
>>y en la tierra con todo hombre, mujer, niï¿½o y niï¿½a de la
>>humanidad entera, comenzando con Adï¿½n y Eva, en el paraï¿½so,
>>por ejemplo, por supuesto.
>>
>>Puesto que, Adï¿½n fue la primera obra perfecta de las manos de
>>nuestro Padre Celestial y de su Espï¿½ritu Santo, para darle de
>>comer y de beber en su dï¿½a y sin mï¿½s demora alguna, de su
>>perfecta alabanza infinita, de su ï¿½rbol de vida, su Hijo
>>amado, el Seï¿½or Jesucristo. Es por esta razï¿½n, que cada uno
>>de los descendientes de adï¿½n, en sus millares, en toda la
>>tierra, comenzando con Eva, en el paraï¿½so, por ejemplo, ha
>>sido creado por Dios para que coma y beba dï¿½a y noche, sï¿½lo
>>de su alabanza perfecta.
>>
>>Y esto es del espï¿½ritu de la comida y de la bebida, de la
>>alabanza de gloria y de honra eterna de su Hijo amado, el
>>Seï¿½or Jesucristo, para que su nueva tierra con nuevos cielos,
>>como su gran ciudad celestial, La Gran Jerusalï¿½n Infinita,
>>entonces sea llena sï¿½lo de nueva vida glorificada y honrada
>>de sus hijos e hijas. Porque Dios ha estado buscando en los
>>ï¿½ngeles y asï¿½ en la humanidad entera, nuevas glorias y honras
>>infinitas para su nombre en su nueva vida infinita, de su
>>nuevo reino celestial, en el mï¿½s allï¿½.
>>
>>Y es aquï¿½, en donde nosotros tenemos que estar para ï¿½l, para
>>su Hijo amado y para su Espï¿½ritu Santo, rodeado por siempre
>>de las alabanzas de gloria y de honra a su nombre santo, de
>>los corazones de los ï¿½ngeles del cielo y asï¿½ tambiï¿½n de los
>>corazones de los hombres y mujeres de toda la tierra. Fue por
>>esta razï¿½n, tambiï¿½n, de que nuestro Dios buscando nuevas
>>glorias y nuevas honras para su nombre santo, entonces la
>>encontrï¿½ en un rey impï¿½o de Babilonia, llamado Nabucodonosor,
>>por ejemplo.
>>
>>En aquellos dï¿½as, ï¿½ste rey Nabucodonosor deseaba engrandecer
>>el nombre de una de su estatua grande y hecha en oro, como el
>>dios soberano de sus tierras y de las naciones en su derredor
>>tambiï¿½n. Y todo aquel que no rindiese honra y alabanzas a su
>>estatua de oro, entonces seria echado al fuego candente de
>>uno de sus hornos. Pero en este horno muy candente, Dios se
>>le manifestï¿½ a su vida, maravillosamente, en medio de
>>aquellos que querï¿½a destruir (a los hebreos), porque no le
>>habï¿½an obedecido a su mandato de arrodillarse y de honrar a
>>su estatua de oro.
>>
>>Y en aquel momento, cuando Mesac, Sadrac y Abed-negï¿½ eran
>>echados al fuego del horno, por los hombres fuertes del rey
>>babilonio, entonces se visualizo que habï¿½a estado con sus

>>siervos, los hebreos, el Hijo de Dios, todo el tiempo y hasta
>>en el mismo ardor terrible del horno, para destruir sus
>>vidas. Pero cuando el fuego era aun mï¿½s fuerte que antes, los
>>hombres verdugos murieron carbonizados, pero los hebreos no
>>murieron y danzaban alabando al Dios del cielo y de la tierra
>>junto con su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Entonces como "Nabucodonosor vio" al Hijo de Dios con sus
>>propios ojos, no muriï¿½ en aquel dï¿½a, sino que decidiï¿½ cambiar
>>su corazï¿½n para servirle a su nuevo Seï¿½or y salvador de su
>>vida, el Hijo de Dios, el Cristo de la antigï¿½edad y de
>>siempre de Israel y de la humanidad entera. Y en este dï¿½a,
>>Nabucodonosor estableciï¿½ una ley de que todo hombre, mujer,
>>niï¿½o y niï¿½a de su reino y de las naciones en toda la tierra,
>>tenï¿½an que alabar y honrar en sus corazones y en sus vidas
>>"al Hijo de Dios", que habï¿½a conocido en medio del fuego,
>>como Moisï¿½s le conociï¿½, por ejemplo, en el Sinaï¿½.
>>
>>Porque sï¿½lo el Hijo de Dios podï¿½a salvar al hombre del fuego
>>del horno y asï¿½ tambiï¿½n de la muerte eterna del infierno, por
>>lo tanto, ï¿½l es el Cristo de Israel y de los hebreos, como
>>Mesac, Sadrac y Abed-negï¿½, que fueron redimidos por el poder
>>de Dios, en aquel momento tan crucial de sus vidas o de
>>muerte. Por ello, hoy en dï¿½a, si tan sï¿½lo alabas y honras al
>>SEï¿½OR del cielo y de la tierra, con tu corazï¿½n y con tus
>>labios, entonces su Hijo amado ha de estar junto a ti y a los
>>tuyos, tambiï¿½n, para redimirte de todo mal del pecado y del
>>poder de la muerte, como del fuego eterno del infierno.
>>
>>Porque el poder del nombre y de la vida sagrada de nuestro
>>Padre Celestial jamï¿½s ha cesado en esta vida ni (cesara) en
>>la venidera tampoco, para todos los que le aman y le alaban
>>dï¿½a y noche, en sus corazones y en sus almas eternas,
>>tambiï¿½n. Es por eso, que si hoy en dï¿½a necesitas de tu Dios y
>>Creador de tu vida, entonces debes buscarlo a ï¿½l, entre el
>>fuego del horno, de los problemas y dificultades de tu vida,
>>para que el Hijo amado de Dios se haga visible en tus ojos y
>>en los (ojos) de los que te conozcan, tambiï¿½n.
>>
>>Porque nuestro Dios es real y verdadero, en esta vida y en la
>>venidera, tambiï¿½n, asï¿½ como lo eres tï¿½ con los tuyos, pues
>>asï¿½, el Hijo de Dios, el Seï¿½or Jesucristo, lo ha de ser
>>contigo, infinitamente verdadero, desde hoy mismo y por
>>siempre, en la eternidad venidera, del nuevo reino de los
>>cielos, en el mï¿½s allï¿½. Es por eso, que el nombre de tu Dios
>>y salvador de tu vida, como el Hijo de Dios, por ejemplo,
>>debe de ser alabado, desde el levantamiento del sol y hasta
>>cuando se esconde en el horizonte de cada noche de tu vida.
>>Porque al amanecer del dï¿½a siguiente se volverï¿½ a manifestar
>>con poder, como siempre, para que alaben el nombre sagrado de

>>su Creador, ï¿½el Todopoderoso de Israel y de la humanidad
>>entera!
>>
>>ALABADO SEA Dï¿½A Y NOCHE EL NOMBRE DE NUESTRO DIOS
>>
>>Desde el nacimiento del sol y hasta donde se pone, sea
>>alabado el nombre del Todopoderoso, en el corazï¿½n de sus
>>ï¿½ngeles y asï¿½ tambiï¿½n en los corazones de todos los hombres,
>>mujeres, niï¿½os y niï¿½as de toda la tierra. Porque todo lo que
>>ha creado nuestro Dios, ha sido para que su nombre sea
>>exaltado en la gloria y en la honradez perfecta, de los dones
>>sobrenaturales de su Espï¿½ritu Santo y de la vida celebre de
>>su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Es por eso, que los ï¿½ngeles del cielo alaban desde siempre el
>>nombre de nuestro Dios, porque es lo mejor para sus corazones
>>y para sus espï¿½ritus celestiales, en el cielo y por toda la
>>creaciï¿½n; es mï¿½s, no hay nada mejor para ellos que deseasen
>>hacer ademï¿½s de exaltar y de honrar el nombre Creador de sus
>>vidas celestiales. En verdad, el vivir para Dios, es lo mejor
>>para el espï¿½ritu de los ï¿½ngeles, serafines, querubines,
>>arcï¿½ngeles y demï¿½s seres santos del cielo; y si no pudiesen
>>vivir para su Dios, exaltando y honrando su nombre sagrado en
>>todas las alturas del reino de los cielos, entonces sus vidas
>>no serian interesantes, ni gozasen de felicidad alguna,
>>tampoco.
>>
>>Realmente para ellos todo seria monï¿½tono, como si les faltase
>>algo en sus vidas, para poder seguir viviendo, delante de su
>>Dios y de su creaciï¿½n santa y perfecta en el cielo, asï¿½ como
>>el pecador y la pecadora de la tierra, de hoy y de siempre.
>>Es mï¿½s, los ï¿½ngeles no fuesen ï¿½ngeles, ni tampoco existirï¿½an,
>>sino que serian parte de la nada, de donde Dios los saco, en
>>el dï¿½a de su creaciï¿½n, como el hombre, por ejemplo, que Dios
>>lo saco de la tierra. Pero gracias a Dios, porque los
>>ï¿½ngeles, en sus diferentes rangos de gloria y de grandeza
>>infinita, si conocen el propï¿½sito de dï¿½a a dï¿½a de sus vidas,
>>delante de Dios y de su ï¿½rbol de vida, el Seï¿½or Jesucristo,
>>como los seguidores del SEï¿½OR, en todos los lugares de la
>>tierra y, hoy en dï¿½a, en el paraï¿½so, tambiï¿½n.
>>
>>Es por eso, que los ï¿½ngeles jamï¿½s han deseado abandonar a su
>>Dios ni menos a su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo,
>>para seguir sirviï¿½ndole a ï¿½l y a su nombre santo, para miles
>>de siglos venideros en su nueva eternidad celestial, como su
>>nueva gran ciudad santa y eterna: La Nueva Jerusalï¿½n del
>>nuevo reino infinito. Es por esta razï¿½n, que los ï¿½ngeles del
>>cielo son realmente felices con su Dios y con su Espï¿½ritu
>>Santo, porque sus corazones son bendecidos cada vez mï¿½s que
>>antes, por la gloria y por la honra infinita que genera el

>>alabar y el honrar el nombre bendito de Dios dï¿½a y noche en
>>la tierra santa del cielo.
>>
>>Es decir, tambiï¿½n, que para los ï¿½ngeles no existe otra manera
>>posible para que sus corazones y sus espï¿½ritus celestiales
>>sean por siempre felices, en sus vidas eternas en el reino de
>>los cielos, de Dios y de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>Jesucristo! Por lo tanto, ï¿½sta felicidad de los corazones de
>>los ï¿½ngeles de Dios es tan grande y tan profunda, como los
>>mismo cielos y nuestro universo en su anchura, profundidad y
>>altura infinita, por ejemplo, llena de estrellas, planetas y
>>sus lunas por doquier, visibles e invisibles, a la vez.
>>
>>Y nuestro Padre Celestial nos ha creado en sus manos santas a
>>cada uno de nosotros, en nuestros millares, en toda su
>>creaciï¿½n, celestiales y terrenal, comenzando con Adï¿½n y Eva,
>>en el paraï¿½so, por ejemplo, para que gocemos junto con ï¿½l y
>>con sus huestes de ï¿½ngeles celestiales de ï¿½sta felicidad
>>santa e infinita, en nuestras vidas para siempre. Porque el
>>corazï¿½n que nuestro Dios ha puesto en nuestros pechos es un
>>corazï¿½n como el de ï¿½l mismo, ni mï¿½s ni menos; por lo tanto,
>>nosotros tenemos un corazï¿½n tan grande como su nombre santo,
>>para recibirlo y retenerlo eternamente y para siempre, en la
>>eternidad venidera de su nueva vida infinita para todos, los
>>que le aman fielmente.
>>
>>Es decir, que nuestro corazï¿½n es grande, profundo, ancho y
>>capaz de traspasar aun mï¿½s allï¿½ del infinito, como el corazï¿½n
>>de nuestro Dios y de su Hijo amado, el Seï¿½or Jesucristo, para
>>sentir sï¿½lo amor y vida infinita, para servirle y amarle por
>>siempre, tal como ï¿½l es amado por sus ï¿½ngeles del cielo. Y
>>asï¿½ gozar por siempre, llenos de amor, paz, gozo, felicidad,
>>vida, poder, sabiduriï¿½a y deseo perfecto de servir y de
>>exaltar a nuestro Dios y Padre Celestial que estï¿½ en los
>>cielos dï¿½a y noche y por siempre en el mï¿½s allï¿½, en su nuevo
>>reino celestial, de su Hijo amado y de sus millares de
>>huestes angelicales.
>>
>>Es por esta razï¿½n, tambiï¿½n, que todas las cosas creadas por
>>Dios en el cielo y asï¿½ tambiï¿½n en la tierra, han sido para
>>alabar dï¿½a y noche el nombre sagrado de nuestro Dios y Padre
>>Celestial que estï¿½ en los cielos. Porque las estrellas y los
>>planetas con sus lunas, a pesar de sus grandes y profundas
>>distancias en la inmensidad, alaban y honran al nombre
>>sagrado de nuestro Dios, a toda hora de su tiempo universal y
>>sin parar jamï¿½s, por ninguna razï¿½n.
>>
>>Es mï¿½s, hasta podrï¿½amos decir tambiï¿½n que asï¿½ como las
>>estrellas, los planetas y sus lunas del universo alaban y
>>honran el nombre de nuestro Dios y de su Jesucristo, entonces

>>de igual forma todas las cosas que existen en todos los
>>lugares de nuestra tierra, en sus alturas, en sus
>>profundidades y en sus anchuras, le alaban sin cesar. Por lo
>>tanto, dï¿½a y noche las nubes al pasar por las alturas de
>>nuestras montaï¿½as, como baï¿½ï¿½ndolas con su sustancia, su humo
>>celestial, por ejemplo, alaban y honra la gloria infinita del
>>nombre sagrado, de nuestro Dios y de su Hijo amado, el Seï¿½or
>>Jesucristo, sin que nadie se de cuenta, sï¿½lo Dios y sus
>>huestes celestiales del cielo.
>>
>>Y asï¿½ tambiï¿½n de las montaï¿½as, los rï¿½os que bajan de sus
>>praderas para terminar en los grandes mares, alaban y honran
>>el nombre de nuestro Dios y de su Hijo amado, el Seï¿½or
>>Jesucristo, a la misma vez. Asï¿½ las aves de las alturas, como
>>los animales terrestres y los peces y monstruos marinos de
>>los ocï¿½anos alaban y honran dï¿½a y noche: el nombre bendito de
>>Dios y de su Hijo amado, el Seï¿½or Jesucristo, para que ï¿½sta
>>misma alabanza de gloria y de honra eterna a nuestro Dios y a
>>su Jesucristo llegue al hombre tambiï¿½n.
>>
>>Es decir, para que el espï¿½ritu de alabar y de honrar a
>>nuestro Dios entonces llegue a todo pecador que mora en la
>>tierra y asï¿½ despierte su corazï¿½n de sus profundas tinieblas,
>>para que no sufra y muera mï¿½s, sino que vea la vida eterna de
>>su Dios y de su ï¿½rbol de vida, el Seï¿½or Jesucristo. Porque la
>>lucha de la creaciï¿½n de Dios y de sus muchas cosas, grandes y
>>pequeï¿½as del cielo y de la tierra, es para escapar de las
>>profundas tinieblas, del espï¿½ritu de mentira y de gran error
>>de Lucifer y de sus ï¿½ngeles caï¿½dos y asï¿½ entonces despertar a
>>la luz verdadera del cielo y del mundo, ï¿½el Seï¿½or Jesucristo!
>>
>>Y la ï¿½nica manera que toda la creaciï¿½n ha de escapar los
>>poderes terribles de las profundas tinieblas del mï¿½s allï¿½,
>>como las de Lucifer y de sus ï¿½ngeles rebeldes, ha de ser que
>>alaben y honren sin cesar, el nombre bendito de nuestro Dios
>>y de su Hijo amado, el ï¿½rbol de la vida eterna, el Seï¿½or
>>Jesucristo. Porque de otra manera, toda la creaciï¿½n ha de
>>seguir sumergida bajo el poder de las profundas tinieblas,
>>del espï¿½ritu de error de Lucifer y de sus ï¿½ngeles caï¿½dos,
>>para seguir haciendo mï¿½s daï¿½o al nombre santo de nuestro
>>Dios, en el corazï¿½n de todos sus seres creados.
>>
>>Seres creados, como ï¿½ngeles del cielo y hombres y sus reinos
>>de animales de toda la tierra, en sus diferentes gï¿½neros del
>>aire, de la tierra y del mar, tambiï¿½n. Fue por esta razï¿½n,
>>que nuestro Dios comenzï¿½ a derramar del Espï¿½ritu de vida, de
>>la sangre santa de su ï¿½rbol de vida, desde su lugar santo del
>>reino, como desde el paraï¿½so, por ejemplo, gï¿½nesis 1:2, para
>>subyugar a cada una de estas profundas tinieblas, de gran
>>mentira y de gran maldad que habita en la tierra.

>>
>>Profundas tinieblas del mï¿½s allï¿½ que habitan, por ejemplo, en
>>muchos lugares de la tierra, y las nubes de los cielos, como
>>las montaï¿½as, los arboles, plantas, aves del aire, animales
>>terrestres y peces del mar, desean escapar de cada una de
>>ellas, hacia la luz bendita de nuestro Dios y de su Hijo
>>amado, el Seï¿½or Jesucristo, para vivir. Para entonces sï¿½lo
>>ver y vivir la luz y la gran bendiciï¿½n celestial de dï¿½a a dï¿½a
>>de nuestro Dios y Padre Celestial que estï¿½ en los cielos,
>>hacia cada una de todas sus cosas creadas en los cielos, en
>>los mares y en toda la tierra, tambiï¿½n.
>>
>>Porque la alabanza al nombre santo de nuestro Dios y de su
>>Hijo amado, el Seï¿½or Jesucristo, trae dï¿½a y noche a nuestras
>>vidas mï¿½s y mï¿½s bendiciones de maravillas, de milagros y de
>>prodigios en los cielos y en la tierra, para que nuestros
>>corazones sean benditos en todo momento de nuestras dï¿½as por
>>la tierra. Y asï¿½ entonces poder bendecir el nombre de nuestro
>>Dios mucho mï¿½s que antes en nuestras vidas, para alcanzar mï¿½s
>>gloria y mï¿½s honra para nuestro Dios y para el nombre sagrado
>>de su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Es por esta razï¿½n, que el honrar y exaltar el nombre bendito
>>de nuestro Dios dï¿½a y noche, en nuestros corazones y en
>>nuestras almas eternas, es de suma importancia para el
>>crecimiento espiritual, corporal e intelectual de nuestras
>>vidas, en la tierra y asï¿½ tambiï¿½n en el reino de los cielos,
>>como en el paraï¿½so, por ejemplo. Y nuestro Dios ha de
>>bendecir tu vida, mi estimado hermano y hermana, ni mï¿½s ni
>>menos, en la vida perfecta, y llena de su Espï¿½ritu, de su
>>Jesucristo, para que tï¿½ mismo (y no otro) bendigas su nombre,
>>desde el dï¿½a que tienes uso de razï¿½n y hasta aun mï¿½s allï¿½ de
>>tu nueva vida gloriosa del cielo.
>>
>>Y esto ha de ser realmente en tu nuevo lugar eterno, junto
>>con los ï¿½ngeles que Dios ha creado por ti, en su nueva vida
>>infinita de su nuevo reino celestial, como en su nueva gran
>>ciudad del mï¿½s allï¿½, La Nueva Jerusalï¿½n Santa y Perfecta del
>>cielo, por ejemplo. En donde mora la nube celestial de Dios y
>>de su ï¿½rbol de vida, la que llena de gloria la casa de Dios y
>>de sus fieles en el paraï¿½so y en toda la tierra, tambiï¿½n,
>>como en tu mismo corazï¿½n, hoy en dï¿½a, mi estimado hermano y
>>mi estimada hermana, si tan sï¿½lo le amas a ï¿½l, por
>>Jesucristo.
>>
>>LA SHEKINAH (NUBE DEL Mï¿½S ALLï¿½) MANIFIESTA LA GLORIA DE DIOS
>>
>>Entonces cuando los que tocaban las trompetas y los que
>>cantaban hicieron oï¿½r su voz en unï¿½sono alabando y dando
>>gracias a nuestro Padre Celestial; y cuando elevaron la voz

>>junto con las trompetas, los ci¿½mbalos y otros instrumentos de
>>mi¿½sica los israelitas, en los di¿½as del Tabernï¿½culo, en el
>>desierto, por ejemplo, entonces se sentï¿½a poder de lo alto. Y
>>cuando alababan a nuestro Dios, diciendo con sus voces en
>>uniï¿½n, tambiï¿½n, o como un solo hombre: "Porque ï¿½l es bueno,
>>porque para siempre es su misericordia", entonces la casa de
>>nuestro Dios, en medio de los israelï¿½es, se llenaba con una
>>nube gloriosa, no de nuestro mundo, sino del mï¿½s allï¿½, como
>>del reino celestial, por ejemplo.
>>
>>Y, en aquel momento, los israelitas no podï¿½an continuar
>>sirviendo a su Dios, por causa de la misma nube, de acuerdo a
>>los rituales de ceremonia espiritual, de gloria y de honra
>>hacia su nombre sagrado, en su tabernï¿½culo santo del desierto
>>de Egipto. Porque ï¿½sta nube era gigante, mucho mayor y
>>gloriosa que las nubes que solemos ver por nuestros cielos y,
>>ademï¿½s, llenaba todo en su derredor de la misma luz
>>sobrenatural, llena de vida y de la gloria infinita del reino
>>de Dios, por ejemplo.
>>
>>Ademï¿½s, ï¿½sta luz divina es la misma que siempre habita en las
>>alabanzas a nuestro Dios, de parte de sus ï¿½ngeles santos, en
>>el reino de los cielos, cada vez que se unen para honrar y
>>para exaltar su nombre sagrado. Pues asï¿½ tambiï¿½n, en aquel
>>dï¿½a, ï¿½sta misma nube (y no otra) era la que estaba sobre la
>>casa de nuestro Padre Celestial, en el campamento israelï¿½,
>>para honrar la sangre del pacto que se habï¿½a derramado sobre
>>su altar, con alabanzas santas y honradas al "Cordero de
>>Dios" que quita el pecado de Israel y de la humanidad entera.
>>
>>Todo era gloria, en aquella tarde: Los sacerdotes levitas
>>deseaban aun mucho mï¿½s que antes servir y alabar el nombre
>>sagrado de nuestro Dios, pero ninguno de ellos podï¿½a. Porque
>>la gloria de la nube celestial era demasiado grande y
>>gloriosa entre ellos, en el Tabernï¿½culo del SEï¿½OR, en el
>>desierto de Egipto. Por lo tanto, en aquella hora, y delante
>>de los ojos de los israelï¿½es, y de los pueblos a la redonda,
>>vieron como la gloria de Dios llenaba la tierra santa del
>>reino de los cielos, cada vez que los ï¿½ngeles alaban y honran
>>su nombre sagrado.
>>
>>Pues asï¿½ era, en aquellos di¿½as, la gloria de nuestro Dios
>>habï¿½a llenado su casa de oraciï¿½n para Israel y para las
>>naciones, como se suele llenar el lugar y el altar santo de
>>nuestro Dios en el reino de los cielos, por ejemplo, cuando
>>los ï¿½ngeles, en sus millares y en unï¿½sono: alaban y honran su
>>nombre sagrado. Pues asï¿½ es tambiï¿½n en la vida de todo
>>hombre, mujer, niï¿½o o niï¿½a del mundo, que realmente alabe y
>>honre a su Dios en su corazï¿½n y con sus labios, la nube de la
>>gloria de Dios y de sus ï¿½ngeles ha de manifestarse en su

>>vida, con grandes poderes de gloria y de honra infinitas,
>>aunque sea invisible.
>>
>>En realidad, la gloria de Dios es su Hijo amado, como
>>siempre, en el paraï¿½so, en el reino y en toda la tierra,
>>tambiï¿½n. Y ha de manifestarse en la vida del hombre dï¿½a y
>>noche para proteger su vida (y la de los suyos) y, a la vez,
>>llenarla de muchas de las ricas bendiciones de la tierra y
>>del mï¿½s allï¿½, tambiï¿½n, para que su alma crezca eternamente y
>>para siempre, en toda verdad y en toda justicia celestial de
>>su Dios. Y esto ha de ser en ï¿½l (o en ella) desde sus
>>primeros dï¿½as de vida, en la tierra y hasta una mï¿½s allï¿½ de
>>la nueva eternidad venidera, porque el alma del hombre no
>>tiene limites para crecer, corporalmente e espiritualmente,
>>tambiï¿½n.
>>
>>El alma del hombre puede desarrollarse y crecer
>>indefinidamente en la tierra y en el paraï¿½so, tambiï¿½n, para
>>que su vida sea grande ante su Dios y Creador de su vida
>>celestial, el Todopoderoso de Israel y de la humanidad
>>entera. Entonces cada vez que el nombre de nuestro Padre
>>Celestial que estï¿½ en los cielos es alabado y honrado, por
>>nuestros corazones y por nuestros espï¿½ritus humanos, al
>>momento lluvias de bendiciones espirituales y terrenales
>>llegan a nuestras vidas del Espï¿½ritu Santo de Dios, para
>>ayudarnos a desarrollar y crecer en nuestras vidas
>>infinitamente, para engrandecer su nombre santo eternamente.
>>
>>Ya que, asï¿½ como los ï¿½ngeles del cielo, los hombres, mujeres,
>>niï¿½os y niï¿½as de la humanidad entera, comenzando con Adï¿½n y
>>Eva, en el paraï¿½so, por ejemplo, fueron formados sï¿½lo para
>>honrar y alabar el nombre del Seï¿½or Jesucristo, en el paraï¿½so
>>y en toda la creaciï¿½n, como en la tierra de nuestros dï¿½as,
>>por ejemplo. Es decir, para que cada uno de ellos, tanto
>>ï¿½ngeles del reino y hombres de la tierra, honren y alaban por
>>siempre el nombre sagrado de nuestro Dios, por medio de su
>>Hijo amado, el Seï¿½or Jesucristo, "porque esto es felicidad y
>>gozo infinito para nuestro Dios que estï¿½ sentado en su trono
>>santo, en el cielo".
>>
>>Es por esta razï¿½n, que nuestro Dios nos ha entregado de su
>>Espï¿½ritu Santo y sin medida alguna, tambiï¿½n, para llenar
>>nuestros corazones y nuestras almas eternas de su presencia
>>sagrada y del nombre honrado de nuestra salvaciï¿½n infinita,
>>el Seï¿½or Jesucristo. Por lo tanto, la riqueza de la presencia
>>del Espï¿½ritu de Dios, llena de sus dones con sus poderes
>>sobrenaturales, es de suma importancia, en nuestras vidas de
>>dï¿½a a dï¿½a, en el paraï¿½so y en todos los lugares de la tierra
>>y aun hasta en la nueva eternidad venidera, del nuevo reino
>>de los cielos, tambiï¿½n.

>>
>>Y estos son muchos de los dones de milagros, de maravillas y
>>de prodigios celestiales y terrenales, que vienen
>>directamente de nuestro Dios, para ayudarnos en todo momento,
>>para lo que necesitemos de ï¿½l, en aquel dï¿½a o aquella hora de
>>nuestras vidas, y entonces superar cualquier situaciï¿½n. Y
>>sï¿½lo asï¿½ le podamos rendir gloria y honra al ï¿½l, desde hoy
>>mismo y para la eternidad venidera, en su nueva vida infinita
>>de su Gran Jerusalï¿½n Santa del cielo, para todo ï¿½ngel que ama
>>a su Dios y Creador de su vida celestial y asï¿½ tambiï¿½n para
>>todo hombre, mujer, niï¿½o y niï¿½a, de la humanidad entera.
>>
>>Ahora, si hoy en dï¿½a, tï¿½, mi estimado hermano y mi estimada
>>hermana, crees en Dios y comienzas a alabar su nombre santo y
>>salvador de su Hijo, el Seï¿½or Jesucristo, entonces ï¿½sta misma
>>nube del cielo, llamada la Shekinah, Shekhinah ï¿½ Shechinah,
>>por los antiguos israelï¿½es y por el mismo SEï¿½OR, ha de
>>visitar el templo de tu corazï¿½n. Ha de visitar el templo de
>>tu mismo corazï¿½n, sin duda alguna, el SEï¿½OR y su Jesucristo,
>>para llenarte de la gloria de su Espï¿½ritu y de sus muchos
>>dones sobrenaturales, para enriquecer tu vida, como jamï¿½s
>>hayas sido enriquecido por nada ni por nadie, en todos los
>>dï¿½as de tu vida por la tierra, hasta hoy mismo, por ejemplo.
>>
>>Y una vez que esta nube celestial del reino de los cielos
>>llega a tu vida, en verdad, jamï¿½s ha de abandonarte en todos
>>los dï¿½as de tu vida ni hasta que entres a tu nuevo lugar
>>infinito, en el reino de los cielos, para comenzar a vivir tu
>>nueva vida celestial, en el mï¿½s allï¿½. Porque en tu nuevo
>>lugar de vida eterna, realmente, has de vivir con Dios y con
>>su ï¿½rbol de vida, llena de los frutos de vida para tu alma y
>>para los millares de las huestes angelicales y de gentes,
>>pueblos, naciones, tribus y reinos de mundos pasados de la
>>humanidad entera de la tierra, que aun viven.
>>
>>DIGNO DE SUPREMA GLORIA Y HONRA ES NUESTRO DIOS
>>
>>Y en el cielo, asï¿½ como en la tierra, en todos los dï¿½as de tu
>>vida, desde el dï¿½a que comenzaste a creer en tu Dios y
>>Creador de tu alma, por medio del Seï¿½or Jesucristo, entonces
>>has de alabar y de honrar el nombre sagrado de tu Dios, para
>>que bendiga tu vida cada vez mucho mï¿½s que antes. Y le dirï¿½s
>>asï¿½ al SEï¿½OR, en el poder y en la llenura de su Espï¿½ritu
>>Santo, en tu corazï¿½n y en tu vida, con los ï¿½ngeles del cielo
>>y almas redimidas, por la sangre de Cristo, en tu derredor: ï¿½
>>Grande es Jehovï¿½ y digno de suprema alabanza, en la ciudad de
>>nuestro Rey, en el monte de su santuario!
>>
>>Ademï¿½s, has de gozarte como los ï¿½ngeles, por ejemplo, en
>>exaltar y en honrar el nombre sagrado de nuestro Dios, de la

>>misma manera que los ï¿½ngeles lo han venido haciendo asï¿½ en
>>sus vidas, desde el dï¿½a de la creaciï¿½n de los cielos y de
>>toda la tierra, por ejemplo. Porque sï¿½lo nuestro Padre
>>Celestial es digno de suprema gloria, desde de nuestros
>>corazones y hasta miles de siglos venideros, en su nueva vida
>>infinita de su gran ciudad celestial, La Nueva Jerusalï¿½n
>>Santa e infinita del cielo, por ejemplo.
>>
>>Y esta gloria de nuestros corazones hacia nuestro Dios y
>>Fundador de nuestras vidas no se la merece nadie mï¿½s que ï¿½l,
>>que estï¿½ sentado en su trono de la gracia y de la
>>misericordia infinita, en el cielo. Porque la gloria que ha
>>de salir de nuestros corazones y de nuestras almas redimidas,
>>por la sangre de Cristo, del poder del pecado y de la muerte
>>eterna, de las palabras llenas de mentira y de engaï¿½o eterno
>>del corazï¿½n y de los labios perdidos de Lucifer, es realmente
>>mayor que la de los ï¿½ngeles del cielo.
>>
>>Por lo tanto, nuestra salvaciï¿½n eterna de nuestras almas
>>vivientes habla mucho mï¿½s de lo que nosotros podrï¿½amos hablar
>>con nuestro espï¿½ritu y con nuestra alma humana, de la gracia
>>redentora de la sangre bendita del Seï¿½or Jesucristo, hacia
>>nuestro Dios y a hacia su Espï¿½ritu Santo que estï¿½n en los
>>cielos, por ejemplo. Es mï¿½s, ï¿½sta obra sobrenatural del Seï¿½or
>>Jesucristo, la cual fue llevada acabo en su dï¿½a, sobre la
>>cima de la roca eterna, en las afueras de Jerusalï¿½n, en
>>Israel, realmente habla mucho mï¿½s que nuestras propias
>>palabras, de la verdad y de la justicia eterna, de la vida
>>gloriosa y sumamente honrada de nuestro salvador celestial, ï¿½
>>el Seï¿½or Jesucristo!
>>
>>Entonces la obra del Seï¿½or Jesucristo en nuestros corazones y
>>en nuestras vidas alaban y honran dï¿½a y noche el nombre
>>sagrado de nuestro Padre Celestial, en esta vida y en la
>>nueva vida venidera del nuevo reino de los cielos, aunque
>>jamï¿½s nos demos cuenta de esta alabanza, honra y adoraciï¿½n de
>>nuestro espï¿½ritu hacia nuestro Padre Celestial. Es por esta
>>razï¿½n, que nuestros corazones y nuestras almas eternas
>>siempre han sentido un sentir mutuo, de llegar a conocer a
>>nuestro Dios y a nuestro salvador de nuestras vidas (del
>>poder del pecado y de la muerte del castigo eterno, como el
>>infierno o como la segunda muerte de nuestras vidas, por
>>ejemplo, en el lago de fuego).
>>
>>Pero nuestro Dios no nos ha creado para la gloria del fuego
>>eterno del mï¿½s allï¿½, del infierno o del lago de fuego, por
>>ejemplo, sino para la vida eterna del cielo. Realmente,
>>nuestro Padre Celestial nos ha creado en la imagen y conforme
>>la semejanza sagrada de su ï¿½rbol de vida, su gran rey Mesï¿½as,
>>el Cristo de Israel y de las naciones, para gloria y para

>>honra celestial de su nueva vida venidera, en el mï¿½s allï¿½, de
>>su nuevo reino imperecedero de ï¿½ngeles y de naciones de
>>gentes eternas. Y estas gentes eternas de Dios somos todos
>>nosotros, hoy en dï¿½a y por siempre, en toda la tierra, sï¿½lo
>>por medio de su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Entonces nuestro Dios es digno de suprema alabanza y de gran
>>gloria y honra infinita, de nuestros corazones y de nuestras
>>almas eternas, dï¿½a y noche en la tierra y por siempre en la
>>eternidad venidera, de su nueva era de vida celestial del mï¿½s
>>allï¿½. Porque para esto nuestro Dios nos ha levantado y nos ha
>>llamado, a la vez, de las profundas tinieblas de la tierra y
>>del mï¿½s allï¿½, tambiï¿½n, cuando estabamos completamente ciegos
>>y sin vida alguna en toda nuestra sustancia, viviendo en el
>>polvo de la muerte eterna, sin que nadie jamï¿½s se
>>compadeciese de nosotros, para nada.
>>
>>Ni menos para darnos vida y su bendiciï¿½n celestial, como
>>nuestro Dios lo ha hecho con cada uno de nosotros, en
>>nuestros millares, en todos los lugares del paraï¿½so y de toda
>>la tierra, de nuestros dï¿½as, tambiï¿½n, por ejemplo, para que
>>habitemos sus tierras y asï¿½ aprendamos a vivir con ï¿½l y con
>>su ï¿½rbol de vida infinita. Es decir, vivir con su ï¿½rbol de
>>vida eterna, rodeado por siempre de su Espï¿½ritu Santo y de
>>sus huestes de ï¿½ngeles, arcï¿½ngeles, serafines, querubines y
>>demï¿½s seres santos, de la vida sagrada, del nuevo reino
>>celestial, como su nueva Gran Ciudad Santa e Infinita, en
>>donde todo lo que tiene vida alaba su nombre santo,
>>eternamente y para siempre.
>>
>>Y esta es La Jerusalï¿½n Eterna, la cual nuestro Dios siempre
>>soï¿½ï¿½ vivir en ella, con sus hijos e hijas de todas las
>>familias, razas, pueblos, linajes, tribus y reinos de la
>>tierra; y libre por siempre de los males del pecado, de
>>Lucifer y de sus ï¿½ngeles caï¿½dos y de la gente de la mentira
>>eterna, tambiï¿½n. Porque en esta ciudad celestial e infinita
>>no habitara jamï¿½s la palabra de mentira de ningï¿½n rebelde,
>>como Lucifer ni como ningï¿½n pecador o pecadora de toda la
>>tierra, del ayer o de siempre, por ejemplo.
>>
>>Porque por allï¿½, sï¿½lo se ha de oï¿½r las alabanzas de los
>>millares de hombres, mujeres, niï¿½os y niï¿½as de la humanidad
>>entera, junto con los ï¿½ngeles del cielo, alabando y honrando
>>por siempre el nombre de nuestro salvador eterno, nuestro
>>Padre Celestial. Y nuestro Dios ha deseado desde siempre, que
>>cada uno de sus seres creados sea ï¿½ngel del cielo u hombre de
>>la tierra, que comience a honrarle y a exaltarle a ï¿½l, en el
>>nombre sagrado de su Hijo, el Seï¿½or Jesucristo, como ha de
>>ser diariamente en su nueva vida infinita de su nuevo reino
>>celestial, por ejemplo.

>>
>>Porque el que le ama a ï¿½l, en el espï¿½ritu y en la verdad
>>viviente de su Hijo amado, entonces deberï¿½a comenzar a
>>hacerlo desde hoy mismo, desde el momento que comenzï¿½ a creer
>>en su Dios y Creador de su vida, por medio de su palabra viva
>>y del nombre bendito del Seï¿½or Jesucristo, en su corazï¿½n.
>>Porque sï¿½lo por medio, de la vida sagrada y el nombre bendito
>>de su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo, entonces
>>nuestro Dios ha de ser exaltado y honrado, a la vez, por los
>>siglos de los siglos, en su nueva eternidad venidera de sus
>>nuevas tierras con nuevos cielos, del mï¿½s allï¿½.
>>
>>Ciertamente un Dios gigantesco y todopoderoso nos ha creado
>>en sus manos, para que le conozcamos a ï¿½l, en el espï¿½ritu de
>>amor y de vida infinita de Jesucristo, y sï¿½lo asï¿½ entonces
>>comencemos a honrarle y a exaltarle en su espï¿½ritu de amor y
>>de justicia celestial, desde nuestros corazones profundos y
>>hasta aun mï¿½s allï¿½ de la eternidad. Por lo tanto, entendemos
>>muy bien en nuestros corazones, que nuestro Padre Celestial
>>es digno de suprema alabanza y de mucha gloria y honra a su
>>nombre santo, el cual ha tenido por siempre un lugar muy
>>especial en lo profundo de nuestros corazones, desde el dï¿½a
>>de nuestra formaciï¿½n (espiritual y corporal) y hasta nuestros
>>dï¿½as, por ejemplo.
>>
>>Y esto ha sido algo muy especial para Dios y para su
>>Jesucristo, por lo cual Lucifer ha intentado cambiar en
>>nuestras vidas, con sus palabras de mentira y de muerte
>>eterna, tambiï¿½n, en el paraï¿½so y en todos los dï¿½as de
>>nuestras vidas por la tierra, desde el dï¿½a que nacimos en
>>ella y hasta hoy mismo, por ejemplo. Pero nuestro Dios nos ha
>>guardado por siempre, a pesar de los ataques de Lucifer y de
>>su espï¿½ritu de error, el enemigo eterno de su vida sagrada y
>>de la vida implacable del Seï¿½or Jesucristo, porque nos ama
>>tanto, y nos perdona nuestros pecados, como desde el mismo
>>dï¿½a que nos saco del lodo de la tierra.
>>
>>Por esta razï¿½n, el Espï¿½ritu de Dios lucha dï¿½a y noche, desde
>>los dï¿½as del gï¿½nesis de todas las cosas, para que no sea asï¿½
>>con ninguno de nosotros, para que no perdamos nuestros
>>corazones en las mentiras usuales de Lucifer, sino todo lo
>>contrario. Y esto que cada uno de nosotros, retengamos ese
>>lugar muy especial de nuestros corazones para el nombre de
>>Dios, en nuestros millares, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos de la tierra, para
>>finalmente muy pronto alcanzar nuevas glorias y santidades
>>perfectas para nuestro Dios, desde nuestros corazones hacia
>>la nueva eternidad venidera.
>>
>>JESUCRSITO HABITA EN MEDIO DE NUESTRA ALABANZA

>>
>>Nuestro Padre Celestial es ciertamente santo. Y como ï¿½l no
>>hay otro igual, en el cielo ni en la tierra. Y desde tiempos
>>antiguos: ï¿½Sï¿½lo ï¿½l es quien realmente habita entre las
>>alabanzas de Israel y de todo su gentï¿½o por toda la tierra!
>>Porque nuestro Padre Celestial es quien se mueve
>>sobrenaturalmente y poderosamente entre los pueblos de la
>>tierra, especialmente como aquellos que aman y adoran su
>>nombre santo y su Ley Inmortal, como Israel, desde los dï¿½as
>>de la antigï¿½edad y hasta nuestros dï¿½as, por ejemplo.
>>
>>De verdad, nuestro Dios es santo, y cada gloria y honra que
>>se levanta hacia ï¿½l, hacia el cielo mï¿½s alto que su reino
>>celestial, del corazï¿½n de los ï¿½ngeles y asï¿½ tambiï¿½n del
>>corazï¿½n de los hombres, mujeres, niï¿½os y niï¿½as, es sumamente
>>santo para nuestro Dios y para su Hijo amado, el Seï¿½or
>>Jesucristo. Y ï¿½sta es una gloria y una honra, que nuestro
>>Padre Celestial jamï¿½s ha de compartir con ningï¿½n otro ser
>>viviente concebido, por sus palabras, por su nombre o por sus
>>manos santas, por ejemplo, como ï¿½ngeles del cielo u hombres
>>del paraï¿½so o del mundo.
>>
>>Esta gloria y honra sï¿½lo pueden verdaderamente salir del
>>corazï¿½n y del espï¿½ritu de ï¿½ngeles y de hombres y de las
>>mujeres de la humanidad entera para honrar y para exaltar el
>>nombre de nuestro Dios que estï¿½ en los cielos, si sï¿½lo
>>creemos en su Hijo amado, ï¿½el Seï¿½or Jesucristo! Porque sï¿½lo
>>en Jesucristo estï¿½n todos los poderes de alabanzas y de
>>glorias infinitas para nuestro Padre Celestial que estï¿½ en
>>los cielos, gozando por siempre de la presencia de su
>>Espï¿½ritu Santo y de sus huestes de ï¿½ngeles gloriosos y
>>eternos.
>>
>>En otras palabras, cada gloria y cada honra de nuestros
>>corazones que se levanta hacia nuestro Dios, es sï¿½lo para
>>exaltar y para honrar mucho mï¿½s que antes la perfecciï¿½n, la
>>santidad y la gloria infinita de su nombre, en el cielo mï¿½s
>>alto que el reino de los ï¿½ngeles y de la humanidad de la
>>tierra, tambiï¿½n, como ejemplo. Y cuando esta gloria y honra
>>de nuestro salvador llega a la presencia santa de nuestro
>>Padre Celestial, de parte de cada uno de nuestros corazones,
>>entonces Dios muy bien la recibe con gran gozo y alegrï¿½a en
>>su corazï¿½n y en su alma santï¿½sima, para jamï¿½s olvidarnos
>>eternamente y para siempre, en la eternidad venidera de su
>>gran reino celestial.
>>
>>Y al instante, Dios mismo transforma estas glorias y honras
>>en muchas bendiciones para nuestras vidas y para mucha mï¿½s
>>gente en todos los lugares de la tierra, que estï¿½n
>>necesitados y esperando por ï¿½l, por ejemplo, para que alivie

>>sus problemas y dificultades de sus vidas. Y nuestro Dios
>>hace todas estas cosas, y muchas mï¿½s que nuestras alabanzas
>>de gloria, de exaltaciï¿½n y de honra infinita a su nombre
>>santo, para que entonces nosotros no sï¿½lo le sigamos
>>sirviendo y rindiï¿½ndole gloria y honra a ï¿½l y a su nombre
>>eterno, sino que mucho mï¿½s que esto.
>>
>>Nuestro Padre Celestial realmente sabe muy bien en su corazï¿½n
>>sagrado, que otros tambiï¿½n, que no le servï¿½an ni le conocï¿½an,
>>entonces le han de comenzar a conocer y a rendirle glorias y
>>honras de alabanzas y exaltaciones infinitas, para su vida y
>>para su nombre santo, por ejemplo, en el cielo y por toda la
>>tierra, tambiï¿½n. Y asï¿½ cada una de las tinieblas de las
>>mentiras de Lucifer y de su muerte eterna del ï¿½ngel de la
>>muerte, en la tierra, en el infierno y en el lago de fuego,
>>entonces son poco a poco, pero seguro, destruidas, para
>>liberar al hombre, de todo mal del pecado y de su muerte
>>eterna, tambiï¿½n.
>>
>>Pues destruidas son las profundas tinieblas de las mentiras
>>del pecado mortal de Lucifer y de su espï¿½ritu de error, por
>>ejemplo, para que jamï¿½s se vuelvan a interponer en contra de
>>las alabanzas y de las glorias eternas, en nuestros corazones
>>y en nuestras vidas celestiales, como la del paraï¿½so, para
>>nuestro Dios y para su nombre santo. Y sï¿½lo asï¿½ entonces
>>nuestros corazones y nuestros espï¿½ritus humanos han de ser
>>como los espï¿½ritus celestiales de los ï¿½ngeles del reino de
>>los cielos, libres por siempre para honrar y para exaltar el
>>nombre de nuestro Padre Celestial, en el nombre glorioso y
>>sumamente honrado del Seï¿½or Jesucristo.
>>
>>Para que entonces muchas de las bendiciones, si no todas, que
>>no podï¿½an llegar a nuestras vidas, por culpa de las tinieblas
>>de nuestros pecados, ante Dios y ante su Hijo amado, el Seï¿½or
>>Jesucristo, pues entonces ahora el Espï¿½ritu Santo nos las
>>entregara en su momento justo y sin mï¿½s demora alguna.
>>Ciertamente el Espï¿½ritu Santo nos las ha de entregar una a
>>una cada dï¿½a y cada noche de nuestras vidas por la tierra y
>>hasta que finalmente entremos de lleno, a nuestras vidas
>>reales del nuevo reino de los cielos, como en el paraï¿½so o
>>como en nuestra nueva ciudad celestial, La Jerusalï¿½n Santa e
>>Infinita del cielo.
>>
>>Y estas son bendiciones celestiales, que nuestro Padre
>>Celestial nos ha entregado a nosotros, para disfrutarlas dï¿½a
>>y noche en nuestros corazones y en nuestras vidas de nuestro
>>diario vivir por la tierra, para que seamos felices con ï¿½l y
>>con su palabra santa, si tan sï¿½lo creemos en ï¿½l, por medio de
>>su Hijo amado, el Seï¿½or Jesucristo. Y asï¿½ cada uno de
>>nosotros, en nuestros millares, de todas las familias, razas,

>>pueblos, linajes, tribus y reinos de la tierra, podrï¿½amos
>>realmente servir y alabar por siempre a nuestro Dios y a su
>>Hijo amado, el Seï¿½or Jesucristo, en nuestros corazones y en
>>nuestras almas, para entonces poder vivir nuestras vidas,
>>como se vive en el cielo, por ejemplo.
>>
>>De otra manera, seguirï¿½amos viviendo en nuestros pecados para
>>finalmente caer en nuestro mal eterno, en la tierra y en el
>>infierno tambiï¿½n, en el mï¿½s allï¿½. Y Dios no nos ha creado a
>>nosotros, ni menos nos ha entregado de su imagen y de su
>>semejanza santa, para ser luego echados al mundo de los
>>muertos, de las almas perdidas eternamente y para siempre en
>>sus maldades y en sus muchos pecados, en contra de Dios y de
>>su Hijo amado, el Seï¿½or Jesucristo.
>>
>>Porque la verdad es que nuestro Dios nos ha creado para que
>>seamos como sus ï¿½ngeles santos, pero con mayores poderes de
>>honra, de santidad y de gloria infinita, para exaltar y para
>>honrar su nombre santo, en la tierra y en el paraï¿½so,
>>tambiï¿½n, hoy en dï¿½a y para siempre, en la eternidad venidera
>>del nuevo reino celestial. Porque nuestro Dios ha estado
>>buscando desde siempre mayores glorias de santidades y de
>>honras a su nombre sagrado, jamï¿½s alcanzadas por los ï¿½ngeles,
>>del reino de los cielos, pero esta vez las ha encontrado en
>>la tierra.
>>
>>Esta vez, con los hombres, mujeres, niï¿½os y niï¿½as, de toda la
>>tierra, fieles a ï¿½l, por medio de la vida y del nombre
>>sagrado de su Hijo amado, el Seï¿½or Jesucristo, instalado en
>>sus corazones, entonces esto ha de ser posible, hoy y por
>>siempre, en la eternidad venidera, del nuevo reino celestial,
>>alcanzar nuevas glorias del mï¿½s allï¿½. Entonces grande es
>>nuestro Dios y digno de suprema alabanza y honras eternas,
>>desde lo profundo de nuestros corazones, para traspasar
>>cielos y horizontes de la nueva eternidad venidera de nuestro
>>Dios y su ï¿½rbol de vida eterna, rodeada de ï¿½ngeles y de su
>>humanidad infinita.
>>
>>Infinita humanidad del cielo, redimida por el espï¿½ritu de fe,
>>de la sangre santï¿½sima del pacto eterno, entre Dios y el
>>hombre de la tierra, porque el hombre y la mujer que Dios ha
>>creado con todos sus hijos e hijas, no ha de morir jamï¿½s,
>>sino todo lo contrario. Cada uno de ellos ha de ver la vida
>>eterna, para honrar y para alabar a su Dios y Fundador de su
>>vida, por los siglos de los siglos, en la tierra y en el
>>nuevo reino de los cielos, como los ï¿½ngeles lo han hecho a
>>travï¿½s de los siglos y hasta nuestros tiempos, por ejemplo.
>>
>>LA CREACIï¿½N ANUNCIA LA OBRA DE LAS MANOS DE DIOS
>>

>>Es por eso, que los cielos cuentan la gloria de Dios, y el
>>firmamento anuncia la obra de sus manos sagrada dï¿½a y noche
>>ante la vista atï¿½nita de los ï¿½ngeles del reino y de todos los
>>hombres, mujeres, niï¿½os y niï¿½as de la humanidad entera, en
>>toda la tierra. Porque aun el universo con sus millares de
>>estrellas, planetas, lunas y demï¿½s seres celestiales del
>>infinito no se cansan jamï¿½s de contar de la gloria de Dios, a
>>todos los que los ven desde la distancia de la tierra y hasta
>>donde su vista los pueda divisar en toda la inmensidad
>>celestial, por ejemplo.
>>
>>En realidad, estos seres celestiales de la inmensidad: alaban
>>y honran al Rey de reyes y SEï¿½OR de Seï¿½ores, ï¿½el Seï¿½or
>>Jesucristo! Porque todo lo que ha sido hecho fue hecho por
>>medio de ï¿½l, y nada de lo que ha sido hecho, en el cielo y en
>>la tierra, en verdad, no ha sido hecho jamï¿½s sin ï¿½l. Porque
>>sï¿½lo en ï¿½l estï¿½ la verdad, la vida, el camino, la sabidurï¿½a,
>>la honra, el poder, la alabanza, el triunfo, la victoria, la
>>adoraciï¿½n, la autoridad y la inteligencia perfecta para hacer
>>todas las cosas de las que se ven y de las que no (se ven) en
>>el cielo y por toda la tierra, tambiï¿½n.
>>
>>Es por esta razï¿½n, que nuestro Padre Celestial en el dï¿½a que
>>decidiï¿½ crear al hombre de la tierra con sus manos santas,
>>entonces le dijo a su Hijo amado, el Seï¿½or Jesucristo con su
>>Espï¿½ritu Santo: Descendamos a la tierra y hagamos al hombre
>>en nuestra imagen y conforme a nuestra semejanza. Y asï¿½ fue,
>>en aquel dï¿½a histï¿½rico nuestro Dios crea al hombre con sus
>>manos santas, por medio de aquel que vive en el cielo y en la
>>tierra, el Santo de Israel y de la humanidad entera, ï¿½el
>>Seï¿½or Jesucristo!
>>
>>Es por eso, que los apï¿½stoles y asï¿½ tambiï¿½n toda la gente y
>>los discï¿½pulos, cuando veï¿½an a Jesucristo, no veï¿½an en ï¿½l a
>>un extraï¿½o, sino a alguien en su imagen y en su semejanza
>>humana, con quien se identificaban mutuamente, sin ninguna
>>dificultad visible. Pues asï¿½ es nuestro salvador celestial,
>>el mismo del ayer, de hoy y de siempre, en el paraï¿½so, en la
>>tierra y hoy en dï¿½a, otra vez en el nuevo reino del cielo.
>>Pero estï¿½ vez, en nuevas tierra con nuevos cielos adornado
>>con mansiones celestiales, para todos los hombres, mujeres,
>>niï¿½os y niï¿½as de la tierra, que aman a su Dios y Creador de
>>sus vidas, por medio de ï¿½l, su Hijo amado, el ï¿½rbol de la
>>vida, ï¿½el Seï¿½or Jesucristo!
>>
>>Y, hoy en dï¿½a, como en aï¿½os anteriores, nuestro Padre
>>Celestial ha deseado formar una nueva vida celestial para sus
>>hijos e hijas de todas las familias, razas, pueblos, linajes,
>>tribus y reinos de la tierra, para que le sirvan y le adoren
>>por siempre, por medio de su Hijo amado, el Seï¿½or Jesucristo.

>>Porque todo lo que nuestro Dios ha de crear de nuevo, ha de
>>ser como siempre, como en el principio de todas las cosas, en
>>el cielo y en la tierra, por medio de la vida y del nombre
>>sagrado de su ï¿½rbol de vida eterna, su Hijo amado, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Y sin Jesucristo, nada de lo que Dios desee crear en el cielo
>>y en la tierra lo podrï¿½ lograr jamï¿½s. Es por esta razï¿½n, que
>>el Seï¿½or Jesucristo es de suma importancia en el corazï¿½n y en
>>la vida, de cada uno de los ï¿½ngeles y asï¿½ tambiï¿½n de todos
>>los hombres, mujeres, niï¿½os y niï¿½as de la humanidad entera,
>>para entonces Dios mismo poder regenerarnos, reformarnos, y
>>darnos una nueva vida infinitamente feliz, como la de sus
>>sueï¿½os, como ejemplo.
>>
>>Y esta es una nueva vida, totalmente llena de verdad y de
>>justicia celestial, para vivirla para nuestro Dios y para su
>>gran rey Mesï¿½as, su Hijo amado, el Seï¿½or Jesucristo, en la
>>tierra y en su nuevo reino celestial, en el mï¿½s allï¿½. En
>>donde los que habitan allï¿½, desde tiempos antiguos y hasta
>>nuestros dï¿½as, por ejemplo, honran y adoran el nombre sagrado
>>de nuestro Dios y de nuestro Seï¿½or Jesucristo, para
>>glorificar sus vidas por siempre sï¿½lo en la verdad de la
>>palabra viva y de la gran obra infinita y sobrenatural de
>>redimir a la humanidad entera, de la muerte infernal.
>>
>>Porque es muy importante que dï¿½a y noche, el nombre sagrado
>>de nuestro Dios sea honrado y exaltado, en nuestros corazones
>>y en nuestras vidas, para que las fuerzas de las profundas
>>tinieblas, entonces dejen de ser en todos los lugares de la
>>tierra: y la tierra sea igual que el cielo en vida, ni mï¿½s ni
>>menos, para siempre. Y sï¿½lo asï¿½ entonces nuestros corazones y
>>nuestras almas eternas sean libres para servir y para amar
>>mucho mï¿½s que antes a nuestro Dios y a su Hijo amado, el
>>Seï¿½or Jesucristo, todos los dï¿½as de nuestras existencias, en
>>la tierra y en el paraï¿½so tambiï¿½n, para miles de siglos
>>venideros de su nueva eternidad celestial, por ejemplo.
>>
>>Es por esta razï¿½n, tambiï¿½n, que los cielos y sus seres
>>celestiales, de los que se ven y como de los que no (se ven),
>>en sus millares e incontables, en toda la inmensidad,
>>anuncian en todo momento de la grandeza y de la gloria
>>infinita de su Fundador, el Todopoderoso, el Omnipotente.
>>Para que los ï¿½ngeles del cielo y asï¿½ tambiï¿½n los hombres,
>>mujeres, niï¿½os y niï¿½as, entonces reciban ï¿½ste gran ejemplo,
>>de honrar y de exaltar aquel que los creo y los puso en su
>>curso de vida, para que verdaderamente conozcan la vida real
>>de su Hacedor, no en las tinieblas del enemigo, sino en la
>>luz de su Hijo.
>>

>>Entonces todos los seres creados por Dios, como ï¿½ngeles del
>>reino y asï¿½ tambiï¿½n hombres, mujeres, niï¿½os y niï¿½as del
>>mundo, estï¿½n llamados, desde el momento de su creaciï¿½n, como
>>seres vivientes, ha honrar y ha exaltar el nombre de su Dios,
>>para que sus vidas crezcan no en las tinieblas del enemigo,
>>sino en la luz de su Jesucristo. Y, por todo ello, no hay
>>mejor manera de exaltar y de honrar a nuestro Padre
>>Celestial, sino no es creyendo en ï¿½l, por medio de la vida y
>>de la sangre bendita de su pacto eterno, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Porque ha sido su Hijo amado, el Seï¿½or Jesucristo, quien
>>realmente ha cumplido toda su voluntad perfecta para bien de
>>muchos y alabanzas santas a su nombre sagrado, en la tierra y
>>en el paraï¿½so, tambiï¿½n. Por lo tanto, ha sido el Seï¿½or
>>Jesucristo, la alabanza perfecta de nuestras almas eternas,
>>quien verdaderamente se ha "levantado victorioso" en el
>>Tercer Dï¿½a de la resurrecciï¿½n, para darle vida y salud eterna
>>en abundancia, a todo aquel que crea a su Dios, por medio del
>>Seï¿½or Jesucristo, ï¿½nicamente.
>>
>>Ya que, fuera del Seï¿½or Jesucristo, entonces no hay alabanza
>>alguna posible para el corazï¿½n del ï¿½ngel del cielo y asï¿½
>>tambiï¿½n para el corazï¿½n del hombre, de la mujer, del niï¿½o y
>>de la niï¿½a de la humanidad entera. Entonces hoy mï¿½s que
>>nunca, nuestro Dios desea que todos nosotros aprendamos de su
>>creaciï¿½n y de su firmamento en general, los cuales nos llaman
>>dï¿½a y noche y sin cesar, ha servirle y ha honrarle a ï¿½l, en
>>el espï¿½ritu y en la verdad de su vida santa y eternamente
>>honrada de su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Por cuanto, hemos sido creados por su corazï¿½n santo, para que
>>le seamos por siempre sï¿½lo obedientes a ï¿½l, por medio de su
>>Jesucristo. De otra manera, jamï¿½s podrï¿½amos obedecerle a ï¿½l y
>>asï¿½ cumplir su mï¿½s santa y perfecta voluntad en nuestras
>>vidas, en el paraï¿½so, en la tierra y de nuevo de regreso al
>>paraï¿½so, a nuestra nueva vida infinita de su nuevo reino
>>celestial, como en su flamante tierra nueva con nuevos
>>cielos, La Gran Jerusalï¿½n del cielo, por ejemplo.
>>
>>Y los antiguos entendï¿½an muy bien a nuestro Dios, y como
>>llevar acabo su voluntad santa y perfecta en sus corazones,
>>para alcanzar una vida mejor y superior en la tierra y en el
>>paraï¿½so, tambiï¿½n, de regreso otra vez a la presencia de Dios
>>y de su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo. Pues asï¿½
>>nuestro Padre Celestial ha redimido del poder del pecado y de
>>su muerte eterna, a todo pecador y a toda pecadora de la
>>humanidad entera. Y, hoy en dï¿½a, si tï¿½ le obedeces tambiï¿½n a
>>ï¿½l, como los demï¿½s lo han hecho a travï¿½s de los tiempos y
>>hasta nuestros dï¿½as, por ejemplo, entonces tï¿½ mismo has de

>>ver al Hijo de Dios en cualquier dï¿½a, como Nabucodonosor lo
>>vio en su dï¿½a.
>>
>>EL REY DE BABILONIA VIO AL HIJO DE DIOS Y SE SALVO
>>
>>Por ejemplo, vemos como Nabucodonosor, rey de Babilonia,
>>alababa, exaltaba y glorificaba al Rey de los cielos, porque
>>todas sus obras eran para ï¿½l, verdad infinita y sus caminos
>>justicia para todos los hombres, mujeres, niï¿½os y niï¿½as de
>>sus tierras y de la humanidad entera, de aquellos dï¿½as y de
>>siempre, tambiï¿½n. Porque sï¿½lo nuestro Padre Celestial puede
>>humillar a los que andan con soberbia delante de su presencia
>>santa, en el paraï¿½so y por toda la tierra, tambiï¿½n.
>>
>>Realmente, Nabucodonosor era un hombre impï¿½o, desde los
>>primeros dï¿½as de su reinado; ï¿½l no conocï¿½a a Dios en su
>>corazï¿½n, porque "nadie le habï¿½a enseï¿½ado la verdad y la
>>justicia infinita de su corazï¿½n de creer, en el Hijo de Dios,
>>para ser redimido de sus pecados y de su muerte segura en el
>>infierno, en el mï¿½s allï¿½". Nabucodonosor creï¿½a que todo lo
>>que tenia en su reino se lo merecï¿½a muy bien, porque habï¿½a
>>trabajado por todo ello, en toda su vida; ademï¿½s, habï¿½a
>>derrotado a naciones y a sus ejï¿½rcitos por doquier, como a
>>Israel, por ejemplo; por lo tanto, su reino era grande y
>>fuerte entre los pueblos de la tierra, en aquellos dï¿½as.
>>
>>Pero Nabucodonosor jamï¿½s se habï¿½a tropezado con siervos de
>>Dios, que verdaderamente amaban su palabra y su nombre
>>sagrado, a pesar de cualquier oposiciï¿½n, por mï¿½s terrible que
>>fuese, en la tierra y aun hasta del mï¿½s allï¿½, tambiï¿½n. Y a
>>ellos, Nabucodonosor quiso hacerlos sus siervos, para que
>>adorasen a su estatua de oro puro. Esta era una estatua muy
>>grande que habï¿½a enviado a sus escultores ha construir,
>>porque la habï¿½a visto en uno de sus sueï¿½os.
>>
>>Por lo tanto, su corazï¿½n estaba fascinado por ella, y deseaba
>>tener una igual en todo su reino, como la adoraciï¿½n ï¿½nica de
>>su corazï¿½n equivocado (y eternamente perdido sin Cristo en su
>>vida). Para que todos los que vivan con ï¿½l, entonces se
>>arrodillen ante ella y le rindan gloria y honra, como uno de
>>sus dioses (o el dios de sus propias vidas), por ejemplo,
>>cuando lo contrario era la verdad. Y esto era que sï¿½lo el
>>Dios del cielo y de toda la tierra es realmente el Dios
>>soberano de toda vida del hombre y de toda la tierra y de sus
>>cosas, tambiï¿½n, asï¿½ como en el reino de los cielos, desde los
>>dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por ejemplo.
>>
>>Entonces los Babilonios, como gentiles que eran, tenï¿½an que
>>obedecer al mandato de Nabucodonosor, para no ser condenados
>>a muerte; es mï¿½s, ellos no podï¿½an quejarse ni menos escapar

>>ï¿½ste decreto tan apremiante para sus vidas, especialmente
>>para los judï¿½os que se encontraban en cautiverio entre ellos,
>>en aquellos dï¿½as, por ejemplo, y con la Ley Celestial en sus
>>corazones. Y unos judï¿½os, como todos los demï¿½s, no quisieron
>>obedecer el edicto del rey; ellos pensaban que aunque estaban
>>en cautiverio, sï¿½lo tenï¿½an que seguir y servirle al Dios de
>>sus padres, es decir, al Dios de Abraham, de Isaac y de
>>Jacobo, por ejemplo.
>>
>>Ya que, este es uno de los primeros mandamientos de sus Ley
>>Divina, no arrodillarse ante ningï¿½n ï¿½dolo en toda la tierra,
>>por ejemplo, para honrarle como a su Dios. Porque sï¿½lo un
>>Dios tienen en sus vidas, en el paraï¿½so y en la tierra; y
>>este es el SEï¿½OR Fundador del cielo y de la tierra; tambiï¿½n,
>>conocido como el Seï¿½or Todopoderoso, por ejemplo, por todos
>>los hebreos de la antigï¿½edad y de toda la vida, tambiï¿½n. Por
>>lo tanto, cuando Sadrac, Mesac y Abed-negï¿½ se negaron
>>rendirle honor a la estatua de oro, del rey de Babilonia,
>>entonces ï¿½l se enoja con ellos; no sï¿½lo con Sadrac, Mesac y
>>Abed-negï¿½, sino con todos los hebreos y hasta con el Dios del
>>cielo y de la tierra, tambiï¿½n.
>>
>>Por lo tanto, Nabucodonosor querï¿½a ver que se negasen a
>>obedecer su edicto delante de su presencia y de sus
>>oficiales, tambiï¿½n. Entonces los mando a buscar, para ver si
>>desobedecï¿½an su palabra delante de su presencia y de su
>>trono, como rey supremo de todo el reino de Babilonia. Y
>>cuando Sadrac, Mesac y Abed-negï¿½ llegaron ante Nabucodonosor,
>>entonces los oficiales les quisieron hacer que ellos
>>admitiesen que iban a obedecer el edicto del rey.
>>
>>Y ellos les respondieron, dicië¿½ndole a Nabucodonosor, que no
>>podï¿½an obedecer su ley, de humillarse ante su estatua de oro,
>>porque es contrario a la Ley del Dios del cielo y de la
>>tierra. Y cuando el rey oyï¿½ estas palabras de los labios de
>>los tres hebreos, entonces se enojo mucho mï¿½s que antes; y
>>ordeno de inmediato a sus oficiales a que calentaran mucho
>>mï¿½s que antes el horno, para echarlos a ellos en ï¿½l, por
>>haber desobedecido su mandato.
>>
>>No importa, les contestaron los hebreos al rey Nabucodonosor,
>>por cuanto mï¿½s ordenes calentar tu horno, por haber
>>quebrantado tu edicto, nosotros vamos a seguir sirviï¿½ndole al
>>Dios de nuestros padres aun entre el fuego candente de tu
>>horno, seï¿½or rey de Babilonia. Y el horno fue calentado siete
>>veces mï¿½s que antes, que cuando los soldados babilonios los
>>tomaron en sus manos para echarlos, a los tres hebreos, en el
>>fuego del horno, entonces por el poder del fuego ellos fueron
>>consumidos y muertos inmediatamente, pero no los hebreos.
>>

>>Los hebreos entraron en el fuego del horno y caminaban con
>>aquel que los protegï¿½a del mal de sus enemigos; ï¿½ste ser era
>>"el Cordero de Dios", a quien le habï¿½an ofrecido sus ofrendas
>>de paz y de amor a su Dios en el cielo; ï¿½ste es aquel de la
>>sangre del pacto eterno de Israel y del mundo entero. Y
>>cuando Nabucodonosor veï¿½a a sus hombres muertos en el suelo y
>>a los hebreos con una cuarta persona, que danzaba y alaba
>>dentro del fuego del horno al Dios del cielo, entonces se
>>maravillo mucho; y no podï¿½a creer lo que veï¿½a con sus ojos.
>>
>>Entonces Nabucodonosor les pregunto a sus oficiales: ï¿½No
>>hemos echado tres hebreos al fuego del horno? Y si lo hemos
>>hecho asï¿½: ï¿½Por quï¿½ entonces veo un cuarto ser moviï¿½ndose con
>>ellos en el fuego? Y ï¿½ste cuarto pararse ser como el Hijo de
>>Dios. Porque ni ï¿½l ni los tres hebreos se queman en el fuego,
>>sino que siguen danzando y alabando el nombre de su Dios,
>>como si no estuviese sucediï¿½ndole nada malo con ninguno de
>>ellos.
>>
>>Al momento, Nabucodonosor se acerca mï¿½s al horno, pero el
>>fuego no le hace daï¿½o tampoco, como a sus hombres que
>>murieron al instante calcinados, ante la intensidad del ardor
>>del fuego, por ejemplo, en donde habï¿½an echado a Mesac,
>>Sadrac y Abed-negï¿½, sin piedad alguna en sus corazones, a sus
>>muertes seguras del horno extremadamente violento. Entonces
>>Nabucodonosor se queda parado en su lugar, a la entrada del
>>horno, mirando hacia los hebreos y el cuarto de entre ellos,
>>que se pareciï¿½a como al Hijo de Dios en sus ojos y en su
>>corazï¿½n, tambiï¿½n, pero no sufrï¿½a daï¿½o alguno por causa del
>>fuego aun cuando ardï¿½a violentamente para quitarle la vida al
>>momento.
>>
>>Y mirando aun hacia dentro del fuego, entonces Nabucodonosor
>>llama a los hebreos, y les pide que salgan del horno. Mesac,
>>Sadrac y Abed-negï¿½ salieron caminando del horno, sin que el
>>fuego les haya hecho ningï¿½n mal alguno, ni a sus cuerpos ni a
>>sus vestiduras; ellos estaban parados ante el rey, libres y
>>limpios de toda culpa de pecado o de haber quebrantado alguna
>>ley de Dios o del hombre de toda la tierra.
>>
>>Y el Hijo de Dios no permaneciï¿½ en el fuego del horno, sino
>>que se volviï¿½ a hacer invisible ante los ojos de
>>Nabucodonosor y de su gente de Babilonia. Y Nabucodonosor les
>>dijo a los hebreos, desde hoy mismo toda Babilonia se ha de
>>postrar ante el Dios de Sadrac, Mesac y Abed-negï¿½, y el que
>>no lo haga que muera entonces. Por lo tanto, como la orden
>>del rey de Babilonia era apremiante, entonces no sï¿½lo los de
>>Babilonia ahora servï¿½an al Dios de Abraham, de Isaac y de
>>Jacobo, sino todas las naciones alrededor y hasta aun las muy
>>lejanas tambiï¿½n.

>>
>>Porque ï¿½ste incidente de haber echado a los hebreos en el
>>horno, para que mueran quemados y no murieron, sino que sus
>>hombres fueron los que el fuego del horno mata delante de sus
>>ojos y de su gente, tambiï¿½n. Y como tambiï¿½n Nabucodonosor y
>>su gente vieron al Hijo de Dios que se movï¿½a con los hebreos,
>>para alabar y para honrar el nombre bendito de sus padres,
>>entre en medio del ardor, del fuego violento, entonces no
>>podï¿½an negarlo sino sï¿½lo aceptarlo en sus corazones y en sus
>>vidas para servirle al Dios, del cielo y de la tierra.
>>
>>Y desde aquel dï¿½a en adelante, toda Babilonia y las naciones
>>aledaï¿½as: alababan y honraban al Hijo de Dios, que habï¿½a
>>redimido a Israel de la casa de su cautiverio y a Mesac,
>>Sadrac y Abed-negï¿½ de una muerte segura, en el horno candente
>>y mortal de Babilonia. Pues asï¿½ tambiï¿½n todo hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, tiene que alabar y honrar
>>aquel que estuvo muerto, pero que vive por los siglos de los
>>siglos, el Hijo de Dios, ï¿½el Santo de Israel y de la
>>humanidad entera!
>>
>>Porque asï¿½ con su sangre redimiï¿½ a Israel de su cautiverio
>>eterno en Egipto, y luego redimiï¿½ muchas veces a Israel de
>>sus enemigos, por el desierto, como por ejemplo, con Mesac,
>>Sadrac y Abed-negï¿½ que no dejo que el fuego del horno los
>>quemase, sino que estuvo con ellos hasta que fueron
>>liberados. Pues asï¿½ tambiï¿½n ha de ser contigo, mi estimado
>>hermano y mi estimada hermana, para redimirte del cautiverio
>>del pecado y para salvarte del fuego eterno del infierno,
>>aunque hayas sido echado en ï¿½l, por las manos de los enemigos
>>de Dios y del nombre sagrado de su Hijo amado, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>LA ALABANZA A TU DIOS, TE HA DE LLENAR DE LA GLORIA CELESIAL
>>
>>Es por esta razï¿½n, que los ï¿½ngeles, arcï¿½ngeles, serafines,
>>querubines y demï¿½s seres santos de nuestro Padre Celestial:
>>alaban y honran su nombre sagrado, desde el comienzo de sus
>>dï¿½as y hasta nuestros dï¿½as, tambiï¿½n, en el cielo y en el
>>resto de su creaciï¿½n. Y porque ellos alaban y honran el
>>nombre de nuestro Padre Celestial dï¿½a y noche y sin cesar,
>>entonces sus corazones y sus espï¿½ritus celestiales son
>>repletos de la gloria divina, de la presencia de Dios, de su
>>Espï¿½ritu Santo y de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Y es ï¿½sta gloria, de alabar y de honrar a su Dios, es que los
>>hace a cada uno de ellos eternamente gloriosos y, a la vez,
>>les da esa distinciï¿½n particular de sus vidas celestiales, en
>>el reino de los cielos, por ejemplo, que los hace ver, como

>>grandes y sumamente santï¿½simos, ante los ojos de toda la
>>creaciï¿½n. Pues asï¿½ tambiï¿½n el hombre, la mujer, el niï¿½o y la
>>niï¿½a de la tierra, cada uno de ellos es lleno del Espï¿½ritu de
>>Dios, cada vez que exalta el nombre de su Dios y de su
>>Jesucristo en su corazï¿½n, para gloria y para honra eterna de
>>la vida santa de su Dios, en los cielos.
>>
>>Esto fue lo que le sucediï¿½ a Moisï¿½s, por ejemplo, despuï¿½s de
>>haber hablado con Dios sobre el Sinaï¿½, por cuarenta dï¿½as y
>>cuarenta noches; al bajar del Monte su rostro resplandecï¿½a
>>con una gloria jamï¿½s vista por los hombres; y Moisï¿½s tuvo que
>>ponerse un velo sobre su rostro, porque su rostro
>>resplandecï¿½a con una gloria estelar. Pues asï¿½ tambiï¿½n el
>>hombre, de hoy y de siempre, si tan sï¿½lo le es fiel a su
>>Dios, alabï¿½ndole y rindiï¿½ndole gloria y honra a su nombre
>>santo, en su corazï¿½n y en su alma eterna, tambiï¿½n, dï¿½a a dï¿½a
>>y por siempre, en todos los lugares de la tierra y del
>>paraï¿½so, en el cielo.
>>
>>En la medida en que, la alabanza, al nombre sagrado de
>>nuestro Dios y de su Jesucristo, es para nosotros, tambiï¿½n,
>>los que amamos y honramos a nuestro Dios, en nuestras vidas y
>>en todos los lugares de la tierra. Porque cada alabanza del
>>corazï¿½n y del alma del hombre es realmente un paso mï¿½s hacia
>>el crecimiento espiritual de su vida, en la tierra y en el
>>paraï¿½so, de igual forma, para jamï¿½s volver a ser el pecador
>>de toda la tierra de siempre, que todo mundo conocï¿½a, por
>>ejemplo, en el mundo de la mentira y del mal.
>>
>>Porque las alabanzas de nuestros corazones y de nuestros
>>labios, hacia nuestro Padre Celestial que estï¿½ en los cielos,
>>son para que nuestros corazones no solamente crezcan cada vez
>>mï¿½s hacia el conocimiento santo y perfecto de su nombre
>>sagrado, sino tambiï¿½n para que nuestras almas sean felices
>>con ï¿½l y con su Espï¿½ritu Santo, en donde sea que vivamos.
>>Porque la felicidad del corazï¿½n y del alma del hombre, de la
>>mujer, del niï¿½o y de la niï¿½a, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos de la tierra, es muy
>>importante para nuestro Dios y para su Hijo amado, el Seï¿½or
>>Jesucristo, para que su Espï¿½ritu Santo obre con sus dones
>>sobrenaturales en nuestras vidas.
>>
>>Y asï¿½ ayudarnos a crecer, a cada uno de nosotros, en nuestros
>>millares, en todos los lugares de la tierra, en sus
>>maravillas, en sus milagros y en sus prodigios terrenales y
>>celestiales: porque cada una de estas bendiciones celestiales
>>en nuestras vidas es muy importante, para nosotros poder
>>vivir nuestras vidas normalmente, en la tierra y en el
>>paraï¿½so. Porque para vivir nuestras vidas, en un mundo como
>>el de hoy en dï¿½a, por ejemplo, se necesita poder, mucho poder

>>del cielo.
>>
>>Por cuanto, el mundo tiene poder de las profundas tinieblas
>>de Lucifer y de sus ï¿½ngeles caï¿½dos, y nosotros tenemos poder
>>del cielo, por naturaleza humana, espiritual y divina
>>tambiï¿½n; porque hemos sido formados en la imagen y conforme a
>>la semejanza omnipotente de nuestro Dios, de su Espï¿½ritu
>>Santo y de su Hijo amado, el Seï¿½or Jesucristo, por ejemplo. Y
>>estos poderes se oponen el uno al otro, en nosotros y entre
>>nosotros mismos, tambiï¿½n, en el cielo y en la tierra, como
>>con Adï¿½n y Eva en el paraï¿½so, porque ï¿½ste es un ejemplo
>>cliï¿½sico entre el bien y el mal, en la vida del hombre y del
>>Seï¿½or Jesucristo, para aprender de estas fuerzas opositoras,
>>por siempre.
>>
>>Por lo tanto, estos poderes sobrenaturales, para edificar y
>>asï¿½ ayudar a nuestras vidas a desarrollarse con normalidad,
>>han descendido del cielo, desde los primeros dï¿½as de la
>>antigï¿½edad, como en gï¿½nesis 1:2, por ejemplo, cuando el
>>espï¿½ritu de la sangre bendita del "Cordero de Dios", el Seï¿½or
>>Jesucristo ya venia sobre cada uno de nosotros por directriz
>>celestial. Y esto sucedï¿½a en toda la tierra, aunque todavï¿½a
>>no habï¿½amos nacido del vientre de nuestras madres, por
>>ejemplo, para ayudarnos a levantarnos, del polvo de la tierra
>>y nacer como humanos para vivir dï¿½a a dï¿½a nuestras vidas, en
>>el mundo y hasta aun mï¿½s allï¿½ de la muerte, en la eternidad
>>del nuevo reino infinito de los cielos.
>>
>>Entonces todos estos poderes que hemos de recibir dï¿½a y noche
>>de parte de nuestro Padre Celestial, por medio de su Espï¿½ritu
>>y de Jesucristo, han de ser para nosotros aprender a ser
>>fuertes ante el mal y servirle a ï¿½l, como nuestro ï¿½nico Dios
>>soberano de nuestras vidas, en la tierra y en el cielo, hoy y
>>por siempre. Y Dios ha de continuar enviï¿½ndonos de su
>>Espï¿½ritu Santo y sin cesar, lleno de sus dones
>>sobrenaturales, porque lo necesitamos para crecer en el
>>servicio sagrado de su nombre, en nuestros corazones, en
>>nuestras almas eternas y en nuestras vidas terrenales y
>>celestiales, tambiï¿½n, para la eternidad venidera del nuevo
>>reino de los cielos.
>>
>>Dado que, nuestro Dios muy bien sabe que sin su Espï¿½ritu
>>Santo y sus dones sobrenaturales, entonces no podrï¿½amos jamï¿½s
>>recibirle a ï¿½l, ni cantarle a ï¿½l, ni menos creer en nuestros
>>corazones y decir con nuestros labios su verdad y su justicia
>>infinita, de que su "Hijo amado" es el Seï¿½or Jesucristo, por
>>ejemplo. Es decir, que nadie puede alabar ni darle gloria y
>>honra a nuestro Dios, sino no es por el poder sobrenatural,
>>de la presencia del Espï¿½ritu de Dios, en nuestras vidas; es
>>mï¿½s, nadie podrï¿½a decir jamï¿½s, sin la ayuda del Espï¿½ritu

>>Santo, de que el Seï¿½or Jesucristo es su Hijo amado, por
>>naturaleza divina e infinita del cielo.
>>
>>Esto es totalmente imposible para el hombre, la mujer, el
>>niï¿½o o la niï¿½a de toda la tierra, creer en su corazï¿½n y
>>decirlo con sus labios para la eternidad, para justicia y
>>para cumplir toda verdad infinita, de que el Seï¿½or Jesucristo
>>es el Hijo de Dios, el ï¿½nico salvador posible para Israel y
>>la humanidad entera. Como ejemplo, hemos hablado de
>>Nabucodonosor, ï¿½l era un rey terrible en Babilonia; todo lo
>>que ï¿½l querï¿½a que se hiciese en su reino, entonces sï¿½ tenia
>>que hacer, sin tolerar oposicii¿½n alguna nunca.
>>
>>Su corazï¿½n estaba cerrado para Dios, porque jamï¿½s habï¿½a oï¿½do
>>hablar de ï¿½l; Nabucodonosor sï¿½lo conocï¿½a su poder, de hacer
>>las cosas a su manera, en todo su reino. Y el que se oponï¿½a a
>>ï¿½l y a su mandato, entonces tenia que ser echado al horno de
>>fuego, para morir condenado. Porque Nabucodonosor no querï¿½a
>>compartir su vida con nadie que se le opusiese en su vida, o
>>en su manera de hacer sus cosas.
>>
>>Y siendo asï¿½ Nabucodonosor, un rey cruel e impï¿½o ante Dios y
>>ante toda justicia del hombre y del cielo, Dios cambiï¿½ su
>>vida drï¿½sticamente. Porque llegaron a su vida personas que
>>conocï¿½an a Dios y que sï¿½lo alababan el poder, la gloria y la
>>honra infinita de su Creador y salvador de sus vidas. Y Dios
>>hizo con los poderes sobrenaturales de su Espï¿½ritu Santo que
>>este rey malo e impï¿½o, a la vez, ante las cosas de Dios y de
>>su reino, que sus ojos se abriesen para que vean a su "Hijo
>>Celestial", que caminaba entre las llamas ardientes del fuego
>>del horno, como del infierno, por ejemplo, y no se quemaba.
>>
>>Y asï¿½ salvase su alma del mismo fuego del horno, que muy bien
>>lo pudo haber matado calcinado, sino no hubiese sido por la
>>presencia sobrenatural del Espï¿½ritu de Dios y de su Hijo
>>amado, el Cordero de Israel, en aquella hora tan crucial para
>>su vida, en la tierra y en el mï¿½s allï¿½, tambiï¿½n. Dios
>>ciertamente salvo a este rey impï¿½o y cruel para entonces
>>glorificar su nombre, en su vida y en todo su reino, salvando
>>asï¿½ a muchos de sus pecados y de su muerte segura en la
>>eternidad, en el verdadero fuego eterno del infierno, por
>>ejemplo.
>>
>>Pues asï¿½ como el espï¿½ritu de alabanza al Dios del cielo y de
>>la tierra en corazones y en labios fieles a Dios, y no de
>>estatuas de oro o de cualquier material del hombre, ha sido
>>que ha hecho hombres pecadores, como el rey Nabucodonosor,
>>libres de sus tinieblas profundas y de muertes sin fin, en el
>>mï¿½s allï¿½. Para que vean con sus propios ojos viles al "Hijo
>>amado de Dios", el Cristo de la salvacii¿½n y de "la alabanza

>>infinita de Israel" y de cada hombre, mujer, niï¿½o y niï¿½a de
>>la humanidad entera, hoy en dï¿½a y por siempre, en la
>>eternidad venidera del nuevo reino de los cielos.
>>
>>El amor (Espï¿½ritu Santo) de nuestro Padre Celestial y de su
>>Jesucristo es contigo.
>>
>>
>>ï¿½Cultura y paz para todos, hoy y siempre!
>>
>>
>>Dï¿½gale al Seï¿½or, nuestro Padre Celestial, de todo corazï¿½n, en
>>el nombre del Seï¿½or Jesucristo: Nuestras almas te aman,
>>Seï¿½or. Nuestras almas te adoran, Padre nuestro. Nuestras
>>almas te rinden gloria y honra a tu nombre y obra santa y
>>sobrenatural, en la tierra y en el cielo, tambiï¿½n, para
>>siempre, Padre Celestial, en el nombre de tu Hijo amado, el
>>Seï¿½or Jesucristo.
>>
>>LOS ï¿½DOLOS SON UNA OFENSA / AFRENTA A LA LEY PERFECTA DE DIOS
>>
>>Es por eso que los ï¿½dolos han sido desde siempre: un tropiezo
>>a la verdad de Dios y al poder de Dios en tu vida. Un
>>tropiezo eterno, para que la omnipotencia de Dios no obre en
>>tu vida, de acuerdo a la voluntad perfecta del Padre
>>Celestial y de su Espï¿½ritu Eterno. Pero todo esto tiene un
>>fin en tu vida, en ï¿½sta misma hora crucial de tu vida. Has de
>>pensar quizï¿½ que el fin de todos los males de los ï¿½dolos
>>termine, cuando llegues al fin de tus dï¿½as. Pero esto no es
>>verdad. Los ï¿½dolos con sus espï¿½ritus inmundos te seguirï¿½n
>>atormentando dï¿½a y noche entre las llamas ardientes del fuego
>>del infierno, por haber desobedecido a la Ley viviente de
>>Dios. En verdad, el fin de todos estos males estï¿½ aquï¿½
>>contigo, en el dï¿½a de hoy. Y ï¿½ste es el Seï¿½or Jesucristo.
>>Cree en ï¿½l, en espï¿½ritu y en verdad. Usando siempre tu fe en
>>ï¿½l, escaparas los males, enfermedades y los tormentos eternos
>>de la presencia terrible de los ï¿½dolos y de sus huestes de
>>espï¿½ritus infernales en tu vida y en la vida de cada uno de
>>los tuyos tambiï¿½n, en la eternidad del reino de Dios. Porque
>>en el reino de Dios su Ley santa es de dï¿½a en dï¿½a honrada y
>>exaltada en gran manera, por todas las huestes de sus santos
>>ï¿½ngeles. Y tï¿½ con los tuyos, mi estimado hermano, mi estimada
>>hermana, has sido creado para honrar y exaltar cada letra,
>>cada palabra, cada oraciï¿½n, cada tilde, cada categorï¿½a de
>>bendiciï¿½n terrenal y celestial, cada honor, cada dignidad,
>>cada seï¿½orï¿½o, cada majestad, cada poder, cada decoro, y cada
>>vida humana y celestial con todas de sus muchas y ricas
>>bendiciones de la tierra, del dï¿½a de hoy y de la tierra santa
>>del mï¿½s allï¿½, tambiï¿½n, en el reino de Dios y de su Hijo
>>amado, ï¿½el Seï¿½or Jesucristo!, ï¿½El Todopoderoso de Israel y de

>>las naciones!
>>
>>Sï¿½LO ESTA LEY (SIN ROMPERLA) ES LA LEY VIVIENTE DE DIOS
>>
>>Esta es la ï¿½nica ley santa de Dios y del Seï¿½or Jesucristo en
>>tu corazï¿½n, para bendecirte, para darte vida y vida en
>>abundancia, en la tierra y en el cielo para siempre. Y te ha
>>venido diciendo asï¿½, desde los dï¿½as de la antigï¿½edad, desde
>>los lugares muy altos y santos del reino de los cielos:
>>
>>PRIMER MANDAMIENTO: "No tendrï¿½s otros dioses delante de mï¿½".
>>
>>SEGUNO MANDAMIENTO: "No te harï¿½s imagen, ni ninguna semejanza
>>de lo que estï¿½ arriba en el cielo, ni abajo en la tierra, ni
>>en las aguas debajo de la tierra. No te inclinarï¿½s ante ellas
>>ni les rendirï¿½s culto, porque yo soy Jehovï¿½ tu Dios, un Dios
>>celoso que castigo la maldad de los padres sobre los hijos,
>>sobre la tercera y sobre la cuarta generaciï¿½n de los que me
>>aborrecen. Pero muestro misericordia por mil generaciones a
>>los que me aman y guardan mis mandamientos".
>>
>>TERCER MANDAMIENTO: "No tomarï¿½s en vano el nombre de Jehovï¿½
>>tu Dios, porque ï¿½l no darï¿½ por inocente al que tome su nombre
>>en vano".
>>
>>CUARTO MANDAMIENTO: "Acuï¿½rdate del dï¿½a del sï¿½bado para
>>santificarlo. Seis dï¿½as trabajarï¿½s y harï¿½s toda tu obra, pero
>>el sï¿½ptimo dï¿½a serï¿½ sï¿½bado para Jehovï¿½ tu Dios. No harï¿½s en
>>ese dï¿½a obra alguna, ni tï¿½, ni tu hijo, ni tu hija, ni tu
>>siervo, ni tu sierva, ni tu animal, ni el forastero que estï¿½
>>dentro de tus puertas. Porque en seis dï¿½as Jehovï¿½ hizo los
>>cielos, la tierra y el mar, y todo lo que hay en ellos, y
>>reposï¿½ en el sï¿½ptimo dï¿½a. Por eso Jehovï¿½ bendijo el dï¿½a del
>>sï¿½bado y lo santificï¿½".
>>
>>QUINTO MANDAMIENTO: "Honra a tu padre y a tu madre, para que
>>tus dï¿½as se prolonguen sobre la tierra que Jehovï¿½ tu Dios te
>>da".
>>
>>SEXTO MANDAMIENTO: "No cometerï¿½s homicidio".
>>
>>SEPTIMO MANDAMIENTO: "No cometerï¿½s adulterio".
>>
>>OCTAVO MANDAMIENTO: "No robarï¿½s".
>>
>>NOVENO MANDAMIENTO: "No darï¿½s falso testimonio en contra de
>>tu prï¿½jimo".
>>
>>DECIMO MANDAMIENTO: "No codiciarï¿½s la casa de tu prï¿½jimo; no
>>codiciarï¿½s la mujer de tu prï¿½jimo, ni su siervo, ni su

>>sierva, ni su buey, ni su asno, ni cosa alguna que sea de tu
>>prï¿½jimo".
>>
>>Entrï¿½gale tu atenciï¿½n al Espï¿½ritu de Dios y dï¿½shazte de todos
>>estos males en tu hogar, en tu vida y en la vida de cada uno
>>de los tuyos, tambiï¿½n. Hazlo asï¿½ y sin mas demora alguna, por
>>amor a la Ley santa de Dios, en la vida de cada uno de los
>>tuyos. Porque ciertamente ellos desean ser libres de sus
>>ï¿½dolos y de sus imï¿½genes de talla, aunque tï¿½ no lo veas asï¿½,
>>en ï¿½sta hora crucial para tu vida y la vida de los tuyos,
>>tambiï¿½n. Y tï¿½ tienes el poder, para ayudarlos a ser libres de
>>todos estos males, de los cuales han llegado a ellos, desde
>>los dï¿½as de la antigï¿½edad, para seguir destruyendo sus vidas,
>>en el dï¿½a de hoy. Y Dios no desea continuar viendo estos
>>males en sus vidas, sino que sï¿½lo ï¿½l desea ver vida y vida en
>>abundancia, en cada naciï¿½n y en cada una de sus muchas
>>familias, por toda la tierra.
>>
>>Esto es muy importante: Oremos junto, en el nombre del Seï¿½or
>>Jesucristo. Vamos todos a orar juntos, por unos momentos. Y
>>digamos juntos la siguiente oraciï¿½n de Jesucristo delante de
>>la presencia santa del Padre Celestial, nuestro Dios y
>>salvador de todas nuestras almas:
>>
>>ORACIï¿½N DEL PERDï¿½N
>>
>>Padre nuestro que estï¿½s en los cielos: santificada sea la
>>memoria de tu nombre que mora dentro de Jesucristo, tu hijo
>>amado. Venga tu reino, sea hecha tu voluntad, como en el
>>cielo asï¿½ tambiï¿½n en la tierra. El pan nuestro de cada dï¿½a,
>>dï¿½noslo hoy. Perdï¿½nanos nuestras deudas, como tambiï¿½n
>>nosotros perdonamos a nuestros deudores. Y no nos metas en
>>tentaciï¿½n, mas lï¿½branos del mal. Porque tuyo es el reino, el
>>poder y la gloria por todos los siglos. Amï¿½n.
>>
>>Porque si perdonï¿½is a los hombres sus ofensas, vuestro Padre
>>Celestial tambiï¿½n os perdonarï¿½ a vosotros. Pero si no
>>perdonï¿½is a los hombres, tampoco vuestro Padre os perdonarï¿½
>>vuestras ofensas.
>>
>>Por lo tanto, el Seï¿½or Jesï¿½s dijo, "Yo soy el CAMINO, y la
>>VERDAD, y la VIDA ETERNA; nadie PUEDE VENIR al PADRE SANTO,
>>sino es POR Mï¿½". Juan 14:

>>NADIE Mï¿½S TE PUEDE SALVAR.

>>TI Y LOS TUYOS, EN EL Dï¿½A DE HOY.

>>>
>>>Puesto que, Adï¿½n fue la primera obra perfecta de las manos de
>>>nuestro Padre Celestial y de su Espï¿½ritu Santo, para darle de
>>>comer y de beber en su dï¿½a y sin mï¿½s demora alguna, de su

>>>de los descendientes de adï¿½n, en sus millares, en toda la
>>>tierra, comenzando con Eva, en el paraï¿½so, por ejemplo, ha
>>>sido creado por Dios para que coma y beba dï¿½a y noche, sï¿½lo
>>>de su alabanza perfecta.
>>>
>>>Y esto es del espï¿½ritu de la comida y de la bebida, de la
>>>alabanza de gloria y de honra eterna de su Hijo amado, el
>>>Seï¿½or Jesucristo, para que su nueva tierra con nuevos cielos,
>>>como su gran ciudad celestial, La Gran Jerusalï¿½n Infinita,
>>>entonces sea llena sï¿½lo de nueva vida glorificada y honrada
>>>de sus hijos e hijas. Porque Dios ha estado buscando en los
>>>ï¿½ngeles y asï¿½ en la humanidad entera, nuevas glorias y honras
>>>infinitas para su nombre en su nueva vida infinita, de su
>>>nuevo reino celestial, en el mï¿½s allï¿½.
>>>
>>>Y es aquï¿½, en donde nosotros tenemos que estar para ï¿½l, para
>>>su Hijo amado y para su Espï¿½ritu Santo, rodeado por siempre
>>>de las alabanzas de gloria y de honra a su nombre santo, de
>>>los corazones de los ï¿½ngeles del cielo y asï¿½ tambiï¿½n de los
>>>corazones de los hombres y mujeres de toda la tierra. Fue por
>>>esta razï¿½n, tambiï¿½n, de que nuestro Dios buscando nuevas
>>>glorias y nuevas honras para su nombre santo, entonces la
>>>encontrï¿½ en un rey impï¿½o de Babilonia, llamado Nabucodonosor,
>>>por ejemplo.
>>>
>>>En aquellos dï¿½as, ï¿½ste rey Nabucodonosor deseaba engrandecer
>>>el nombre de una de su estatua grande y hecha en oro, como el
>>>dios soberano de sus tierras y de las naciones en su derredor
>>>tambiï¿½n. Y todo aquel que no rindiese honra y alabanzas a su
>>>estatua de oro, entonces seria echado al fuego candente de
>>>uno de sus hornos. Pero en este horno muy candente, Dios se
>>>le manifestï¿½ a su vida, maravillosamente, en medio de
>>>aquellos que querï¿½a destruir (a los hebreos), porque no le
>>>habï¿½an obedecido a su mandato de arrodillarse y de honrar a
>>>su estatua de oro.
>>>
>>>Y en aquel momento, cuando Mesac, Sadrac y Abed-negï¿½ eran

>>>echados al fuego del horno, por los hombres fuertes del rey
>>>babilonio, entonces se visualizo que habï¿½a estado con sus
>>>siervos, los hebreos, el Hijo de Dios, todo el tiempo y hasta
>>>en el mismo ardor terrible del horno, para destruir sus
>>>vidas. Pero cuando el fuego era aun mï¿½s fuerte que antes, los
>>>hombres verdugos murieron carbonizados, pero los hebreos no
>>>murieron y danzaban alabando al Dios del cielo y de la tierra
>>>junto con su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>>
>>>Entonces como "Nabucodonosor vio" al Hijo de Dios con sus
>>>propios ojos, no muriï¿½ en aquel dï¿½a, sino que decidiï¿½ cambiar
>>>su corazï¿½n para servirle a su nuevo Seï¿½or y salvador de su
>>>vida, el Hijo de Dios, el Cristo de la antigï¿½edad y de
>>>siempre de Israel y de la humanidad entera. Y en este dï¿½a,
>>>Nabucodonosor estableciï¿½ una ley de que todo hombre, mujer,
>>>niï¿½o y niï¿½a de su reino y de las naciones en toda la tierra,
>>>tenï¿½an que alabar y honrar en sus corazones y en sus vidas
>>>"al Hijo de Dios", que habï¿½a conocido en medio del fuego,
>>>como Moisï¿½s le conociï¿½, por ejemplo, en el Sinaï¿½.
>>>
>>>Porque sï¿½lo el Hijo de Dios podï¿½a salvar al hombre del fuego
>>>del horno y asï¿½ tambiï¿½n de la muerte eterna del infierno, por
>>>lo tanto, ï¿½l es el Cristo de Israel y de los hebreos, como
>>>Mesac, Sadrac y Abed-negï¿½, que fueron redimidos por el poder
>>>de Dios, en aquel momento tan crucial de sus vidas o de
>>>muerte. Por ello, hoy en dï¿½a, si tan sï¿½lo alabas y honras al
>>>SEï¿½OR del cielo y de la tierra, con tu corazï¿½n y con tus
>>>labios, entonces su Hijo amado ha de estar junto a ti y a los
>>>tuyos, tambiï¿½n, para redimirte de todo mal del pecado y del
>>>poder de la muerte, como del fuego eterno del infierno.
>>>
>>>Porque el poder del nombre y de la vida sagrada de nuestro
>>>Padre Celestial jamï¿½s ha cesado en esta vida ni (cesara) en
>>>la venidera tampoco, para todos los que le aman y le alaban
>>>dï¿½a y noche, en sus corazones y en sus almas eternas,
>>>tambiï¿½n. Es por eso, que si hoy en dï¿½a necesitas de tu Dios y
>>>Creador de tu vida, entonces debes buscarlo a ï¿½l, entre el
>>>fuego del horno, de los problemas y dificultades de tu vida,
>>>para que el Hijo amado de Dios se haga visible en tus ojos y
>>>en los (ojos) de los que te conozcan, tambiï¿½n.
>>>
>>>Porque nuestro Dios es real y verdadero, en esta vida y en la

>>>asï¿½, el Hijo de Dios, el Seï¿½or Jesucristo, lo ha de ser
>>>contigo, infinitamente verdadero, desde hoy mismo y por
>>>siempre, en la eternidad venidera, del nuevo reino de los
>>>cielos, en el mï¿½s allï¿½. Es por eso, que el nombre de tu Dios
>>>y salvador de tu vida, como el Hijo de Dios, por ejemplo,
>>>debe de ser alabado, desde el levantamiento del sol y hasta
>>>cuando se esconde en el horizonte de cada noche de tu vida.

>>>Porque al amanecer del dï¿½a siguiente se volverï¿½ a manifestar
>>>con poder, como siempre, para que alaben el nombre sagrado de
>>>su Creador, ï¿½el Todopoderoso de Israel y de la humanidad
>>>entera!
>>>
>>>ALABADO SEA Dï¿½A Y NOCHE EL NOMBRE DE NUESTRO DIOS
>>>
>>>Desde el nacimiento del sol y hasta donde se pone, sea
>>>alabado el nombre del Todopoderoso, en el corazï¿½n de sus
>>>ï¿½ngeles y asï¿½ tambiï¿½n en los corazones de todos los hombres,
>>>mujeres, niï¿½os y niï¿½as de toda la tierra. Porque todo lo que
>>>ha creado nuestro Dios, ha sido para que su nombre sea
>>>exaltado en la gloria y en la honradez perfecta, de los dones
>>>sobrenaturales de su Espï¿½ritu Santo y de la vida celebre de
>>>su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>>
>>>Es por eso, que los ï¿½ngeles del cielo alaban desde siempre el
>>>nombre de nuestro Dios, porque es lo mejor para sus corazones
>>>y para sus espï¿½ritus celestiales, en el cielo y por toda la
>>>creaciï¿½n; es mï¿½s, no hay nada mejor para ellos que deseasen
>>>hacer ademï¿½s de exaltar y de honrar el nombre Creador de sus
>>>vidas celestiales. En verdad, el vivir para Dios, es lo mejor
>>>para el espï¿½ritu de los ï¿½ngeles, serafines, querubines,
>>>arcï¿½ngeles y demï¿½s seres santos del cielo; y si no pudiesen
>>>vivir para su Dios, exaltando y honrando su nombre sagrado en
>>>todas las alturas del reino de los cielos, entonces sus vidas
>>>no serian interesantes, ni gozasen de felicidad alguna,
>>>tampoco.
>>>
>>>Realmente para ellos todo seria monï¿½tono, como si les faltase
>>>algo en sus vidas, para poder seguir viviendo, delante de su
>>>Dios y de su creaciï¿½n santa y perfecta en el cielo, asï¿½ como
>>>el pecador y la pecadora de la tierra, de hoy y de siempre.
>>>Es mï¿½s, los ï¿½ngeles no fuesen ï¿½ngeles, ni tampoco existirï¿½an,
>>>sino que serian parte de la nada, de donde Dios los saco, en
>>>el dï¿½a de su creaciï¿½n, como el hombre, por ejemplo, que Dios
>>>lo saco de la tierra. Pero gracias a Dios, porque los
>>>ï¿½ngeles, en sus diferentes rangos de gloria y de grandeza
>>>infinita, si conocen el propï¿½sito de dï¿½a a dï¿½a de sus vidas,
>>>delante de Dios y de su ï¿½rbol de vida, el Seï¿½or Jesucristo,
>>>como los seguidores del SEï¿½OR, en todos los lugares de la
>>>tierra y, hoy en dï¿½a, en el paraï¿½so, tambiï¿½n.
>>>
>>>Es por eso, que los ï¿½ngeles jamï¿½s han deseado abandonar a su
>>>Dios ni menos a su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo,
>>>para seguir sirviï¿½ndole a ï¿½l y a su nombre santo, para miles
>>>de siglos venideros en su nueva eternidad celestial, como su
>>>nueva gran ciudad santa y eterna: La Nueva Jerusalï¿½n del
>>>nuevo reino infinito. Es por esta razï¿½n, que los ï¿½ngeles del
>>>cielo son realmente felices con su Dios y con su Espï¿½ritu

>>>Santo, porque sus corazones son bendecidos cada vez mï¿½s que
>>>antes, por la gloria y por la honra infinita que genera el
>>>alabar y el honrar el nombre bendito de Dios dï¿½a y noche en
>>>la tierra santa del cielo.
>>>
>>>Es decir, tambiï¿½n, que para los ï¿½ngeles no existe otra manera
>>>posible para que sus corazones y sus espï¿½ritus celestiales
>>>sean por siempre felices, en sus vidas eternas en el reino de
>>>los cielos, de Dios y de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>>Jesucristo! Por lo tanto, ï¿½sta felicidad de los corazones de
>>>los ï¿½ngeles de Dios es tan grande y tan profunda, como los
>>>mismo cielos y nuestro universo en su anchura, profundidad y
>>>altura infinita, por ejemplo, llena de estrellas, planetas y
>>>sus lunas por doquier, visibles e invisibles, a la vez.
>>>
>>>Y nuestro Padre Celestial nos ha creado en sus manos santas a
>>>cada uno de nosotros, en nuestros millares, en toda su
>>>creaciï¿½n, celestiales y terrenal, comenzando con Adï¿½n y Eva,
>>>en el paraï¿½so, por ejemplo, para que gocemos junto con ï¿½l y
>>>con sus huestes de ï¿½ngeles celestiales de ï¿½sta felicidad
>>>santa e infinita, en nuestras vidas para siempre. Porque el
>>>corazï¿½n que nuestro Dios ha puesto en nuestros pechos es un
>>>corazï¿½n como el de ï¿½l mismo, ni mï¿½s ni menos; por lo tanto,
>>>nosotros tenemos un corazï¿½n tan grande como su nombre santo,
>>>para recibirlo y retenerlo eternamente y para siempre, en la
>>>eternidad venidera de su nueva vida infinita para todos, los
>>>que le aman fielmente.
>>>
>>>Es decir, que nuestro corazï¿½n es grande, profundo, ancho y
>>>capaz de traspasar aun mï¿½s allï¿½ del infinito, como el corazï¿½n
>>>de nuestro Dios y de su Hijo amado, el Seï¿½or Jesucristo, para
>>>sentir sï¿½lo amor y vida infinita, para servirle y amarle por
>>>siempre, tal como ï¿½l es amado por sus ï¿½ngeles del cielo. Y
>>>asï¿½ gozar por siempre, llenos de amor, paz, gozo, felicidad,
>>>vida, poder, sabidurï¿½a y deseo perfecto de servir y de

>>>cielos dï¿½a y noche y por siempre en el mï¿½s allï¿½, en su nuevo
>>>reino celestial, de su Hijo amado y de sus millares de
>>>huestes angelicales.
>>>
>>>Es por esta razï¿½n, tambiï¿½n, que todas las cosas creadas por
>>>Dios en el cielo y asï¿½ tambiï¿½n en la tierra, han sido para
>>>alabar dï¿½a y noche el nombre sagrado de nuestro Dios y Padre
>>>Celestial que estï¿½ en los cielos. Porque las estrellas y los

>>>distancias en la inmensidad, alaban y honran al nombre
>>>sagrado de nuestro Dios, a toda hora de su tiempo universal y
>>>sin parar jamï¿½s, por ninguna razï¿½n.
>>>
>>>Es mï¿½s, hasta podrï¿½amos decir tambiï¿½n que asï¿½ como las

>>>honran el nombre de nuestro Dios y de su Jesucristo, entonces
>>>de igual forma todas las cosas que existen en todos los

>>>nuestras montaï¿½as, como baï¿½ï¿½ndolas con su sustancia, su humo
>>>celestial, por ejemplo, alaban y honra la gloria infinita del
>>>nombre sagrado, de nuestro Dios y de su Hijo amado, el Seï¿½or
>>>Jesucristo, sin que nadie se de cuenta, sï¿½lo Dios y sus
>>>huestes celestiales del cielo.
>>>
>>>Y asï¿½ tambiï¿½n de las montaï¿½as, los rï¿½os que bajan de sus
>>>praderas para terminar en los grandes mares, alaban y honran
>>>el nombre de nuestro Dios y de su Hijo amado, el Seï¿½or
>>>Jesucristo, a la misma vez. Asï¿½ las aves de las alturas, como
>>>los animales terrestres y los peces y monstruos marinos de
>>>los ocï¿½anos alaban y honran dï¿½a y noche: el nombre bendito de
>>>Dios y de su Hijo amado, el Seï¿½or Jesucristo, para que ï¿½sta
>>>misma alabanza de gloria y de honra eterna a nuestro Dios y a
>>>su Jesucristo llegue al hombre tambiï¿½n.
>>>
>>>Es decir, para que el espï¿½ritu de alabar y de honrar a
>>>nuestro Dios entonces llegue a todo pecador que mora en la
>>>tierra y asï¿½ despierte su corazï¿½n de sus profundas tinieblas,
>>>para que no sufra y muera mï¿½s, sino que vea la vida eterna de
>>>su Dios y de su ï¿½rbol de vida, el Seï¿½or Jesucristo. Porque la
>>>lucha de la creaciï¿½n de Dios y de sus muchas cosas, grandes y
>>>pequeï¿½as del cielo y de la tierra, es para escapar de las
>>>profundas tinieblas, del espï¿½ritu de mentira y de gran error
>>>de Lucifer y de sus ï¿½ngeles caï¿½dos y asï¿½ entonces despertar a
>>>la luz verdadera del cielo y del mundo, ï¿½el Seï¿½or Jesucristo!
>>>
>>>Y la ï¿½nica manera que toda la creaciï¿½n ha de escapar los
>>>poderes terribles de las profundas tinieblas del mï¿½s allï¿½,
>>>como las de Lucifer y de sus ï¿½ngeles rebeldes, ha de ser que
>>>alaben y honren sin cesar, el nombre bendito de nuestro Dios
>>>y de su Hijo amado, el ï¿½rbol de la vida eterna, el Seï¿½or
>>>Jesucristo. Porque de otra manera, toda la creaciï¿½n ha de
>>>seguir sumergida bajo el poder de las profundas tinieblas,
>>>del espï¿½ritu de error de Lucifer y de sus ï¿½ngeles caï¿½dos,
>>>para seguir haciendo mï¿½s daï¿½o al nombre santo de nuestro
>>>Dios, en el corazï¿½n de todos sus seres creados.
>>>
>>>Seres creados, como ï¿½ngeles del cielo y hombres y sus reinos
>>>de animales de toda la tierra, en sus diferentes gï¿½neros del
>>>aire, de la tierra y del mar, tambiï¿½n. Fue por esta razï¿½n,
>>>que nuestro Dios comenzï¿½ a derramar del Espï¿½ritu de vida, de
>>>la sangre santa de su ï¿½rbol de vida, desde su lugar santo del
>>>reino, como desde el paraï¿½so, por ejemplo, gï¿½nesis 1:2, para

>>>subyugar a cada una de estas profundas tinieblas, de gran
>>>mentira y de gran maldad que habita en la tierra.
>>>
>>>Profundas tinieblas del mï¿½s allï¿½ que habitan, por ejemplo, en
>>>muchos lugares de la tierra, y las nubes de los cielos, como
>>>las montaï¿½as, los arboles, plantas, aves del aire, animales
>>>terrestres y peces del mar, desean escapar de cada una de
>>>ellas, hacia la luz bendita de nuestro Dios y de su Hijo
>>>amado, el Seï¿½or Jesucristo, para vivir. Para entonces sï¿½lo
>>>ver y vivir la luz y la gran bendiciï¿½n celestial de dï¿½a a dï¿½a
>>>de nuestro Dios y Padre Celestial que estï¿½ en los cielos,
>>>hacia cada una de todas sus cosas creadas en los cielos, en
>>>los mares y en toda la tierra, tambiï¿½n.
>>>
>>>Porque la alabanza al nombre santo de nuestro Dios y de su
>>>Hijo amado, el Seï¿½or Jesucristo, trae dï¿½a y noche a nuestras
>>>vidas mï¿½s y mï¿½s bendiciones de maravillas, de milagros y de
>>>prodigios en los cielos y en la tierra, para que nuestros

>>>Dios mucho mï¿½s que antes en nuestras vidas, para alcanzar mï¿½s
>>>gloria y mï¿½s honra para nuestro Dios y para el nombre sagrado
>>>de su Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>>
>>>Es por esta razï¿½n, que el honrar y exaltar el nombre bendito
>>>de nuestro Dios dï¿½a y noche, en nuestros corazones y en
>>>nuestras almas eternas, es de suma importancia para el
>>>crecimiento espiritual, corporal e intelectual de nuestras
>>>vidas, en la tierra y asï¿½ tambiï¿½n en el reino de los cielos,
>>>como en el paraï¿½so, por ejemplo. Y nuestro Dios ha de
>>>bendecir tu vida, mi estimado hermano y hermana, ni mï¿½s ni

>>>
>>>Y esto ha de ser realmente en tu nuevo lugar eterno, junto

>>>Ademï¿½s, ï¿½sta luz divina es la misma que siempre habita en las

>>>
>>>Todo era gloria, en aquella tarde: Los sacerdotes levitas

>>>nuestro Dios en el reino de los cielos, por ejemplo, cuando
>>>los ï¿½ngeles, en sus millares y en unï¿½sono: alaban y honran su

>>>
>>>En realidad, la gloria de Dios es su Hijo amado, como

>>>llenarla de muchas de las ricas bendiciones de la tierra y
>>>del mï¿½s allï¿½, tambiï¿½n, para que su alma crezca eternamente y

>>>
>>>El alma del hombre puede desarrollarse y crecer
>>>indefinidamente en la tierra y en el paraï¿½so, tambiï¿½n, para

>>>llegan a nuestras vidas del Espï¿½ritu Santo de Dios, para
>>>ayudarnos a desarrollar y crecer en nuestras vidas
>>>infinitamente, para engrandecer su nombre santo eternamente.
>>>
>>>Ya que, asï¿½ como los ï¿½ngeles del cielo, los hombres, mujeres,

>>>
>>>Y estos son muchos de los dones de milagros, de maravillas y

>>>
>>>Ahora, si hoy en dï¿½a, tï¿½, mi estimado hermano y mi estimada

>>>su ï¿½rbol de vida, llena de los frutos de vida para tu alma y
>>>para los millares de las huestes angelicales y de gentes,

>>>
>>>DIGNO DE SUPREMA GLORIA Y HONRA ES NUESTRO DIOS
>>>
>>>Y en el cielo, asï¿½ como en la tierra, en todos los dï¿½as de tu

>>>Grande es Jehovï¿½ y digno de suprema alabanza, en la ciudad de
>>>nuestro Rey, en el monte de su santuario!
>>>

>>>Ademï¿½s, has de gozarte como los ï¿½ngeles, por ejemplo, en
>>>exaltar y en honrar el nombre sagrado de nuestro Dios, de la
>>>misma manera que los ï¿½ngeles lo han venido haciendo asï¿½ en
>>>sus vidas, desde el dï¿½a de la creaciï¿½n de los cielos y de

>>>Celestial es digno de suprema gloria, desde de nuestros
>>>corazones y hasta miles de siglos venideros, en su nueva vida
>>>infinita de su gran ciudad celestial, La Nueva Jerusalï¿½n
>>>Santa e infinita del cielo, por ejemplo.
>>>
>>>Y esta gloria de nuestros corazones hacia nuestro Dios y
>>>Fundador de nuestras vidas no se la merece nadie mï¿½s que ï¿½l,
>>>que estï¿½ sentado en su trono de la gracia y de la

>>>por la sangre de Cristo, del poder del pecado y de la muerte
>>>eterna, de las palabras llenas de mentira y de engaï¿½o eterno
>>>del corazï¿½n y de los labios perdidos de Lucifer, es realmente
>>>mayor que la de los ï¿½ngeles del cielo.
>>>
>>>Por lo tanto, nuestra salvaciï¿½n eterna de nuestras almas
>>>vivientes habla mucho mï¿½s de lo que nosotros podrï¿½amos hablar
>>>con nuestro espï¿½ritu y con nuestra alma humana, de la gracia
>>>redentora de la sangre bendita del Seï¿½or Jesucristo, hacia
>>>nuestro Dios y a hacia su Espï¿½ritu Santo que estï¿½n en los

>>>Jesucristo, la cual fue llevada acabo en su dï¿½a, sobre la

>>>gloriosa y sumamente honrada de nuestro salvador celestial, ï¿½
>>>el Seï¿½or Jesucristo!
>>>
>>>Entonces la obra del Seï¿½or Jesucristo en nuestros corazones y
>>>en nuestras vidas alaban y honran dï¿½a y noche el nombre
>>>sagrado de nuestro Padre Celestial, en esta vida y en la
>>>nueva vida venidera del nuevo reino de los cielos, aunque
>>>jamï¿½s nos demos cuenta de esta alabanza, honra y adoraciï¿½n de
>>>nuestro espï¿½ritu hacia nuestro Padre Celestial. Es por esta

>>>siempre han sentido un sentir mutuo, de llegar a conocer a
>>>nuestro Dios y a nuestro salvador de nuestras vidas (del
>>>poder del pecado y de la muerte del castigo eterno, como el
>>>infierno o como la segunda muerte de nuestras vidas, por

>>>
>>>Pero nuestro Dios no nos ha creado para la gloria del fuego
>>>eterno del mï¿½s allï¿½, del infierno o del lago de fuego, por
>>>ejemplo, sino para la vida eterna del cielo. Realmente,
>>>nuestro Padre Celestial nos ha creado en la imagen y conforme

>>>la semejanza sagrada de su ï¿½rbol de vida, su gran rey Mesï¿½as,
>>>el Cristo de Israel y de las naciones, para gloria y para
>>>honra celestial de su nueva vida venidera, en el mï¿½s allï¿½, de
>>>su nuevo reino imperecedero de ï¿½ngeles y de naciones de
>>>gentes eternas. Y estas gentes eternas de Dios somos todos

>>>
>>>Entonces nuestro Dios es digno de suprema alabanza y de gran

>>>
>>>Y esta es La Jerusalï¿½n Eterna, la cual nuestro Dios siempre
>>>soï¿½ï¿½ vivir en ella, con sus hijos e hijas de todas las

>>>no habitara jamï¿½s la palabra de mentira de ningï¿½n rebelde,

>>>
>>>Porque el que le ama a ï¿½l, en el espï¿½ritu y en la verdad

>>>en su Dios y Creador de su vida, por medio de su palabra viva
>>>y del nombre bendito del Seï¿½or Jesucristo, en su corazï¿½n.
>>>Porque sï¿½lo por medio, de la vida sagrada y el nombre bendito
>>>de su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo, entonces
>>>nuestro Dios ha de ser exaltado y honrado, a la vez, por los

>>>
>>>Ciertamente un Dios gigantesco y todopoderoso nos ha creado

>>>comencemos a honrarle y a exaltarle en su espï¿½ritu de amor y

>>>
>>>Y esto ha sido algo muy especial para Dios y para su

>>>de la vida implacable del Seï¿½or Jesucristo, porque nos ama
>>>tanto, y nos perdona nuestros pecados, como desde el mismo
>>>dï¿½a que nos saco del lodo de la tierra.
>>>
>>>Por esta razï¿½n, el Espï¿½ritu de Dios lucha dï¿½a y noche, desde
>>>los dï¿½as del gï¿½nesis de todas las cosas, para que no sea asï¿½
>>>con ninguno de nosotros, para que no perdamos nuestros

>>>la nueva eternidad venidera.

>>>
>>>JESUCRSITO HABITA EN MEDIO DE NUESTRA ALABANZA
>>>
>>>Nuestro Padre Celestial es ciertamente santo. Y como ï¿½l no

>>>
>>>En otras palabras, cada gloria y cada honra de nuestros

>>>
>>>Y al instante, Dios mismo transforma estas glorias y honras
>>>en muchas bendiciones para nuestras vidas y para mucha mï¿½s

>>>
>>>Nuestro Padre Celestial realmente sabe muy bien en su corazï¿½n

>>>Seï¿½or Jesucristo!
>>>
>>>Es por eso, que los apï¿½stoles y asï¿½ tambiï¿½n toda la gente y

>>>el mismo del ayer, de hoy y de siempre, en el paraï¿½so, en la

>>>Pero estï¿½ vez, en nuevas tierra con nuevos cielos adornado

>>>Y, hoy en dï¿½a, como en aï¿½os anteriores, nuestro Padre
>>>Celestial ha deseado formar una nueva vida celestial para sus

>>>Jesucristo!
>>>
>>>Y sin Jesucristo, nada de lo que Dios desee crear en el cielo
>>>y en la tierra lo podrï¿½ lograr jamï¿½s. Es por esta razï¿½n, que
>>>el Seï¿½or Jesucristo es de suma importancia en el corazï¿½n y en

>>>Y esta es una nueva vida, totalmente llena de verdad y de

>>>nuestros dï¿½as, por ejemplo, honran y adoran el nombre sagrado
>>>de nuestro Dios y de nuestro Seï¿½or Jesucristo, para
>>>glorificar sus vidas por siempre sï¿½lo en la verdad de la

>>>Porque es muy importante que dï¿½a y noche, el nombre sagrado

>>>Seï¿½or Jesucristo, todos los dï¿½as de nuestras existencias, en
>>>la tierra y en el paraï¿½so tambiï¿½n, para miles de siglos

>>>
>>>Es por esta razï¿½n, tambiï¿½n, que los cielos y sus seres
>>>celestiales, de los que se ven y como de los que no (se ven),
>>>en sus millares e incontables, en toda la inmensidad,
>>>anuncian en todo momento de la grandeza y de la gloria
>>>infinita de su Fundador, el Todopoderoso, el Omnipotente.
>>>Para que los ï¿½ngeles del cielo y asï¿½ tambiï¿½n los hombres,

>>>
>>>Entonces todos los seres creados por Dios, como ï¿½ngeles del

>>>Porque ha sido su Hijo amado, el Seï¿½or Jesucristo, quien
>>>realmente ha cumplido toda su voluntad perfecta para bien de

>>>quien verdaderamente se ha "levantado victorioso" en el

>>>
>>>Ya que, fuera del Seï¿½or Jesucristo, entonces no hay alabanza
>>>alguna posible para el corazï¿½n del ï¿½ngel del cielo y asï¿½

>>>
>>>Por cuanto, hemos sido creados por su corazï¿½n santo, para que

>>>hasta nuestros dï¿½as, por ejemplo, entonces tï¿½ mismo has de
>>>ver al Hijo de Dios en cualquier dï¿½a, como Nabucodonosor lo
>>>vio en su dï¿½a.
>>>
>>>EL REY DE BABILONIA VIO AL HIJO DE DIOS Y SE SALVO
>>>
>>>Por ejemplo, vemos como Nabucodonosor, rey de Babilonia,
>>>alababa, exaltaba y glorificaba al Rey de los cielos, porque
>>>todas sus obras eran para ï¿½l, verdad infinita y sus caminos
>>>justicia para todos los hombres, mujeres, niï¿½os y niï¿½as de

>>>siempre, tambiï¿½n. Porque sï¿½lo nuestro Padre Celestial puede
>>>humillar a los que andan con soberbia delante de su presencia
>>>santa, en el paraï¿½so y por toda la tierra, tambiï¿½n.
>>>
>>>Realmente, Nabucodonosor era un hombre impï¿½o, desde los
>>>primeros dï¿½as de su reinado; ï¿½l no conocï¿½a a Dios en su
>>>corazï¿½n, porque "nadie le habï¿½a enseï¿½ado la verdad y la
>>>justicia infinita de su corazï¿½n de creer, en el Hijo de Dios,
>>>para ser redimido de sus pecados y de su muerte segura en el

>>>que tenia en su reino se lo merecï¿½a muy bien, porque habï¿½a
>>>trabajado por todo ello, en toda su vida; ademï¿½s, habï¿½a
>>>derrotado a naciones y a sus ejï¿½rcitos por doquier, como a
>>>Israel, por ejemplo; por lo tanto, su reino era grande y
>>>fuerte entre los pueblos de la tierra, en aquellos dï¿½as.
>>>
>>>Pero Nabucodonosor jamï¿½s se habï¿½a tropezado con siervos de
>>>Dios, que verdaderamente amaban su palabra y su nombre
>>>sagrado, a pesar de cualquier oposiciï¿½n, por mï¿½s terrible que
>>>fuese, en la tierra y aun hasta del mï¿½s allï¿½, tambiï¿½n. Y a
>>>ellos, Nabucodonosor quiso hacerlos sus siervos, para que
>>>adorasen a su estatua de oro puro. Esta era una estatua muy
>>>grande que habï¿½a enviado a sus escultores ha construir,
>>>porque la habï¿½a visto en uno de sus sueï¿½os.
>>>
>>>Por lo tanto, su corazï¿½n estaba fascinado por ella, y deseaba
>>>tener una igual en todo su reino, como la adoraciï¿½n ï¿½nica de
>>>su corazï¿½n equivocado (y eternamente perdido sin Cristo en su
>>>vida). Para que todos los que vivan con ï¿½l, entonces se
>>>arrodillen ante ella y le rindan gloria y honra, como uno de
>>>sus dioses (o el dios de sus propias vidas), por ejemplo,
>>>cuando lo contrario era la verdad. Y esto era que sï¿½lo el
>>>Dios del cielo y de toda la tierra es realmente el Dios
>>>soberano de toda vida del hombre y de toda la tierra y de sus
>>>cosas, tambiï¿½n, asï¿½ como en el reino de los cielos, desde los
>>>dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por ejemplo.
>>>
>>>Entonces los Babilonios, como gentiles que eran, tenï¿½an que

>>>obedecer al mandato de Nabucodonosor, para no ser condenados
>>>a muerte; es mï¿½s, ellos no podï¿½an quejarse ni menos escapar
>>>ï¿½ste decreto tan apremiante para sus vidas, especialmente
>>>para los judï¿½os que se encontraban en cautiverio entre ellos,
>>>en aquellos dï¿½as, por ejemplo, y con la Ley Celestial en sus
>>>corazones. Y unos judï¿½os, como todos los demï¿½s, no quisieron
>>>obedecer el edicto del rey; ellos pensaban que aunque estaban
>>>en cautiverio, sï¿½lo tenï¿½an que seguir y servirle al Dios de
>>>sus padres, es decir, al Dios de Abraham, de Isaac y de
>>>Jacobo, por ejemplo.
>>>
>>>Ya que, este es uno de los primeros mandamientos de sus Ley
>>>Divina, no arrodillarse ante ningï¿½n ï¿½dolo en toda la tierra,
>>>por ejemplo, para honrarle como a su Dios. Porque sï¿½lo un
>>>Dios tienen en sus vidas, en el paraï¿½so y en la tierra; y
>>>este es el SEï¿½OR Fundador del cielo y de la tierra; tambiï¿½n,
>>>conocido como el Seï¿½or Todopoderoso, por ejemplo, por todos
>>>los hebreos de la antigï¿½edad y de toda la vida, tambiï¿½n. Por
>>>lo tanto, cuando Sadrac, Mesac y Abed-negï¿½ se negaron
>>>rendirle honor a la estatua de oro, del rey de Babilonia,
>>>entonces ï¿½l se enoja con ellos; no sï¿½lo con Sadrac, Mesac y
>>>Abed-negï¿½, sino con todos los hebreos y hasta con el Dios del
>>>cielo y de la tierra, tambiï¿½n.
>>>
>>>Por lo tanto, Nabucodonosor querï¿½a ver que se negasen a
>>>obedecer su edicto delante de su presencia y de sus
>>>oficiales, tambiï¿½n. Entonces los mando a buscar, para ver si
>>>desobedeciï¿½an su palabra delante de su presencia y de su
>>>trono, como rey supremo de todo el reino de Babilonia. Y
>>>cuando Sadrac, Mesac y Abed-negï¿½ llegaron ante Nabucodonosor,
>>>entonces los oficiales les quisieron hacer que ellos
>>>admitiesen que iban a obedecer el edicto del rey.
>>>
>>>Y ellos les respondieron, diciï¿½ndole a Nabucodonosor, que no
>>>podï¿½an obedecer su ley, de humillarse ante su estatua de oro,
>>>porque es contrario a la Ley del Dios del cielo y de la
>>>tierra. Y cuando el rey oyï¿½ estas palabras de los labios de
>>>los tres hebreos, entonces se enojo mucho mï¿½s que antes; y
>>>ordeno de inmediato a sus oficiales a que calentaran mucho
>>>mï¿½s que antes el horno, para echarlos a ellos en ï¿½l, por
>>>haber desobedecido su mandato.
>>>
>>>No importa, les contestaron los hebreos al rey Nabucodonosor,
>>>por cuanto mï¿½s ordenes calentar tu horno, por haber
>>>quebrantado tu edicto, nosotros vamos a seguir sirviï¿½ndole al
>>>Dios de nuestros padres aun entre el fuego candente de tu
>>>horno, seï¿½or rey de Babilonia. Y el horno fue calentado siete
>>>veces mï¿½s que antes, que cuando los soldados babilonios los
>>>tomaron en sus manos para echarlos, a los tres hebreos, en el
>>>fuego del horno, entonces por el poder del fuego ellos fueron

>>>consumidos y muertos inmediatamente, pero no los hebreos.
>>>
>>>Los hebreos entraron en el fuego del horno y caminaban con
>>>aquel que los protegï¿½a del mal de sus enemigos; ï¿½ste ser era
>>>"el Cordero de Dios", a quien le habï¿½an ofrecido sus ofrendas
>>>de paz y de amor a su Dios en el cielo; ï¿½ste es aquel de la
>>>sangre del pacto eterno de Israel y del mundo entero. Y
>>>cuando Nabucodonosor veï¿½a a sus hombres muertos en el suelo y
>>>a los hebreos con una cuarta persona, que danzaba y alaba
>>>dentro del fuego del horno al Dios del cielo, entonces se
>>>maravillo mucho; y no podï¿½a creer lo que veï¿½a con sus ojos.
>>>
>>>Entonces Nabucodonosor les pregunto a sus oficiales: ï¿½No
>>>hemos echado tres hebreos al fuego del horno? Y si lo hemos
>>>hecho asï¿½: ï¿½Por quï¿½ entonces veo un cuarto ser moviï¿½ndose con
>>>ellos en el fuego? Y ï¿½ste cuarto pararse ser como el Hijo de
>>>Dios. Porque ni ï¿½l ni los tres hebreos se queman en el fuego,
>>>sino que siguen danzando y alabando el nombre de su Dios,
>>>como si no estuviese sucediï¿½ndole nada malo con ninguno de
>>>ellos.
>>>
>>>Al momento, Nabucodonosor se acerca mï¿½s al horno, pero el
>>>fuego no le hace daï¿½o tampoco, como a sus hombres que
>>>murieron al instante calcinados, ante la intensidad del ardor
>>>del fuego, por ejemplo, en donde habï¿½an echado a Mesac,
>>>Sadrac y Abed-negï¿½, sin piedad alguna en sus corazones, a sus
>>>muertes seguras del horno extremadamente violento. Entonces
>>>Nabucodonosor se queda parado en su lugar, a la entrada del
>>>horno, mirando hacia los hebreos y el cuarto de entre ellos,
>>>que se parecï¿½a como al Hijo de Dios en sus ojos y en su
>>>corazï¿½n, tambiï¿½n, pero no sufrï¿½a daï¿½o alguno por causa del
>>>fuego aun cuando ardï¿½a violentamente para quitarle la vida al
>>>momento.
>>>
>>>Y mirando aun hacia dentro del fuego, entonces Nabucodonosor
>>>llama a los hebreos, y les pide que salgan del horno. Mesac,
>>>Sadrac y Abed-negï¿½ salieron caminando del horno, sin que el
>>>fuego les haya hecho ningï¿½n mal alguno, ni a sus cuerpos ni a
>>>sus vestiduras; ellos estaban parados ante el rey, libres y
>>>limpios de toda culpa de pecado o de haber quebrantado alguna
>>>ley de Dios o del hombre de toda la tierra.
>>>
>>>Y el Hijo de Dios no permaneciï¿½ en el fuego del horno, sino
>>>que se volviï¿½ a hacer invisible ante los ojos de
>>>Nabucodonosor y de su gente de Babilonia. Y Nabucodonosor les
>>>dijo a los hebreos, desde hoy mismo toda Babilonia se ha de
>>>postrar ante el Dios de Sadrac, Mesac y Abed-negï¿½, y el que
>>>no lo haga que muera entonces. Por lo tanto, como la orden
>>>del rey de Babilonia era apremiante, entonces no sï¿½lo los de
>>>Babilonia ahora servï¿½an al Dios de Abraham, de Isaac y de

>>>Jacobo, sino todas las naciones alrededor y hasta aun las muy
>>>lejanas tambiï¿½n.
>>>
>>>Porque ï¿½ste incidente de haber echado a los hebreos en el
>>>horno, para que mueran quemados y no murieron, sino que sus
>>>hombres fueron los que el fuego del horno mata delante de sus
>>>ojos y de su gente, tambiï¿½n. Y como tambiï¿½n Nabucodonosor y
>>>su gente vieron al Hijo de Dios que se movï¿½a con los hebreos,
>>>para alabar y para honrar el nombre bendito de sus padres,
>>>entre en medio del ardor, del fuego violento, entonces no
>>>podï¿½an negarlo sino sï¿½lo aceptarlo en sus corazones y en sus
>>>vidas para servirle al Dios, del cielo y de la tierra.
>>>
>>>Y desde aquel dï¿½a en adelante, toda Babilonia y las naciones
>>>aledaï¿½as: alababan y honraban al Hijo de Dios, que habï¿½a
>>>redimido a Israel de la casa de su cautiverio y a Mesac,
>>>Sadrac y Abed-negï¿½ de una muerte segura, en el horno candente
>>>y mortal de Babilonia. Pues asï¿½ tambiï¿½n todo hombre, mujer,
>>>niï¿½o y niï¿½a de la humanidad entera, tiene que alabar y honrar
>>>aquel que estuvo muerto, pero que vive por los siglos de los
>>>siglos, el Hijo de Dios, ï¿½el Santo de Israel y de la
>>>humanidad entera!
>>>
>>>Porque asï¿½ con su sangre redimiï¿½ a Israel de su cautiverio
>>>eterno en Egipto, y luego redimiï¿½ muchas veces a Israel de
>>>sus enemigos, por el desierto, como por ejemplo, con Mesac,
>>>Sadrac y Abed-negï¿½ que no dejo que el fuego del horno los
>>>quemase, sino que estuvo con ellos hasta que fueron
>>>liberados. Pues asï¿½ tambiï¿½n ha de ser contigo, mi estimado
>>>hermano y mi estimada hermana, para redimirte del cautiverio
>>>del pecado y para salvarte del fuego eterno del infierno,
>>>aunque hayas sido echado en ï¿½l, por las manos de los enemigos
>>>de Dios y del nombre sagrado de su Hijo amado, ï¿½el Seï¿½or
>>>Jesucristo!
>>>
>>>LA ALABANZA A TU DIOS, TE HA DE LLENAR DE LA GLORIA CELESIAL
>>>
>>>Es por esta razï¿½n, que los ï¿½ngeles, arcï¿½ngeles, serafines,
>>>querubines y demï¿½s seres santos de nuestro Padre Celestial:
>>>alaban y honran su nombre sagrado, desde el comienzo de sus
>>>dï¿½as y hasta nuestros dï¿½as, tambiï¿½n, en el cielo y en el
>>>resto de su creaciï¿½n. Y porque ellos alaban y honran el
>>>nombre de nuestro Padre Celestial dï¿½a y noche y sin cesar,
>>>entonces sus corazones y sus espï¿½ritus celestiales son
>>>repletos de la gloria divina, de la presencia de Dios, de su
>>>Espï¿½ritu Santo y de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>>Jesucristo!
>>>
>>>Y es ï¿½sta gloria, de alabar y de honrar a su Dios, es que los
>>>hace a cada uno de ellos eternamente gloriosos y, a la vez,

>>>les da esa distinciï¿½n particular de sus vidas celestiales, en
>>>el reino de los cielos, por ejemplo, que los hace ver, como
>>>grandes y sumamente santï¿½simos, ante los ojos de toda la
>>>creaciï¿½n. Pues asï¿½ tambiï¿½n el hombre, la mujer, el niï¿½o y la
>>>niï¿½a de la tierra, cada uno de ellos es lleno del Espï¿½ritu de
>>>Dios, cada vez que exalta el nombre de su Dios y de su
>>>Jesucristo en su corazï¿½n, para gloria y para honra eterna de
>>>la vida santa de su Dios, en los cielos.
>>>
>>>Esto fue lo que le sucediï¿½ a Moisï¿½s, por ejemplo, despuï¿½s de
>>>haber hablado con Dios sobre el Sinaï¿½, por cuarenta dï¿½as y
>>>cuarenta noches; al bajar del Monte su rostro resplandecï¿½a
>>>con una gloria jamï¿½s vista por los hombres; y Moisï¿½s tuvo que
>>>ponerse un velo sobre su rostro, porque su rostro
>>>resplandecï¿½a con una gloria estelar. Pues asï¿½ tambiï¿½n el
>>>hombre, de hoy y de siempre, si tan sï¿½lo le es fiel a su
>>>Dios, alabï¿½ndole y rindiï¿½ndole gloria y honra a su nombre
>>>santo, en su corazï¿½n y en su alma eterna, tambiï¿½n, dï¿½a a dï¿½a
>>>y por siempre, en todos los lugares de la tierra y del
>>>paraï¿½so, en el cielo.
>>>
>>>En la medida en que, la alabanza, al nombre sagrado de
>>>nuestro Dios y de su Jesucristo, es para nosotros, tambiï¿½n,
>>>los que amamos y honramos a nuestro Dios, en nuestras vidas y
>>>en todos los lugares de la tierra. Porque cada alabanza del
>>>corazï¿½n y del alma del hombre es realmente un paso mï¿½s hacia
>>>el crecimiento espiritual de su vida, en la tierra y en el
>>>paraï¿½so, de igual forma, para jamï¿½s volver a ser el pecador
>>>de toda la tierra de siempre, que todo mundo conocï¿½a, por
>>>ejemplo, en el mundo de la mentira y del mal.
>>>
>>>Porque las alabanzas de nuestros corazones y de nuestros
>>>labios, hacia nuestro Padre Celestial que estï¿½ en los cielos,
>>>son para que nuestros corazones no solamente crezcan cada vez
>>>mï¿½s hacia el conocimiento santo y perfecto de su nombre
>>>sagrado, sino tambiï¿½n para que nuestras almas sean felices
>>>con ï¿½l y con su Espï¿½ritu Santo, en donde sea que vivamos.
>>>Porque la felicidad del corazï¿½n y del alma del hombre, de la
>>>mujer, del niï¿½o y de la niï¿½a, de todas las familias, razas,
>>>pueblos, linajes, tribus y reinos de la tierra, es muy
>>>importante para nuestro Dios y para su Hijo amado, el Seï¿½or
>>>Jesucristo, para que su Espï¿½ritu Santo obre con sus dones
>>>sobrenaturales en nuestras vidas.
>>>
>>>Y asï¿½ ayudarnos a crecer, a cada uno de nosotros, en nuestros
>>>millares, en todos los lugares de la tierra, en sus
>>>maravillas, en sus milagros y en sus prodigios terrenales y
>>>celestiales: porque cada una de estas bendiciones celestiales
>>>en nuestras vidas es muy importante, para nosotros poder
>>>vivir nuestras vidas normalmente, en la tierra y en el

>>>paraï¿½so. Porque para vivir nuestras vidas, en un mundo como
>>>el de hoy en dï¿½a, por ejemplo, se necesita poder, mucho poder
>>>del cielo.
>>>
>>>Por cuanto, el mundo tiene poder de las profundas tinieblas
>>>de Lucifer y de sus ï¿½ngeles caï¿½dos, y nosotros tenemos poder
>>>del cielo, por naturaleza humana, espiritual y divina
>>>tambiï¿½n; porque hemos sido formados en la imagen y conforme a
>>>la semejanza omnipotente de nuestro Dios, de su Espï¿½ritu
>>>Santo y de su Hijo amado, el Seï¿½or Jesucristo, por ejemplo. Y
>>>estos poderes se oponen el uno al otro, en nosotros y entre
>>>nosotros mismos, tambiï¿½n, en el cielo y en la tierra, como
>>>con Adï¿½n y Eva en el paraï¿½so, porque ï¿½ste es un ejemplo
>>>cliï¿½sico entre el bien y el mal, en la vida del hombre y del
>>>Seï¿½or Jesucristo, para aprender de estas fuerzas opositoras,
>>>por siempre.
>>>
>>>Por lo tanto, estos poderes sobrenaturales, para edificar y
>>>asï¿½ ayudar a nuestras vidas a desarrollarse con normalidad,
>>>han descendido del cielo, desde los primeros dï¿½as de la
>>>antigï¿½edad, como en gï¿½nesis 1:2, por ejemplo, cuando el
>>>espï¿½ritu de la sangre bendita del "Cordero de Dios", el Seï¿½or
>>>Jesucristo ya venia sobre cada uno de nosotros por directriz
>>>celestial. Y esto sucedï¿½a en toda la tierra, aunque todavï¿½a
>>>no habï¿½amos nacido del vientre de nuestras madres, por
>>>ejemplo, para ayudarnos a levantarnos, del polvo de la tierra
>>>y nacer como humanos para vivir dï¿½a a dï¿½a nuestras vidas, en
>>>el mundo y hasta aun mï¿½s allï¿½ de la muerte, en la eternidad
>>>del nuevo reino infinito de los cielos.
>>>
>>>Entonces todos estos poderes que hemos de recibir dï¿½a y noche
>>>de parte de nuestro Padre Celestial, por medio de su Espï¿½ritu
>>>y de Jesucristo, han de ser para nosotros aprender a ser
>>>fuertes ante el mal y servirle a ï¿½l, como nuestro ï¿½nico Dios
>>>soberano de nuestras vidas, en la tierra y en el cielo, hoy y
>>>por siempre. Y Dios ha de continuar enviï¿½ndonos de su
>>>Espï¿½ritu Santo y sin cesar, lleno de sus dones
>>>sobrenaturales, porque lo necesitamos para crecer en el
>>>servicio sagrado de su nombre, en nuestros corazones, en
>>>nuestras almas eternas y en nuestras vidas terrenales y
>>>celestiales, tambiï¿½n, para la eternidad venidera del nuevo
>>>reino de los cielos.
>>>
>>>Dado que, nuestro Dios muy bien sabe que sin su Espï¿½ritu
>>>Santo y sus dones sobrenaturales, entonces no podrï¿½amos jamï¿½s
>>>recibirle a ï¿½l, ni cantarle a ï¿½l, ni menos creer en nuestros
>>>corazones y decir con nuestros labios su verdad y su justicia
>>>infinita, de que su "Hijo amado" es el Seï¿½or Jesucristo, por
>>>ejemplo. Es decir, que nadie puede alabar ni darle gloria y
>>>honra a nuestro Dios, sino no es por el poder sobrenatural,

>>>de la presencia del Espï¿½ritu de Dios, en nuestras vidas; es
>>>mï¿½s, nadie podrï¿½a decir jamï¿½s, sin la ayuda del Espï¿½ritu
>>>Santo, de que el Seï¿½or Jesucristo es su Hijo amado, por
>>>naturaleza divina e infinita del cielo.
>>>
>>>Esto es totalmente imposible para el hombre, la mujer, el
>>>niï¿½o o la niï¿½a de toda la tierra, creer en su corazï¿½n y
>>>decirlo con sus labios para la eternidad, para justicia y
>>>para cumplir toda verdad infinita, de que el Seï¿½or Jesucristo
>>>es el Hijo de Dios, el ï¿½nico salvador posible para Israel y
>>>la humanidad entera. Como ejemplo, hemos hablado de
>>>Nabucodonosor, ï¿½l era un rey terrible en Babilonia; todo lo
>>>que ï¿½l querï¿½a que se hiciese en su reino, entonces sï¿½ tenia
>>>que hacer, sin tolerar oposicii¿½n alguna nunca.
>>>
>>>Su corazï¿½n estaba cerrado para Dios, porque jamï¿½s habï¿½a oï¿½do
>>>hablar de ï¿½l; Nabucodonosor sï¿½lo conocï¿½a su poder, de hacer
>>>las cosas a su manera, en todo su reino. Y el que se oponï¿½a a
>>>ï¿½l y a su mandato, entonces tenia que ser echado al horno de
>>>fuego, para morir condenado. Porque Nabucodonosor no querï¿½a
>>>compartir su vida con nadie que se le opusiese en su vida, o
>>>en su manera de hacer sus cosas.
>>>
>>>Y siendo asï¿½ Nabucodonosor, un rey cruel e impï¿½o ante Dios y
>>>ante toda justicia del hombre y del cielo, Dios cambiï¿½ su
>>>vida drï¿½sticamente. Porque llegaron a su vida personas que
>>>conocï¿½an a Dios y que sï¿½lo alababan el poder, la gloria y la
>>>honra infinita de su Creador y salvador de sus vidas. Y Dios
>>>hizo con los poderes sobrenaturales de su Espï¿½ritu Santo que
>>>este rey malo e impï¿½o, a la vez, ante las cosas de Dios y de
>>>su reino, que sus ojos se abriesen para que vean a su "Hijo
>>>Celestial", que caminaba entre las llamas ardientes del fuego
>>>del horno, como del infierno, por ejemplo, y no se quemaba.
>>>
>>>Y asï¿½ salvase su alma del mismo fuego del horno, que muy bien
>>>lo pudo haber matado calcinado, sino no hubiese sido por la
>>>presencia sobrenatural del Espï¿½ritu de Dios y de su Hijo
>>>amado, el Cordero de Israel, en aquella hora tan crucial para
>>>su vida, en la tierra y en el mï¿½s allï¿½, tambiï¿½n. Dios
>>>ciertamente salvo a este rey impï¿½o y cruel para entonces

Ladies and gentlemen of alt.ham-radio, rec.radio.amateur.policy, and rec.radio.amateur.misc, the message you are replying to is a part of an ongoing campaign to disrupt the whole of sfnet, the Finnish-language Usenet hierarchy, by means of cross-posting Finnish-language garbage messages to other hierarchies.

Several bots are currently being run to try to remove these messages (which are posted from the rogue news server news-in1.superfeed.net), but unfortunately it is quicker to randomly generate than to find and then remove messages.

The users of sfnet would much appreciate if you do not post followups to these messages (specially cross-posting to the sfnet hierarchy), the original garbage messages should be removed shortly. Thank you.

A CW keyboard? What a great idea!

That would allow no code dummies like Mark Morgan to use Morse.
Trouble is that Mark can't spell for crap, so even if he were to have such a
keyboard it would be anybody's guess what the heck he would be trying to
send.

Try the Wireman. Wireman.com

They have just about anything you need for antennas and they are great to
deal with. Their prices are lower than most, also.

once commented that he had problems receiving 80 meters....said he had a two
meter antenna hooked to it.

>>dï¿½a de la tierra. Y, hoy en dï¿½a, ï¿½sta misma sangre viva e
>>infinita, clama por ti, mi estimado hermano y mi estimada
>>hermana, no sï¿½lo para perdonar tus pecados, lo cual es muy
>>importante para ver la vida eterna y sus riquezas, pero para
>>sanar tu vida y protegerte de los males de tus enemigos, como
>>Lucifer y su serpiente antigua, por ejemplo.
>>
>>En vista de que, tus enemigos son muchos y no se han cansado
>>de atacarte dï¿½a y noche, desde el dï¿½a que comenzaron a atacar

>>a Adï¿½n y a Eva en el paraï¿½so, en el mï¿½s allï¿½, por ejemplo, en
>>donde empezï¿½ tu misma vida con tu pecado original, la que
>>vives hoy en dï¿½a, en la tierra. Entonces la sangre viva del
>>paraï¿½so clama por ti (y por los tuyos tambiï¿½n), para
>>despertarte de tus tinieblas y de tu ceguera espiritual y
>>veas a Cristo Jesï¿½s, tu ï¿½nico verdadero amigo en esta tierra
>>y en tu nueva vida venidera del nuevo reino celestial, para
>>llenar tu corazï¿½n y tu alma de la luz de su sangre milagrosa.
>>
>>Y lo ï¿½nico que tienes que hacer para responder a su llamado,
>>realmente, es aceptarla en tu vida, al orar a nuestro Dios
>>que estï¿½ en los cielos, en el nombre sagrado de su Hijo
>>amado, el Seï¿½or Jesucristo, para que perdone tus pecados y te
>>bendiga desde el mismo cielo y paraï¿½so del ï¿½rbol Vivo con sus
>>bendiciones infinitas. Y asï¿½ Dios mismo llene tu vida de su
>>nueva luz celestial e infinita de su ï¿½rbol Viviente, su Hijo
>>amado, el Mesï¿½as, para que las tinieblas de tus males de
>>siempre, como los que agobian tu corazï¿½n, tu mente, tu alma,
>>tu espï¿½ritu y tu cuerpo humano, entonces se vayan de tu vida
>>y no vuelvan mï¿½s a ti.
>>
>>JESUCRISTO SE DIO ASIMISMO, PARA LIMPIARNOS CON SU SANGRE
>>
>>Al que no conociï¿½ pecado, por nosotros el SEï¿½OR le hizo
>>pecado para que descendiese hasta la pobreza de nuestras
>>vidas y asï¿½ entonces levantarnos de la nada: a la gloria mï¿½s
>>sublime del cielo y de toda la nueva vida del SEï¿½OR y de sus
>>huestes angelicales. Con el propï¿½sito de que cada uno de
>>nosotros, en nuestros millares, de todas las razas, linajes,
>>pueblos, familias, tribus y reinos de la tierra, entonces sea
>>hecho verdad y justicia de Dios, sï¿½lo posible en ï¿½l, en su
>>Hijo muy amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Porque era necesario que nuestro Padre Celestial nos salvase
>>del poder del pecado y de sus muchas tinieblas, por medio de
>>una vida santa y sumamente honrada, la cual descendiese de
>>las riquezas del cielo a la pobreza de la tierra, para no
>>sï¿½lo regresar al paraï¿½so, sino mucho mï¿½s que esto. Y esto fue
>>realmente para vivir una vida sana, santa y saludable, como
>>ninguna otra, en sus nuevas tierras con nuevos cielos, en el
>>nuevo reino celestial, en donde la pobreza y la maldad del
>>pecado y de sus profundas tinieblas de Lucifer y de sus
>>ï¿½ngeles caï¿½dos no existen, para siempre, en ningï¿½n ser creado
>>del SEï¿½OR.
>>
>>Por lo tanto, un cordero o un becerro o un toro de las
>>manadas israelï¿½es no podï¿½an satisfacer los requisitos de una
>>vida sana, santa y eternamente saludable y apta para vivir
>>con nuestro Dios y sus huestes de ï¿½ngeles gloriosos de la
>>nueva vida perenne, del nuevo reino celestial, como La Nueva

>>Jerusalï¿½n Santa e infinita, por ejemplo. En verdad, nos
>>encontrï¿½bamos en un lï¿½o muy serio y sin salida alguna, en
>>todos nuestros contornos de todo lo que es (y ha de ser)
>>nuestra vida humana, en toda la vida del mundo entero, para
>>escapar los males del pecado y de su muerte eterna, no sï¿½lo
>>en la tierra sino tambiï¿½n del infierno infinitamente violento
>>y tormentoso.
>>
>>Tenï¿½amos nuestra sangre llena de pecados, mentiras y las
>>maldiciones de enfermedades y de muertes terribles de parte
>>de Lucifer y de su corazï¿½n perdido en tinieblas y destrucciï¿½n
>>eterna para cada uno de nosotros, comenzando con Adï¿½n y Eva,
>>por ejemplo, por haber comido del fruto prohibido, en vez,
>>del fruto del ï¿½rbol de la vida, infinita de Dios. De hecho,
>>ï¿½sta misma sangre nuestra tenia que ser reemplazada o
>>regenerada por una sangre buena, que no sï¿½lo nos borre,
>>limpie y purifique de nuestros pecados y de sus muchas
>>profundas tinieblas de enfermedades que vienen a nosotros del
>>mï¿½s allï¿½, de parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por
>>ejemplo, sino mucho mï¿½s que esto.
>>
>>Y esto era que la nueva sangre, no podï¿½a ser de la tierra o
>>de cualquier animal de sacrificio o de hombres, sino del
>>mismo paraï¿½so, para darnos poder y vida en abundancia, para
>>nosotros entonces poder vivir nuestras vidas, por las cuales
>>fuimos creados en Dios y en su Espï¿½ritu Santo, para sï¿½lo
>>vivirla por su ï¿½rbol Viviente, Jesucristo. Porque no es
>>posible que sangres de animales de sacrificio u hombres
>>pecadores de la tierra nos puedan dar de sus sangres, para
>>nosotros entonces poder ser hechos libres de nuestros pecados
>>y males eternos, en la tierra y en el mï¿½s allï¿½, tambiï¿½n, y
>>asï¿½ poder entrar a la nueva vida infinita del nuevo reino de
>>los cielos.
>>
>>Esto no es asï¿½, para ningï¿½n hombre, mujer, niï¿½o y niï¿½a de la
>>humanidad entera, porque no existe sangre de animal o humana
>>que nos pueda llevar de regreso a la vida celestial de la
>>antigï¿½edad, la del paraï¿½so de Adï¿½n y Eva, por ejemplo.
>>Entonces la ï¿½nica sangre que nos podï¿½a (y aun nos puede)
>>limpiar, santificar, sanar y llenar de vida en abundancia,
>>realmente, es la misma sangre gloriosa de nuestro Seï¿½or
>>Jesucristo, el ï¿½rbol de la vida eterna del paraï¿½so y de toda
>>la nueva creaciï¿½n de Dios y de sus huestes celestiales, en la
>>tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Es por eso, que el SEï¿½OR desde el principio le requiriï¿½ a
>>Adï¿½n y a Eva comer y beber solamente del fruto del ï¿½rbol de
>>la vida, para que de esta manera ï¿½nica, no sï¿½lo se pudiera
>>quedar a vivir en el paraï¿½so, sino que ambos crecerï¿½an
>>espiritualmente hasta llegar a ser tan santos y gloriosos,

>>como su mismo Creador. Porque para esto Dios mismo los saco
>>con sus propias manos del fondo de las profundas tinieblas de
>>la tierra, para formarlos con la ayuda idï¿½nea de su Espï¿½ritu
>>Santo, en su imagen y conforme a su semejanza sagrada, "sï¿½lo
>>posible", por medio del fruto del ï¿½rbol de la vida, su
>>"Cordero Escogido y su sangre bendita", ï¿½el Seï¿½or Jesucristo!
>>
>>Puesto que, es la sangre del Seï¿½or Jesucristo, la del ï¿½rbol
>>de la vida, la que nos lleva de regreso al paraï¿½so y nos
>>permite permanecer a vivir en ella con Dios y sus ï¿½ngeles
>>celestiales, para no sï¿½lo comer y beber del Seï¿½or Jesucristo,
>>sino tambiï¿½n de los frutos de los millares de ï¿½rboles que
>>existen en el paraï¿½so. Porque la sangre del hombre y de la
>>mujer tienen que ser compatibles con la sangre del ï¿½rbol de
>>la vida de Dios, para entonces quedarse a vivir en el
>>paraï¿½so, de otra manera, no es posible la vida para ningï¿½n
>>ser viviente, como el pecador o la pecadora vivir en el cielo
>>y con su Dios.
>>
>>Entonces viviremos en el paraï¿½so para comer y beber sï¿½lo del
>>ï¿½rbol de la vida y de sus millares de frutos y ï¿½rboles
>>creados por Dios y su Espï¿½ritu, los cuales sï¿½lo nos hacen
>>bien y, a la vez, nos dan salud infinita en nuestras sangres
>>y en nuestros cuerpos espirituales y glorificados, en la
>>sangre bendita de nuestro Jesucristo. Porque la verdad es que
>>el ï¿½rbol de la ciencia del bien y del mal ha de estar ahï¿½, en
>>su lugar, en el epicentro del paraï¿½so, pero ya no nos harï¿½
>>mï¿½s daï¿½o, como se lo hizo a Adï¿½n y a Eva primero, por
>>desobediencia a la palabra bendita del SEï¿½OR, por ejemplo.
>>
>>Realmente, viviremos felices y libres del mal del pecado y de
>>su muerte, porque Lucifer ya no existirï¿½ mï¿½s, como hoy en dï¿½a
>>vive aun, a pesar de la gran derrota que sufriï¿½ delante del
>>SEï¿½OR y del Seï¿½or Jesucristo, en el dï¿½a de la crucifixiï¿½n y
>>de la resurrecciï¿½n de entre los muertos en el Tercer Dï¿½a, por
>>ejemplo. Entonces como Dios mismo hizo al Seï¿½or Jesucristo
>>que sufriera el poder del pecado y de su mal eterno en el
>>madero, aunque jamï¿½s peco, para que entonces descendiera a la
>>terrible pobreza de nuestro estado espiritual del infierno, y
>>desde ahï¿½ levantarnos muy alto y hasta la nueva vida infinita
>>del nuevo reino celestial, en el mï¿½s allï¿½.
>>
>>Ademï¿½s, nuestro Dios hizo todo este gran milagro, sï¿½lo en la
>>vida de su Hijo amado, por el poder sobrenatural de su misma
>>sangre viviente, viviendo en el corazï¿½n de cada uno de los
>>hombres, mujeres, niï¿½os y niï¿½as de las naciones, para
>>entonces cumplir la Ley del paraï¿½so y asï¿½ darle vida nueva a
>>su humanidad infinita y celestial. Porque a parte de eso,
>>ningï¿½n ser viviente podï¿½a realmente conocer a su ï¿½rbol de
>>vida y de salud infinita, para entonces regresar a su vida

>>normal del cielo y vivir eternamente en la verdad y en la
>>justicia gloriosa y sumamente honrada de su Creador, ï¿½el
>>Todopoderoso de Israel y de la humanidad entera!
>>
>>Esto era totalmente imposible para la vida de la humanidad
>>entera, sin Cristo Jesï¿½s en su sangre, sea quien sea la
>>persona del ayer y de hoy en dï¿½a, en toda la creaciï¿½n de
>>Dios, en el paraï¿½so y en toda la tierra, tambiï¿½n. Por eso,
>>damos gracias a nuestro Padre Celestial por ofrecerle su
>>fruto del ï¿½rbol de la vida a Adï¿½n y a cada uno de sus
>>descendientes, tambiï¿½n, de todas las razas, pueblos, linajes,
>>tribus y reinos del mundo entero, comenzando con Eva, por
>>supuesto, para alcanzar como hoy mismo, por ejemplo, el bien
>>perdido de la vida eterna del paraï¿½so.
>>
>>Ya que, es ï¿½sta misma sangre bendita del Seï¿½or Jesucristo, su
>>Hijo amado, la cual nos mantiene vivos hoy en dï¿½a y en toda
>>la tierra, para muy pronto, si nuestro Dios nos se tarda mï¿½s,
>>entonces regresar a nuestras vidas normales del paraï¿½so y del
>>nuevo reino celestial, como La Nueva Jerusalï¿½n Dios, la que
>>desciende del cielo. Y si ï¿½sta misma sangre sagrada y antigua
>>del paraï¿½so viene a ti, mi estimado hermano, asï¿½ como vino en
>>su dï¿½a a Adï¿½n y a Eva, entonces no cometas el mismo error y
>>rebeliï¿½n de nuestros progenitores celestiales, al no comer y
>>beber del ï¿½rbol de la vida, sino has todo lo contrario, y
>>acï¿½ptala en tu vida ilimitadamente.
>>
>>Porque si aceptas a Jesucristo como tu ï¿½rbol de la vida y de
>>salud infinita de tu corazï¿½n y de tu alma, entonces los
>>poderes sobrenaturales de la misma sangre sagrada y antigua
>>del paraï¿½so, comenzara a bendecir tu vida (y la de los tuyos
>>tambiï¿½n), como jamï¿½s has sido bendecido en toda tu vida y en
>>la eternidad venidera. En realidad, sï¿½lo la sangre del Seï¿½or
>>Jesucristo es la mejor para el hombre, la mujer, el niï¿½o y la
>>niï¿½a de la humanidad entera, para perdonar pecados y
>>limpiarlos de los poderes terribles de las enfermedades, de
>>las cuales azotan el corazï¿½n, el alma y la vida humana, de
>>parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por ejemplo.
>>
>>Es por eso, que el que no tiene la sangre bendita y antigua
>>del paraï¿½so obrando en sus poderes y autoridades celestiales
>>de parte de nuestro Padre Celestial, entonces es muy fï¿½cil
>>atacado por el poder del enemigo y de sus muchas tinieblas,
>>para que su corazï¿½n, su espï¿½ritu, su alma y su cuerpo
>>enfermen, y mueran en las tinieblas. Porque todo aquel que
>>enferma y muere, entonces enferma y muere en las profundas
>>tinieblas del pecado de Lucifer y de sus ï¿½ngeles caï¿½dos, para
>>descender a su lugar eterno, en el bajo mundo del mï¿½s allï¿½,
>>como el abismo, el infierno y posteriormente, despuï¿½s del
>>juicio: la segunda muerte final de su alma perdida, el lago

>>de fuego.
>>
>>TENEMOS PERDï¿½N DE PECADO, Sï¿½LO EN LA SANGRE DE JESUCRISTO
>>
>>Por esta razï¿½n, sï¿½lo en el Seï¿½or Jesucristo tenemos redenciï¿½n
>>celestial e infinita para nuestras almas, por medio de su
>>sangre, el perdï¿½n de nuestras transgresiones de la Ley del
>>Paraï¿½so, segï¿½n las riquezas de su gracia, la cual hizo
>>sobreabundar en todo poder y entendimiento para con cada uno
>>de nosotros, en la tierra y en la eternidad, tambiï¿½n. Es por
>>eso, que la sangre del Seï¿½or Jesucristo jamï¿½s debe de faltar
>>en nuestras vidas dï¿½a a dï¿½a; nuestro Dios nos la entrego en
>>su abundancia infinita, para que jamï¿½s nos falte ninguna de
>>sus muchas bendiciones y poderes sobrenaturales, para
>>derrotar al enemigo, en todo momento de nuestras vidas, por
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Porque la verdad fue para Adï¿½n, la cual no entendiï¿½ jamï¿½s y
>>hasta que fue demasiado tarde, que el ï¿½nico poder
>>sobrenatural del mï¿½s allï¿½, como en el paraï¿½so, por ejemplo,
>>que le podï¿½a librar de cada una de las artimaï¿½as de Lucifer,
>>como sus mentiras y demï¿½s maldades mortales, era la misma
>>sangre bendita del ï¿½rbol de la vida. Porque sï¿½lo en el fruto
>>del ï¿½rbol de la vida hay poder para el corazï¿½n, para el alma
>>y para el cuerpo de Adï¿½n y de cada uno de sus descendientes,
>>en el paraï¿½so y en toda la creaciï¿½n celestial, eternamente y
>>para siempre, desde hoy mismo y hasta la nueva eternidad
>>venidera de Dios y de su humanidad infinita.
>>
>>Ademï¿½s, fue por esta razï¿½n, de que Dios requiriï¿½ de Adï¿½n y de
>>cada uno de sus descendientes, comenzando con Eva, por
>>ejemplo, de que tenï¿½an que comer y beber siempre del fruto
>>del ï¿½rbol de la vida, el Seï¿½or Jesucristo, en el epicentro
>>del paraï¿½so, para que sus cuerpos perennemente se mantuviesen
>>con esa vitalidad infinita, del reino celestial. Hoy en dï¿½a,
>>lo mismo es verdad para todo hombre, mujer, niï¿½o y niï¿½a de
>>todas las familias de las naciones del mundo entero, de los
>>que ya han vivido sus vidas, de los que aun estï¿½n viviendo
>>sus vidas y de los que han de venir a vivir sus vidas en la
>>tierra, en edades futuras, por ejemplo.
>>
>>Es decir, que la sangre del Seï¿½or Jesucristo jamï¿½s debiï¿½
>>faltar para Adï¿½n y Eva en el paraï¿½so, si realmente querï¿½an
>>seguir viviendo con Dios y con sus huestes de ï¿½ngeles
>>gloriosos y sumamente honrados, del reino de los cielos. Por
>>lo tanto, lo mismo es verdad para con nosotros en toda la
>>tierra, en esta hora del dï¿½a y por siempre ha de ser verdad,
>>igual, en la nueva vida celestial del nuevo reino celestial y
>>de su ï¿½rbol de vida infinita, rodeado por siempre de sus
>>huestes celestiales y de naciones de gentes redimidas por su

>>sangre infinita.
>>
>>En vista de que, la sangre del Seï¿½or Jesucristo jamï¿½s perdiï¿½
>>ningï¿½n valor espiritual para con Dios en el paraï¿½so, como en
>>el dï¿½a que Adï¿½n y Eva la rechazaron en sus vidas, al no comer
>>del fruto del ï¿½rbol de vida, la sangre viva e infinita del
>>nuevo reino venidero. Ni tampoco ha perdido ningï¿½n valor
>>espiritual el Seï¿½or Jesucristo en nuestras vidas humanas,
>>sino que todo lo contrario; realmente, la sangre de Cristo ha
>>ganado mï¿½s valor que antes en el corazï¿½n de los ï¿½ngeles del
>>cielo y asï¿½ tambiï¿½n en los corazones de los hombres, mujeres,
>>niï¿½os y niï¿½as de la humanidad entera, aunque jamï¿½s le han
>>visto.
>>
>>Y, hoy en dï¿½a, esta misma sangre viva e infinita toca la
>>puerta de tu corazï¿½n, mi estimado hermano y mi estimada
>>hermana, para perdonar tus pecados, librarte de todas tus
>>culpas y males eternos, para que no pierdas ninguna de las
>>bendiciones de tu Padre Celestial que estï¿½ en los cielos, por
>>ejemplo. Ademï¿½s, este es un valor espiritual de perdï¿½n,
>>bendiciï¿½n, sanidad y de salvaciï¿½n de nuestras almas, en la
>>tierra y en el paraï¿½so, llena de sus muchas y mï¿½s ricas
>>gloriosas bendiciones de nuestro Padre Celestial, de su Hijo
>>amado, de su Espï¿½ritu Santo y de sus millares de ï¿½ngeles,
>>arcï¿½ngeles, serafines, querubines y demï¿½s seres santos del
>>reino celestial.
>>
>>Es decir, tambiï¿½n, que cada vez que la sangre del Seï¿½or
>>Jesucristo se manifiesta en nuestras vidas, entonces mucho
>>mï¿½s de ella llegamos a conocer en nuestros corazones, en
>>nuestras almas, en nuestros espï¿½ritus y cuerpos humanos, en
>>la tierra y en el paraï¿½so, como en el nuevo reino celestial:
>>La Nueva Jerusalï¿½n Santa e Infinita del cielo, por ejemplo.
>>Porque la verdad es que aun no conocemos muchos de los
>>poderes y autoridades sobrenaturales de la sangre viviente
>>del Seï¿½or Jesucristo, para bendecir nuestras vidas terrenales
>>y celestiales, tambiï¿½n, como en el mï¿½s allï¿½, de la nueva era
>>venidera de Dios y de sus huestes celestiales, del nuevo
>>reino de los cielos.
>>
>>En la medida en que, sabemos muy bien que la sangre del Seï¿½or
>>Jesucristo perdona pecados, bendice profundamente y sana las
>>almas, los espï¿½ritus y los cuerpos humanos de los hombres,
>>mujeres, niï¿½os y niï¿½as de la humanidad entera, sin jamï¿½s
>>dejar sin su bendiciï¿½n a ninguno de ellos, en toda la
>>creaciï¿½n terrenal y celestial, a la misma vez. Y, ademï¿½s,
>>sobre todas las cosas, la sangre de Jesucristo tiene poder
>>para levantarnos de entre los muertos y volver a vestir
>>nuestros huesos, con carne, mï¿½sculos, ï¿½rganos y piel, como
>>Dios nos formo, tal como siempre hemos sido (y seremos), como

>>hombres y mujeres, en nuestras nuevas vidas infinitas, de la
>>eternidad venidera del nuevo reino celestial, por ejemplo.
>>
>>Porque la verdad es tambiï¿½n que la sangre viva del Seï¿½or
>>Jesucristo tiene cada una de "todas las informaciones
>>genï¿½ticas" de cada hombre, mujer, niï¿½o y niï¿½a de la humanidad
>>entera, para volverlo a bendecir en su cuerpo, alma y
>>espï¿½ritu humano con mucha mï¿½s gloria que antes, aun mucho
>>mayores que Adï¿½n y Eva, en el paraï¿½so, por ejemplo. Por lo
>>tanto, la sangre del Seï¿½or Jesucristo es tan importante en la
>>vida de la humanidad entera, por muchas razones, de la misma
>>manera que fue tan importante para Adï¿½n y Eva, por ejemplo,
>>para que no pequen jamï¿½s, sino que obedezcan y vivan por
>>siempre sus vidas eternas con su Dios y con su Jesucristo, en
>>el cielo.
>>
>>Y sin la sangre viva e infinita del Seï¿½or Jesucristo,
>>entonces no hay expiaciï¿½n de pecado alguno para ningï¿½n
>>hombre, mujer, niï¿½o y niï¿½a, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos del mundo entero, desde los
>>dï¿½as del paraï¿½so y hasta la nueva eternidad venidera. En
>>realidad, todo hombre y toda mujer morirï¿½ infinitamente en su
>>coraziï¿½n, luego en su alma y finalmente en su cuerpo y
>>espï¿½ritu humano, hasta que muerda el polvo de la muerte, en
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n, como en el infierno o el
>>lago de fuego, la segunda muerte del ï¿½ngel caï¿½do y del alma
>>perdida.
>>
>>Pero aunque esto siempre ha sido la ley de la vida en la
>>tierra, desde que el hombre vive en ella, realmente volverï¿½ a
>>ver la vida, sï¿½ en su coraziï¿½n y durante los dï¿½as de su vida:
>>Honro al Seï¿½or Jesucristo, delante de Dios y de su Espï¿½ritu
>>Santo, para gloria y para honra infinita de su nombre
>>sagrado. Porque esta es la promesa de vida y de salvaciï¿½n
>>infinita que Dios le ofreciï¿½ primero a Adï¿½n y para todo aquel
>>que ame y honre por siempre a su Hijo amado, en su espï¿½ritu y
>>en su vida, con tan sï¿½lo creer en su coraziï¿½n e invocar con
>>sus labios su perdiï¿½n de pecados y salvaciï¿½n de su vida.
>>
>>Entonces es importante que todo coraziï¿½n del hombre, mujer,
>>niï¿½o y niï¿½a de toda la tierra, honre el nombre sagrado del
>>Seï¿½or Jesucristo, para que la sangre viviente del pacto
>>eterno comience a vivir en su coraziï¿½n, en su alma, en su
>>espï¿½ritu y en su cuerpo humano, para sanarlo de sus males y
>>hasta que regrese al paraï¿½so. Porque es sï¿½lo lo que la sangre
>>del Seï¿½or Jesucristo ha hecho en nuestros corazones, almas,
>>cuerpos y espï¿½ritus humanos, lo que realmente nos darï¿½
>>poderes especiales y sobrenaturales, desde hoy mismo, para
>>poder volver a nuestros hogares celestiales del paraï¿½so, al
>>lado de nuestro Dios y de su ï¿½rbol de vida, nuestro redentor

>>infinito, ï¿½el Seï¿½or Jesucristo!
>>
>>JESï¿½S NACIï¿½ DE UNA VIRGEN Y NOS DIO SU SANGRE VIVA E INFINITA
>>
>>Pero cuando se acerco la riqueza de la eternidad, entonces
>>Dios enviï¿½ al Seï¿½or Jesucristo, nacido de virgen y bajo la
>>Ley de Moisï¿½s y de Israel, tambiï¿½n, para que redimiese a los
>>que viviï¿½an bajo la maldiciï¿½n de la Ley, a fin de que sean
>>hechos legï¿½timamente hijos de Dios, para la nueva vida
>>infinita del nuevo reino celestial. Porque nuestro Dios jamï¿½s
>>se tarda en enviar a su Hijo amado a Israel, para redimirnos
>>de los poderes terribles del pecado, por haber transgredido
>>en contra de la Ley del paraï¿½so, al no comer del fruto de la
>>vida eterna, la sangre viva e infinita del pacto eterno, por
>>rebeldï¿½a de sus progenitores celestiales, Adï¿½n y Eva, por
>>ejemplo.
>>
>>De suerte que, el servir a Dios es ï¿½nicamente comer del fruto
>>de la vida, eso es todo (o el todo de todo) para nosotros
>>vivir; es decir, tambiï¿½n, que el servir a Dios es cumplir y
>>exaltar por siempre su Ley Santa y Eternamente honrada, la
>>del paraï¿½so y la de la tierra escogida de Canaï¿½n, Israel, por
>>ejemplo. Es mï¿½s, para nuestro Padre Celestial el cumplir y
>>honrar su Ley Sagrada es comer y beber de ella, del pan y de
>>la copa de vino, su Hijo amado, ï¿½el Seï¿½or Jesucristo!, para
>>alejarnos de las tinieblas y entrar a la luz mï¿½s brillante
>>que el Sol, el Mesï¿½as de la nueva eternidad venidera.
>>
>>Es decir, tambiï¿½n, que el creer en el Seï¿½or Jesucristo, como
>>su Hijo amado, es comer y beber de la Ley del paraï¿½so y de la
>>vida eterna del nuevo reino celestial, hoy en dï¿½a y por
>>siempre en el infinito. Dado que, la nueva eternidad
>>celestial de Dios es La misma Nueva Jerusalï¿½n Eterna, la que
>>Dios soï¿½ï¿½ desde siempre con el hombre y sus ï¿½ngeles de toda
>>la vida, la que desciende del cielo mï¿½s alto que el cielo de
>>los ï¿½ngeles, por ejemplo. Por lo tanto, para nuestro Padre
>>Celestial el amar y honrar su Ley Sagrada es verdaderamente
>>amarle a ï¿½l, en el espï¿½ritu y en la verdad infinita de su
>>fruto del ï¿½rbol de la vida eterna; es decir, amarle sï¿½lo en
>>la sangre viva e infinita del pacto eterno del hombre del
>>mundo y de su Mesï¿½as, ï¿½el Seï¿½or Jesucristo!
>>
>>Entonces, hoy en dï¿½a, ï¿½ste fruto de la vida eterna de Dios y
>>del Seï¿½or Jesucristo para cada uno de sus hijos e hijas, de
>>todas las razas, pueblos, linajes, tribus y reinos del mundo
>>entero, comenzando con Adï¿½n y Eva en el paraï¿½so, por ejemplo,
>>es la sangre antigua del ï¿½rbol de la vida, su Hijo amado, ï¿½el
>>Mesï¿½as! Porque para nuestro Padre Celestial su ï¿½rbol de la
>>sangre viva e infinita es la Ley de Moisï¿½s y de Israel, o a
>>la inversa, la Ley del paraï¿½so es su ï¿½rbol de la sangre viva

>>e infinita de la vida eterna, ï¿½el Mesï¿½as!, para ï¿½ngeles del
>>cielo, para la tierra y para la nueva creaciï¿½n venidera del
>>nuevo angelical.
>>
>>Es por eso, que esta Ley Celestial de la sangre y del ï¿½rbol
>>de la vida, para bien de todo ï¿½ngel del cielo y asï¿½ tambiï¿½n
>>para todo hombre, mujer, niï¿½o y niï¿½a de la humanidad entera,
>>no la cambia nadie, jamï¿½s; porque escrito estï¿½ en las
>>Escrituras antiguas: la vida estï¿½ en la sangre del ser
>>viviente. Porque desde el dï¿½a que Adï¿½n y Eva pecaron en
>>contra de Dios, desde entonces violaron la Ley Infinita de
>>sus vidas, en esta vida y en la venidera, tambiï¿½n, para no
>>volver a ver la vida jamï¿½s, por sus culpas y por sus pecados;
>>pero esto no cambio la Ley Divina en ninguno de sus muchos y
>>gloriosos significados.
>>
>>Realmente, la Ley permaneciï¿½ santa, perfecta, pura y muy
>>gloriosa, por cierto, en el paraï¿½so y en todos los lugares
>>del reino de los cielos y hasta que entrï¿½ en la tierra por
>>vez primera, desde las alturas del Sinaï¿½, en el desierto de
>>Egipto, cuando los hebreos caminaban hacia la tierra
>>prometida, para poseerla y entonces ver al Mesï¿½as. Y esto es
>>algo que Dios ha deseado hacer tambiï¿½n en el corazï¿½n de cada
>>hombre, mujer, niï¿½o y niï¿½a de la humanidad entera, sin hacer
>>jamï¿½s excepciï¿½n de persona alguna, pero el espï¿½ritu de error
>>de las mentiras de Lucifer y de la serpiente aun luchan en
>>contra de Dios y de su Ley Sagrada, para mal de muchos.
>>
>>Es por eso, que la Ley de Dios no ha sido honrada, ni
>>exaltada, ni exclamada como tal por el pecador, vil, criminal
>>y pagano de toda la tierra, sino que la verdad es otra,
>>totalmente contraria a la voluntad perfecta de nuestro Dios
>>que estï¿½ sentado en su trono de gloria infinita en los
>>cielos, y lo ve todo. En realidad, todas estas gentes
>>pecadoras, viles, mentirosas, criminales, hacedoras de la
>>maldad, lo que han hecho, a travï¿½s de los tiempos, realmente
>>es deshonrar cada palabra, cada letra, cada tilde y cada
>>significado infinito, de la Ley de Dios y de la vida eterna
>>de todo ser viviente del cielo y de la creaciï¿½n.
>>
>>Pero nuestro Dios, en su sabidurï¿½a infinita ha vencido ï¿½ste
>>terrible mal en el corazï¿½n de los hombres, mujeres, niï¿½os y
>>niï¿½as de la humanidad entera, al escribir su Ley Sagrada en
>>sus corazones y con su dedo santo, tambiï¿½n, para que los
>>pecadores siempre se acuerden de ella, y asï¿½ ya no sigan
>>haciendo sus mismas maldades de siempre. Entonces nuestro
>>Dios, cuando llego su dï¿½a seï¿½alado, enviï¿½ a su ï¿½rbol de vida,
>>su Hijo amado, para que naciese del vientre virgen de la hija
>>de David, por el poder sobrenatural de su Espï¿½ritu, para que
>>a los nueve meses nos diese un Cordero Sagrado y bajo la Ley,

>>para que nos rescate de sus poderes y maldiciones infinitas.
>>
>>Porque cada uno de nosotros, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos de la humanidad entera,
>>realmente tenï¿½a que ser rescatado de nuestros pecados, por
>>Jesucristo, no tanto de nuestras tumbas en las profundas
>>tinieblas del mundo, eso ya lo hizo nuestro Dios en el
>>principio, sino del mismo vientre de nuestras madres, pero
>>virgen, esta vez. Es por eso, que el nacimiento del Seï¿½or
>>Jesucristo tenia que ser un nacimiento del vientre virgen de
>>una de las hijas de David, de la tribu de Judï¿½ y de la Casa
>>de Israel, solamente y en su dï¿½a, ni mï¿½s ni menos, para
>>cumplir las Escrituras, para gloria infinita de nuestro Padre
>>Celestial que estï¿½ en los cielos. Y Dios lo tenia que hacer
>>asï¿½ todo muy bien, en el vientre virgen de la joven hebrea,
>>para vencer a las tinieblas y redimir a todo hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, y asï¿½ no se pierda nadie
>>en sus profundas tinieblas de su tumba comï¿½n o del fuego del
>>infierno, por ejemplo.
>>
>>Porque nadie nos podï¿½a redimir de los poderes terribles de la
>>maldiciï¿½n y de la muerte infinita de la Ley Inquebrantable y
>>Sagrada del paraï¿½so, sino era el mismo fruto de la vida, la
>>sangre del Seï¿½or Jesucristo o, en otras palabras, la sangre
>>viva e infinita del ï¿½rbol de la vida de la Nueva Jerusalï¿½n
>>Santa e Infinita. Porque es el espï¿½ritu de la sangre del
>>cuerpo del ï¿½rbol de la vida que le da vida a todo hombre,
>>mujer, niï¿½o y niï¿½a de toda la tierra, comenzando con Adï¿½n y
>>Eva, en el paraï¿½so, por ejemplo.
>>
>>Por ello, ï¿½ste fue el ï¿½nico fruto de la vida del ï¿½rbol de
>>Dios, el cual Dios mismo le ofreciï¿½ a Adï¿½n comer y beber para
>>que vea la vida, en la tierra sagrada del paraï¿½so y en toda
>>la nueva tierra y bendita del nuevo reino celestial, como La
>>Nueva Jerusalï¿½n que desciende del mï¿½s allï¿½ de la antigï¿½edad.
>>Porque en la mente y en el corazï¿½n de Dios, desde los
>>primeros dï¿½as de la antigï¿½edad, ya estaba soï¿½ando en la
>>creaciï¿½n de una Nueva Jerusalï¿½n Santa, Perfecta e Infinita,
>>en los cielos mï¿½s alto que los ï¿½ngeles y de la humanidad
>>entera --humanidad la cual crearï¿½a posteriormente en su
>>imagen y conforme a su semejanza sagrada--.
>>
>>Aquï¿½ es cuando nuestro Dios pensï¿½ en ti, por vez primera,
>>para rescatarte de las tinieblas del vientre de la virgen,
>>con su Ley Bendita, la cual se quebrï¿½ en las manos de Moisï¿½s
>>y descendiï¿½ al abismo a esperar por Cristo, para que la
>>levantase al cielo con los poderes de la sangre viva e
>>infinita en tu corazï¿½n. Es por esta razï¿½n, que es muy
>>importante que tï¿½ mismo creas en tu corazï¿½n y confieses con
>>tus labios, la verdad redentora del Seï¿½or Jesucristo viviendo

>>en tu alma, mi estimado hermano, para que entonces por los
>>poderes de la sangre viva e infinita te eleven al paraï¿½so,
>>hoy y en tu ultimï¿½ dï¿½a de vida en el mundo.
>>
>>Y si ya has pasado de la vida al polvo de la muerte, entonces
>>en su gran dï¿½a de la resurrecciï¿½n de los muertos, Dios mismo
>>te levantara de nuevo a la vida de la tierra y del nuevo
>>reino celestial, para que vivas infinitamente, en donde
>>comenzaste a dar tus primeros pasos de vida en el paraï¿½so,
>>por ejemplo. Es decir, que si has creï¿½do en Jesucristo y
>>confesado con tus labios su verdad y su justicia, entonces en
>>la resurrecciï¿½n, Dios mismo con los poderes sobrenaturales de
>>la sangre viva te levantara de regreso a tu hogar infinito,
>>para vivir con tus progenitores celestiales, Adï¿½n y Eva, para
>>que veas y sientas tu verdadera vida, como nunca antes.
>>
>>Dado que, para esta vida celestial, es por la cual que Dios
>>te ha creado del polvo de la tierra en sus manos sagradas,
>>para que comas y bebas por siempre de su fruto de vida
>>eterna, la sangre y el cuerpo bendito del ï¿½rbol de la vida,
>>su fruto de vida infinita, su "Cordero Escogido", ï¿½el Seï¿½or
>>Jesucristo! Porque como Jesucristo no ha existido alguien
>>mayor que ï¿½l, en el cielo ni menos en la tierra, para
>>redimirte, sanarte, purificarte, santificarte y elevarte al
>>paraï¿½so para que vivas tu verdadera vida, no la de la tierra,
>>sino la de Dios, junto con ï¿½l y con sus huestes celestiales,
>>sï¿½lo en el poder de la sangre del pacto eterno.
>>
>>JESï¿½S ESTï¿½ CON SU SANGRE EN EL LUGAR SANTï¿½SIMO, PARA DARNOS
>>SALVACIï¿½N INFINITA
>>
>>Entonces nuestro Seï¿½or Jesucristo entrï¿½ de una vez por todas
>>y para siempre en el lugar santï¿½simo del altar celestial de
>>nuestro Padre Celestial, logrando asï¿½ eterna salvaciï¿½n de
>>nuestras almas infinitas, ya no mediante sangre de machos
>>perfectos y sin tacha alguna en sus cuerpos de cabrunos ni de
>>corderos ni de toros, sino mediante su propia sangre
>>hacedora. Porque es la sangre sagrada y antigua del paraï¿½so,
>>la que hace la diferencia entre Dios y el hombre, la mujer,
>>el niï¿½o y la niï¿½a de la humanidad entera, para perdonar
>>pecados y bendecir sus vidas, en un momento de oraciï¿½n y de
>>fe, en el nombre del Seï¿½or Jesucristo, en la tierra y para la
>>nueva eternidad venidera.
>>
>>Y sin ï¿½sta sangre bendita de su corazï¿½n y de su cuerpo santo,
>>nuestro Jesucristo no podï¿½a entrar al lugar santï¿½simo del
>>altar celestial de Dios, sino que tenia que permanecer fuera
>>de ï¿½l, como todo ser viviente que aun no ha recibiï¿½ los
>>beneficios y bendiciones de fe, de la sangre del pacto
>>eterno, entre Dios y el hombre. Entonces fue por esta razï¿½n,

>>que Jesucristo tenia que descender del cielo, para entrar en
>>el vientre virgen, de una de las hijas de David, para que a
>>los nueve meses, nos diese aquel corazï¿½n y cuerpo santo,
>>lleno de la sangre redentora y del pacto eterno entre Dios y
>>el hombre de la tierra, para entra al lugar santï¿½simo.
>>
>>Ademï¿½s, sï¿½lo asï¿½ entonces podamos cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y reinos
>>del mundo entero, tener acceso al lugar santï¿½simo de Dios en
>>el cielo, con tan sï¿½lo creer en nuestros corazones y confesar
>>con nuestros labios: la verdad y la justicia infinita que
>>agradan al corazï¿½n de nuestro Padre Celestial, eternamente. Y
>>esto es que el Seï¿½or Jesucristo es su Hijo y SEï¿½OR de la
>>nueva vida eterna del nuevo reino de los cielos, como en el
>>paraï¿½so y como en La Nueva Jerusalï¿½n Celestial, por ejemplo,
>>para todo ï¿½ngel y para todo hombre, mujer, niï¿½o y niï¿½a del
>>mundo, sï¿½lo fiel en su corazï¿½n a la sangre viva e infinita.
>>
>>En la medida en que, todos los que quieran ver la nueva vida
>>eterna, en el nuevo reino de los cielos, entonces tienen que
>>haber sido bendecidos, lavados y purificados en la sangre
>>sagrada del gran rey Mesï¿½as de todos los tiempos, el Hijo
>>amado de Dios, ï¿½el Seï¿½or Jesucristo! Porque ha sido nuestro
>>Seï¿½or Jesucristo quien realmente subiï¿½ al cielo desde
>>nuestras tumbas, al lugar santï¿½simo del altar de nuestro
>>Creador para interceder, mediar y reconciliarnos con ï¿½l, por
>>medio de los poderes sobrenaturales de su misma sangre
>>santï¿½sima, la cual deja correr para bien de muchos y el fin
>>del pecado, sobre la cruz del Gï¿½lgota, por ejemplo.
>>
>>Y desde el dï¿½a que el Seï¿½or Jesucristo le puso fin al pecado
>>de Adï¿½n y de cada uno de sus descendientes, entonces la
>>muerte y sus enfermedades ya no tiene poder alguno sobre
>>ninguno de nosotros, de los que hemos creï¿½do e invocado con
>>nuestros labios su nombre redentor, para perdï¿½n de pecados y
>>salvaciï¿½n infinita de nuestras vidas. Porque desde el dï¿½a que
>>comenzamos a creer e invocar su nombre, entonces se cumple la
>>Escritura, en donde dice, que todo aquel que invoque su
>>nombre bendito serï¿½ salvo en los ï¿½ltimos dï¿½as del poder del
>>pecado y de su muerte eterna, en la tierra y en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego.
>>
>>Porque todo aquel que no recibiï¿½ al Seï¿½or Jesucristo en su
>>corazï¿½n, entonces su nombre no estï¿½ escrito en "el libro de
>>la vida"; por lo tanto, su vida corre el peligro de terminar
>>entre las llamas ardientes de la ira de Dios, en el infierno
>>y para finalmente caer en el lago de fuego, en el mï¿½s allï¿½.
>>Sin embargo, si lo contrario fuese verdad en tu vida, mi
>>estimado hermano, de que el espï¿½ritu de fe, de la sangre viva
>>e infinita del Seï¿½or Jesucristo ha entrado en tu corazï¿½n y en

>>toda tu vida, tambiï¿½n, entonces comenzaras a ser bendecido
>>por ella con muchos de sus poderes sobrenaturales de
>>milagros, maravillas y hasta prodigios, tambiï¿½n.
>>
>>Porque es el espï¿½ritu de fe, en la sangre bendita del Seï¿½or
>>Jesucristo, la cual realmente nos da poder y muchos bienes
>>sobrenaturales para protegernos dï¿½a y noche de los males del
>>pecado y de las profundas tinieblas del enemigo infinito de
>>nuestras almas eternas, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para la eternidad venidera. Es decir, tambiï¿½n de que
>>Dios mismo te protegerï¿½, como protege a sus ï¿½ngeles
>>celestiales de los males de Lucifer y de sus ï¿½ngeles caï¿½dos,
>>por amor infinito de su corazï¿½n sagrado hacia la verdad y la
>>justicia infinita de la sangre gloriosa y eternamente
>>milagrosa del fruto de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Por ende, nada ni nadie podrï¿½ realmente hacerte ningï¿½n mal en
>>todos los dï¿½as de tu vida por la tierra, si el espï¿½ritu de la
>>sangre del Seï¿½or Jesucristo reina en tu corazï¿½n, para cumplir
>>cada una de las promesas divinas, hecha a sus amados de la
>>antigï¿½edad de Israel, desde el comienzo de las cosas, por
>>amor a ti. Y esto es de perdï¿½n de pecados, protecciï¿½n
>>infinita de los males del enemigo en sus vidas y alcanzar las
>>mï¿½s ricas y gloriosas bendiciones de la nueva vida celestial
>>e infinita del nuevo reino de Dios, en la tierra y en el
>>cielo, tambiï¿½n, para la nueva eternidad venidera de ï¿½ngeles y
>>de su eterna humanidad regenerada.
>>
>>Porque tanto como los ï¿½ngeles del cielo y asï¿½ tambiï¿½n la
>>humanidad entera ha sido bendecida y regenerada inmensamente
>>por tan sï¿½lo ingerir vida del fruto de la vida eterna, el
>>Seï¿½or Jesucristo, ya sea para los millares de ï¿½ngeles en el
>>cielo o para los hombres, mujeres, niï¿½os y niï¿½as de toda la
>>tierra, tambiï¿½n, por ejemplo. Porque es la sangre viva e
>>infinita del paraï¿½so, el fruto de la vida, del ï¿½rbol de Dios,
>>el Seï¿½or Jesucristo, la cual realmente alimenta el corazï¿½n,
>>el alma, el espï¿½ritu y el cuerpo humano de Adï¿½n y de la
>>humanidad entera, de todas las naciones de la tierra y del
>>nuevo reino celestial, tambiï¿½n, por supuesto, para la
>>eternidad.
>>
>>Entonces tenemos la confianza en nuestros corazones eternos,
>>de que el Seï¿½or Jesucristo ascendiï¿½ al cielo, para entrar al
>>lugar santiï¿½simo del altar de Dios, no con la sangre de los
>>corderos, toros y cabrï¿½os de Israel de la antigï¿½edad o de
>>siempre, sino con su misma sangre bendita, la cual nos da
>>vida y salud en abundancia, infinitamente. Es por eso, que
>>desde la antigï¿½edad y hasta nuestros dï¿½as, tenemos al Seï¿½or
>>Jesucristo delante de Dios y ante su altar del cielo,

>>intercediendo por el bienestar de cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y rï¿½enos
>>de la tierra, de los que hemos creï¿½do e invocado su nombre
>>salvador con nuestros labios.
>>
>>Para que entonces nuestro Padre Celestial ya no vea nuestros
>>pecados y sus muchas tinieblas en nuestras vidas, sino sï¿½lo
>>al Seï¿½or Jesucristo bendiciï¿½ndonos dï¿½a y noche con su sangre
>>viva e infinita, llena de verdad y de justicia celestial,
>>para nuestros corazones y para nuestras nuevas vidas
>>celestiales del nuevo reino de los cielos, en la nueva
>>eternidad infinita. Por consiguiente, ï¿½sta sangre viva y
>>real, llenara nuestros corazones y nuestras venas de nuestros
>>cuerpos de vida y de la misma salud celestial e infinita de
>>nuestro Padre Celestial y de su ï¿½rbol de la vida, su Hijo
>>amado, el gran rey Mesï¿½as, ï¿½el Seï¿½or Jesucristo!, en los dï¿½as
>>venideros, si permanecemos fiel, a su sangre expiatoria y
>>reconciliadora.
>>
>>Y desde entonces llegaremos a ser esos hombres y mujeres
>>completamente formados, en el Espï¿½ritu y en el amor infinito
>>de Dios y de su Seï¿½or Jesucristo, para jamï¿½s volver a conocer
>>el mal del pecado ni ninguna de sus enfermedades terribles,
>>de nuestros corazones y de nuestras almas, en la tierra y en
>>el paraï¿½so, eternamente y para siempre. Realmente seremos
>>hechos, como Dios mismo lo dispuso en el comienzo de todas
>>las cosas, en su imagen y conforme a su semejanza santa,
>>perfecta y sin igual alguna, gracias a la sangre viva e
>>infinita del ï¿½rbol de la vida, viviendo en nuestros corazones
>>y en nuestras almas regeneradas, para la vida infinita del
>>nuevo reino celestial.
>>
>>Y, a partir de aquel dï¿½a en adelante, sï¿½lo conoceremos la
>>felicidad celestial de vivir con nuestro Padre Celestial, su
>>Espï¿½ritu Santo y su Hijo amado, el Seï¿½or Jesucristo, rodeado
>>por siempre de sus huestes de ï¿½ngeles celestiales y de su
>>nueva humanidad infinita de todos los tiempos, para jamï¿½s
>>volvernos a separar de ï¿½l, en la eternidad venidera. Y es
>>precisamente esta vida y ï¿½ste dï¿½a celestial, ya muy cercano,
>>por cierto, por los cuales tu corazï¿½n y tu alma siempre te lo
>>han requerido de ti, pero sin tï¿½ saberles responder
>>adecuadamente, porque no conocï¿½as a Cristo, tu ï¿½nica verdad y
>>justicia salvadora de tu vida, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para siempre.
>>
>>LA SANGRE VIVA E INFINITA TE AMA
>>
>>
>>La sangre del ï¿½rbol de la vida clama por ti, desde la
>>fundaciï¿½n de la roca eterna, en donde se derramo hasta llegar

>>a las profundas tinieblas de las tumbas de los pecadores y
>>pecadoras de la humanidad, para reclamar por tu vida y por tu
>>salvaciï¿½n infinita. Y desde aquel dï¿½a, como en el Tercer Dï¿½a
>>subiï¿½ de regreso a la tierra sagrada que te vio nacer del
>>polvo de la tierra, en las manos de Dios, para seguir
>>clamando por ti y por tu salvaciï¿½n, pero esta vez, desde el
>>epicentro del lugar santï¿½simo de nuestro Padre Celestial, en
>>el cielo.
>>
>>Porque la verdad es que el amor de nuestro Padre Celestial
>>hacia el hombre y su humanidad infinita es mayor que todos
>>los sentimientos de su corazï¿½n y de sus cosas muy gloriosas y
>>grandiosas del reino de los cielos y de sus ï¿½ngeles sumamente
>>gloriosos y eternamente honrados delante de su presencia
>>sagrada. Y es por este amor, que nuestro Dios dio su misma
>>vida santa, para redimirnos a cada uno de nosotros, de los
>>males del pecado y de su muerte infinita, en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego, por ejemplo, la
>>segunda muerte del alma rebelde al fruto de vida, la sangre
>>hacedora / restauradora.
>>
>>Ademï¿½s, este fruto de vida del paraï¿½so es la misma sangre
>>viva e infinita que nuestro salvador, Jesucristo, el Mesï¿½as,
>>dejo correr sobre los ï¿½rboles cruzados, secos y sin vida de
>>Adï¿½n y Eva, sobre la cima de la roca eterna, en las afueras
>>de Jerusalï¿½n, para ponerle fin al pecado y al ï¿½ngel de la
>>muerte, en tu vida. Para que de esta manera, el pecado y sus
>>poderes de las profundas tinieblas del mï¿½s allï¿½ ya no tengan
>>ningï¿½n poder sobre ninguno de nosotros, en todos los lugares
>>de la tierra y aun en el mï¿½s allï¿½, tambiï¿½n, con el ï¿½ngel de
>>la muerte, como en el bajo mundo de las almas perdidas de los
>>pecadores, por ejemplo.
>>
>>Porque con la sangre viva e infinita, el pecado y el ï¿½ngel de
>>la muerte ya no pueden tocar ni tener efecto alguno, en
>>nuestros corazones, en nuestras almas, en nuestros cuerpos,
>>ni menos en nuestras vidas, en la tierra y en el mï¿½s allï¿½,
>>como en el paraï¿½so o como en La Nueva Jerusalï¿½n Sagrada e
>>Infinita del cielo. En realidad, el poder de la sangre del
>>Seï¿½or Jesucristo en nuestras vidas no la entiende ningï¿½n ser
>>humano, con su corazï¿½n y con su mente pecadora, sï¿½lo nuestro
>>Padre Celestial y su Espï¿½ritu Santo; ni aun los ï¿½ngeles
>>pueden entender los poderes y autoridades sobrenaturales de
>>la sangre del Seï¿½or Jesucristo, en sus mentes y en sus
>>corazones.
>>
>>Los ï¿½ngeles sï¿½lo se admiran de la gloria infinita que ven en
>>ella, cuando toca el corazï¿½n y la vida de cada hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, para redimirlos del poder
>>del pecado y de sus males eternos, como la muerte en el

>>infierno o la muerte infinita, en el lago de fuego, por
>>ejemplo. Realmente, los poderes sobrenaturales de la sangre
>>que Jesucristo derrama sobre la cima de la roca eterna, en
>>las afueras de Jerusalï¿½n, sï¿½lo son para los que aman a Dios y
>>a su Espï¿½ritu Santo, en sus corazones, en su espï¿½ritu y en su
>>verdad, para dejar atrï¿½s las tinieblas y vivir la luz de la
>>vida del paraï¿½so infinitamente.
>>
>>Por lo tanto, nosotros estamos llamados por Dios mismo, de la
>>misma manera que llama a Adï¿½n a comer y beber de su fruto del
>>ï¿½rbol de la vida, es decir, de la sangre viva e infinita de
>>la nueva vida, del nuevo reino celestial, para gloria y para
>>honra perdurable de ï¿½l mismo y de su Espï¿½ritu Santo. Porque
>>de otra manera, ninguno de nosotros, al igual que Adï¿½n y Eva,
>>jamï¿½s podremos realmente ver ni menos conocer la vida
>>inmortal del paraï¿½so, por la cual Dios nos saco del polvo de
>>la muerte, para formarnos en su imagen y conforme a su
>>semejanza, para vivir con ï¿½l y conocerle como tal, como
>>nuestro Creador, en la inmensidad.
>>
>>Por ello, nuestro Dios desea que cada uno de nosotros le
>>conozcamos a ï¿½l, de la misma manera, como su Hijo amado
>>siempre le ha conocido desde tiempos inmemoriales y hasta
>>nuestros dï¿½as, por ejemplo. Es por eso, que en el principio
>>nuestro Dios nos creo en sus mismas manos y no en las manos
>>de los ï¿½ngeles o de otros seres celestiales, para entonces
>>crearnos a su perfecciï¿½n infinita de su imagen y conforme a
>>su semejanza celestial, con el fin de que le conozcamos algï¿½n
>>dï¿½a, como hoy en dï¿½a, por ejemplo.
>>
>>Porque sin la imagen y semejanza celestial de Dios, entonces
>>nosotros no hubiï¿½semos jamï¿½s conocido al Seï¿½or Jesucristo, ni
>>a su Espï¿½ritu Santo ni mucho menos a ï¿½l, como nuestro Padre
>>Celestial, Fundador del cielo y de la tierra, ï¿½el
>>Todopoderoso! Entonces en el dï¿½a de nuestra formaciï¿½n era
>>indispensable para Dios formarnos en los poderes gloriosos y
>>sobrenaturales de la sangre viva e infinita del ï¿½rbol de la
>>vida, Jesucristo, el Mesï¿½as, para que nosotros vivamos por
>>siempre de su fruto de vida celestial, la sangre del pacto
>>eterno entre ï¿½l y el hombre, la del Gï¿½lgota, por ejemplo.
>>
>>Ya que, si Dios nos hubiese creado en la imagen y semejanza
>>de los ï¿½ngeles del cielo, lo cual hubiese sido muy loable y
>>glorioso, tambiï¿½n, pero jamï¿½s asï¿½ de loable o asï¿½ de
>>glorioso, como la misma imagen y semejanza celestial de
>>nuestro Padre Celestial, el Dios del cielo y de toda la
>>tierra. Y si Dios nos hubiese creado en las manos de otros
>>seres, como corderos, becerros, toros, en fin, como
>>cualquiera de los animales del paraï¿½so o de la tierra,
>>entonces no tendrï¿½amos el potencial en nuestros corazones de

>>conocerle a ï¿½l, en su imagen y conforme a su semejanza, cï¿½mo
>>sï¿½lo Cristo le conoce, desde siempre, y por los siglos.
>>
>>Es decir, que los animales sï¿½lo pueden conocer a los
>>animales, en su imagen y semejanza de cada uno de ellos
>>mismos; y asï¿½ tambiï¿½n los ï¿½ngeles del cielo, por ejemplo,
>>segï¿½n sean sus rangos de gloria y de perfecciï¿½n celestial,
>>como arcï¿½ngeles a arcï¿½ngeles, serafines a serafines,
>>querubines a querubines y demï¿½s seres santos del reino. Como
>>por ejemplo, el becerro se identifica con su igual, es decir,
>>otro becerro; y, ademï¿½s, pueden vivir juntos en sus manadas,
>>sin ningï¿½n problema alguno y hasta se procrean mutuamente en
>>grandes nï¿½meros, si se los deja a vivir a su manera natural
>>de vivir, por ejemplo.
>>
>>Pues asï¿½ tambiï¿½n los toros y las vacas, estos animales se
>>identifican el uno al otro y viven en sus manadas por la
>>tierra, en paz, en tranquilidad y felices de estar juntos. Lo
>>mismo podrï¿½amos decir, por cualquier otro animal del aire, de
>>la tierra y del mar, cada uno de ellos se identifica en su
>>imagen y segï¿½n su semejanza, y viven juntos y felices todas
>>sus vidas y sin ningï¿½n problema.
>>
>>Pues el hombre tambiï¿½n con Dios y con su Jesucristo viviendo
>>en su corazï¿½n, siempre llenos de los frutos de vida y de
>>salud eterna de su Espï¿½ritu Santo, porque hemos sido creados
>>en las manos sagradas de Dios, para vivir en su imagen y
>>conforme a su semejanza infinita y celestial, en la tierra y
>>en el paraï¿½so. Pues entonces, nosotros hemos salido de Dios y
>>de Cristo o del ï¿½rbol de la vida eterna, por su sangre y por
>>su Espï¿½ritu Santo, tambiï¿½n, por ejemplo, para vivir la vida
>>del paraï¿½so y no tanto (o jamï¿½s) la vida pecadora y rebelde a
>>Dios, la del fruto prohibido del ï¿½rbol de la ciencia, del
>>bien y del mal.
>>
>>Ahora, si Dios nos hubiese creado en las manos de Lucifer,
>>por ejemplo, entonces seriamos formados conforme a su imagen
>>y semejanza, algo terrible e impensable; y si hubiese sido
>>asï¿½, entonces seriamos mï¿½s diablos que ï¿½l mismo, sin igual
>>alguno en toda la inmensidad celestial y terrenal de la
>>creaciï¿½n de Dios. Es mï¿½s, ni Lucifer mismo nos hubiese
>>soportado tanto, como Dios lo ha hecho a travï¿½s de los
>>tiempos y hasta nuestros dï¿½as, pues, nos hubiese matado hace
>>mucho tiempo ya, para no sufrir nuestros pecados, maldades y
>>hasta quien sabe que otras cosas mï¿½s terribles, de las cuales
>>destrozarï¿½an su corazï¿½n, para no desearnos volver a ver mï¿½s.
>>
>>Pero gracias a Dios que no hemos sido creados en la imagen y
>>semejanza de ï¿½ngeles, ni de animales, ni mucho menos en las
>>manos de Lucifer, sino que fuimos creados en las manos

>>sagradas de Dios y de su ï¿½rbol de vida eterna, para ser
>>llenos por siempre de su Espï¿½ritu Eterno. Porque es la
>>llenura del Espï¿½ritu de Dios, la que nos da vida, hoy en dï¿½a
>>y por siempre en la eternidad venidera, de la misma manera
>>que el Espï¿½ritu de Dios tuvo que entrar en el vientre virgen
>>de la joven hebrea, para darnos al Mesï¿½as.
>>
>>Y luego el Espï¿½ritu Santo de Dios tuvo que levantar al Tercer
>>Dï¿½a al Seï¿½or Jesucristo de entre los muertos, despuï¿½s de
>>haber vivido toda su vida fiel a la Ley del paraï¿½so como el
>>Mesï¿½as, para volver a darnos vida infinitamente a cada uno de
>>nosotros, de todas las familias, razas, pueblos, linajes,
>>tribus y reinos de la tierra. Entonces nuestro Dios nos crea
>>en su espï¿½ritu de amor sobrenatural y eterno, y ï¿½ste es el
>>mismo amor por el cual ha conocido desde siempre a su Hijo
>>amado, el Seï¿½or Jesucristo y a su Espï¿½ritu Santï¿½simo, desde
>>los primeros dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por
>>ejemplo.
>>
>>Para que hoy en dï¿½a, nosotros tambiï¿½n vivamos con ï¿½l y
>>finalmente le conozcamos a travï¿½s de los tiempos de la
>>eternidad venidera, tal como ï¿½l siempre ha sido (y ha de ser)
>>para con nosotros, en la tierra y en la nueva vida infinita
>>del nuevo reino de los cielos. Y cuando lleguemos a conocer a
>>nuestro Padre Celestial, como ha sido conocido por el Seï¿½or
>>Jesucristo y su Espï¿½ritu Santo, entonces entenderemos todo lo
>>importante que ha sido desde siempre: la sangre del pacto
>>eterno entre Dios y el hombre de la humanidad entera, para
>>librarnos de las tinieblas y ver sï¿½lo por la luz de Cristo,
>>infinitamente.
>>
>>Es por esta razï¿½n, que la sangre viva e infinita del ï¿½rbol de
>>la vida nos libra de los males del pecado y de sus muchas
>>enfermedades de nuestros corazones, de nuestros espï¿½ritus y
>>cuerpos humanos y celestiales, si tan sï¿½lo amamos a nuestro
>>Dios, en el espï¿½ritu y en la verdad infinita de nuestro
>>nombre salvador, ï¿½el Seï¿½or Jesucristo! Y, hoy mï¿½s que nunca,
>>el espï¿½ritu de la sangre viva e infinita del ï¿½rbol de la vida
>>te llama a Dios, para que te acerques y seas hecho libre,
>>limpio, purificado y santificado de tus pecados y sus
>>tinieblas profundas del mï¿½s allï¿½, para que sï¿½lo veas la vida
>>infinita del nuevo reino de los cielos, perpetuamente.
>>
>>El amor (Espï¿½ritu Santo) de nuestro Padre Celestial y de su
>>Jesucristo es contigo.
>>
>>
>>ï¿½Cultura y paz para todos, hoy y siempre!
>>
>>

>>Dï¿½gale al Seï¿½or, nuestro Padre Celestial, de todo corazï¿½n, en
>>el nombre del Seï¿½or Jesucristo: Nuestras almas te aman,
>>Seï¿½or. Nuestras almas te adoran, Padre nuestro. Nuestras
>>almas te rinden gloria y honra a tu nombre y obra santa y
>>sobrenatural, en la tierra y en el cielo, tambiï¿½n, para
>>siempre, Padre Celestial, en el nombre de tu Hijo amado, el
>>Seï¿½or Jesucristo.
>>
>>LOS ï¿½DOLOS SON UNA OFENSA / AFRENTA A LA LEY PERFECTA DE DIOS
>>
>>Es por eso que los ï¿½dolos han sido desde siempre: un tropiezo
>>a la verdad de Dios y al poder de Dios en tu vida. Un
>>tropiezo eterno, para que la omnipotencia de Dios no obre en
>>tu vida, de acuerdo a la voluntad perfecta del Padre
>>Celestial y de su Espï¿½ritu Eterno. Pero todo esto tiene un
>>fin en tu vida, en ï¿½sta misma hora crucial de tu vida. Has de
>>pensar quizï¿½ que el fin de todos los males de los ï¿½dolos
>>termine, cuando llegues al fin de tus dï¿½as. Pero esto no es
>>verdad. Los ï¿½dolos con sus espï¿½ritus inmundos te seguirï¿½n
>>atormentando dï¿½a y noche entre las llamas ardientes del fuego
>>del infierno, por haber desobedecido a la Ley viviente de
>>Dios. En verdad, el fin de todos estos males estï¿½ aquï¿½

>>

>>
>>SEGUNO MANDAMIENTO: "No te harï¿½s imagen, ni ninguna semejanza
>>de lo que estï¿½ arriba en el cielo, ni abajo en la tierra, ni

>>
>>CUARTO MANDAMIENTO: "Acuï¿½rdate del dï¿½a del sï¿½bado para

>>
>>DECIMO MANDAMIENTO: "No codiciarï¿½s la casa de tu prï¿½jimo; no
>>codiciarï¿½s la mujer de tu prï¿½jimo, ni su siervo, ni su

>>cielo asï¿½ tambiï¿½n en la tierra. El pan nuestro de cada dï¿½a,
>>dï¿½noslo hoy. Perdï¿½nanos nuestras deudas, como tambiï¿½n
>>nosotros perdonamos a nuestros deudores. Y no nos metas en

Click on them one by one and you will find the option 'post a new message'. >>
>>Dear Friend
>>
>>These are not scams. And no one is forcing you to do it. It is providing a service to you if you wish to participate...adding you to a list. Chill out people! Open your mind. Big companies scam us all the time (adding a $1 or $3 fee here or there), charging us 39.95 or more on useless work at home crap and we pay it mindlessly. Why not try to network together as regular people? Have you ever thought that rich people want us to think that these are scams and we can't make money like this so that we stay poor or middle class? Or that other companies or programs are jealous of this because everyone could possibly flock to this program, leaving their program a failure and the owners of them flat broke
>>
>>Read on if your interested, if not I'm sorry for wasting your time.
>>
>>
>>SUGGESTION: Read this entire message carefully! (Print it out or download it.)
>>
>>
>>Follow the simple directions and watch the money come in! Itï¿½s that easy. It's legal. And, your investment is only $6.00
>>
>>IMPORTANT: This is not a rip-off; it is not indecent; it is not illegal; and it is virtually no risk-it really works! If all of the following instructions are adhered to, you will receive extraordinary dividends
>>
>>AGAIN, PLEASE NOTE: Follow these directions EXACTLY, and $20,000 or more can possibly be yours in 4 to 6 weeks. This program remains successful because of the honesty and integrity of the participants
>>Please continue its success by carefully adhering to the instructions.
>>
>>In this business your product is not solid and tangible, it's a service. You are in the business of developing Mailing Lists. Many large corporations are happy to pay big bucks for quality lists. However, the money made from the mailing lists is secondary to the income which is made from people like you and me asking to be included in that list. Here

are the 4 easy steps to success
>>
>>STEP 1
>>Take a few minutes to join Paypal
>>https://www.paypal.co
>>The Internet's most trusted Internet banking system for your future income. When creating your Paypal account make sure you use the same Email address as your user name in the list below so people can send money to your account.
>>
>>
>>STEP
>>Once you have a Paypal account running, use Paypal to post $1.00 to each person on the list, with a message that says "ADD ME TO YOUR MAILING LIST". To do this you may need to use a credit card, which is very easy, and secure so nobody but Paypal may see it. If you don't have a credit card show this great lucrative offer to someone that has one and get them to help you pay the $6
>>
>>What you are doing is creating a service. This is absolutely legal! You are requesting a legitimate service and you are paying for it! Like most of us I was a little skeptical and a little worried about the legal aspects of it all. But I looked around and did some homework and found it was perfectly legal.

>>#3) ryukentank@yahoo.co
>>#4) erwinwolffnl@hotmail.co
>>#5) kurtengel05@yahoo.com.a
>>#6) ceg4018@yahoo.com
>>
>>STEP
>>After sending the money to the first 6 people on the list, you can remove the name next to the #1 on the list and move the rest of the names up one position (#2 becomes #1, #3 becomes #2, etc?) Then place your name in the #6 position.
>>
>>
>>STEP 4
>>Change anything you need to,but try to keep this article as close to the original as possible. Now, post your amended article to at least 200 newsgroups (there are thousands of groups). And email your message to as many people you can. But remember, the more you post and email the more money you make! This is perfectly legal
>>If you have any doubts, refer to Title 18 Sec. 1302 & 1241 of the Postal Lottery laws. Keep a copy of these steps for yourself and, whenever you need money, you can use it again and again.
>>
>>PLEASE REMEMBER that this program remains successful because of the honesty and integrity of the participants and by their carefully adhering to the directions. You are simply paying into a money making chain of participants and if the chain is broken you are screwing someone else out of their fair share. What an opportunity for only a total of $6.00 !! What have you got to lose! To begin with, please send your joining fee now and then add your own Email Address to the list and youï¿½re in business!

>>
>>
>>HOW TO POST TO NEWS GROUPS?
>>Use Netscape or Internet Explorer and try searching for various newsgroups(on-line forums, message boards, chat sites, discussions.) Log on any search engine like yahoo.com,google.com,altavista.com, excite.com, etc., then search with the subject ''millionaire message board'' or ''money making message board'' or ''employment message board'' or ''money making discussions'' or ''money making forum'' or ''business message board'' etc. You will find thousands & thousands of message boards. Click on them one by one and you will find the option 'post a new message'. Then Post this article as a 'new message' by highlighting the text of this letter and selecting copy then paste from the edit menu. Fill in the Subject, this will be the header that everyone sees as they scroll through the list of postings in a particular group, click the post message button.
>>You're done with your first one! It only takes about 60 seconds to complete postings on message boards after you catch on.
>>REMEMBER, THE MORE NEWSGROUPS YOU POST IN, THE MORE MONEY YOU WILL MAKE!! BUT YOU HAVE TO POST A MINIMUM OF 200! That is it You will begin receiving money in your account from around the world within days! When your name is no longer on the list, you just take the latest posting in the newsgroups, and send out another $6.00 to Email Addresses using Paypal on the list, putting your name at number 6 again. And start posting again. The thing to remember is that thousands of people all over the world are joining the Internet and reading these articles everyday. JUST LIKE YOU ARE NOW!! So, can you afford $6.00 to see if it really works?? I think so!
>>
>>People have said, "what if the plan is played out and no one sends you the money? So what! What are the chances of that happening when there are tons of new honest users and new honest people who are joining the
>>internet & newsgroups everyday and are willing to give it a try ?? And besides, you are only spending 6 dollars one time. The only thing you have to do afterwards is to send it to as many places as possible. Good Luck !!

The correct url is http://www.thewireman.com/. I deal with Davis RF (http://www.davisrf.com/), who appear to have lower prices than The Wireman.

Conspiracy Theorist Freiss Joins Alamo Protest
By: Lynn LaRowe - Texarkana Gazette - Published: 01/14/2009

An Iowa radio talk show host and followers of Tony Alamo braved chilly temperatures Tuesday as they protested custody hearings for 23 children beingconducted inside the Miller County Juvenile Court Center in downtown Texarkana. The proceedings concern nine sets of siblings removed in November and December. The children's parents have ties to Alamo Ministries. The hearings are expected to continue into next week.

"The Vatican controls the government," said Tom Friess, the voice of a program which airs on First Amendment Radio. "I know that sounds outrageous." (Friess also holds the Amateur Radio Callsign KC0EBM and was heard on and is well known on the 75 Meter Ham shortwave band for many years prior to joining the Pro-Tony Alamo bandwagon.)

Clad in a short-sleeved Tony Alamo T-shirt, polyester slacks and sneakers, Friess delivered a radio broadcast via cell phone from outside the Juvenile Court Center. At the broadcast's conclusion, he still had plenty to say. "If there was pedophilia going on in this compound, I'd be here condemning it. If there was polygamy going on in there I'd be here condemning it," Friess said. As he voiced his support, a passing motorist shouted, "Alamo's a pervert and a molester." friess said that if shown proof Alamo had engaged in sexual misconduct he would "...want his head on a platter."

Friess hosts a Website that published a video of a confidential interview with a 16-year-old girl at the Children's Advocacy Center in Texarkana. The interview was conducted less than a day after the girl and five others were taken into state custody Sept. 20.

The video was given to Friess by the girl's mother, a loyal devotee of Tony Alamo Christian Ministries. An order signed by Circuit Judge Jim Hudson last week gave the mother and her husband a week to prove they had taken immediate action to have their daughter's image removed from the Internet.

The Federal Communication Commission has till tomorrow to deliver to me, all the information I require under the Freedom Of Information Act (FOIA). I wrote the FCC back in December for information referring to my Todd E. Daugherty N9OGL and Omega One Radio. Omega One Radio was a Part 15 station operated by me under Part 15.225. only one year later after the station had shut down did the FCC send a warning letter claiming I was over the power limit, that limit according to the FCC was 30 micro-volts per meter at a distance of 30 meters. Under Part 15.225 the field strength of 13.556 MHz is actually 15,848 micro-volts per meter at a distance of 30 meters. Also under FCC rules when they receive a complaint, they are required to check the field strength at the site at the distance required (ie. 30 meters) The FCC did no such test and the reason I received a warning letter was an attempt to yank my amateur radio license, after all the ones who complained were amateur radio operators who, feel they have the power to regulate the airwaves and the internet.
The FCC forward the FOIA request onward to the Enforcement Bureau and in a letter dated January 6, 2009 the FCC stated they would have a respond before or on January 22, 2009. I'll keep you all up on the Updates.

>>de la tierra, para que la gloria del corazï¿½n del hombre no
>>sea de Dios, sino que se pierda o sea de nadie. En vista de
>>que, cada vez que el corazï¿½n del hombre le rinde gloria y
>>honor al nombre sagrado de Dios, entonces muchas bendiciones,
>>glorias y grandezas de santidades infinitas, aun no
>>descubiertas por los ï¿½ngeles del cielo, se manifiestan para
>>engrandecer aun mucho mï¿½s que antes a nuestro Dios y a su
>>Hijo amado, ï¿½el Seï¿½or Jesucristo!
>>

>>Y estas bendiciones sobrenaturales y del mï¿½s allï¿½ salen de
>>nuestros corazones y de nuestras almas redimidas, por los
>>poderes gloriosos e infinitos de la misma sangre del ï¿½rbol de
>>la vida, nuestro salvador Jesucristo, para engrandecer mucho
>>mï¿½s que antes la vida y la gloria celestial del reino de los
>>cielos y de sus seres muy santos, por cierto. Porque todo es
>>glorificado y eternamente honrado por nuestros corazones,
>>cuando alabamos, honramos, exaltamos, oramos a nuestro Padre
>>Celestial en el espï¿½ritu de la sangre viva e infinita de
>>nuestro salvador celestial, ï¿½el Seï¿½or Jesucristo!, para que
>>nuestro Padre Celestial sea glorificado y consagrado mucho
>>mï¿½s que antes por los ï¿½ngeles, en la tierra y en el reino
>>celestial, tambiï¿½n.
>>
>>Por lo tanto, es el espï¿½ritu de la sangre del pacto eterno
>>entre Dios y el hombre de la humanidad entera, "la del
>>Gï¿½lgota", la que nos limpia de todo pecado y regenera
>>nuestros espï¿½ritus, almas, corazones y cuerpos espirituales y
>>terrenales, para servir a nuestro Dios dï¿½a y noche y por
>>siempre en la tierra y en el paraï¿½so. Entonces ï¿½sta sangre
>>viva e infinita del paraï¿½so ha descendido a nosotros para
>>rescatarnos, con los poderes y autoridades de parte de
>>nuestro Padre Celestial, para que Lucifer y cada uno de sus
>>seguidores, como ï¿½ngeles caï¿½dos y gentes de gran mentira,
>>sean derrotados diariamente y por siempre, en la eternidad
>>venidera de su condena infinita del mï¿½s allï¿½.
>>
>>Porque todos nuestros enemigos, sean ï¿½ngeles rebeldes o
>>gentes de gran maldad, ya han sido condenados, por sus mismas
>>palabras y por sus mismas acciones, porque no han creï¿½do en
>>sus corazones, ni jamï¿½s honraron con sus labios: al dador de
>>la vida eterna, la sangre viva e infinita, el ï¿½rbol de la
>>vida, ï¿½el Seï¿½or Jesucristo! Realmente nuestros enemigos, como
>>todo pecador y pecadora de la tierra viven en los poderes
>>terribles del fruto o de la sangre manchada por el pecado y
>>la rebeliï¿½n del ï¿½rbol de la ciencia del bien y del mal,
>>cuando nosotros vivimos por los poderes reales e infinitos de
>>la sangre del ï¿½rbol de la vida, ï¿½el Hijo de Dios!
>>
>>Es decir, que nosotros vivimos en la luz del ï¿½rbol de la
>>vida, llena de bendiciones y de protecciones infinitas en
>>contra de los males del pecado y de nuestros enemigos
>>eternos, cuando nuestros enemigos, en sus millares, en todos
>>los lugares, viven en las profundas tinieblas del fruto
>>prohibido del ï¿½rbol de la ciencia, del bien y del mal. Por lo
>>tanto, nuestros enemigos estï¿½n perdidos infinitamente en sus
>>delitos y pecados, por creer en la mentira y en la maldad del
>>espï¿½ritu de error, cuando nosotros estamos vivos y nuestros
>>nombres escritos en "el libro de la vida", porque hemos
>>creï¿½do a la verdad y a la justicia del Espï¿½ritu Santo de

>>Dios.
>>
>>Y esta verdad y justicia del Espï¿½ritu de Dios se hizo
>>realidad en nuestras vidas, cuando descendiï¿½ del cielo y se
>>introdujo en el vientre virgen de la hija de David, de la
>>Casa de Israel, para entregarnos ese corazï¿½n y cuerpo
>>sagrado, lleno de la vida de la sangre viva e infinita, la
>>cual nos redimirï¿½a del pecado infinitamente. Porque era sï¿½lo
>>el Hijo de Dios, el Seï¿½or Jesucristo, quien descenderï¿½a del
>>paraï¿½so, para vivir entre nosotros y asï¿½ cumplir y hasta
>>honrar infinitamente la Ley de Dios y de Moisï¿½s, no sï¿½lo en
>>su corazï¿½n, sino tambiï¿½n en el corazï¿½n de cada hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, para bien de muchos.
>>
>>Aquï¿½ se cumpliï¿½ la promesa hecha por Dios a los antiguos, de
>>que ï¿½l mismo escribirï¿½a su Ley Celestial en los corazones de
>>todos los hombres de la tierra, con su propia mano, para que
>>sea cumplida y mï¿½s no deshonrada. Deshonrado su Ley Sagrada,
>>como siempre lo han hecho los rebeldes a Dios y a su gran rey
>>Mesï¿½as, como Adï¿½n y Eva en el paraï¿½so o como en Israel, por
>>ejemplo, desde el mismo dï¿½a que la recibieron de manos de
>>Moisï¿½s, para encender la ira de Dios en contra de ellos
>>mismos.
>>
>>Encender la ira divina, por sus pecados y rebeliones
>>infinitas de un becerro de oro en sus manos, al cual adoraban
>>como su libertador, en vez, de honrar y exaltar en sus
>>corazones, aquel que vive infinitamente y tiene con ï¿½l, en su
>>corazï¿½n y en su cuerpo inmolado, la sangre viva e infinita
>>que limpia el alma del pecado. Entonces en ï¿½ste dï¿½a terrible
>>para la historia de la humanidad, el hombre ciego y pecador
>>peca en contra Dios y de la sangre viva e infinita, al creer
>>en su corazï¿½n y confesar con sus labios, de que habï¿½a sido
>>ese ï¿½dolo de oro de cuatro patas, el que los habï¿½a liberado
>>de las manos crueles de sus enemigos.
>>
>>Realmente este fue un pecado terrible en contra de la sangre
>>bendita, del ï¿½rbol de la vida del paraï¿½so, por la cual Dios
>>no querï¿½a perdonar; pero como su misericordia fue mayor que
>>su ira, entonces decidiï¿½ posponer el castigo de ï¿½ste terrible
>>pecado para el juicio final de todas las cosas, en el ï¿½ltimo
>>dï¿½a de la tierra. Y, hoy en dï¿½a, ï¿½sta misma sangre viva e
>>infinita, clama por ti, mi estimado hermano y mi estimada
>>hermana, no sï¿½lo para perdonar tus pecados, lo cual es muy
>>importante para ver la vida eterna y sus riquezas, pero para
>>sanar tu vida y protegerte de los males de tus enemigos, como
>>Lucifer y su serpiente antigua, por ejemplo.
>>
>>En vista de que, tus enemigos son muchos y no se han cansado
>>de atacarte dï¿½a y noche, desde el dï¿½a que comenzaron a atacar

>>a Adï¿½n y a Eva en el paraï¿½so, en el mï¿½s allï¿½, por ejemplo, en
>>donde empezï¿½ tu misma vida con tu pecado original, la que
>>vives hoy en dï¿½a, en la tierra. Entonces la sangre viva del
>>paraï¿½so clama por ti (y por los tuyos tambiï¿½n), para
>>despertarte de tus tinieblas y de tu ceguera espiritual y
>>veas a Cristo Jesï¿½s, tu ï¿½nico verdadero amigo en esta tierra
>>y en tu nueva vida venidera del nuevo reino celestial, para
>>llenar tu corazï¿½n y tu alma de la luz de su sangre milagrosa.
>>
>>Y lo ï¿½nico que tienes que hacer para responder a su llamado,
>>realmente, es aceptarla en tu vida, al orar a nuestro Dios
>>que estï¿½ en los cielos, en el nombre sagrado de su Hijo
>>amado, el Seï¿½or Jesucristo, para que perdone tus pecados y te
>>bendiga desde el mismo cielo y paraï¿½so del ï¿½rbol Vivo con sus
>>bendiciones infinitas. Y asï¿½ Dios mismo llene tu vida de su
>>nueva luz celestial e infinita de su ï¿½rbol Viviente, su Hijo
>>amado, el Mesï¿½as, para que las tinieblas de tus males de
>>siempre, como los que agobian tu corazï¿½n, tu mente, tu alma,
>>tu espï¿½ritu y tu cuerpo humano, entonces se vayan de tu vida
>>y no vuelvan mï¿½s a ti.
>>
>>JESUCRISTO SE DIO ASIMISMO, PARA LIMPIARNOS CON SU SANGRE
>>
>>Al que no conociï¿½ pecado, por nosotros el SEï¿½OR le hizo
>>pecado para que descendiese hasta la pobreza de nuestras
>>vidas y asï¿½ entonces levantarnos de la nada: a la gloria mï¿½s
>>sublime del cielo y de toda la nueva vida del SEï¿½OR y de sus
>>huestes angelicales. Con el propï¿½sito de que cada uno de
>>nosotros, en nuestros millares, de todas las razas, linajes,
>>pueblos, familias, tribus y reinos de la tierra, entonces sea
>>hecho verdad y justicia de Dios, sï¿½lo posible en ï¿½l, en su
>>Hijo muy amado, ï¿½el Seï¿½or Jesucristo!
>>
>>Porque era necesario que nuestro Padre Celestial nos salvase
>>del poder del pecado y de sus muchas tinieblas, por medio de
>>una vida santa y sumamente honrada, la cual descendiese de
>>las riquezas del cielo a la pobreza de la tierra, para no
>>sï¿½lo regresar al paraï¿½so, sino mucho mï¿½s que esto. Y esto fue
>>realmente para vivir una vida sana, santa y saludable, como
>>ninguna otra, en sus nuevas tierras con nuevos cielos, en el
>>nuevo reino celestial, en donde la pobreza y la maldad del
>>pecado y de sus profundas tinieblas de Lucifer y de sus
>>ï¿½ngeles caï¿½dos no existen, para siempre, en ningï¿½n ser creado
>>del SEï¿½OR.
>>
>>Por lo tanto, un cordero o un becerro o un toro de las
>>manadas israelï¿½es no podï¿½an satisfacer los requisitos de una
>>vida sana, santa y eternamente saludable y apta para vivir
>>con nuestro Dios y sus huestes de ï¿½ngeles gloriosos de la
>>nueva vida perenne, del nuevo reino celestial, como La Nueva

>>Jerusalï¿½n Santa e infinita, por ejemplo. En verdad, nos
>>encontrï¿½bamos en un lï¿½o muy serio y sin salida alguna, en
>>todos nuestros contornos de todo lo que es (y ha de ser)
>>nuestra vida humana, en toda la vida del mundo entero, para
>>escapar los males del pecado y de su muerte eterna, no sï¿½lo
>>en la tierra sino tambiï¿½n del infierno infinitamente violento
>>y tormentoso.
>>
>>Tenï¿½amos nuestra sangre llena de pecados, mentiras y las
>>maldiciones de enfermedades y de muertes terribles de parte
>>de Lucifer y de su corazï¿½n perdido en tinieblas y destrucciï¿½n
>>eterna para cada uno de nosotros, comenzando con Adï¿½n y Eva,
>>por ejemplo, por haber comido del fruto prohibido, en vez,
>>del fruto del ï¿½rbol de la vida, infinita de Dios. De hecho,
>>ï¿½sta misma sangre nuestra tenia que ser reemplazada o
>>regenerada por una sangre buena, que no sï¿½lo nos borre,
>>limpie y purifique de nuestros pecados y de sus muchas
>>profundas tinieblas de enfermedades que vienen a nosotros del
>>mï¿½s allï¿½, de parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por
>>ejemplo, sino mucho mï¿½s que esto.
>>
>>Y esto era que la nueva sangre, no podï¿½a ser de la tierra o
>>de cualquier animal de sacrificio o de hombres, sino del
>>mismo paraï¿½so, para darnos poder y vida en abundancia, para
>>nosotros entonces poder vivir nuestras vidas, por las cuales
>>fuimos creados en Dios y en su Espï¿½ritu Santo, para sï¿½lo
>>vivirla por su ï¿½rbol Viviente, Jesucristo. Porque no es
>>posible que sangres de animales de sacrificio u hombres
>>pecadores de la tierra nos puedan dar de sus sangres, para
>>nosotros entonces poder ser hechos libres de nuestros pecados
>>y males eternos, en la tierra y en el mï¿½s allï¿½, tambiï¿½n, y
>>asï¿½ poder entrar a la nueva vida infinita del nuevo reino de
>>los cielos.
>>
>>Esto no es asï¿½, para ningï¿½n hombre, mujer, niï¿½o y niï¿½a de la
>>humanidad entera, porque no existe sangre de animal o humana
>>que nos pueda llevar de regreso a la vida celestial de la
>>antigï¿½edad, la del paraï¿½so de Adï¿½n y Eva, por ejemplo.
>>Entonces la ï¿½nica sangre que nos podï¿½a (y aun nos puede)
>>limpiar, santificar, sanar y llenar de vida en abundancia,
>>realmente, es la misma sangre gloriosa de nuestro Seï¿½or
>>Jesucristo, el ï¿½rbol de la vida eterna del paraï¿½so y de toda
>>la nueva creaciï¿½n de Dios y de sus huestes celestiales, en la
>>tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Es por eso, que el SEï¿½OR desde el principio le requiriï¿½ a
>>Adï¿½n y a Eva comer y beber solamente del fruto del ï¿½rbol de
>>la vida, para que de esta manera ï¿½nica, no sï¿½lo se pudiera
>>quedar a vivir en el paraï¿½so, sino que ambos crecerï¿½an
>>espiritualmente hasta llegar a ser tan santos y gloriosos,

>>como su mismo Creador. Porque para esto Dios mismo los saco
>>con sus propias manos del fondo de las profundas tinieblas de
>>la tierra, para formarlos con la ayuda idï¿½nea de su Espï¿½ritu
>>Santo, en su imagen y conforme a su semejanza sagrada, "sï¿½lo
>>posible", por medio del fruto del ï¿½rbol de la vida, su
>>"Cordero Escogido y su sangre bendita", ï¿½el Seï¿½or Jesucristo!
>>
>>Puesto que, es la sangre del Seï¿½or Jesucristo, la del ï¿½rbol
>>de la vida, la que nos lleva de regreso al paraï¿½so y nos
>>permite permanecer a vivir en ella con Dios y sus ï¿½ngeles
>>celestiales, para no sï¿½lo comer y beber del Seï¿½or Jesucristo,
>>sino tambiï¿½n de los frutos de los millares de ï¿½rboles que
>>existen en el paraï¿½so. Porque la sangre del hombre y de la
>>mujer tienen que ser compatibles con la sangre del ï¿½rbol de
>>la vida de Dios, para entonces quedarse a vivir en el
>>paraï¿½so, de otra manera, no es posible la vida para ningï¿½n
>>ser viviente, como el pecador o la pecadora vivir en el cielo
>>y con su Dios.
>>
>>Entonces viviremos en el paraï¿½so para comer y beber sï¿½lo del
>>ï¿½rbol de la vida y de sus millares de frutos y ï¿½rboles
>>creados por Dios y su Espï¿½ritu, los cuales sï¿½lo nos hacen
>>bien y, a la vez, nos dan salud infinita en nuestras sangres
>>y en nuestros cuerpos espirituales y glorificados, en la
>>sangre bendita de nuestro Jesucristo. Porque la verdad es que
>>el ï¿½rbol de la ciencia del bien y del mal ha de estar ahï¿½, en
>>su lugar, en el epicentro del paraï¿½so, pero ya no nos harï¿½
>>mï¿½s daï¿½o, como se lo hizo a Adï¿½n y a Eva primero, por
>>desobediencia a la palabra bendita del SEï¿½OR, por ejemplo.
>>
>>Realmente, viviremos felices y libres del mal del pecado y de
>>su muerte, porque Lucifer ya no existirï¿½ mï¿½s, como hoy en dï¿½a
>>vive aun, a pesar de la gran derrota que sufriï¿½ delante del
>>SEï¿½OR y del Seï¿½or Jesucristo, en el dï¿½a de la crucifixiï¿½n y
>>de la resurrecciï¿½n de entre los muertos en el Tercer Dï¿½a, por
>>ejemplo. Entonces como Dios mismo hizo al Seï¿½or Jesucristo
>>que sufriera el poder del pecado y de su mal eterno en el
>>madero, aunque jamï¿½s peco, para que entonces descendiera a la
>>terrible pobreza de nuestro estado espiritual del infierno, y
>>desde ahï¿½ levantarnos muy alto y hasta la nueva vida infinita
>>del nuevo reino celestial, en el mï¿½s allï¿½.
>>
>>Ademï¿½s, nuestro Dios hizo todo este gran milagro, sï¿½lo en la
>>vida de su Hijo amado, por el poder sobrenatural de su misma
>>sangre viviente, viviendo en el corazï¿½n de cada uno de los
>>hombres, mujeres, niï¿½os y niï¿½as de las naciones, para
>>entonces cumplir la Ley del paraï¿½so y asï¿½ darle vida nueva a
>>su humanidad infinita y celestial. Porque a parte de eso,
>>ningï¿½n ser viviente podï¿½a realmente conocer a su ï¿½rbol de
>>vida y de salud infinita, para entonces regresar a su vida

>>normal del cielo y vivir eternamente en la verdad y en la
>>justicia gloriosa y sumamente honrada de su Creador, ï¿½el
>>Todopoderoso de Israel y de la humanidad entera!
>>
>>Esto era totalmente imposible para la vida de la humanidad
>>entera, sin Cristo Jesï¿½s en su sangre, sea quien sea la
>>persona del ayer y de hoy en dï¿½a, en toda la creaciï¿½n de
>>Dios, en el paraï¿½so y en toda la tierra, tambiï¿½n. Por eso,
>>damos gracias a nuestro Padre Celestial por ofrecerle su
>>fruto del ï¿½rbol de la vida a Adï¿½n y a cada uno de sus
>>descendientes, tambiï¿½n, de todas las razas, pueblos, linajes,
>>tribus y reinos del mundo entero, comenzando con Eva, por
>>supuesto, para alcanzar como hoy mismo, por ejemplo, el bien
>>perdido de la vida eterna del paraï¿½so.
>>
>>Ya que, es ï¿½sta misma sangre bendita del Seï¿½or Jesucristo, su
>>Hijo amado, la cual nos mantiene vivos hoy en dï¿½a y en toda
>>la tierra, para muy pronto, si nuestro Dios nos se tarda mï¿½s,
>>entonces regresar a nuestras vidas normales del paraï¿½so y del
>>nuevo reino celestial, como La Nueva Jerusalï¿½n Dios, la que
>>desciende del cielo. Y si ï¿½sta misma sangre sagrada y antigua
>>del paraï¿½so viene a ti, mi estimado hermano, asï¿½ como vino en
>>su dï¿½a a Adï¿½n y a Eva, entonces no cometas el mismo error y
>>rebeliï¿½n de nuestros progenitores celestiales, al no comer y
>>beber del ï¿½rbol de la vida, sino has todo lo contrario, y
>>acï¿½ptala en tu vida ilimitadamente.
>>
>>Porque si aceptas a Jesucristo como tu ï¿½rbol de la vida y de
>>salud infinita de tu corazï¿½n y de tu alma, entonces los
>>poderes sobrenaturales de la misma sangre sagrada y antigua
>>del paraï¿½so, comenzara a bendecir tu vida (y la de los tuyos
>>tambiï¿½n), como jamï¿½s has sido bendecido en toda tu vida y en
>>la eternidad venidera. En realidad, sï¿½lo la sangre del Seï¿½or
>>Jesucristo es la mejor para el hombre, la mujer, el niï¿½o y la
>>niï¿½a de la humanidad entera, para perdonar pecados y
>>limpiarlos de los poderes terribles de las enfermedades, de
>>las cuales azotan el corazï¿½n, el alma y la vida humana, de
>>parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por ejemplo.
>>
>>Es por eso, que el que no tiene la sangre bendita y antigua
>>del paraï¿½so obrando en sus poderes y autoridades celestiales
>>de parte de nuestro Padre Celestial, entonces es muy fï¿½cil
>>atacado por el poder del enemigo y de sus muchas tinieblas,
>>para que su corazï¿½n, su espï¿½ritu, su alma y su cuerpo
>>enfermen, y mueran en las tinieblas. Porque todo aquel que
>>enferma y muere, entonces enferma y muere en las profundas
>>tinieblas del pecado de Lucifer y de sus ï¿½ngeles caï¿½dos, para
>>descender a su lugar eterno, en el bajo mundo del mï¿½s allï¿½,
>>como el abismo, el infierno y posteriormente, despuï¿½s del
>>juicio: la segunda muerte final de su alma perdida, el lago

>>de fuego.
>>
>>TENEMOS PERDï¿½N DE PECADO, Sï¿½LO EN LA SANGRE DE JESUCRISTO
>>
>>Por esta razï¿½n, sï¿½lo en el Seï¿½or Jesucristo tenemos redenciï¿½n
>>celestial e infinita para nuestras almas, por medio de su
>>sangre, el perdï¿½n de nuestras transgresiones de la Ley del
>>Paraï¿½so, segï¿½n las riquezas de su gracia, la cual hizo
>>sobreabundar en todo poder y entendimiento para con cada uno
>>de nosotros, en la tierra y en la eternidad, tambiï¿½n. Es por
>>eso, que la sangre del Seï¿½or Jesucristo jamï¿½s debe de faltar
>>en nuestras vidas dï¿½a a dï¿½a; nuestro Dios nos la entrego en
>>su abundancia infinita, para que jamï¿½s nos falte ninguna de
>>sus muchas bendiciones y poderes sobrenaturales, para
>>derrotar al enemigo, en todo momento de nuestras vidas, por
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Porque la verdad fue para Adï¿½n, la cual no entendiï¿½ jamï¿½s y
>>hasta que fue demasiado tarde, que el ï¿½nico poder
>>sobrenatural del mï¿½s allï¿½, como en el paraï¿½so, por ejemplo,
>>que le podï¿½a librar de cada una de las artimaï¿½as de Lucifer,
>>como sus mentiras y demï¿½s maldades mortales, era la misma
>>sangre bendita del ï¿½rbol de la vida. Porque sï¿½lo en el fruto
>>del ï¿½rbol de la vida hay poder para el corazï¿½n, para el alma
>>y para el cuerpo de Adï¿½n y de cada uno de sus descendientes,
>>en el paraï¿½so y en toda la creaciï¿½n celestial, eternamente y
>>para siempre, desde hoy mismo y hasta la nueva eternidad
>>venidera de Dios y de su humanidad infinita.
>>
>>Ademï¿½s, fue por esta razï¿½n, de que Dios requiriï¿½ de Adï¿½n y de
>>cada uno de sus descendientes, comenzando con Eva, por
>>ejemplo, de que tenï¿½an que comer y beber siempre del fruto
>>del ï¿½rbol de la vida, el Seï¿½or Jesucristo, en el epicentro
>>del paraï¿½so, para que sus cuerpos perennemente se mantuviesen
>>con esa vitalidad infinita, del reino celestial. Hoy en dï¿½a,
>>lo mismo es verdad para todo hombre, mujer, niï¿½o y niï¿½a de
>>todas las familias de las naciones del mundo entero, de los
>>que ya han vivido sus vidas, de los que aun estï¿½n viviendo
>>sus vidas y de los que han de venir a vivir sus vidas en la
>>tierra, en edades futuras, por ejemplo.
>>
>>Es decir, que la sangre del Seï¿½or Jesucristo jamï¿½s debiï¿½
>>faltar para Adï¿½n y Eva en el paraï¿½so, si realmente querï¿½an
>>seguir viviendo con Dios y con sus huestes de ï¿½ngeles
>>gloriosos y sumamente honrados, del reino de los cielos. Por
>>lo tanto, lo mismo es verdad para con nosotros en toda la
>>tierra, en esta hora del dï¿½a y por siempre ha de ser verdad,
>>igual, en la nueva vida celestial del nuevo reino celestial y
>>de su ï¿½rbol de vida infinita, rodeado por siempre de sus
>>huestes celestiales y de naciones de gentes redimidas por su

>>sangre infinita.
>>
>>En vista de que, la sangre del Seï¿½or Jesucristo jamï¿½s perdiï¿½
>>ningï¿½n valor espiritual para con Dios en el paraï¿½so, como en
>>el dï¿½a que Adï¿½n y Eva la rechazaron en sus vidas, al no comer
>>del fruto del ï¿½rbol de vida, la sangre viva e infinita del
>>nuevo reino venidero. Ni tampoco ha perdido ningï¿½n valor
>>espiritual el Seï¿½or Jesucristo en nuestras vidas humanas,
>>sino que todo lo contrario; realmente, la sangre de Cristo ha
>>ganado mï¿½s valor que antes en el corazï¿½n de los ï¿½ngeles del
>>cielo y asï¿½ tambiï¿½n en los corazones de los hombres, mujeres,
>>niï¿½os y niï¿½as de la humanidad entera, aunque jamï¿½s le han
>>visto.
>>
>>Y, hoy en dï¿½a, esta misma sangre viva e infinita toca la
>>puerta de tu corazï¿½n, mi estimado hermano y mi estimada
>>hermana, para perdonar tus pecados, librarte de todas tus
>>culpas y males eternos, para que no pierdas ninguna de las
>>bendiciones de tu Padre Celestial que estï¿½ en los cielos, por
>>ejemplo. Ademï¿½s, este es un valor espiritual de perdï¿½n,
>>bendiciï¿½n, sanidad y de salvaciï¿½n de nuestras almas, en la
>>tierra y en el paraï¿½so, llena de sus muchas y mï¿½s ricas
>>gloriosas bendiciones de nuestro Padre Celestial, de su Hijo
>>amado, de su Espï¿½ritu Santo y de sus millares de ï¿½ngeles,
>>arcï¿½ngeles, serafines, querubines y demï¿½s seres santos del
>>reino celestial.
>>
>>Es decir, tambiï¿½n, que cada vez que la sangre del Seï¿½or
>>Jesucristo se manifiesta en nuestras vidas, entonces mucho
>>mï¿½s de ella llegamos a conocer en nuestros corazones, en
>>nuestras almas, en nuestros espï¿½ritus y cuerpos humanos, en
>>la tierra y en el paraï¿½so, como en el nuevo reino celestial:
>>La Nueva Jerusalï¿½n Santa e Infinita del cielo, por ejemplo.
>>Porque la verdad es que aun no conocemos muchos de los
>>poderes y autoridades sobrenaturales de la sangre viviente
>>del Seï¿½or Jesucristo, para bendecir nuestras vidas terrenales
>>y celestiales, tambiï¿½n, como en el mï¿½s allï¿½, de la nueva era
>>venidera de Dios y de sus huestes celestiales, del nuevo
>>reino de los cielos.
>>
>>En la medida en que, sabemos muy bien que la sangre del Seï¿½or
>>Jesucristo perdona pecados, bendice profundamente y sana las
>>almas, los espï¿½ritus y los cuerpos humanos de los hombres,
>>mujeres, niï¿½os y niï¿½as de la humanidad entera, sin jamï¿½s
>>dejar sin su bendiciï¿½n a ninguno de ellos, en toda la
>>creaciï¿½n terrenal y celestial, a la misma vez. Y, ademï¿½s,
>>sobre todas las cosas, la sangre de Jesucristo tiene poder
>>para levantarnos de entre los muertos y volver a vestir
>>nuestros huesos, con carne, mï¿½sculos, ï¿½rganos y piel, como
>>Dios nos formo, tal como siempre hemos sido (y seremos), como

>>hombres y mujeres, en nuestras nuevas vidas infinitas, de la
>>eternidad venidera del nuevo reino celestial, por ejemplo.
>>
>>Porque la verdad es tambiï¿½n que la sangre viva del Seï¿½or
>>Jesucristo tiene cada una de "todas las informaciones
>>genï¿½ticas" de cada hombre, mujer, niï¿½o y niï¿½a de la humanidad
>>entera, para volverlo a bendecir en su cuerpo, alma y
>>espï¿½ritu humano con mucha mï¿½s gloria que antes, aun mucho
>>mayores que Adï¿½n y Eva, en el paraï¿½so, por ejemplo. Por lo
>>tanto, la sangre del Seï¿½or Jesucristo es tan importante en la
>>vida de la humanidad entera, por muchas razones, de la misma
>>manera que fue tan importante para Adï¿½n y Eva, por ejemplo,
>>para que no pequen jamï¿½s, sino que obedezcan y vivan por
>>siempre sus vidas eternas con su Dios y con su Jesucristo, en
>>el cielo.
>>
>>Y sin la sangre viva e infinita del Seï¿½or Jesucristo,
>>entonces no hay expiaciï¿½n de pecado alguno para ningï¿½n
>>hombre, mujer, niï¿½o y niï¿½a, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos del mundo entero, desde los
>>dï¿½as del paraï¿½so y hasta la nueva eternidad venidera. En
>>realidad, todo hombre y toda mujer morirï¿½ infinitamente en su
>>coraziï¿½n, luego en su alma y finalmente en su cuerpo y
>>espï¿½ritu humano, hasta que muerda el polvo de la muerte, en
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n, como en el infierno o el
>>lago de fuego, la segunda muerte del ï¿½ngel caï¿½do y del alma
>>perdida.
>>
>>Pero aunque esto siempre ha sido la ley de la vida en la
>>tierra, desde que el hombre vive en ella, realmente volverï¿½ a
>>ver la vida, sï¿½ en su coraziï¿½n y durante los dï¿½as de su vida:
>>Honro al Seï¿½or Jesucristo, delante de Dios y de su Espï¿½ritu
>>Santo, para gloria y para honra infinita de su nombre
>>sagrado. Porque esta es la promesa de vida y de salvaciï¿½n
>>infinita que Dios le ofreciï¿½ primero a Adï¿½n y para todo aquel
>>que ame y honre por siempre a su Hijo amado, en su espï¿½ritu y
>>en su vida, con tan sï¿½lo creer en su coraziï¿½n e invocar con
>>sus labios su perdiï¿½n de pecados y salvaciï¿½n de su vida.
>>
>>Entonces es importante que todo coraziï¿½n del hombre, mujer,
>>niï¿½o y niï¿½a de toda la tierra, honre el nombre sagrado del
>>Seï¿½or Jesucristo, para que la sangre viviente del pacto
>>eterno comience a vivir en su coraziï¿½n, en su alma, en su
>>espï¿½ritu y en su cuerpo humano, para sanarlo de sus males y
>>hasta que regrese al paraï¿½so. Porque es sï¿½lo lo que la sangre
>>del Seï¿½or Jesucristo ha hecho en nuestros corazones, almas,
>>cuerpos y espï¿½ritus humanos, lo que realmente nos darï¿½
>>poderes especiales y sobrenaturales, desde hoy mismo, para
>>poder volver a nuestros hogares celestiales del paraï¿½so, al
>>lado de nuestro Dios y de su ï¿½rbol de vida, nuestro redentor

>>infinito, ï¿½el Seï¿½or Jesucristo!
>>
>>JESï¿½S NACIï¿½ DE UNA VIRGEN Y NOS DIO SU SANGRE VIVA E INFINITA
>>
>>Pero cuando se acerco la riqueza de la eternidad, entonces
>>Dios enviï¿½ al Seï¿½or Jesucristo, nacido de virgen y bajo la
>>Ley de Moisï¿½s y de Israel, tambiï¿½n, para que redimiese a los
>>que viviï¿½an bajo la maldiciï¿½n de la Ley, a fin de que sean
>>hechos legï¿½timamente hijos de Dios, para la nueva vida
>>infinita del nuevo reino celestial. Porque nuestro Dios jamï¿½s
>>se tarda en enviar a su Hijo amado a Israel, para redimirnos
>>de los poderes terribles del pecado, por haber transgredido
>>en contra de la Ley del paraï¿½so, al no comer del fruto de la
>>vida eterna, la sangre viva e infinita del pacto eterno, por
>>rebeldï¿½a de sus progenitores celestiales, Adï¿½n y Eva, por
>>ejemplo.
>>
>>De suerte que, el servir a Dios es ï¿½nicamente comer del fruto
>>de la vida, eso es todo (o el todo de todo) para nosotros
>>vivir; es decir, tambiï¿½n, que el servir a Dios es cumplir y
>>exaltar por siempre su Ley Santa y Eternamente honrada, la
>>del paraï¿½so y la de la tierra escogida de Canaï¿½n, Israel, por
>>ejemplo. Es mï¿½s, para nuestro Padre Celestial el cumplir y
>>honrar su Ley Sagrada es comer y beber de ella, del pan y de
>>la copa de vino, su Hijo amado, ï¿½el Seï¿½or Jesucristo!, para
>>alejarnos de las tinieblas y entrar a la luz mï¿½s brillante
>>que el Sol, el Mesï¿½as de la nueva eternidad venidera.
>>
>>Es decir, tambiï¿½n, que el creer en el Seï¿½or Jesucristo, como
>>su Hijo amado, es comer y beber de la Ley del paraï¿½so y de la
>>vida eterna del nuevo reino celestial, hoy en dï¿½a y por
>>siempre en el infinito. Dado que, la nueva eternidad
>>celestial de Dios es La misma Nueva Jerusalï¿½n Eterna, la que
>>Dios soï¿½ï¿½ desde siempre con el hombre y sus ï¿½ngeles de toda
>>la vida, la que desciende del cielo mï¿½s alto que el cielo de
>>los ï¿½ngeles, por ejemplo. Por lo tanto, para nuestro Padre
>>Celestial el amar y honrar su Ley Sagrada es verdaderamente
>>amarle a ï¿½l, en el espï¿½ritu y en la verdad infinita de su
>>fruto del ï¿½rbol de la vida eterna; es decir, amarle sï¿½lo en
>>la sangre viva e infinita del pacto eterno del hombre del
>>mundo y de su Mesï¿½as, ï¿½el Seï¿½or Jesucristo!
>>
>>Entonces, hoy en dï¿½a, ï¿½ste fruto de la vida eterna de Dios y
>>del Seï¿½or Jesucristo para cada uno de sus hijos e hijas, de
>>todas las razas, pueblos, linajes, tribus y reinos del mundo
>>entero, comenzando con Adï¿½n y Eva en el paraï¿½so, por ejemplo,
>>es la sangre antigua del ï¿½rbol de la vida, su Hijo amado, ï¿½el
>>Mesï¿½as! Porque para nuestro Padre Celestial su ï¿½rbol de la
>>sangre viva e infinita es la Ley de Moisï¿½s y de Israel, o a
>>la inversa, la Ley del paraï¿½so es su ï¿½rbol de la sangre viva

>>e infinita de la vida eterna, ï¿½el Mesï¿½as!, para ï¿½ngeles del
>>cielo, para la tierra y para la nueva creaciï¿½n venidera del
>>nuevo angelical.
>>
>>Es por eso, que esta Ley Celestial de la sangre y del ï¿½rbol
>>de la vida, para bien de todo ï¿½ngel del cielo y asï¿½ tambiï¿½n
>>para todo hombre, mujer, niï¿½o y niï¿½a de la humanidad entera,
>>no la cambia nadie, jamï¿½s; porque escrito estï¿½ en las
>>Escrituras antiguas: la vida estï¿½ en la sangre del ser
>>viviente. Porque desde el dï¿½a que Adï¿½n y Eva pecaron en
>>contra de Dios, desde entonces violaron la Ley Infinita de
>>sus vidas, en esta vida y en la venidera, tambiï¿½n, para no
>>volver a ver la vida jamï¿½s, por sus culpas y por sus pecados;
>>pero esto no cambio la Ley Divina en ninguno de sus muchos y
>>gloriosos significados.
>>
>>Realmente, la Ley permaneciï¿½ santa, perfecta, pura y muy
>>gloriosa, por cierto, en el paraï¿½so y en todos los lugares
>>del reino de los cielos y hasta que entrï¿½ en la tierra por
>>vez primera, desde las alturas del Sinaï¿½, en el desierto de
>>Egipto, cuando los hebreos caminaban hacia la tierra
>>prometida, para poseerla y entonces ver al Mesï¿½as. Y esto es
>>algo que Dios ha deseado hacer tambiï¿½n en el corazï¿½n de cada
>>hombre, mujer, niï¿½o y niï¿½a de la humanidad entera, sin hacer
>>jamï¿½s excepciï¿½n de persona alguna, pero el espï¿½ritu de error
>>de las mentiras de Lucifer y de la serpiente aun luchan en
>>contra de Dios y de su Ley Sagrada, para mal de muchos.
>>
>>Es por eso, que la Ley de Dios no ha sido honrada, ni
>>exaltada, ni exclamada como tal por el pecador, vil, criminal
>>y pagano de toda la tierra, sino que la verdad es otra,
>>totalmente contraria a la voluntad perfecta de nuestro Dios
>>que estï¿½ sentado en su trono de gloria infinita en los
>>cielos, y lo ve todo. En realidad, todas estas gentes
>>pecadoras, viles, mentirosas, criminales, hacedoras de la
>>maldad, lo que han hecho, a travï¿½s de los tiempos, realmente
>>es deshonrar cada palabra, cada letra, cada tilde y cada
>>significado infinito, de la Ley de Dios y de la vida eterna
>>de todo ser viviente del cielo y de la creaciï¿½n.
>>
>>Pero nuestro Dios, en su sabidurï¿½a infinita ha vencido ï¿½ste
>>terrible mal en el corazï¿½n de los hombres, mujeres, niï¿½os y
>>niï¿½as de la humanidad entera, al escribir su Ley Sagrada en
>>sus corazones y con su dedo santo, tambiï¿½n, para que los
>>pecadores siempre se acuerden de ella, y asï¿½ ya no sigan
>>haciendo sus mismas maldades de siempre. Entonces nuestro
>>Dios, cuando llego su dï¿½a seï¿½alado, enviï¿½ a su ï¿½rbol de vida,
>>su Hijo amado, para que naciese del vientre virgen de la hija
>>de David, por el poder sobrenatural de su Espï¿½ritu, para que
>>a los nueve meses nos diese un Cordero Sagrado y bajo la Ley,

>>para que nos rescate de sus poderes y maldiciones infinitas.
>>
>>Porque cada uno de nosotros, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos de la humanidad entera,
>>realmente tenï¿½a que ser rescatado de nuestros pecados, por
>>Jesucristo, no tanto de nuestras tumbas en las profundas
>>tinieblas del mundo, eso ya lo hizo nuestro Dios en el
>>principio, sino del mismo vientre de nuestras madres, pero
>>virgen, esta vez. Es por eso, que el nacimiento del Seï¿½or
>>Jesucristo tenia que ser un nacimiento del vientre virgen de
>>una de las hijas de David, de la tribu de Judï¿½ y de la Casa
>>de Israel, solamente y en su dï¿½a, ni mï¿½s ni menos, para
>>cumplir las Escrituras, para gloria infinita de nuestro Padre
>>Celestial que estï¿½ en los cielos. Y Dios lo tenia que hacer
>>asï¿½ todo muy bien, en el vientre virgen de la joven hebrea,
>>para vencer a las tinieblas y redimir a todo hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, y asï¿½ no se pierda nadie
>>en sus profundas tinieblas de su tumba comï¿½n o del fuego del
>>infierno, por ejemplo.
>>
>>Porque nadie nos podï¿½a redimir de los poderes terribles de la
>>maldiciï¿½n y de la muerte infinita de la Ley Inquebrantable y
>>Sagrada del paraï¿½so, sino era el mismo fruto de la vida, la
>>sangre del Seï¿½or Jesucristo o, en otras palabras, la sangre
>>viva e infinita del ï¿½rbol de la vida de la Nueva Jerusalï¿½n
>>Santa e Infinita. Porque es el espï¿½ritu de la sangre del
>>cuerpo del ï¿½rbol de la vida que le da vida a todo hombre,
>>mujer, niï¿½o y niï¿½a de toda la tierra, comenzando con Adï¿½n y
>>Eva, en el paraï¿½so, por ejemplo.
>>
>>Por ello, ï¿½ste fue el ï¿½nico fruto de la vida del ï¿½rbol de
>>Dios, el cual Dios mismo le ofreciï¿½ a Adï¿½n comer y beber para
>>que vea la vida, en la tierra sagrada del paraï¿½so y en toda
>>la nueva tierra y bendita del nuevo reino celestial, como La
>>Nueva Jerusalï¿½n que desciende del mï¿½s allï¿½ de la antigï¿½edad.
>>Porque en la mente y en el corazï¿½n de Dios, desde los
>>primeros dï¿½as de la antigï¿½edad, ya estaba soï¿½ando en la
>>creaciï¿½n de una Nueva Jerusalï¿½n Santa, Perfecta e Infinita,
>>en los cielos mï¿½s alto que los ï¿½ngeles y de la humanidad
>>entera --humanidad la cual crearï¿½a posteriormente en su
>>imagen y conforme a su semejanza sagrada--.
>>
>>Aquï¿½ es cuando nuestro Dios pensï¿½ en ti, por vez primera,
>>para rescatarte de las tinieblas del vientre de la virgen,
>>con su Ley Bendita, la cual se quebrï¿½ en las manos de Moisï¿½s
>>y descendiï¿½ al abismo a esperar por Cristo, para que la
>>levantase al cielo con los poderes de la sangre viva e
>>infinita en tu corazï¿½n. Es por esta razï¿½n, que es muy
>>importante que tï¿½ mismo creas en tu corazï¿½n y confieses con
>>tus labios, la verdad redentora del Seï¿½or Jesucristo viviendo

>>en tu alma, mi estimado hermano, para que entonces por los
>>poderes de la sangre viva e infinita te eleven al paraï¿½so,
>>hoy y en tu ultimï¿½ dï¿½a de vida en el mundo.
>>
>>Y si ya has pasado de la vida al polvo de la muerte, entonces
>>en su gran dï¿½a de la resurrecciï¿½n de los muertos, Dios mismo
>>te levantara de nuevo a la vida de la tierra y del nuevo
>>reino celestial, para que vivas infinitamente, en donde
>>comenzaste a dar tus primeros pasos de vida en el paraï¿½so,
>>por ejemplo. Es decir, que si has creï¿½do en Jesucristo y
>>confesado con tus labios su verdad y su justicia, entonces en
>>la resurrecciï¿½n, Dios mismo con los poderes sobrenaturales de
>>la sangre viva te levantara de regreso a tu hogar infinito,
>>para vivir con tus progenitores celestiales, Adï¿½n y Eva, para
>>que veas y sientas tu verdadera vida, como nunca antes.
>>
>>Dado que, para esta vida celestial, es por la cual que Dios
>>te ha creado del polvo de la tierra en sus manos sagradas,
>>para que comas y bebas por siempre de su fruto de vida
>>eterna, la sangre y el cuerpo bendito del ï¿½rbol de la vida,
>>su fruto de vida infinita, su "Cordero Escogido", ï¿½el Seï¿½or
>>Jesucristo! Porque como Jesucristo no ha existido alguien
>>mayor que ï¿½l, en el cielo ni menos en la tierra, para
>>redimirte, sanarte, purificarte, santificarte y elevarte al
>>paraï¿½so para que vivas tu verdadera vida, no la de la tierra,
>>sino la de Dios, junto con ï¿½l y con sus huestes celestiales,
>>sï¿½lo en el poder de la sangre del pacto eterno.
>>
>>JESï¿½S ESTï¿½ CON SU SANGRE EN EL LUGAR SANTï¿½SIMO, PARA DARNOS
>>SALVACIï¿½N INFINITA
>>
>>Entonces nuestro Seï¿½or Jesucristo entrï¿½ de una vez por todas
>>y para siempre en el lugar santï¿½simo del altar celestial de
>>nuestro Padre Celestial, logrando asï¿½ eterna salvaciï¿½n de
>>nuestras almas infinitas, ya no mediante sangre de machos
>>perfectos y sin tacha alguna en sus cuerpos de cabrunos ni de
>>corderos ni de toros, sino mediante su propia sangre
>>hacedora. Porque es la sangre sagrada y antigua del paraï¿½so,
>>la que hace la diferencia entre Dios y el hombre, la mujer,
>>el niï¿½o y la niï¿½a de la humanidad entera, para perdonar
>>pecados y bendecir sus vidas, en un momento de oraciï¿½n y de
>>fe, en el nombre del Seï¿½or Jesucristo, en la tierra y para la
>>nueva eternidad venidera.
>>
>>Y sin ï¿½sta sangre bendita de su corazï¿½n y de su cuerpo santo,
>>nuestro Jesucristo no podï¿½a entrar al lugar santï¿½simo del
>>altar celestial de Dios, sino que tenia que permanecer fuera
>>de ï¿½l, como todo ser viviente que aun no ha recibiï¿½ los
>>beneficios y bendiciones de fe, de la sangre del pacto
>>eterno, entre Dios y el hombre. Entonces fue por esta razï¿½n,

>>que Jesucristo tenia que descender del cielo, para entrar en
>>el vientre virgen, de una de las hijas de David, para que a
>>los nueve meses, nos diese aquel corazï¿½n y cuerpo santo,
>>lleno de la sangre redentora y del pacto eterno entre Dios y
>>el hombre de la tierra, para entra al lugar santï¿½simo.
>>
>>Ademï¿½s, sï¿½lo asï¿½ entonces podamos cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y reinos
>>del mundo entero, tener acceso al lugar santï¿½simo de Dios en
>>el cielo, con tan sï¿½lo creer en nuestros corazones y confesar
>>con nuestros labios: la verdad y la justicia infinita que
>>agradan al corazï¿½n de nuestro Padre Celestial, eternamente. Y
>>esto es que el Seï¿½or Jesucristo es su Hijo y SEï¿½OR de la
>>nueva vida eterna del nuevo reino de los cielos, como en el
>>paraï¿½so y como en La Nueva Jerusalï¿½n Celestial, por ejemplo,
>>para todo ï¿½ngel y para todo hombre, mujer, niï¿½o y niï¿½a del
>>mundo, sï¿½lo fiel en su corazï¿½n a la sangre viva e infinita.
>>
>>En la medida en que, todos los que quieran ver la nueva vida
>>eterna, en el nuevo reino de los cielos, entonces tienen que
>>haber sido bendecidos, lavados y purificados en la sangre
>>sagrada del gran rey Mesï¿½as de todos los tiempos, el Hijo
>>amado de Dios, ï¿½el Seï¿½or Jesucristo! Porque ha sido nuestro
>>Seï¿½or Jesucristo quien realmente subiï¿½ al cielo desde
>>nuestras tumbas, al lugar santï¿½simo del altar de nuestro
>>Creador para interceder, mediar y reconciliarnos con ï¿½l, por
>>medio de los poderes sobrenaturales de su misma sangre
>>santï¿½sima, la cual deja correr para bien de muchos y el fin
>>del pecado, sobre la cruz del Gï¿½lgota, por ejemplo.
>>
>>Y desde el dï¿½a que el Seï¿½or Jesucristo le puso fin al pecado
>>de Adï¿½n y de cada uno de sus descendientes, entonces la
>>muerte y sus enfermedades ya no tiene poder alguno sobre
>>ninguno de nosotros, de los que hemos creï¿½do e invocado con
>>nuestros labios su nombre redentor, para perdï¿½n de pecados y
>>salvaciï¿½n infinita de nuestras vidas. Porque desde el dï¿½a que
>>comenzamos a creer e invocar su nombre, entonces se cumple la
>>Escritura, en donde dice, que todo aquel que invoque su
>>nombre bendito serï¿½ salvo en los ï¿½ltimos dï¿½as del poder del
>>pecado y de su muerte eterna, en la tierra y en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego.
>>
>>Porque todo aquel que no recibiï¿½ al Seï¿½or Jesucristo en su
>>corazï¿½n, entonces su nombre no estï¿½ escrito en "el libro de
>>la vida"; por lo tanto, su vida corre el peligro de terminar
>>entre las llamas ardientes de la ira de Dios, en el infierno
>>y para finalmente caer en el lago de fuego, en el mï¿½s allï¿½.
>>Sin embargo, si lo contrario fuese verdad en tu vida, mi
>>estimado hermano, de que el espï¿½ritu de fe, de la sangre viva
>>e infinita del Seï¿½or Jesucristo ha entrado en tu corazï¿½n y en

>>toda tu vida, tambiï¿½n, entonces comenzaras a ser bendecido
>>por ella con muchos de sus poderes sobrenaturales de
>>milagros, maravillas y hasta prodigios, tambiï¿½n.
>>
>>Porque es el espï¿½ritu de fe, en la sangre bendita del Seï¿½or
>>Jesucristo, la cual realmente nos da poder y muchos bienes
>>sobrenaturales para protegernos dï¿½a y noche de los males del
>>pecado y de las profundas tinieblas del enemigo infinito de
>>nuestras almas eternas, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para la eternidad venidera. Es decir, tambiï¿½n de que
>>Dios mismo te protegerï¿½, como protege a sus ï¿½ngeles
>>celestiales de los males de Lucifer y de sus ï¿½ngeles caï¿½dos,
>>por amor infinito de su corazï¿½n sagrado hacia la verdad y la
>>justicia infinita de la sangre gloriosa y eternamente
>>milagrosa del fruto de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Por ende, nada ni nadie podrï¿½ realmente hacerte ningï¿½n mal en
>>todos los dï¿½as de tu vida por la tierra, si el espï¿½ritu de la
>>sangre del Seï¿½or Jesucristo reina en tu corazï¿½n, para cumplir
>>cada una de las promesas divinas, hecha a sus amados de la
>>antigï¿½edad de Israel, desde el comienzo de las cosas, por
>>amor a ti. Y esto es de perdï¿½n de pecados, protecciï¿½n
>>infinita de los males del enemigo en sus vidas y alcanzar las
>>mï¿½s ricas y gloriosas bendiciones de la nueva vida celestial
>>e infinita del nuevo reino de Dios, en la tierra y en el
>>cielo, tambiï¿½n, para la nueva eternidad venidera de ï¿½ngeles y
>>de su eterna humanidad regenerada.
>>
>>Porque tanto como los ï¿½ngeles del cielo y asï¿½ tambiï¿½n la
>>humanidad entera ha sido bendecida y regenerada inmensamente
>>por tan sï¿½lo ingerir vida del fruto de la vida eterna, el
>>Seï¿½or Jesucristo, ya sea para los millares de ï¿½ngeles en el
>>cielo o para los hombres, mujeres, niï¿½os y niï¿½as de toda la
>>tierra, tambiï¿½n, por ejemplo. Porque es la sangre viva e
>>infinita del paraï¿½so, el fruto de la vida, del ï¿½rbol de Dios,
>>el Seï¿½or Jesucristo, la cual realmente alimenta el corazï¿½n,
>>el alma, el espï¿½ritu y el cuerpo humano de Adï¿½n y de la
>>humanidad entera, de todas las naciones de la tierra y del
>>nuevo reino celestial, tambiï¿½n, por supuesto, para la
>>eternidad.
>>
>>Entonces tenemos la confianza en nuestros corazones eternos,
>>de que el Seï¿½or Jesucristo ascendiï¿½ al cielo, para entrar al
>>lugar santiï¿½simo del altar de Dios, no con la sangre de los
>>corderos, toros y cabrï¿½os de Israel de la antigï¿½edad o de
>>siempre, sino con su misma sangre bendita, la cual nos da
>>vida y salud en abundancia, infinitamente. Es por eso, que
>>desde la antigï¿½edad y hasta nuestros dï¿½as, tenemos al Seï¿½or
>>Jesucristo delante de Dios y ante su altar del cielo,

>>intercediendo por el bienestar de cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y rï¿½enos
>>de la tierra, de los que hemos creï¿½do e invocado su nombre
>>salvador con nuestros labios.
>>
>>Para que entonces nuestro Padre Celestial ya no vea nuestros
>>pecados y sus muchas tinieblas en nuestras vidas, sino sï¿½lo
>>al Seï¿½or Jesucristo bendiciï¿½ndonos dï¿½a y noche con su sangre
>>viva e infinita, llena de verdad y de justicia celestial,
>>para nuestros corazones y para nuestras nuevas vidas
>>celestiales del nuevo reino de los cielos, en la nueva
>>eternidad infinita. Por consiguiente, ï¿½sta sangre viva y
>>real, llenara nuestros corazones y nuestras venas de nuestros
>>cuerpos de vida y de la misma salud celestial e infinita de
>>nuestro Padre Celestial y de su ï¿½rbol de la vida, su Hijo
>>amado, el gran rey Mesï¿½as, ï¿½el Seï¿½or Jesucristo!, en los dï¿½as
>>venideros, si permanecemos fiel, a su sangre expiatoria y
>>reconciliadora.
>>
>>Y desde entonces llegaremos a ser esos hombres y mujeres
>>completamente formados, en el Espï¿½ritu y en el amor infinito
>>de Dios y de su Seï¿½or Jesucristo, para jamï¿½s volver a conocer
>>el mal del pecado ni ninguna de sus enfermedades terribles,
>>de nuestros corazones y de nuestras almas, en la tierra y en
>>el paraï¿½so, eternamente y para siempre. Realmente seremos
>>hechos, como Dios mismo lo dispuso en el comienzo de todas
>>las cosas, en su imagen y conforme a su semejanza santa,
>>perfecta y sin igual alguna, gracias a la sangre viva e
>>infinita del ï¿½rbol de la vida, viviendo en nuestros corazones
>>y en nuestras almas regeneradas, para la vida infinita del
>>nuevo reino celestial.
>>
>>Y, a partir de aquel dï¿½a en adelante, sï¿½lo conoceremos la
>>felicidad celestial de vivir con nuestro Padre Celestial, su
>>Espï¿½ritu Santo y su Hijo amado, el Seï¿½or Jesucristo, rodeado
>>por siempre de sus huestes de ï¿½ngeles celestiales y de su
>>nueva humanidad infinita de todos los tiempos, para jamï¿½s
>>volvernos a separar de ï¿½l, en la eternidad venidera. Y es
>>precisamente esta vida y ï¿½ste dï¿½a celestial, ya muy cercano,
>>por cierto, por los cuales tu corazï¿½n y tu alma siempre te lo
>>han requerido de ti, pero sin tï¿½ saberles responder
>>adecuadamente, porque no conocï¿½as a Cristo, tu ï¿½nica verdad y
>>justicia salvadora de tu vida, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para siempre.
>>
>>LA SANGRE VIVA E INFINITA TE AMA
>>
>>
>>La sangre del ï¿½rbol de la vida clama por ti, desde la
>>fundaciï¿½n de la roca eterna, en donde se derramo hasta llegar

>>a las profundas tinieblas de las tumbas de los pecadores y
>>pecadoras de la humanidad, para reclamar por tu vida y por tu
>>salvaciï¿½n infinita. Y desde aquel dï¿½a, como en el Tercer Dï¿½a
>>subiï¿½ de regreso a la tierra sagrada que te vio nacer del
>>polvo de la tierra, en las manos de Dios, para seguir
>>clamando por ti y por tu salvaciï¿½n, pero esta vez, desde el
>>epicentro del lugar santï¿½simo de nuestro Padre Celestial, en
>>el cielo.
>>
>>Porque la verdad es que el amor de nuestro Padre Celestial
>>hacia el hombre y su humanidad infinita es mayor que todos
>>los sentimientos de su corazï¿½n y de sus cosas muy gloriosas y
>>grandiosas del reino de los cielos y de sus ï¿½ngeles sumamente
>>gloriosos y eternamente honrados delante de su presencia
>>sagrada. Y es por este amor, que nuestro Dios dio su misma
>>vida santa, para redimirnos a cada uno de nosotros, de los
>>males del pecado y de su muerte infinita, en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego, por ejemplo, la
>>segunda muerte del alma rebelde al fruto de vida, la sangre
>>hacedora / restauradora.
>>
>>Ademï¿½s, este fruto de vida del paraï¿½so es la misma sangre
>>viva e infinita que nuestro salvador, Jesucristo, el Mesï¿½as,
>>dejo correr sobre los ï¿½rboles cruzados, secos y sin vida de
>>Adï¿½n y Eva, sobre la cima de la roca eterna, en las afueras
>>de Jerusalï¿½n, para ponerle fin al pecado y al ï¿½ngel de la
>>muerte, en tu vida. Para que de esta manera, el pecado y sus
>>poderes de las profundas tinieblas del mï¿½s allï¿½ ya no tengan
>>ningï¿½n poder sobre ninguno de nosotros, en todos los lugares
>>de la tierra y aun en el mï¿½s allï¿½, tambiï¿½n, con el ï¿½ngel de
>>la muerte, como en el bajo mundo de las almas perdidas de los
>>pecadores, por ejemplo.
>>
>>Porque con la sangre viva e infinita, el pecado y el ï¿½ngel de
>>la muerte ya no pueden tocar ni tener efecto alguno, en
>>nuestros corazones, en nuestras almas, en nuestros cuerpos,
>>ni menos en nuestras vidas, en la tierra y en el mï¿½s allï¿½,
>>como en el paraï¿½so o como en La Nueva Jerusalï¿½n Sagrada e
>>Infinita del cielo. En realidad, el poder de la sangre del
>>Seï¿½or Jesucristo en nuestras vidas no la entiende ningï¿½n ser
>>humano, con su corazï¿½n y con su mente pecadora, sï¿½lo nuestro
>>Padre Celestial y su Espï¿½ritu Santo; ni aun los ï¿½ngeles
>>pueden entender los poderes y autoridades sobrenaturales de
>>la sangre del Seï¿½or Jesucristo, en sus mentes y en sus
>>corazones.
>>
>>Los ï¿½ngeles sï¿½lo se admiran de la gloria infinita que ven en
>>ella, cuando toca el corazï¿½n y la vida de cada hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, para redimirlos del poder
>>del pecado y de sus males eternos, como la muerte en el

>>infierno o la muerte infinita, en el lago de fuego, por
>>ejemplo. Realmente, los poderes sobrenaturales de la sangre
>>que Jesucristo derrama sobre la cima de la roca eterna, en
>>las afueras de Jerusalï¿½n, sï¿½lo son para los que aman a Dios y
>>a su Espï¿½ritu Santo, en sus corazones, en su espï¿½ritu y en su
>>verdad, para dejar atrï¿½s las tinieblas y vivir la luz de la
>>vida del paraï¿½so infinitamente.
>>
>>Por lo tanto, nosotros estamos llamados por Dios mismo, de la
>>misma manera que llama a Adï¿½n a comer y beber de su fruto del
>>ï¿½rbol de la vida, es decir, de la sangre viva e infinita de
>>la nueva vida, del nuevo reino celestial, para gloria y para
>>honra perdurable de ï¿½l mismo y de su Espï¿½ritu Santo. Porque
>>de otra manera, ninguno de nosotros, al igual que Adï¿½n y Eva,
>>jamï¿½s podremos realmente ver ni menos conocer la vida
>>inmortal del paraï¿½so, por la cual Dios nos saco del polvo de
>>la muerte, para formarnos en su imagen y conforme a su
>>semejanza, para vivir con ï¿½l y conocerle como tal, como
>>nuestro Creador, en la inmensidad.
>>
>>Por ello, nuestro Dios desea que cada uno de nosotros le
>>conozcamos a ï¿½l, de la misma manera, como su Hijo amado
>>siempre le ha conocido desde tiempos inmemoriales y hasta
>>nuestros dï¿½as, por ejemplo. Es por eso, que en el principio
>>nuestro Dios nos creo en sus mismas manos y no en las manos
>>de los ï¿½ngeles o de otros seres celestiales, para entonces
>>crearnos a su perfecciï¿½n infinita de su imagen y conforme a
>>su semejanza celestial, con el fin de que le conozcamos algï¿½n
>>dï¿½a, como hoy en dï¿½a, por ejemplo.
>>
>>Porque sin la imagen y semejanza celestial de Dios, entonces
>>nosotros no hubiï¿½semos jamï¿½s conocido al Seï¿½or Jesucristo, ni
>>a su Espï¿½ritu Santo ni mucho menos a ï¿½l, como nuestro Padre
>>Celestial, Fundador del cielo y de la tierra, ï¿½el
>>Todopoderoso! Entonces en el dï¿½a de nuestra formaciï¿½n era
>>indispensable para Dios formarnos en los poderes gloriosos y
>>sobrenaturales de la sangre viva e infinita del ï¿½rbol de la
>>vida, Jesucristo, el Mesï¿½as, para que nosotros vivamos por
>>siempre de su fruto de vida celestial, la sangre del pacto
>>eterno entre ï¿½l y el hombre, la del Gï¿½lgota, por ejemplo.
>>
>>Ya que, si Dios nos hubiese creado en la imagen y semejanza
>>de los ï¿½ngeles del cielo, lo cual hubiese sido muy loable y
>>glorioso, tambiï¿½n, pero jamï¿½s asï¿½ de loable o asï¿½ de
>>glorioso, como la misma imagen y semejanza celestial de
>>nuestro Padre Celestial, el Dios del cielo y de toda la
>>tierra. Y si Dios nos hubiese creado en las manos de otros
>>seres, como corderos, becerros, toros, en fin, como
>>cualquiera de los animales del paraï¿½so o de la tierra,
>>entonces no tendrï¿½amos el potencial en nuestros corazones de

>>conocerle a ï¿½l, en su imagen y conforme a su semejanza, cï¿½mo
>>sï¿½lo Cristo le conoce, desde siempre, y por los siglos.
>>
>>Es decir, que los animales sï¿½lo pueden conocer a los
>>animales, en su imagen y semejanza de cada uno de ellos
>>mismos; y asï¿½ tambiï¿½n los ï¿½ngeles del cielo, por ejemplo,
>>segï¿½n sean sus rangos de gloria y de perfecciï¿½n celestial,
>>como arcï¿½ngeles a arcï¿½ngeles, serafines a serafines,
>>querubines a querubines y demï¿½s seres santos del reino. Como
>>por ejemplo, el becerro se identifica con su igual, es decir,
>>otro becerro; y, ademï¿½s, pueden vivir juntos en sus manadas,
>>sin ningï¿½n problema alguno y hasta se procrean mutuamente en
>>grandes nï¿½meros, si se los deja a vivir a su manera natural
>>de vivir, por ejemplo.
>>
>>Pues asï¿½ tambiï¿½n los toros y las vacas, estos animales se
>>identifican el uno al otro y viven en sus manadas por la
>>tierra, en paz, en tranquilidad y felices de estar juntos. Lo
>>mismo podrï¿½amos decir, por cualquier otro animal del aire, de
>>la tierra y del mar, cada uno de ellos se identifica en su
>>imagen y segï¿½n su semejanza, y viven juntos y felices todas
>>sus vidas y sin ningï¿½n problema.
>>

>>
>>El amor (Espï¿½ritu Santo) de nuestro Padre Celestial y de su

>>
>>CUARTO MANDAMIENTO: "Acuï¿½rdate del dï¿½a del sï¿½bado para

The xx suffix is the operator's callsign suffix (i.e. VP9400/LP). There are a few novice licence holders who have a 3 digit suffix (i.e. VP9400/NMT). Look for special pictorial postcards to be used to QSL.

WAS LOTW ACCOUNT INFORMATION. Bill Moore, NC1L, ARRL Awards Manager, announced: "Some users may have noticed that their WAS totals have changed or have completely gone away. On January 1, 2009, LoTW refreshed all WAS accounts to accommodate the new Triple Play award. Your Triple Play record is shown as a sub award in your WAS account just as band and mode sub-awards are shown. If your account had no QSO rules then the system had no way of applying your QSO credits. This is easily fixed by adding a rule to your WAS account. All WAS accounts must have at least one rule. To add a rule to your WAS account simply access your WAS account then select 'MODIFY ACCOUNT'. Follow these steps to complete the process:

Click 'Add Rule To QSO Set'
Next, select the type of rule you want to apply. Drop the box down, make your selection then click 'Add Rule'

(Next it may ask you here to select a callsign if you have more than one account. If so, select the callsign you want to change).

If there is only one callsign in the account the next screen will say 'Save Account Changes'

Click this and your account should be OK now.

Note, if you feed more than one WAS account for different locations you must do this for each account. Some accounts are very simple and will only require a callsign rule. Other accounts may be more complex requiring multiple rules to accommodate your operations. WAS accounts can be configured to automatically select those of your QSOs that both

qualify for a WAS award and also match a set of rules you specify. A QSO Set is a list of rules that define QSOs that will be matched. Your account can include more than one QSO Set if needed to encompass all of your QSOs that are eligible for the awards. The rules that make up a QSO Set each compare the value of a field related to the QSO. The fields that may be used for this comparison are the callsign you used to make the QSO, the QSO date, and several geographical fields. At least one rule must be included in a QSO Set in order to match any QSOs. If more than one rule is present in the QSO Set, you may choose whether the QSOs must match all of the specified rules or any of the specified rules."

WORLD'S LARGEST AMATEUR RADIO ANTENNA DEPLOYED ON 160M AT OH8X. OH8X is to be manned by OH2IW and OH6KN, still in a limited capacity while valuable data will be gathered in this first assault. DX will soon be upon us. This time around I'd like to have a band scope, without spending thousands of dollars. This so I can see band activity on a display screen. For this I have not found a solution.

The cheapest solution that I have found is an Icom IC-PCR1500 PC controlled receiver, for about $500. It would do the job.

My Icom IC-735 HF rig does not have an IF output on the back.

I recall seeing standalone band scopes, but I can't seem to find any now.

Can anyone recommend a solution?

Thanks for your help.

Thanks to the Northern Ohio Amateur Radio Society, Northern Ohio DX Association, Ohio/Penn PacketCluster Network, AB5K & the AR TelNet Clusters Network and WW5L for the following DX information.

The following press release was provided by Tom Anderson, WW5L.

PJ7/FS DXpedition to the Caribbean

The "Buddies in the Caribbean" DX group which specializes in 100 watt or low power radios and the Buddipole portable antenna system is off again to a new DXpedition site Feb. 4-11.

This time the group will be operating at different times from BOTH the French and Dutch side of St. Martin Island FS/PJ7. Various modes including phone, RTTY, and CW will be on the air, along with "golf cart mobile", or "bicycle mobile" operations and other unique operational situations. Each of the operators has extensive experience operating from "unique" locations or various DXCC entities.

In 2007, four of the eight operators on the 2009 DXpedition were part of the Montseratt VP2M Buddipole DXpedition.

The DXpedition headquarters will be at Villa Ait Na Greine on the French side of the island. The heaquarters (http://villaaitnagreine.com) is perched on top of a cliff overlooking the Caribbean with excellent take off angles toward North America and Europe. There will be other sites on the island, both on the French and Dutch sides, where operations will occur giving DXers a chance to work two separate DXCC countries.

The group's goal will be to work stations from all over the world using Buddipole(TM) antennas and other newly-developed Buddipole(TM) antenna accessory products. The operation will be the week before the Orlando Hamfest and two weeks before the KP5 DXpedition. Operators will be using FS/homecall and PJ7/homecall and plans call for contacts to be uploaded to LoTW, eQSL, and an on-line log. Those wanting hard copy QSLs should send a S.A.E. and appropriate return postage or an SASE to the homecalls

of the operator(s) you've worked.

The "Buddies in the Caribbean" blog page will be:
http://caribbeanbuddies.blogspot.com/

The group consists of the following operators:

K8EAB Weymouth Walker who's operated from Jamaica as well as motels, high rise apartment buildings, a pontoon boat, mountain tops, and even "picnic table" portable during his 52 year ham career.

KC4VG Mike Greenwood was a member of the BUM's Montersatt group in 2007 as VP2MVG and has been licensed more than 25 years. He also has operated from the Bahamas C6 and other Caribbean locales. Unique QTHs have included operations from Alcatraz Island in the USA, a cruise ship, and the Marconi station on Cape Cod. He specializes in low power SSB operations. Many DXers have run into Mike at the Buddipole booth at the Dayton Hamvention where he helps Chris and Budd out with sales.

N7UN Guy Hamblen has operated from such unusual locales as the Appalachian Trail and from the top of several of Colorado's 14,000 ft. peaks. Previously he was K7YYK, AA7QZ, and his current call of N7UN. He has 334 DXCC countries confirmed.

KB9AVO Paul Van Dyke was a member of the 2007 Buddipole Montseratt DXpedition and held the VP2MVO call. He is a frequent contester as part of the KP4US contest team in Abonito PR. He will be specializing in PSK, RTTY, and Slow Scan tv on FS/PJ7. He is also founding president of the Indiana-Michigan-Ohio Skywarn Association.

WW5L Tom Anderson is an avid DXer and has held the following DX calls since the 1980s: V31EF (Belize), G0/WW5L (UK), 7P8TA (Lesotho), and C91TL (Mozambique). He is on the DXCC Honor Roll and has also operated from the Battleship Missouri, KH6BB, at Pearl Harbor HI. He was a K2BSA staff member and radio merit badge counselor at the 1997 National Boy Scout Jamboree and has been invited back as a K2BSA staff member for the 2010 Centennial National BSA Jamboree. He is also planning on operating as HB9/WW5L from the Kandersteg World Boy Scout Camp in Switzerland in July.

N0TU Steve Galcchutt is a long time CW operator on Straight Key Night and enjoys "mountain top operation" as he's operated from several of Colorado's 14,000 ft. peaks. QRP CW operations are his main interest. He will also be the group's resident videographer - you may have seen his videos on YouTube under the pen name "the Goat Guy."

W3FF Budd Drummond is one of the principals in Buddipole. His main interest lies in making portable, "bicycle mobile", "golf cart mobile", and "walking" HF contacts from whatever location he finds himself in. Budd was one of the members of the 2007 Buddipole Montseratt DXpedition. His web page is http://www.qsl.net/W3FF. In September 2004 Budd worked every continent using 50 watts on his "bicycle mobile" and has logged more than 5,000 QSOs as "walking mobile" station.

W6HFP Chris Drummond is the president of Buddipole and his main interest, naturally, is HF portable operating and "lightweight" DXpeditions to remote locations. An avid backpacker and outdoorsman, Chris works to design products that will live up to his demanding expectations for rugged and versatile equipment for HF operating in the field. He was also a member of the VP2V Montseratt DXpedition with callsign VP2MHFP.

About the antennas: the Buddipole antenna system is designed to be a lightweight and versatile way to put an efficient station on the air in minutes in almost any terrain. By utilizing an interchangeable series of custom-made components the user is able to configure dozens of antenna designs optimized for their particular operating needs. The group to St. Martin expects to operate dipoles in various configurations, verticals, vertical beams, mini-yagis, and other antennas using only Buddipole parts. Several new products will make their debut including a lightweight rotor, super cap power supply, LifePo4 battery packs, folding capacity hats, and shockcorded masts.
